

The “Cheryl Malone” Fresh Pond Dog Park NEEDS Some TLC!

Halfway there but still need your help!!!

Cape Cod’s first dog park, located on Rte. 134 just South of Upper County Rd. traffic lights heading towards Rte. 28, has been entertaining people and their canine companions for 8 years. The first phase is complete but we still need your help to raise additional funds to replace the fence surrounding the second pen as well, parking improvements and signage.

If you would like to support the “Cheryl Malone” Fresh Pond Dog Park with a donation of any amount, please make checks payable to Town of Dennis, and write Dog Park Donation in the item line of the check.

Mail donations to:
