

TOWN ADMINISTRATOR'S REPORT DECEMBER 15, 2020

1. COVID-19 UPDATES FROM DENNIS HEALTH DEPARTMENT –

The Health Director Kristen Keller reports We are continuing to see a surge of confirmed as well as probable cases of COVID-19. The Town currently is following 24 active probable and confirmed cases. This past Sunday, the entire Commonwealth rolled back to Step 1 of Phase 3. Gathering sizes have been reduced along with capacity limits for certain industries.

Restaurant guidance has been revised to require face coverings at all times, except when you are eating or drinking. There is also a 90-minute time, and a limit to 6 people at a table. The most up to date information on sector specific guidance can be found on the MDPH website.

Beginning yesterday, appointments for COVID-19 testing services are available at the Cape Cod Melody Tent in Hyannis and the Barnstable County Fairgrounds in Falmouth, more information about testing sites on the Lower and Outer Cape will be forthcoming. — Testing will be by appointment only. To book an appointment, please call the Community Testing Line at (508) 862-5595. — Tests for asymptomatic individuals are available for \$75, and are offered for free to individuals who confirm their inability to pay when they call to book an appointment. Tests are \$110 for those traveling from outside of Massachusetts and receiving this test to comply with state requirements upon return. Insurance will be accepted for symptomatic individuals with a doctor's order.

On December 9th, Governor Baker announced the COVID-19 vaccine distribution plan. This will be rolled out in three phases with the first phase set to begin this week and running thru January for Clinical and non-clinical healthcare workers doing direct and COVID-facing care. The vaccine is set to be available to the general public in the Spring. Further information on the vaccine distribution plan can be found on the MDPH website. As we all plan for the Holiday season, please remember that the Stay at Home advisory remains in effect from 10:00pm – 5:00am. If you do host or participate in a holiday celebration, keep it small and follow public health guidance. If you are considering traveling, be aware and follow the MA travel orders. Thank you to everyone for your continued compliance.

Be safe, stay well, and Happy Holidays.

2. HOLIDAY LIGHT TOUR–

As you may have heard, the Dennis Chamber has created a fun and safely distanced event for the town called Dennis Holiday Lights. We are very excited about the number of residents and businesses that have already registered with us!

We are hoping to not only bring some joy and connection to our residents, but also bring more visitors into the town while driving traffic to businesses that so desperately need it this year. This is our answer to the usual holiday strolls in the various villages that have been cancelled.

In the spirit of community, we are hoping to include the Town Hall and other town facilities on our map of locations to pass by to experience our Dennis Lights. Any amount of outdoor festive decor would be appreciated. The participation of our town government would highlight the spirit of our community and show support to the small businesses that call Dennis home.

Please feel free to reply to this email and I will make sure any approved buildings will be put on our map.

Thank you for your support and consideration.

Sincerely,
Chrissy Carr
Dennis Chamber President

The Dennis Select Board worked together to light up the Town Hall Building, and we are coordinating on lights outside as well.

For more information on the Dennis Light tour sponsored by the Chamber please visit; [Dennis Chamber of Commerce](#)

3. TOWN OF DENNIS PUBLIC SERVICE & LONGEVITY -

As this is the Select Boards last scheduled meeting of 2020, I want to express my gratitude and that I am so proud of our Town staff, particularly how they adapted over the last several months to serve the community during the public health crisis. Please join me in thanking them for their dedication and public service. The following pages note our “Team Dennis” and years of service to the Town.

<p><u>50 Years of Service</u> Richard Walker Public Safety</p>
<p><u>45 Years of Service</u> John Donlan Public Safety</p>
<p><u>44 Years of Service</u> Robert Brown Public Safety</p>
<p><u>38 Years of Service</u> Wayne Conlon Public Safety</p>
