

ANNUAL REPORT
of the
TOWN OF DENNIS

FOR THE YEAR ENDING
DECEMBER 31, 2011

TABLE OF CONTENTS TO COME

IN MEMORIAM

2011

The Town of Dennis lost the following valued employees and volunteers this year.*

Donald Grant Cattanach

Donald worked for many years at the Highlands Golf Course as a Ranger and Starter.

Mary Dumas

Mary was a secretary for the Dennis Senior Center.

John Malloy

John Malloy was a member of the Library and Dennis Public Library Boards.

Richard R. Palmer

Richard was a member of the Capital Outlay Committee.

Robert G. Potter

Robert worked many years for the Dennis Police Department as a Police Officer, Firearms Instructor and Mechanic.

Lois A. Powers

Lois worked for many years in the Police and DPW Departments.

Raymond Theodore Speakman

Ray worked for over 30 years as a Wiring Inspector for the Town.

Richard Swanson

Richard was a member of the Caretaker of Veterans' Graves Committee.

*We sincerely apologize if we have inadvertently overlooked anyone-
A common mistake when such a task is undertaken.

**The 2011 Town of Dennis Annual Report
is dedicated to
Peter Howes
David Talbott
Richard Howes**

Richard Howes, Peter Howes and David Talbott

The Town of Dennis is unique in that it owns the home of the man our Town was named for, the Josiah Dennis Manse. Built in 1691 of first growth timbers it was rapidly deteriorating over the past twenty years and needed immediate attention.

Peter Howes of the Manse Museum Committee volunteered to spearhead the quest for funds. He wrote a large number of grant proposals and was very successful. Many of them were awarded from Dennis CPA funds.

Peter is a direct descendant from our first settler, Thomas Howes. He grew up in Taunton but spent summers of his youth at his grandparent's home in Dennis Port. His grandfather was a retired sea captain. Pete's background is in physics, research and development, marketing and management—all good skills for the restoration of the Manse. He has served as President of the Dennis Historical Society since 2008.

Peter's commitment and countless hours of time over six years speak to his character and love of Dennis.

David Talbott, long time member of the Manse Museum Committee, was born in CT, but spent his summers from age one in Harwich Port. He has been an astronomy buff since he was young, building a telescope in his teens. He is a graduate of Middlebury College and was a helicopter pilot in the Vietnam War. When his service assignment was over Dave and his wife, Chris, decided the only place they wanted to be was on the Cape. He owned and operated South Shore Heating and Plumbing for many years. That expertise was invaluable in interpreting the state of the art climate control and water retrieval system now protecting the Manse. He has also served as a member of the Land Acquisition Committee and was Clerk of the Works for the Dennis

Memorial Library renovation and expansion in 2005. He is a man of many skills—a Renaissance Man.

The third member of the team was 11th generation Dennis native Richard Howes. Dick went through the Dennis/Yarmouth schools and the Massachusetts Radio and Television School in Boston. He served in the U.S. Army and returned home to open Dennis Radio and TV which he operated for 32 years.

Dick has served on the Dennis Recreation Committee, was a Dennis call-firefighter, one of the founders of Dennis Senior Softball League and on the board of the Northside Business Association. He is a Past-President of the Dennis Historical Society and still serves as photographer of that group. He has served on the Dennis Historical Commission and has been on the Manse Committee for 21 years. He also is a direct descendant of first settler Thomas Howes who arrived here in 1639.

All three men brought many wonderful talents to this liaison with the builders. Their dedication has given Dennis citizens an historic treasure they can be proud of. Thank you gentlemen!

Annual Town Report Dedication Honor Roll

2010	Burton Nathaniel Derick
2009	James and Helen Wick
2008	Paul F. Prue
2007	Phyllis Robbins Horton
2006	Donald Treppe

BOARD OF SELECTMEN

As we reflect back on the past year, it could be described as a year of cohesion under the auspices of Rick White, our Town Administrator. We have made progress in many areas. We expect to build upon this progress in 2012. In May, the voters re-elected Heidi Schadt and Wayne Bergeron to the Board for three year terms.

As is customary, budget discussions began early in the year. Taking into consideration the Town's capital needs, the Board directed administration to bring forth a balanced budget within the limits of Proposition 2 ½. The focus and priority became the need to fund the maintenance or replacement of major equipment and infrastructure. The Capital Outlay Committee is charged with the responsibility of reviewing and evaluating all requests from Town department heads as well as the Dennis Schools for capital projects, improvements and equipment.

The Board of Selectmen continues to monitor the impact of the Chapter 70 formula on our municipal finances and the progress of our schools in improving MCAS test scores, decreasing the drop-out rate, discouraging students from choosing other school districts, and maintaining overall adequate yearly progress. The K-8 School District Assessment Committee presented their report to Town Meeting. Further action will take place at the upcoming Annual Town Meeting. In these most difficult economic conditions, we applaud the School Committee, Superintendent, teachers and support staff of both the Dennis Yarmouth Regional School District and the Cape Cod Regional Technical School for their dedication and outstanding efforts to provide a quality education for the children of our town.

Dennis is rich in natural resources. Maintaining our waterways, beaches and conservation lands has been a challenge for us but doing so is critical if we are to maintain access to these wonderful resources

We were blessed with a beautiful summer during 2011 and revenue from both golf and beaches proved this. A new Beach Capital Improvement Fund was established. Part of this fund has been used to rebuild the Corporation Beach Bathhouse. With the unseasonably warm winter, this project is ahead of schedule and should open this summer.

The Board of Selectmen is committed to finding ways to help the citizens of Dennis to take advantage of the new technologies that would allow us to lessen our dependency on fossil fuels while at the same time allowing our citizens an opportunity to reduce their energy bills. Town Meeting voted to allow the installation of a solar panel

farm at the site of the old landfill. This operation should be up and running by the fall of 2012.

We are continuing to address our need to plan for our Town Office space. The Board working with the Town Hall Building Committee has completed the renovation of the former police station and plans are underway to refurbish the existing Town Hall. This will enable us to sell our annex in Dennisport and move those departments to the old Police station.

The Josiah Dennis Manse refurbishment project was completed on time and within budget. This beautiful building was opened in June.

We take this opportunity to thank the many volunteers who serve on our committees, commissions and boards. Without their dedication and service to the process of our local government, the challenge of providing the Town's people with proper and timely regulatory and advisory functions could not be met. We also extend our sincerest appreciation for the service provided by our municipal staff throughout the year. And most importantly, we thank the citizens of the Town that participate in their government by voting and attending Town Meetings. It is your participation in deciding these issues that will have a lasting impact on the future and quality of life in our Town. It is an honor to serve you.

Respectfully submitted,

Paul R. McCormick, Chairman
Sheryl A McMahon, Vice Chairman
Wayne A. Bergeron
Heidi S. Schadt, Licensing Chairman
Alan Tuttle, Clerk

TOWN CLERK

2011 has been a gear-up year, preparing for a busy 2012 Election year. Implementation of Open Government and Ethics regulations continues to be a challenge for employees to follow and for municipal clerks to fulfill responsibilities. In January, the Registry of Vital Records and Statistics implemented the VIP – Vital Information Partnership System for Birth records across the Commonwealth. This centralized computer system has given the Town Clerk's Offices a real-time view of Birth records with all documents being identical. In 2013, the Death records will be put into VIP format.

The Annual Town Meeting was held at the Nathaniel H. Wixon Middle School on May 3, 2011 with a voter turnout of 268 and the Annual Town Election was held on May 10, 2011 with a voter turnout of 1,837 (15.94%). Two Special Town Meetings were held: One on October 11, 2011 with a voter turnout of 227 and then another on November 15, 2011 with a voter turnout of 271.

We held our first Annual Dennis's "Top Dog Photo Contest" with 30 contestants. Photos were submitted to the Town Clerk's Office through the month of October and the voting took place from November 1st through November 18th. The winning dog was "Honey", who received the #1 dog tag, free of charge and notoriety on the Town Website for being Dennis's Top Dog.

As we close the year, nearly 200 voters have been moved to a different Voting Precinct. Those voters will be notified in February of 2012.

I would like to thank my office staff; Assistant Town Clerk, Laura McCarthy and Office Assistant, Kathleen Travelo. With all the changes that came into the Town Clerk's Office over the past year, Laura and Kathleen have kept the office running efficiently & effectively. I'd also like to thank my Board of Registrars; Grayce Monteiro, Laurie Paige and Nancy Woodworth. The Board of Registrars have been on hand to register voters during Voter Registration Sessions, election nights for counting and helped with the numerous amounts of Annual Town Census forms to process. The Constables in town have done a fantastic job this year. They are George Sawyer, Gerry DeSalvatore and Paul Corcoran. These gentlemen are always ready to post our Town Meeting Warrants, Town Election Warrants and receive calls from the Sheriff's office to serve for them. Lastly, I give special thanks to my Election Wardens, Clerks & Inspectors. They have made running Elections a pleasure. With their knowledge, expertise and years of experience, I feel comfortable knowing that all 5 precincts are well run and staffed.

Next year will be an exciting year with Town & State Elections as well as Primaries. All of the above that have been mentioned will be very busy.

Respectfully submitted,

Terri Bunce
Town Clerk

ANNUAL TOWN MEETING

May 3, 2011

Robert C. Chamberlain, Moderator, called the Annual Town Meeting held at the Nathaniel H. Wixon Middle School to order at 7:00 p.m. He declared a quorum present and noted that the Warrant had been posted by George Sawyer, Constable. Tellers were Gladys Kearney, Robert Duffy, John Schnaible, Peter McDowell, Frank Ciambriello and Paul Covell, Head Teller.

Moderator Chamberlain asked the assembly to kindly rise as the Wixon 8th Grade Band, conducted by 8th Grader Drew Cochran, played the "Star Spangled Banner".

On motion of Finance Committee Chairman James Plath, duly seconded, it was unanimously voted to waive the formal reading of the Warrant.

The Henry C. Boles Achievement Awards were presented by Committee Member Julia Johnson. The Henry C. Boles Achievement Award Committee was named in honor of the late Selectman Henry C. Boles, who served from 1973 to 1977. Mr. Boles' leadership and extensive personal contribution to town programs was largely responsible for Dennis winning recognition in 1978 as an All-American Town. Mr. Boles set a high standard of excellence for citizen participation in town government. He died in 1979. Henry's wife, Myrtle Boles, died in 2009 in Florida at the age of 92. Myrtle was a member of this committee for many years.

The Committee honors the memory of Henry Boles by encouraging our younger residents to exhibit examples of good citizenship and community involvement. The committee unanimously decided to award a \$100 US Savings Bond to a third grade boy and girl graduating from Ezra Baker Elementary School and to one eighth grade young man and woman graduating from the Nathaniel Wixon Middle School.

The Certificates and \$100 US Savings Bonds were awarded to Miss Jenna Beebe and Master David Malone, students at the Ezra Baker Elementary School. Both Jenna and David have demonstrated excellent examples of citizenship, cooperation, diligence, kindness, and friendship as witnessed by their classmates and teachers. They exhibit good sportsmanship and respect for adults and fellow students.

From the Nathaniel H. Wixon Middle School: Miss Tess Ciarcia and Mr. Thomas Coute. Both Tess and Thomas demonstrate outstanding citizenship and leadership qualities. They are greatly admired by their peers. They respect the differences of other and always offer a helping hand. Tess and Tom work hard to achieve academic success. They enjoy challenge and face it with strength and perseverance. Each of these award winners is involved in more than one sport, and they encourage, motivate and lead their fellow teammates on and off the field. Tess and Tom also participate in their churches' youth groups. These young people exemplify what it means to be a good citizen and leader.

All of the recipients are a credit to their families, their schools and our community. They are all leaders among their peers.

Barbara "Bobbie" Trepte, widow of the honored Donald Trepte, presented the 2011 Donald Trepte Memorial Scholarship Award to Ms. Hannah Bowie. Hannah is outstanding scholastically and is a born leader. She is an athlete and has received many sportsmanship and leadership awards. At D/Y she played Field Hockey, Softball and Basketball. She has taught swimming and swims competitively. She has also taken up rowing.

Hannah loves being involved with community service. Among other things, she has coached recreational basketball for the Dennis Recreation Department, volunteers at the Ezra Baker Nurses office, serves meals to the homeless, makes blankets for hospitalized children and helps with beach cleanup.

She is a member of the Green Zone Environmental Club and is a National Honor Society member. She was a D/Y High School Girls State Representative and has received many leadership, good citizen and good cheer awards. She is a Student Ambassador, Class Marshall, attended the National Youth Leadership Forum on Medicine and works at Showtime Pizza.

Hannah will attend Fairfield University in Connecticut in the fall and will start by taking the necessary courses to become a nurse.

ARTICLE 1: Unanimously Voted: To accept the reports of the Town Officers as presented.

ARTICLE 2: Unanimously Voted: To accept the unpublished reports of the following committees: Dennis Port Revitalization Committee. The Committee jumped into action regarding Charrette Report recommendations and continues to actively seek volunteers and helpers in the ongoing revitalization. The year was filled with activity, as highlighted below:

- Built a park in the village center by seeking donations of skills and materials and by working collaboratively with area merchants, interested citizens and the dedicated employees of the Department of Public Works. Park volunteers were recently presented with the Dennis Garden Club's Golden Trowel Award.
- Initiated a memorial bench program and installed two new benches along Rt. 28 in downtown Dennis Port. More to be installed as private donations are made.
- Began a review of design features to attract users to the Dennis Port Village Green and the Mike Stacy Playground.
- Created arts working group focused on Dennis Port.
- As a result of the Charrette, public awareness was raised on Economic Development Committee initiatives, which stimulated discussion on Hotel/Motel and Cottage Colony Zoning Bylaws, both of which were passed at Town meeting.

- Implemented a common format to coordinate the efforts of interested parties and other stakeholders for working with community groups and other volunteers' skills and talents.
- Welcomed the changing of hands of the village center's main building on the south side of Rt. 28. Summit Realty's acquisition and renovations of the building led the relocating of Buckie's Biscotti in new space early in 2011.
- Additional businesses opened including the reinstatement of Puzzles, Toys and More.
- We have begun collaborating on bicycle route designations and a proposal to improve sidewalk circulation along Rt. 28. We are continuing to advocate addressing wastewater issues in Dennis Port.
- We added new member Fritz Lauenstein and said thank you and best wishes to Alex Kennedy for his service.

Respectfully submitted:

Thomas Huettner and Carlyn Carey, Co-Chairs,
Hank Bowen, Fritz Lauenstein, and Tony Noto

ARTICLE 3: Unanimously Voted: To assume liability in the manner provided by Section 29, Chapter 91 of the Massachusetts General Laws as amended, for all damages that may be incurred by the work to be performed by the Massachusetts Department of Environmental Management for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores, and shores along a public beach in accordance with Section 11 of Chapter 91 of the Massachusetts General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

ARTICLE 4: Majority Voted: To raise and appropriate \$25,437,804 for the operating expenses of the Town for the fiscal year commencing July 1, 2011 and ending June 30, 2012:

To transfer \$135,000.00 from Overlay Reserve to Finance Committee Reserve Fund, Line Item #10.

To transfer \$40,000 from Overlay Reserve to Town Administrator, Capital Outlay, Line Item #7.

To transfer \$ 61,742 from the Cable Special Revenue Fund to Town Administrator Personal Services, Line Item #3.

To transfer \$ 11,116 from Cable Special Revenue Fund to Central Purchasing Purchase of Services, Line Item #15.

To transfer \$5,000 from Waterways Maintenance & Improvement Fund to Central Purchasing Supplies, Line Item #16.

To transfer \$950 from the Cable Special Revenue Fund to Central Purchasing Supplies, Line Item #16.

To transfer \$ 85,250 from the Cable Special Revenue Fund to Data Processing Purchase of Services, Line Item #33.

To transfer \$ 15,000 from the Cable Special Revenue Fund to Data Processing Purchase of Services, Line Item #34.

To transfer \$ 816 from the Cable Special Revenue Fund to Data Processing Other Charges & Expenditures, Line Item #36.

To transfer \$ 8,564 from the Cable Special Revenue Fund to Property/Buildings, Personal Services, Line Item #53.

To transfer \$ 463 from the Cable Special Revenue Fund to Public Buildings Purchase of Services, Line Item #54.

To transfer \$2,250 from the Cable Special Revenue Fund to Property/Liability Insurance, Other Charges – Expenditures, Line Item #58.

To transfer \$1,075,000 from the Ambulance Receipts Reserve for Appropriations Account to Fire Dept. Personal Services, Line Item #65.

To transfer \$ 45,000 from Waterways Maintenance & Improvement Fund to Harbormaster Capital Outlay, Line Item #82.

To transfer \$ 15,000 from Cemetery Lots Sales Account to Dept. of Public Works, Personal Services, Line Item #91.

To transfer \$ 25,000 from Cemetery Perpetual Care Interest Account to Dept. of Public Works, Personal Services, Line Item #91.

ARTICLE 5: Unanimously Voted: To approve an annual school budget for the Dennis-Yarmouth Regional School District in the amount of \$49,228,734 and to raise and appropriate \$14,853,715 as the Town's assessment of the operating expenses for the Fiscal Year beginning July 1, 2011.

ARTICLE 6: Unanimously Voted: To indefinitely postpone the Article. To see if the Town will vote, consistent with Section 6 of the Agreement between the Towns of Dennis and Yarmouth establishing a Regional School District as amended in September, 2006 (hereinafter "Agreement") to authorize an amendment thereto, and to amend, Section 13 of said Agreement by striking the first sentence, and replacing the language with the following: "Subject to the provisions of this Section 13 and Section 14, all pupils in grades kindergarten through eight shall receive their education in facilities that are located in the respective towns in which the pupils reside, except that in the case of children with special needs, the Committee may provide for other appropriate arrangements," and further, to approve and to authorize any necessary action by the Dennis-Yarmouth Regional School Committee to effectuate this provision.

ARTICLE 7: Unanimously Voted: To indefinitely postpone the Article. To see if the Town of Dennis will vote, consistent with Section 6 of the Agreement between the Towns of Dennis and Yarmouth establishing a Regional School District as Amended in September, 2006 (hereinafter "Agreement"), to authorize an amendment to, and to amend, Section 13 of said Agreement by striking the first sentence, and replacing the language with the following: "Subject to the provisions of this Section 13 and Section 14, all pupils in grades Kindergarten through three shall receive their education in facilities that are located in the respective towns in which the pupils reside, except that in case of children with special needs, the Committee may provide for other appropriate arrangements," so as to no longer require the education of pupils in grades four through eight in facilities that are located in the respective towns in which the pupils reside, to approve and to authorize any necessary action by the Dennis-Yarmouth Regional School Committee to effectuate this provision.

ARTICLE 8: Unanimously Voted: To approve the \$3,400,000 debt authorized by the Dennis-Yarmouth Regional School District (the "District") on March 30, 2011, to pay costs of replacing the roof and windows and making various building code improvements at the Ezra H. Baker Elementary School located at 810 Route 28 in West Dennis, Massachusetts, which proposed repair project (the "Project") would materially

extend the useful life of the school and preserve an asset that is otherwise capable of supporting the District's required educational program. The Town acknowledges that the Massachusetts School Building Authority's ("MSBA") grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and that any costs the district incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the District and its member towns, and that any grant that the district may receive from the MSBA for the project shall not exceed the lesser of (1) 37.95 percent (37.95%) of eligible, approved project costs, as determined by the MSBA, or (2) the total maximum grant amount determined by the MSBA; and that the amount of borrowing authorized pursuant to the vote of the District described above shall be reduced by any grant amount set forth in the project funding agreement that may be executed between the District and the MSBA relating to the project.

ARTICLE 9: Unanimously Voted: To transfer \$55,540 from Cable Receipts for the purpose of providing matching funds for a Safety and Security/Technology grant for the purchase of related equipment and software for the Dennis-Yarmouth Regional School District.

ARTICLE 10: Unanimously Voted: To approve and annual school budget for the Cape Cod Regional Technical High School in the amount of \$12,781,986 and to raise and appropriate \$1,514,967 as the Town's apportioned share of the operating expenses for the Fiscal Year beginning July 1, 2011.

ARTICLE 11: Unanimously Voted: To raise and appropriate \$68,511 to fix the Fiscal Year 2011 salary and compensations of the elected officers of the Town for the Fiscal Year commencing July 1, 2011 and ending June 30, 2012, as provided for in Massachusetts General Laws, Chapter 41, Section 108 and acts and amendment thereof:

5 Selectmen at \$ 2,000 each
 1 Moderator at \$ 450
 Town Clerk at \$58,061

And that the salaries and compensations be fixed as given in this article and further, that all other elected officers serve without compensation.

ARTICLE 12: Unanimously Voted: To transfer \$412,589 from free cash to supplement the Fiscal Year 2011 Line Item appropriations under Article 4 of the May 4, 2010 Annual Town Meeting:

- a. Central Purchasing, Supplies, Line Item #17. 50,000

a. Replace Fire 4 WD Vehicle 111	\$ 30,000
	<u>\$ 30,000</u>
5. <u>Harbor</u>	
a. Replace 1997 Harbor One Ton Truck	\$ 50,000
	<u>\$ 50,000</u>
6. <u>Natural Resources</u>	
a. Princess Beach Pavilion, Restrooms and site improvements.	\$ 97,150
	<u>\$ 97,150</u>

GRAND TOTAL \$ 357,391

ARTICLE 18: Unanimously Voted: To adopt a Community Preservation Committee Budget for Fiscal Year 2012 in the amount of \$1,244,109 and to appropriate and transfer from the Community Preservation Fund the following:

1. \$124,411 (10%) to be reserved for community housing;
2. \$124,411 (10%) to be reserved for open space;
3. \$124,411 (10%) to be reserved for historic preservation;
4. \$766,925 for debt service;
5. \$8,000 for short term interest;
6. \$10,000 for committee expenses;
7. \$85,951 to be reserved for undesignated purposes.

ARTICLE 19: Voted 119 yes to 57 no: To appropriate the sum of \$825,000 to pay costs of designing, engineering, and constructing the Corporation Beach Bathhouse,

including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(3) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefore.

ARTICLE 20: Unanimously Voted: To appropriate the sum of \$250,000 to pay costs of designing, engineering, and constructing improvements to the Transfer Station Building, including the payment of all other costs incidental and related thereto, and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under and pursuant to Chapter 44, Section 7(3a) of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefore.

ARTICLE 21: Unanimously Voted: To re-authorize for Fiscal Year 2012 the crediting to the Cable Receipts Revolving Fund, as established by vote of the Dennis Annual Town Meeting on May 4, 2010, Article 27, and pursuant to MGL Chapter 44, Section 53e ½, providing for a means by which monies received from cable receipts may, after receipt, be expended, and without further appropriation to fund cable related expenses, by the Board of Selectmen, up to a limit of fifty thousand dollars (\$50,000.00) during Fiscal Year 2012.

ARTICLE 22: Unanimously Voted: To re-authorize for Fiscal Year 2012 the crediting to the Council-On-Aging Revolving Fund, as established by vote of the Dennis Annual Town Meeting on May 2, 1995, Article 42, and pursuant to the MGL Chapter 44, Section 53e ½, providing for a means by which fees or charges received in connection with a Council-On-Aging program or activity, may after receipt, be applied directly and without further appropriation to support that program or activity, for expenditure by the Director of the Council-On-Aging, up to a limit of seventy-five thousand dollars (\$75,000.00) during Fiscal Year 2012.

ARTICLE 23: Unanimously Voted: To re-authorize for Fiscal Year 2012 the crediting to the Council On-Aging Bus Revolving Fund, as established by vote of the Dennis Annual Town Meeting on May 4, 2010, Article 29, and pursuant to MGL Chapter 44, Section 53e ½, providing a means by which fees or charges received from the operation of the Council-On-Aging bus may, after receipt and authorization by the Council-On-Aging Director, be applied directly and without further appropriation to support the operations of said bus, for expenditure by the Council On Aging Director, up to a limit of fifty thousand dollars (\$50,000.00) during Fiscal Year 2012.

ARTICLE 24: Unanimously Voted: To re-authorize for Fiscal Year 2012 the crediting to the Golf Department Revolving Fund, as established by vote of the Dennis Annual Town Meeting on May 4, 2010, Article 21, and pursuant to MGL Chapter 44, Section 53e ½, providing for a means by which 25% of cart rental fee received may after receipt, be applied directly without further appropriation to the fund to pay for the rental of golf carts. In addition, revenue from the golf course pro-shops fees or charges may be

applied directly, without further appropriation to support the operations of the golf pro-shops. In addition, revenue from GHIN (Golf Handicap and Information Network) be applied directly, without further appropriation to the fund to pay Massachusetts Golf Association dues for members handicaps, after receipt and authorization by the Golf Director, be applied directly and without further appropriation to support the operations for expenditure by the Golf Director, up to a limit of three hundred thousand dollars (\$300,000) during Fiscal Year 2012.

ARTICLE 25: Unanimously Voted: To re-authorize for Fiscal Year 2012 the crediting to the Town Library Revolving Fund, as established by vote of the Dennis Annual Town Meeting on May 5, 1998, Article 16, and pursuant to MGL Chapter 44, Section 53e ½, providing for a means by which fees, fines or charges received in connection with a town library program or activity may, after receipt, be applied directly and without further appropriation to support that program or activity, for expenditure by the Library Director up to a limit of ten thousand dollars (\$10,000.00) during Fiscal Year 2012.

ARTICLE 26: Unanimously Voted: To re-authorize for Fiscal Year 2012 the establishment of a Board of Health Medicare Reimbursement Revolving Fund, as established by vote of the Dennis Annual Town Meeting on May 3, 2005, Article 18, pursuant to MGL Chapter 44, Section 53e ½, providing for a means by which reimbursements received from Medicare for flu shots may, after receipt, be applied directly and without further appropriation to the purchase of additional vaccine or other medical supplies, and costs associated with providing volunteer management and clinical support, by the Health Director up to a limit of twenty thousand dollars (\$20,000) during Fiscal Year 2012.

ARTICLE 27: Unanimously Voted: To transfer \$70,963 from the May 3, 2011 Annual Town Meeting under Article 4, Line Item #4, Town Administrator Settlements, to fund a collective bargaining agreement between the Town and the Dennis Professional Firefighters, IAFF Local 2583 personnel for Fiscal Year 2012.

ARTICLE 28: Unanimously Voted: To indefinitely postpone the Article. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund a collective bargaining agreement between the Town and the Service Employees International Union, Local 888 personnel and to fund non-union wages for Fiscal Year 2012.

ARTICLE 29: Unanimously Voted: To transfer \$49,392 from the May 3, 2011 Annual Town Meeting under Article 4, Line Item #4, Town Administrator Settlements, to fund a collective bargaining agreement between the Town and the Mass Laborers' District Council, Local 1249 Personnel for Fiscal Year 2012.

ARTICLE 30: Unanimously Voted: To transfer \$58,924 from the May 3, 2011 Annual Town Meeting under Article 4, Line Item #4, Town Administrator Settlements, to fund a collective bargaining agreement between the Town and AFSCME Council 93, Local 2977 Union for Fiscal Year 2012.

ARTICLE 31: Unanimously Voted: To transfer \$27,608 from the May 3, 2011 Annual Town Meeting under Article 4, Line Item #4, Town Administrator Settlements to fund non-union personnel wages for Fiscal Year 2012.

ARTICLE 32: Unanimously Voted: To transfer \$27,439.75 from Article 24 of the May 4, 2010 Annual Town Meeting to supplement the funds appropriated under Article 23 of said Town Meeting which authorized the Board of Selectmen to issue a request for proposals for a lease and/or operating agreement, and/or power purchasing agreement on behalf of the Town, with a term of up to twenty years, for the design, construction and operation of a solar farm to be located on town-owned property adjacent to the Dennis Transfer Station, provided, however, that the award of the lease or operating agreement shall be subject to the approval of Town Meeting; and further, that said funds will be used to pay for engineering, consulting and legal services required to conduct procurement and negotiate an agreement with the successful proposer.

ARTICLE 33: Unanimously voted: To indefinitely postpone the Article. To see if the Town will vote to authorize the Board of Selectmen to petition the General Court for approval to seek special legislation, either individually or jointly with the Dennis Water District, permitting the Dennis Water District to lease or otherwise "dispose of" land of the District covered by Article 97 of the Articles of Amendment to the Massachusetts Constitution, for the purposes of siting, constructing and operating a wind turbine owned by the Town of Dennis, if such approval is deemed by the Board of Selectmen to be needed; provided that the General Court may vary the form and substance of the requested legislation within the scope of the general public objectives of this petition.

ARTICLE 34: Unanimously Voted: To adopt the Beach Capital Improvement Fund By-Law, pursuant to Chapter 82 of Acts of 2005, which authorized the establishment of said fund:

"Beach Capital Improvement Fund By-Law"

In accordance with Chapter 82 of the Acts of 2005, the Board of Selectmen is hereby authorized to increase the portion of the revenue derived from beach fees to be deposited into the Beach Capital Improvement Fund as follows:

- (i) (25%) of the daily beach parking sticker
- (ii) (20%) of the resident beach parking sticker

ARTICLE 35: Unanimously Voted: To transfer \$200,000 from free cash to be deposited into the Beach Capital Improvement Fund.

ARTICLE 36: Unanimously Voted: To establish a Municipal Capital Stabilization Fund, as authorized by G.L. C.40, §5b, to be used to purchase or fund capital equipment or projects, and as funding therefore, to raise and appropriate \$111,500 to be deposited into said fund.

ARTICLE 37: Unanimously Voted: To adopt the Waterways Dredge and Maintenance Program Receipts Reserved Capital Improvements Fund By-Law, pursuant to Chapter 118 of the Acts of 2008, authorizing the establishment of said fund:

“Waterways Dredge and Maintenance Program Receipts Reserved Capital
Improvements Fund By-Law”

In accordance with Chapter 118 of the Acts of 2008, Board of Selectmen is hereby authorized to increase the portion of the revenue derived from the Waterways fees to be deposited into said fund as follows:

- (i) 100% of the transient fees
- (ii) 50% of the parking fees
- (iii) 7% of the non-resident slip holders fees
- (iv) 6% of the resident slip holders fees
- (v) 60% of private dock and rack fees.

and further, that this By-Law take effect July 1, 2012.

ARTICLE 38: Unanimously Voted: To transfer \$4,840 from the Shellfish Mitigation Fund to purchase an additional 605,000 2-3mm of quahog seed to be grown out in the Town’s upweller and then deposited in Bass River.

ARTICLE 39: Unanimously Voted: To transfer \$20,000 from free cash to pay for the following: water quality testing throughout the Town, compilation of management strategies and assessment for Scargo Lake, completion of bird surveys for Cedar and Flax ponds, and identification of stormwater inputs into Cedar Pond.

ARTICLE 40: Unanimously Voted: To transfer \$18,000 from free cash to pay for the continuation of water quality testing within Swan River, Bass River, Sesuit Harbor and Chase Garden Creek, and that sample collections will be accomplished by the Department of Natural Resources staff with assistance from volunteers.

ARTICLE 41: Unanimously Voted: To transfer \$6,800 from the Beach Capital Improvement Fund for the purchase and installation of two (2) rinse towers, one to be located at the West Dennis Beach first comfort station and the other at Glendon Beach.

ARTICLE 42: Unanimously Voted: To raise and appropriate \$7,900 for the purchase and implementation of a Code Red E911 system at the Dennis Police Station, and the cost of which will be reduced by grants, gifts and other means of funding.

ARTICLE 43: Majority Vote: To accept the provisions of MGL Chapter 59, §5(54), added by Chapter 159 of the Acts of 2000, and establish a minimum fair cash value requirement of \$1,000 for personal property accounts to be taxed, effective as of the Fiscal Year beginning July 1, 2011.

ARTICLE 44: Unanimously Voted: In accordance with the Selectmen's Fee Limitation By-Law, to adopt the following new Waterways/Harbor Fees:

- a. Winter Shellfish Dock Fee.....\$10.00 per dock cleat
- b. Winter Shellfish Dock Piling Fee.....\$25.00 per dock
- c. Transient Slip Fee up to 4 hours . . . \$10.00

and further, that said fees may be amended from time to time by the Board of Selectmen in accordance with said By-Law.

ARTICLE 45: Unanimously Voted as amended: In accordance with the Selectmen's Fee Limitation By-Law, to adopt the following new Solid Waste Disposal Fees:

Usage Fee – Yard Waste Off-Scale:

- a. Minimum Entry Fee for one barrel\$ 3.00
- b. Small Pickup Truck or Small Trailer less than or equal to 6 ft in length... 10.00
- c. Full Size Pickup Truck or large trailer greater than 6 ft in length15.00
- d. One Ton Truck20.00

and further, that disposal fees for yard waste from the two privately managed cemeteries in the Town of Dennis, namely Swan Lake Cemetery in Dennisport, and Quivet Cemetery in East Dennis, shall be waived;

and further, that said fees may be amended from time to time by the Board of Selectmen in accordance with said By-Law.

ARTICLE 46: Unanimously Voted: In accordance with Chapter 19, Section 19-9(b) (7) of the Dennis Code, to authorize the Dennis Affordable Housing Trust Fund Board of Trustees, with the approval of the Board of Selectmen, to loan a sum of money not to exceed \$150,000 with an interest rate of not less than one percent (1%) from the Affordable Housing Trust Fund to the Housing Assistance Corporation for pre-development costs for the proposed affordable housing project to be built on a portion of the former Melpet Farm property, on Route 134, South Dennis, and to enter into a loan agreement with said Housing Assistance Corporation setting forth the terms and conditions upon which the funds may be expended and the repayment of the loan funds.

ARTICLE 47: Unanimously Voted: To transfer \$33,800 from Cable Receipts to the Capital Improvement Fund.

ARTICLE 48: Unanimously Voted: To amend the Dennis Zoning By-Law by amending Section 2.2.2 Use Regulation Schedule to add 2.2.2.7.j Modular Building Manufacturing and Section 5 Definitions to add a definition of Modular Building Manufacturing.

PRINCIPAL USES	DISTRICT									
	R-40 R-60	Quivet Neck/ Crowe's Pasture Resource Protection District	R R	L B	E B	GC-I	GC-II GC-III	I	DPVC Area A	DPVC Area B

***Voted**

SPECIAL TOWN MEETING

October 11, 2011

Robert C. Chamberlain, Moderator, called the Special Town Meeting held at the Nathaniel H. Wixon Middle School to order at 7:00 p.m. He declared a quorum present and noted that the Warrant had been posted by Gerald DeSalvatore, Constable. Tellers were Daniel Chamberlain, Walter Hulse, Gladys Kearney, Peter Nyberg, Thomas Perrino and Paul Covell, Head Teller.

Moderator Chamberlain asked the assembly to kindly rise and salute the flag.

ARTICLE 1: Unanimously Voted: To transfer \$24,901 from the Beach Capital Improvement Fund.

ARTICLE 2: Voted 111 yes to 100 no: To request the Board of Selectmen to take such action as is necessary to complete the process under Section 8 of the Agreement between the Towns of Dennis and Yarmouth establishing a Regional School District so that the Town can withdraw grades Kindergarten through Eight from the District. The request specifically includes having the School Committee propose an amendment to the Agreement setting forth the terms of the withdrawal and submit such an amendment to the Towns of Dennis and Yarmouth for adoption at the next Annual Town Meeting, and to secure an accounting from the District Treasurer of the Town's projected liability for any unpaid operating costs as is required by the Agreement.

ARTICLE 3: Voted 79 yes to 110 no: Consistent with Section 6 of the Agreement between the Towns of Dennis and Yarmouth establishing a Regional School District as amended in September, 2006 (hereinafter "Agreement"), to authorize an amendment to, and to amend, Section 13 of said Agreement by striking the first sentence, and replacing the language with the following: "Subject to the provisions of this Section 13 and Section 14, all pupils in grades Kindergarten through Three shall receive their education in facilities that are located in the respective towns in which the pupils reside, except that in case of children with special needs, the Committee may provide for other appropriate arrangements," so as to no longer require the education of pupils in grades Four through Eight in facilities that are located in the respective towns in which the pupils reside, to approve and to authorize any necessary action by the Dennis-Yarmouth Regional School Committee to effectuate this provision.

It was unanimously voted to adjourn (dissolve) the meeting at 8:58 p.m. on October 11, 2011.

SPECIAL TOWN MEETING

November 15, 2011

Robert C. Chamberlain, Moderator, called the Special Town Meeting held at the Nathaniel H. Wixon Middle School to order at 7:00 p.m. He declared a quorum present and noted that the Warrant had been posted by George Sawyer, Constable. Tellers were Daniel Chamberlain, Gladys Kearney, Paul McCormick, Robert Mezzadri, John Schnaible and Paul Covell, Head Teller.

Moderator Chamberlain asked the assembly to kindly rise and salute the flag.

On motion of Finance Committee Chairman James Plath, duly seconded, it was unanimously voted to waive the formal reading of the Warrant.

ARTICLE 1: Unanimously Voted: To transfer the care, custody, management and control from the Board of Selectmen for purposes of a town dump to the Board of Selectmen for purposes of a town dump and for purposes of leasing for a renewable energy project of two certain parcels of land described in orders of taking recorded with Barnstable County Registry of Deeds in Book 915, Page 600 and Book 1499, Page 115 known as the sanitary landfill area, and further to authorize the Board of Selectmen on behalf of the Town of Dennis to enter into a lease and power purchase agreement with American Capital Energy, or a special purpose entity with American Capital Energy as its manager, for a period of up to twenty (20) years for the construction and operation of a net-metered solar voltaic facility to be located on the above-described property, and further to authorize the Board of Selectmen to grant any necessary easements to the lessee, including without limitation, a temporary construction easement, an access easement for the purpose of maintaining the solar array, a solar easement, and an easement to permit interconnection of the solar array to the local utility grid, on such terms and conditions determined by the Board of Selectmen to be in the best interests of the Town, and to further authorize the Board of Selectmen to enter into a tax agreement with American Capital Energy, or a special purpose entity with American Capital Energy as its manager, pursuant to the provisions of General Laws C, 59, Sec. 38h, to establish the method for determining and calculating real estate and personal property taxes for the facility.

ARTICLE 2: Unanimously Voted: To transfer \$50,500 from free cash to be used for improvements to the town owned property known as the "Melpet Farm Stable Barn".

ARTICLE 3: Unanimously Voted: To authorize the Board of Selectmen to seek Special Legislation allowing for the creation of a Melpet Farm Stable Operations and Improvement Fund, in which the revenue collected from the rental of said stable shall be deposited, and the Board of Selectmen are hereby authorized to expend, without further appropriation, twenty-five percent (25%) of the revenue in said fund, each Fiscal Year, only for operations and improvement to the Melpet Farm Stable. Said fund shall be

maintained by the Town Treasurer as a separate account, subject to Chapter 44 of the General Law, and any interest earned thereon shall be credited to and become part of the separate account.

ARTICLE 4: Voted by Majority: To transfer \$33,500 from free cash to pay for the construction, reconstruction and/or replacement and related costs of the West Dennis Beach Dune and for the dredging of the mouth of Swan Pond River.

ARTICLE 5: Voted by Majority: To appropriate and transfer \$32,000 from the Community Preservation Historic Preservation Reserves Fund to the Dennis Historical Society, Inc. under a grant agreement, to continue the digital archiving of historical documents and artifacts.

ARTICLE 6: Unanimously Voted: To appropriate and transfer \$35,000 from the Community Preservation Historic Preservation Reserves Fund to the Town of Dennis for the restoration and preservation of the historic Obed Baxter Fence located at the South Dennis Congregational Church Cemetery, a town managed cemetery.

ARTICLE 7: Voted by Majority: Pursuant to the Community Preservation Act, G.L. C. 44b, to appropriate and transfer \$400,000 from the Community Preservation Affordable Housing Reserves Fund and \$70,000 from the Community Preservation Undesignated Reserves Fund as a grant to the Housing Assistance Corporation for the development costs, of the planned affordable housing project on land known as "Melpet Farm", and to authorize the Board of Selectmen to enter into a grant agreement with said Housing Assistance Corporation setting forth the terms and conditions upon which the funds may be expended, which agreement shall require that said housing assistance corporation provide the Town with an affordable housing restriction on said property meeting the requirements of G.L. C. 184, and authorize the Board of Selectmen to accept said restriction.

ARTICLE 8: Voted 181 yes to 65 no: Pursuant to the Community Preservation Act, G.L. C. 44b, to authorize the Board of Selectmen to acquire by eminent domain, with the consent of the owner, a parcel of land located at 683 Route 28, Dennisport, owned by David Maslin consisting of 0.08 acres, more or less, and shown on Assessors Map 91 as Parcel 20, and being shown as Parcel B, Parcel F and Parcel D on a plan entitled "Plan of Land in Dennisport, Mass. For Henry Carlton & Linda R. Maloney and Robert F. & Edith K. Henderson, Parcels A & C- Henry Carlton Maloney et ux Parcel B- Robert F. Henderson et ux," dated April 14, 1956 prepared by S.R. Sweetser, Engineer, recorded with Barnstable County Registry of Deeds in plan book 128, page 141, for municipal park purposes pursuant to G.L. C 45, §7 to be held under the care, custody, control, and management of the Board of Selectmen, and further to appropriate and transfer \$148,000 from the Community Preservation Open Space/Recreation Reserves Fund for the acquisition, including all costs incidental and related thereto, and to authorize the Board of Selectmen to enter into any agreements and execute any and all instruments as may be necessary to effect said acquisition.

ARTICLE 9: Unanimously Voted: To indefinitely postpone the Article.

ARTICLE 10: Unanimously Voted: To transfer \$83,066 from Article 4, Line Item #4, Town Administrator Settlements of the May 3, 2011 Annual Town Meeting to fund a collective bargaining agreement between the Town and the Service Employees International Union, Local 888 personnel for fiscal year 2012.

ARTICLE 11: Unanimously Voted: To transfer \$15,000 from free cash to the Fuel Assistance Program Fund.

ARTICLE 12: Voted 90 yes to 145 no: To rescind the vote made on Article 2 of the Special Town Meeting held on Tuesday, October 11, 2011 which voted:

“To request the Board of Selectmen to take such action as is necessary to complete the process under Section 8 of the Agreement between the Towns of Dennis and Yarmouth establishing a Regional School District so that the Town can withdraw grades Kindergarten through Eight from the District. The request specifically includes having the School Committee propose an amendment to the Agreement setting forth the terms of the withdrawal and submit such an amendment to the Towns of Dennis and Yarmouth for adoption at the next Annual Town Meeting, and to secure an accounting from the District Treasurer of the Town’s projected liability for any unpaid operating costs as is required by the Agreement.”

ARTICLE 13: Unanimously Voted: To authorize the Board of Selectmen to acquire by purchase, gift or eminent domain, temporary construction easements, and a temporary easement for wetland replication, on a portion of property located at 537 Upper County Road, South Dennis as shown on a plan entitled “Dennis Upper County Road Bridge Property Plan and Parcel Summary Sheet, dated October 2011, a copy of which is on file in the office of the Town Clerk and further; and to vote to transfer \$500.00 from free cash for this purpose, and any expenses related thereto, and to authorize the Board of Selectmen to enter into all agreements and take all actions necessary or appropriate to carry out this acquisition.

ARTICLE 14: Unanimously Voted: To authorize the Board of Selectmen to acquire by purchase, gift or eminent domain, the fee in a portion of the property located at 64 Upper County Road shown on a plan entitled “Dennis, Route 134 and Upper County Road Safety Improvements Project, Preliminary Right of Way Plans” dated August 2011, a copy of which is on file in the office of the Town Clerk, and further, to vote to transfer \$3834.00 from Chapter 90 Funds for this purpose and any expenses related thereto, and to authorize the Board of Selectmen to enter into all agreements and take all actions necessary or appropriate to carry out this acquisition.

ARTICLE 15: Unanimously Voted: To authorize the Board of Selectmen to acquire by purchase, gift or eminent domain, temporary construction easements and sidewalk easements as shown on a plan entitled “Dennis, Route 134 and Upper County Road Safety Improvements Project, Preliminary Right of Way Plans” dated August 2011, a

copy of which is on file in the office of the Town Clerk, and to transfer \$875.00 from Chapter 90 Funds for this purpose and any expenses related thereto, and to authorize the Board of Selectmen to enter into all agreements and take all actions necessary or appropriate to carry out this acquisition.

ARTICLE 16: Unanimously Voted: To authorize the Board of Selectmen to acquire by purchase, gift or eminent domain, a permanent sidewalk easement as shown on a plan entitled: "Exhibit A" Sidewalk Easement at 6 Lighthouse Road, Assessor Map 30, Parcel 19, Dennisport, MA prepared by the Town of Dennis Department of Public Works Engineering Division, August 3, 2011, Scale L" = 40', a copy of which is on file in the office of the Town Clerk, and further, to transfer \$125.00 from free cash for this purpose and any expenses related thereto, and to authorize the Board of Selectmen to enter into all agreements and take all actions necessary or appropriate to carry out this acquisition.

ARTICLE 17: Unanimously Voted: To indefinitely postpone the Article.

ARTICLE 18: Unanimously Voted: To transfer \$20,000 from free cash to promote tourism in the Town of Dennis.

ARTICLE 19: Unanimously Voted: To return to the Capital Improvement Fund \$9,153.74 from the remaining balances in the Fiscal Year 2011 Capital Outlay Equipment or Projects voted under Article 13 of the May 4, 2010 Annual Town Meeting:

1. \$ 96.00 - Town Administrator Dept. Vehicle
2. \$ 2,805.00 - Natural Resources Dept. Vehicle
3. \$ 5,101.74 – Municipal Buildings Dept. Vehicle
4. \$ 42.00 – DPW Vehicle
5. \$ 987.00 – Health Dept.
6. \$ 122.00 - Beach Dept. Vehicle

TOTAL \$9,153.74

ARTICLE 20: Unanimously Voted: To accept as public town ways the portions of Hemlock Lane and Bellgrove Road, both located in South Dennis, the metes and bounds of which are shown on the plan hereinafter referred to, as reported at a public hearing on November 1, 2011, and recommended and laid out, altered, relocated and/or portions discontinued by the Board of Selectmen, and filed with the Town Clerk, and further, to authorize the Board of Selectmen to acquire by purchase, gift or eminent domain on behalf of the Town, easements to use, for all purposes for which public ways in the Town of Dennis are used, the lands within said lines of said layouts of said ways, as so laid out, as shown on a plan entitled "Plan Of Easement, South Dennis, Massachusetts, Relocation of Hemlock Lane & Bellgrove Road, prepared for Town of Dennis, scale: 1" = 80', September 20, 2011" prepared by John Z. Demarest Jr., P.L.S., professional land surveyor, and further to transfer \$2,200 from free cash for this

purpose and any expenses related thereto and to authorize the Board of Selectmen to take all related actions necessary or appropriate to effect this acquisition.

ARTICLE 21: Unanimously Voted: To amend the Town Code, under Chapter 159, Taxation, Article 1, Licenses And Permits Of Delinquent Taxpayers By-Law, §159-1, Paragraph B, First Sentence, by adding the language in bold typeface:

B. The licensing authority may, except as provided in §159-2 below, deny revoke or suspend any license or permit which it has the authority to issue, including renewals and transfers, of any party whose name appears on said list furnished to the licensing authority from the tax collector, **or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised, or is to be carried out or exercised on or about real estate owned by any party whose name appears on said list furnished to the licensing authority from the tax collector;** provided, however, that written notice is given to the party and the tax collector as required by applicable provisions of law and the party is given a hearing, to be held not earlier than fourteen (14) days after said notice.

ARTICLE 22: Unanimously Voted: To transfer \$132,400 free cash to the Beach Capital Improvement Fund.

ARTICLE 23: Unanimously Voted: To transfer \$2,000 in the Donald P. Trepte Scholarship Fund from the Nonexpendable Account to the Expendable Account.

ARTICLE 24: Unanimously Voted: To transfer \$4,500 from free cash to supplement Fiscal Year 2012 Line Item Appropriation #156, Fringe Benefits, Sick Pay Liability, as voted under Article 4 of the May 3, 2011 Annual Town Meeting.

ARTICLE 25: Unanimously Voted: To transfer \$50,000 from the appropriation voted under Article 16, 2. Engineering, b. Guardrail Replacement, of the May 3, 2011 Annual Town Meeting, to supplement the appropriation voted in said article under 2. A. Drainage.

It was unanimously voted to adjourn (dissolve) the meeting at 9:05 p.m. on November 15, 2011.

Miscellaneous written opinions, consultations and drafting	N/A	12/06	\$459.00	\$1,636.50 / \$5.00	Continuing

1 Cost - includes two components:

Fees - charges for attorney time.

Disbursements - includes reimbursement of out-of-pocket expenses, such as sheriff fees, recording fees, and deposition and trial transcripts.

2 Continuing - means that the issue is a general matter that is ongoing.

3 Actively litigated by private parties - When a permit or other benefit has been granted, the Town participates only minimally in defense, leaving the expenditure of effort, time and cost to the private parties in interest.

Note: Date Filed/Opened - From present record keeping system: 1996 - present

BOARD OF ASSESSORS

2011 is an interim valuation year for the Town of Dennis. Property values in 2011 reflected the overall weak housing market and declined in many areas.

The overall assessed valuation of the Town declined by 3.4%. The average assessment for a single family home in Dennis in 2011 is \$392,604. For 2011, the average single family tax bill is \$2,308.51. This represents a tax dollar increase of \$31.62 or 1.39%.

Property values reflect 100% Full and Fair Cash Value as of January 1, 2011. The tax rate of \$5.88 was approved by the Department of Revenue on November 30. Property assessments can be viewed on-line at www.town.dennis.ma.us. Click on Assessor's database.

The Board of Assessor's wants to acknowledge the many contributions of Carol T. Mitchell, who retired from the Board in March of 2011 after 16 years of dedicated service. The Board welcomes Gary J. Fryxell as the newest member of the Board. Mr. Fryxell is also the Field Technician for the Town of Sandwich.

TREASURER/COLLECTOR

The Treasurer/Collector staff includes the Treasurer/Collector, Assistant Treasurer/Collector and three Office Assistants.

The Treasurer/Collector Office is responsible for the collection of Real Estate, Personal Property, Motor Vehicle Excise and Boat Excise taxes. Motor Vehicle Excise and Boat Excise taxes are billed annually per vehicle. The Town of Dennis has adopted a quarterly tax billing system for Real Estate and Personal Property Tax Bills. Tax bills are mailed out twice a year. Preliminary bills are mailed out on June 30th and include coupons for both the first and second quarter bills. First quarter bills are due on August 1st and second quarter bills are due on November 1st. Actual Bills are mailed out on December 31st and include coupons for both the third and fourth quarter bills. Third quarter bills are due on February 1st and second quarter bills are due on May 1st.

All tax payments should be made payable to the Town of Dennis and must be accompanied by your tax bill payment coupon to ensure proper posting. Payments received without your tax bill payment coupon will be sent back to you unprocessed. All payments must be received in the Tax Office by the close of business on the tax due date. We do not accept postmark dates. Interest and penalties begin to accrue the first day after the tax due date. Tax bills can be paid in person, placed in our locked Deposit Box, mailed via USPS or paid electronically on our website. The Tax Collector's Office accepts payments at Town Hall located at 485 Main Street, South Dennis from 8:30 A.M. to 4:30 P.M. Monday through Friday with the exception of holidays. A Deposit Box is located outside the side entrance to Town Hall so payments can be dropped off after regular business hours. Payments placed in the Deposit Box will be opened and posted with an effective date of the next business day. Payments mailed via the USPS should be mailed to PO Box 1019, Medford, MA 02155-0011 as appears on our tax bills. Payments can also be made electronically via our website www.town.dennis.ma.us. Please have your tax bill and checkbook or credit card readily available. Simply click on the Online Tax Payments link on the main page of the website and follow the prompts.

In FY2011, we continued to see minimal interest income and returns on our investments. Conversely, we benefited from exceptionally low interest rates on our short term borrowings. In the coming year, we will continue in our efforts to increase collections of town receivables, manage all town funds in a way that will safely maximize its return on investment and accelerate our efforts for the collection of all tax title accounts.

On the following pages I submit the annual report of the Treasurer/Collector, which includes the Ending Cash Balances for Fiscal Year 2011 the Schedule of Outstanding Receivables as of June 30, 2011 and the Annual Wage Report for Fiscal Year 2011.

Respectfully submitted,

Betty Clark MacLeay
Treasurer/Collector

Town of Dennis

TOWN ACCOUNTANT

In accordance with the provisions of Chapter 42, Section 61, I hereby transmit the annual Financial Report of the Town of Dennis as of June 30, 2011, for the fiscal year then ended. The responsibility for both accuracy of the presented data and the completeness and fairness, including all disclosures rest with the Town Accountant.

The Town Accountant believes that the data presented is accurate in all material aspects. The town is audited yearly by a Certified Public Accountant selected by the Board of Selectmen. You may examine the auditors' report at the Town Clerk's office during regular office hours or on the Town's website.

The fiscal 2011 has been a busy and productive year. I sincerely appreciate the confidence of the Board of Selectmen along with Rick White. And also, a special "thank you" to my staff Mara Whipple, Assistant Town Accountant and Kelly Dittrich, Accounting clerk for all their hard work.

Respectfully submitted,

MaryAnne M. Gibbs, Town Accountant

CAPITAL OUTLAY COMMITTEE

The charge to the Capital Outlay Committee is to review and evaluate proposed capital projects, improvements and equipment that have a useful life of at least five years, a cost of over \$10,000 or as a component of a regular maintenance program. Each year beginning in October, we review the current year's requests as well as the 5-Year Capital Improvement Plan submitted by Department Heads.

In Fiscal Year 2012, 45 requests from the Department Heads and the schools totaled \$3,961,812. The Committee met with each department and the school, reviewed and ranked each request. On November 18, 2010, we met at the DPW with department heads and maintenance staff to review equipment that was requested to be replaced.

Our presentation to the Board of Selectmen and Finance Committee on January 15, 2011 was as follows:

Funding Source	Capital Recommendations	Town Meeting Funded
Beach Improvement	\$ 321,000.00	\$ 321,000.00
Golf Improvement	\$ 172,000.00	\$ 172,000.00
Cable Receipts Reserved	\$ 75,000.00	\$ 75,000.00
Ambulance Receipts	\$ 79,555.00	\$ 79,555.00
Wetlands	\$ 9,000.00	\$ 9,000.00
Free cash	\$ 200,216.00	\$ 200,216.00
R & A ~ Tax Levy	\$ 1,435,000.00	\$ 1,430,000.00
Meals Tax ~ Tax levy	\$ 388,391.00	\$ 357,391.00
Borrow ~ Within Levy	\$ 250,000.00	\$ 250,000.00
Other Sources	\$ 16,100.00	\$ 16,100.00
	\$ 2,946,262.00	\$ 2,910,262.00

Committee recommended all items ranks 20 or higher for a total of \$2,946,262.00

The Capital Outlay Committee encourages the town to adopt an Asset Management Plan for the replacement of equipment and repairs of infrastructures. Using vehicles past their useful life translates into higher maintenance costs, negatively impacting productivity and little salvage value at trade-in time.

Our special thanks go to MaryAnne Gibbs, Town Accountant, and Sandy Fife, Assistant Town Administrator, for their ongoing guidance, direction and cooperation.

Respectfully submitted,

Bob Pelosky, Chair
 Jim Wick, Vice Chair
 Mike Brennan

William McEllaney
 Connie Mooers
 Bill Savicki

Agnes Chatelain

POLICE DEPARTMENT

This year's Annual Report begins with congratulations to Elizabeth Tucker who graduated from the Plymouth Recruit Academy in December and is currently going through her field training. She will be an excellent addition to the staff.

It has been a long-term goal of the Department to revise the agency's policies and procedures and take part in the professional accreditation process at the state and national level. In September the Department hosted 3 assessors from the Massachusetts Police Accreditation Council (MPAC). The assessors spent 2 days reviewing over 400 standards related to every aspect of a law enforcement organization and I am happy to report that the Department will receive its MPAC Accreditation Award at a ceremony in January. There are currently only 2 accredited police agencies on the Cape and 23 in the Commonwealth. We will be hosting a team of national assessors in the summer or fall of 2012 to seek accreditation at the national level. We also improved our ability to keep you better informed during emergencies by activating the "Code Red" emergency notification system. The system was used during our preparations for Hurricane Irene.

The attached statistics provide a snapshot of activity in Dennis' 5 villages for the CY 2011. We are seeing a slight reduction in larcenies, burglaries and sexual assaults from CY 10 numbers. This marks the second year in a row of small decreases in these areas. However, we continue to educate the public that it is important for people to secure their valuables in their cars and their homes. Over 70% of our larceny cases involve thefts from unlocked vehicles. Unfortunately Domestic Violence cases continue to rise. With regard to traffic enforcement, we saw a slight increase in accidents overall. However, the good news is that personal injury accidents declined and we had no fatal accidents this year. We also received the AAA "Gold Award" for our traffic enforcement and education strategies.

As we look forward to 2012 we remember our Mission Statement here at Dennis PD:

The Dennis Police Department is committed to serve and respect people who live, visit or work in the Town of Dennis. By working jointly with citizens, schools, businesses and other agencies of government the police department strives to promote a safe environment throughout our community.

I welcome your comments if you do not believe you have received the appropriate level of service and I also welcome your comments concerning those staff members who have excelled in assisting you. I wish you all a safe and healthy 2012.

Respectfully submitted,

Michael J. Whalen, Chief of Police

mwhalen@town.dennis.ma.us

ANIMAL CONTROL OFFICER

I herby respectfully submit the Annual Report of the Animal Control Officer for the year 2011.

The role of Animal Control in the community is to protect the public from dangerous or diseased animals and to protect animals from abuse and suffering caused by humans, to promote a safe and peaceable coexistence between animals, animal owners, and the rest of the community. One important task of this department is to educate pet owners on the need to properly confine, vaccinate, and spay or neuter their pets.

Investigating reports of animal bites, injured animals, or possible neglect or cruelty are a priority for Animal Control, as well as promptly responding to complaints regarding dogs barking, roaming free, and animals behaving aggressively. Animal Control staff is available to civic groups for informational talks on many animal related topics, and we do our best to answer the public's questions and offer solutions to many animal related problems.

Over this past year the Animal Control Department has had the pleasure of working with the Animal Rescue League of Boston Spay- Neuter mobile van which visits the Police Department every month to provide low cost services to many Cape towns resulting in 102 dogs being spayed or neutered in 2011. If you or someone you know needs assistance getting a pet spayed or neutered please visit the following web site. spaywaggin@arlboston.org

In 2011 the department also spent a lot of time trying to raise awareness to the desperately needed renovations to the Town Dog Park located on Route 134 and now renamed the "Cheryl Malone" Fresh Pond Dog Park. The Cape has very limited areas for folks to bring their beloved pooch for a day of exercise in a safe environment. We have completed phase one by replacing the fence around the first enclosure but still need the community's help to replace the fence around the second enclosure. For more information please contact our department or stop by the Dennis Police Station to speak to an Animal Control Officer.

I would like to thank pet owners in the town whose responsible pet ownership helps to keep their pets and community safe and happy, and continue to offer some expertise to those who need a little help becoming a better pet owner and perhaps a better neighbor.

Respectfully submitted,

Lori Miranda
Animal Control Officer

FIRE DEPARTMENT

The Dennis Fire Department serves the five villages comprising our Town and our neighbors, on request, for Fire and Advanced Life Support. Our organizational effectiveness during 2011 has been excellent even considering the very difficult financial times that faced us. Our firefighters are very active and involved in our community with several health and safety initiatives as well as programs that add to our general quality of life. Some examples of those activities in 2011 have been CPR and First Aid classes through the Community Heart Safe program, Providing AED's and training for the Towns residents and departments, including the Dennis Senior Center and the Tony Kent Arena, the Car Seat Safety Installation program and the Bike Helmet & Home Fire safety program. We work with the Andrea Holden Fund in the Kid Safe program to provide information and interactive involvement with children with dangers around the home. Our members also provide Free Blood pressure screening at both our Town Fire Stations.

During this period, we were able to implement computerization to our ambulance report process in the field for the Paramedics, providing for greater efficiency and processing. In September our department received our Aerial Ladder truck back from a 5 month major refurbishment project where the truck was basically rebuilt from the frame up and extending the useful life of the unit at least 10 more years.

Dennis Fire responded to a total of 4,948 incidents in 2011, continuing to make Dennis Fire the fourth busiest fire department on Cape Cod, right behind Falmouth. Our members constantly receive positive feedback from the community for the service they perform on a daily basis.

I would like to extend my sincere thanks to our personnel in helping to maintain and improve the quality of our organization.

I also wish to thank the other Town employees and Departments that we work with every day for their cooperation, our Towns Boards and Commissions, the public to which we serve and for the support of the Dennis Board of Selectmen who represent our residents and business community.

Respectfully submitted,

Dennis Fire Chief Mark Dellner

FIRE PREVENTION REPORT

Fire prevention inspections were conducted in a wide variety of occupancies over the past year. The Fire Prevention Office conducted 1,543 various activities in its daily interaction with the public and business community. Night club evening inspections were also conducted during the summer season to assure life safety in all places of assembly.

The Massachusetts Fire Code is undergoing a major change. The transition to the National Fire Protection Association codes has begun. This change will result in an entirely new approach to code enforcement in the commonwealth in the coming years.

I would like to thank the Dennis Building and Police Departments for their support in enforcing the life safety codes and investigation of fires with in the Town. We are fortunate to have this high level of cooperation between departments.

I am retiring this spring after 39 years with the Dennis Fire Department. It has been a wonderful experience to be a part of and a pleasure to work with the citizens and visitors to the Town of Dennis.

Respectfully submitted,

Deputy Chief Robert Tucker

BUILDING DEPARTMENT

Each year we are asked to provide a brief summary of our permitting activities for the Annual Town Report. As you will see in ensuing statistical information; notwithstanding the economy the building department has realized a significant amount of activity in our overall permitting from last year. This occurred despite our projections at the beginning of the fiscal year where we assumed a minor decrease in activity due to real estate and construction trends.

The Town of Dennis Building Department staff is truly honored to have had the opportunity to serve the Town of Dennis and would like to thank the Selectmen, Administration, our colleagues and the Citizens of this community for making the Town of Dennis such a great place to work.

I personally would like to thank the department staff; Linda, Jim, Anthony, Rick, LeeAnn, Marylou, Don and Tom. I count myself fortunate for having the ability to work with such extraordinary and dedicated people who take pride in their work and all that the community that is Dennis has to offer.

Respectfully submitted,

Brian Florence

BUILDING DEPARTMENT

During the 2011 Calendar year 4699 permits/certificates were issued in the following categories:

Type	Number	Estimated Cost of Construction
------	--------	--------------------------------

Residential

New Dwelling	31	\$12,327,662.00

HEALTH DEPARTMENT

Fine weather for the summer and fall; more visitors here in Dennis; an uptick in business seems to be the general impressions of 2011. In July, we presented our annual Certificates of Excellence in Food Protection to those establishments that scored the highest during our food inspections of the previous year. In September, we held our annual Household Hazardous Waste Collection at the Tony Kent Arena. In October and November, we held our annual Influenza Clinics. Lastly, we continued our Sharps Collection Program for Dennis residents. We have available sharps containers in various sizes and will exchange them for full containers of sharps. Please call us for further details.

My thanks go to Noreen, Jackie, Jennifer Clarke, Jennifer Flood, Kristen, and Meggan for their dedication and enthusiasm. My thanks go to the Board of Health for their support and encouragement. Finally, my thanks go to my fellow department heads and town employees. As always, it has been a pleasure working with you.

Motel/Inn/Lodging House Inspections	57

Respectfully submitted,

Terry Hayes
Health Director

BOARD OF HEALTH

Applications for variances from septic regulations were, again, down this year. Many of the variances that were sought involved additions or complete renovations. The Board examines each application and strives to obtain the most compliant and environmentally sound system possible under the circumstances. Again, this year, several hearings to correct results of property inspections were held. The State Sanitary Code establishes minimum standards for residential dwellings and imposes obligations on those renting their property for residential purposes. Those that are renting or are considering renting should become familiar with applicable codes. The Department offers a voluntary pre-rental inspection of residential rentals. Such an inspection allows the property owner to become familiar with the Sanitary Code and also establishes the condition of the property prior to its rental. As with other regulatory areas within the Board's jurisdiction, the Board and Health Department is always willing to provide educational assistance and information regarding seasonal or year round residential rentals.

As always, many thanks to the Health agents, inspectors and, especially, staff for allowing the Board to complete its work. Also, thank you to the Board of Selectmen and Town Administration for their continuing efforts and support provided to the Department and Board.

Respectfully submitted,
DENNIS BOARD OF HEALTH

Paul J. Covell, Chairman
Thomas J. Perrino, Vice-Chairman
Diane T. Chamberlain, Clerk
Joseph P. Bunce, Jr.
Robert Duffy

PLANNING AND APPEALS OFFICE

The Department of Planning and Appeals continues to be very busy. The Department provides assistance to many town committees including the Planning Board, Board of Appeals, Zoning By-law Study Committee, the Affordable Housing Trust, the Economic Development Committee and the Alternative Energy Committee. As always, working with all of these committees has led to another challenging and intriguing year.

Accomplishments –

1. **Local Comprehensive Plan Update** – Staff has been busily compiling the base data for the Local Comprehensive Plan Update and reviewing the accomplishments since the last plan. When this is all compiled, the Planning Board will hold a series of meetings, to discuss goals for the future.
2. **Dennis Open Space and Recreation Plan** – The Planning Department, has initiated collection of base data for the OSRP update. Over the coming year in conjunction with Natural Resources, Beaches, Recreation and Harbormasters Departments this document will be pulled together for committee review.
3. **Regional Coordination** – The Department continues to work with the Cape Cod Commission to take advantage of the opportunities provided by the Regional Policy Plan. In addition, the Department worked with the Commission on the local Multi-Hazard Mitigation Plan, a planning document required by the Federal Government and on the creation of a Regional Ready Renters List to assist residents in obtaining affordable housing.
4. **Affordable Housing** – Staff is working on a couple of proposals under Chapter 40R to develop new affordable housing opportunities for the town. The Housing Trust, Dennisport Revitalization Committee, Zoning By-law Study Committee, Planning Board and Economic Development Committees are all involved in this effort.
5. **Dennisport Revitalization** – Dennisport is progressing even with the current economic conditions. The Planning Department continues to work with the Cape Cod Commission on a variety of issues that will improve the economic climate in the village.
6. **Zoning By-law Revisions** – The Zoning By-law Study Committee continues to work its way through the Dennis Zoning By-law.
7. **Staff and Board Member Training** – The Dennis Town Planner is a Certified Planner through the American Institute of Certified Planners. The certification process involves testing and continuing education. The continuing professional education will require the planner to obtain 16 contact hours of ongoing training each year. The training will involve staying abreast of new concepts in planning as well as staying abreast of changes in land use law and court decisions. This training takes place at larger seminars held in various locations around Massachusetts. In addition, the ever

changing regulatory world requires that board members attend educational seminars aimed at ensuring that board members are aware of changes affecting their decision making. These training opportunities are offered generally on a regional basis.

8. **Public Information** – The Department of Planning and Appeals has stepped up its efforts over the past year to improve communication between the Town and the general populous of Dennis. This is being done through the use of Planning Department Blogs on general planning and specialized planning issues. The Dennis Planning Department Blogs are located at:

<http://dennismaPlanningdept.wordpress.com/>

<http://dennismaeconomicdevelopment.wordpress.com/>

<http://dennismaopenspaceandrecreationplan.wordpress.com/>

<http://dennisportrevitalizationcommittee.wordpress.com/>

These efforts by the Dennis Planning Department were recognized in 2008 by being awarded the Social Advocacy Award by the Massachusetts Chapter of the American Planning Association and the Kenneth E. Pickard Municipal Innovation Award by the Massachusetts Municipal Association.

I would also like to thank my assistant, Eileen Gregory, whom without it would be very difficult to meet the demands set for this department.

Respectfully Submitted,

Daniel J. Fortier, AICP

PLANNING BOARD

The Town of Dennis Planning Board reviewed 31 applications in 2011. We also have continued to see the fruits of our past zoning efforts spring forward.

The Planning Board meeting with the Cape Cod Commission on the important issues such as the Regional Policy Plan, Land Use Vision Map and the beginning of the Local Comprehensive Plan. The Town and the Commission will be continuing to work on these efforts over the coming year.

During 2011 the Planning Board applications jumped from 10 applications in 2010 to 31 applications, these included 6 plans for the division of land (Approval Not Required and Subdivision submittals); 3 new special permit requests and 10 modifications to existing permits; 6 applications to create new affordable housing opportunities and 6 hearings for tree removals.

The Planning Board also held hearings on a number of housekeeping amendments to the Dennis Zoning By-law.

The Planning Board would like to recognize the departure of long-time Planning Board Member Thomas O'Connor. His service is greatly appreciated and will be missed by the Board. We would also like to thank Lynn Craig for her work as Planning and Appeals Office Assistant who retired this past year.

The Planning Board would like to thank Town Planner Daniel Fortier and the new Planning and Appeals Office Assistant, Eileen Gregory, for all their efforts on behalf of the Board.

Respectfully Submitted,

Bob Mezzadri, Chair
Judy DeMarco, Clerk
Lou Malzone

Doria DiManno, Vice-Chair
Jeffrey Eldredge,
Betty Nashawaty

BOARD OF APPEALS

The Board of Appeals is made up of five regular members and eight alternates appointed by the Board of Selectmen. The Board of Appeals acts as both the Zoning and Sign Code Board of Appeals. Calendar year 2011 continued to be a relatively strong year, despite the economic downturn. Calendar Year 2011 included review of 51 applications, up from just 34 applications in 2010, including 41 Special Permits, 5 Appeals, 2 Sign Code applications, and 3 Requests for Zoning Variances. In addition, the Board of Appeals meets with the Dennis Zoning By-law Study Committee.

The Board of Appeals recognizes the valuable aid and cooperation of the Town Planner, Dan Fortier, and the Building Commissioner, Mr. Brian Florence, in the performance of our duties. The Board is also grateful to our staff assistant, Ms. Eileen Gregory, for her capable support of the Board's administrative work during the year.

Respectfully Submitted,

Ernie Olivera, Chairman
Richard Zinner
Elisa Zawadzkas

ZONING BY-LAW STUDY COMMITTEE

The Zoning By-law Study Committee had another productive year in 2011. The Zoning By-law Study Committee accomplishments included:

- Continuing to work with the Cape Cod Commission and the Dennis Economic Development Committee on town issues related to the Regional Policy Plan and coordination of regional land use efforts with the town.
- Working with the Planning Board on a Chapter 40R Zoning Proposal for industrial land adjacent to Dennisport Village Center.
- Working with the Planning Board on a number of housekeeping zoning amendments.

The Zoning By-law Study Committee would like to recognize the departure of long-time Planning Board Designee Thomas O'Connor. As a charter member of the Zoning By-law Study Committee his service is greatly appreciated and will be missed by the Committee.

The Zoning By-law Study Committee would like to thank Town Planner Daniel Fortier and the Planning and Appeals Office Assistant, Eileen Gregory, for all their efforts on behalf of the Committee.

INFORMATION TECHNOLOGY

To the Honorable Board of Selectmen and Citizens of the Town of Dennis:

It is a distinct pleasure to serve as your MIS Director at Town Hall. We provide technology services and support to twenty departments for computers, connectivity and business applications. We also produce Channel 18 television programming, a robust video-on-demand streaming library and website services at www.town.dennis.ma.us.

Through your support we're rebuilding an important technology infrastructure that consists of sophisticated networks, email and collaboration systems, website systems, phone systems, wireless systems, backup systems and security systems.

Accomplishments for 2011 include upgrading our server environment and firewall system, elimination of old and tired desktop computers in critical areas and upgrades for Financial, Golf and Permitting database users. We also began our initial phase of the Laserfische Document Management System allowing departments to digitize, manage and store documents.

Our goals to serve you better in 2012 include:

- Completion of a modern data/phone backbone in the newly renovated Annex.
- Upgrade our data switch infrastructure to accommodate new technology
- Upgrade our Windows Server environment from 2003 to 2008
- Protecting our investment with network based security systems
- Aligning further with our networked GIS planimetrics initiative
- Vigorous in-house production schedule and new look for Channel 18
- Updates and new look for our website

Special thanks go to Dan Proto for his fabulous support and commitment to making our department successful.

We also recognize Captain William Monahan and GIS Specialist, Alicia Messier for the progress and technology management in the Police and GIS departments.

Please navigate to www.town.dennis.ma.us for more information on us and all our departments and let us know how we can make it better for you.

Call 508-760-6161 or email sbuss@town.dennis.ma.us with any questions on the technology used at Town Hall.

Respectfully submitted

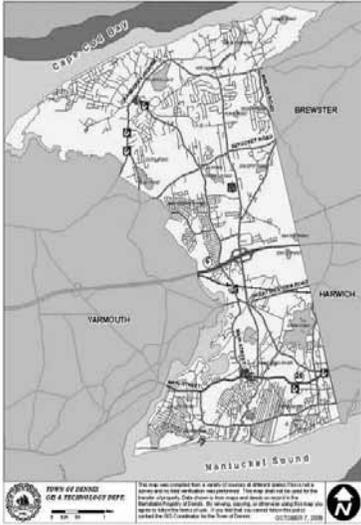

Steve Buss

GEOGRAPHIC INFORMATION SYSTEM (GIS)

To the Honorable Board of Selectmen and Citizens of the Town of Dennis:

It has been two year since the GIS Specialist position was filled with the plan of helping organize existing town data and maps and begin the task of digitizing it for posterity.

Within this current year a formulated plan has been put into action with priorities set from each department within the GIS Stakeholders group. One of the high priorities was the town's Aerial/Digitization.

This project was approved at town meeting, and money allocated to begin this process. A contract has been awarded, and there will be a 40 scale aerial flight flown in the spring of 2012. With this aerial the town will acquire infrastructure (catch basins, manholes, etc...), contours (2ft), and color infrared orthophotography; which we will help delineate wetlands.

Also in this project will be some parcel work including dimensions. The aerial photography will help with lining up the parcel layer for a "best fit." The dimensions will be added using land court and registered survey maps.

Another project our town was part this past summer was through a District Local Technical Assistance (DLTA) grant from the Cape Cod Commission. Dennis teamed up with Mashpee and Chatham with starting to create a Master Address Table for each town and E911 purposes. This project took the entire town's data and created points on all dwellings with addresses and based them on state class code. Also, as a group we came up with a best practices guideline for other cape towns to start with if and when they start to create a Master Address Table. We used tablet computers as well as an internet connection to go from house to house to verify and correct address issues. If you are interested in reading about the project please visit the CCC website at www.capecodcommission.org and click on Initiatives to find the DLTA paper.

Just as an FYI we still have the online GIS portal which began in the spring of 2010. It can be found at www.town.dennis.ma.us, and on the GIS webpage. This public portal is updated yearly with parcel information like owner, village, acres, as well as the previous year's appraised property value. There is also still the capability to overlay additional data layers like flood zones, SLOSH zones, places of interest and more.

Respectfully submitted –

Alicia Messier (amessier@town.dennis.ma.us), GIS Support Specialist

CHANNEL 18 – GOVERNMENT ACCESS

To the Honorable Board of Selectmen and Citizens of the Town of Dennis:

Channel 18 has had a big year with major changes to staff, additions to our cable programming, embellishments of our graphics and quicker turn around for video-on-demand streaming.

In 2011 Linda Fleming, who was our primary camera operator and overall video boss retired leaving a large legacy to fill.

Fortunately we hired national award winning television producer Amy Davies with 15 years of experience in local television as our Media Specialist! She's currently building on the foundation we have and taking us boldly into the next era.

In 2011 we collaborated with the Police Department, Fire Department, Town Clerk's Office, Dennis Historical Society, the Recreation Department and Town Administration among others to produce 295 programs totaling 377 hours of first run programming that filled 2,539 hours, 15 minutes and 32 seconds of replays through out the year. This includes the production of 25 original public service announcements, informational and community event programs, in addition to 228 regulatory and Barnstable County meetings.

With the addition of the MyMassTV video server, viewers can now watch relevant programs produced by state departments, including Senior Scenes, Consumer Affairs and Sound Off.

Goals for 2012 include:

- Setting up production capabilities at the new Town Hall Annex.
- Production and graphics redesign for the Channel 18 Bulletin board
- Upgrade our Tighrope video and storage servers and software
- Make bulletin board use available for departments
- Create an in-house production schedule for department video profiles
- Village Highlights program

Special thanks go to Lynn Bigelow for her fine photography and commitment to professional camera operations.

See more of what we're doing by turning to Channel 18 and visiting the Town Website's Channel 18 link on the home page. Please let us know how we're doing by contacting Amy at adavies@town.dennis.

Steve Buss

HARBORMASTER DEPARTMENT

The Harbor staff is happy to announce that last year was a relatively safe boating season with only a few minor injuries. Improvements were made to the infrastructure on Bass River and at Sesuit Harbor. The most noticeable improvements were the completely rebuilt pier, landing and dock at Aunt Julia Ann's landing. The completely rebuilt and redesigned ramp on the east side at Sesuit Harbor is also an excellent addition. The Harbor Department has also received a used 21 foot Coast Guard boat for free that will be put into service this spring on Bass River. This boat will serve as a great asset to the Town and will provide better rescue and patrol services for years to come. The acceptance of the Bass River dredging permit is now in place allowing the Town to actively start dredging Bass River's main channel. This ten year permit will allow future dredge permitting opportunities already underway along Bass River. The Harbor staff along with additional Town staff continues to build and replace unserviceable docks at a great savings to the Town.

The Town of Dennis is extremely fortunate to have such beautiful pristine waterways. The citizens of the Town and the visitors feel a great sense of pride and ownership of our shoreline, rivers and harbor. The Harbor staff is honored to provide professional, safe, and quick response to all boaters and their guests. These waterways have provided commerce and recreation to include fishing since 1793. The waterways are our responsibility and it is imperative that we maintain, preserve and enjoy them for generations to come.

The Harbor staff as always is here to provide safe and navigable waters to our citizens. We take this job you have entrusted us with very seriously and thank you for the opportunity to serve you.

Respectfully submitted,

Terry Clen
Harbormaster

WATERWAYS COMMISSION

2011 was a good year for the harbors and waterways of Dennis. 2012 we will have our updated rules and regulations set, for a safe and pleasurable boating season.

We were fortunate this year in developing a capital funding plan for Dennis waterways. This plan places a percentage of fees collected to pay for capital projects in our waterways. This plan will help to keep our tax rate low and yet we will be able to maintain and enhance our waterways.

We were able to see the old train bridge over Bass River be removed as it was in a condition that presented a hazard to navigation and a potential hazard to the estuary.

The east side ramp project has been long & waiting, which started back in the nineties. It was finished in July and funded by the salt water recreational fishing licenses. This project has enhanced the ability to launch and recover boats with greater ease and efficiencies. This project has added in achieving a safe environment for all who will use this area now and in the future.

The dredging permits have been updated. Dredging of the mouth of Bass River and dredging at Sesuit harbor as well as other areas that will be addressed as the need arises. The spoils from dredging will be used to maintain and enhance our beaches.

We will again this year be looking to add more bubblers to our inventory. The placement of bubblers in our dock areas will make it possible to leave docks in the water over the winter months. This helps to extend the life of the docks and helps to lower our costs to maintain the docks. We also replaced more docks this year as part of our preventive maintenance program.

Thanks to Harbormaster Terry Clen, Rick Lamont, Joanne lachetta and their assistants for their continuing help in securing our finances. The support from the Harbormasters office is what assures a safe and secure Town of Dennis Waterways Department.

In Closing the Waterways Committee would like thank all the citizens that have attended our meetings and provided input to all the areas of concern.

Respectfully Submitted;

Carl Howard, Chairperson

Walter Hulse, Vice Chairperson

David McCarthy, Secretary

Leicester Johnson

David Parker

Mark Lambton

Armand Cloutier

Kevin Grignon-alternate

John Simpson-alternate

NATURAL RESOURCES DEPARTMENT

Although a small Department, consisting of the Director, Shellfish Constable, Conservation Agent, Land Management Specialist and Office Manager, the Natural Resource Department continued to juggle numerous responsibilities this past year. Each employee also acts as a Natural Resource Officer and in addition to performing their primary job duties is also responsible for patrolling the Town Conservation Lands and barrier beaches and responding to calls for assistance with nuisance wildlife, as well as whale, seal and turtle strandings. The staff also provides input on Wetland Protection Act permit applications, building permit applications and rezoning proposals.

The Department continues to oversee activities at the community gardens on Route 6A, Fisk Street and at Seaview Park. Revenue from use of the garden plots totaled \$2,340.00

Additional summer staff was once again hired to assist with piping plover monitoring and also enforcement of the ORV Beach Regulations at Chapin Beach and Crowe's Pasture Beach. Staff issued a total of 123 citations with approximately \$4,375.00 of revenue.

Erosion continued to be a problem at Chapin Beach, leading to periodic closures to ORV traffic. Consultants hired by the Town completed a study outlining potential designs for Dr. Bottero Road and the Chapin Beach ORV Ramp. A second study focusing on erosion problems at Chapin Beach was started in the fall, to be completed in early 2012. Lastly, consultants continue to collect bathymetric, shellfish, habitat and water quality data in Chase Garden Creek to assist with future dredging permit applications.

Nesting piping plovers affected West Dennis Beach and Chapin Beach again this year causing Chapin to be closed to ORV traffic from July 8th to August 12th and the West Dennis Beach west parking lot from June 1st to July 29th. For the first time, a plover monitoring report was produced providing comparisons between previous nesting years and including a discussion of plover foraging actions. Information in this report will be used to obtain State and Federal approvals to revise these closures.

Shellfish

Shellfish remains a valuable resource to the Town and shellfishing is a popular activity for many of the Town residents. The following licenses were sold in 2010 representing a revenue of \$8,779.

Household

Resident/Taxpayer	343
Resident over 70 years of age	228
Non Resident	19
Commercial	13

Other

Fish Weir	1
Aquaculture License	32

SHELLFISH HARVESTED ESTIMATE FOR 2010

Harvested in Bushels	Household	Commercial
Soft Shell Clams	140	5
Quahogs	234	968
Scallops	5	0
Oysters	56	3,257
Sea Clams	22	0
Blue Mussels	5	0
Razor Clams	2	0
Eels	10 lbs	30 lbs

After two decades of service to the Town, Deputy Shellfish Constable Bill Long has retired. Bill has been a main cog in the Natural Resources Department and Shellfish Division. He has been great with our shellfishermen knowing them by name and license number. His council and knowledge of our natural resources plus hunting and shellfish will be missed, as will he.

Our volunteer program CRABS (Commercial Recreational Association for Better Shellfishing) continues to provide much needed assistance as a work force to improve the shellfish resources and natural resources of the Town. Some notable projects this year include the oyster reef off West Dennis Beach in Old Field Bend, upweller quahogs, and herring run restoration. For the first time, the Division and the CRABS planted 20,000 soft shell clams seed, one at a time on the flat at Chapin Beach. Again, a special thanks to two CRABS, Fran Donovan and George Platt, for their continued effort to maintain our upweller.

This division continues to culture shellfish in two upwellers at Captain Hardings Lane, Bass River. This year using funds from the Barnstable County Shellfish Enhancement Program Service, the Friends of Dennis Shellfish and Shellfish Mitigation Fund 800,000 seed quahogs were raised and planted in Wilbur Cove, Bass River. Additionally, under a special permit issued by the Division of Marine Fisheries the department planted 250 bushels of quahogs into Grand Cove, Bass River. With last years soft shell clam die off event in Bass River due to *Neoplasia*, the Division planted 80,000 seed soft shell clams in Follins Pond.

Our habitat restoration continues with the remote set oyster program, enhancing our population of oysters in Bass River. In cooperation with the Barnstable County Shellfish Enhancement Program 200 bags of shell stock containing approximately 100,000 seed oysters were provided. The Shellfish Divisions' Crowes Pasture aquacultured oysters continue to be enjoyed through a special one time only opening on Sunday, November 20th, when we gave them away to over 100 happy shellfish license holders.

The Shellfish Department would like to take this opportunity to thank the Cape Cod Salties for their continued efforts supporting and maintaining our herring runs.

Alan S. Marcy,
Shellfish Constable

Land Management

With the addition of a Land Management Specialist, the first Draft Crowes Pasture Management Plan was compiled for public input. In addition, grant monies were received to assist the Department with the rehabilitation of the Pond Street blueberry patch. The Land Management Specialist, in coordination with Americorps staff, is in the process of developing a Land Steward Program for Dennis conservation lands in 2012.

The Department web page continues to be updated to reflect the various departmental duties and provide access to permit application forms and rules and regulations. Staff is working towards providing the public the ability to purchase ORV permits and Shellfish licenses online.

Staff continued to provide support to the Conservation Commission, Shellfish Committee, Agriculture Commission, Water Quality Advisory Committee and the Beach Management Advisory Task Force.

The Department remains committed to our mission of protecting, managing and enhancing the Town of Dennis natural resources. We look forward to working with the community to develop a town-wide trail system which provides access to and showcases these natural resources.

Respectfully Submitted,

Karen M. Johnson
Director

AGRICULTURAL COMMISSION

The Dennis Agricultural Commission held meetings throughout 2011. These meetings primarily focused on the agricultural use of Melpet Farm. The RFP was reissued in hopes of soliciting a suitable viable tenant, as well as the need for the Town to make some of the improvements under the laws governing public entities. We concluded the year with much hope that Melpet will soon see horses in the pasture.

Respectfully submitted,

John Lowell
Chairperson
Town of Dennis Agricultural Commission

CONSERVATION COMMISSION

The Conservation Commission hearings, posted at the Dennis Town Offices, are held at 7:00 p.m. on the first and third Thursdays of each month. In 2011, the Commission held twenty-four regular hearings, as well as numerous work sessions under both the State and Local Wetlands Protection Laws.

This year, the Town sold 992 Off Road Vehicles, amounting to \$134,100.00. The Town Blueberry Patch sold 1,093 quarts of blueberries, totaling \$2,187.00.

This year, the Conservation Commission issued a Request for Proposal (RFP) for an Environmental Technical Consultant, to assist on an as needed basis with Wetlands Filings. The Commission decided upon a list of six (6) individuals/companies to choose from should an outside consultant be deemed necessary for a file review.

We welcome Brian Everett, Land Management Specialist in the Natural Resources Department. Brian has already received a grant to rehabilitate the Pond Street blueberry patch. He is also pursuing parking lot improvements at the Fresh Pond Conservation Area and working on finalizing the Crowes Pasture Management Plan under the oversight of the Commission.

Should you have any questions regarding the Conservation Commission, you may contact Don Waldo through the Department of Natural Resources.

Respectfully Submitted,

Donald Waldo, Chairman
George MacDonald, Vice Chairman
Georgiana Olwell, Clerk
Frank Verny
Walter VonHone
Dave Dumas
Peter Flood

SHELLFISH COMMITTEE

The Shellfish Committee held nine meetings in 2011.

The Privately Licensed Shellfish Area at Crowes Pasture continues to be a success. There is strong usage of the private licenses by the growers. There is a long waiting list for grants.

Chapin Beach has been approved for the harvest of shellfish by the Division of Marine Fisheries. Water quality is no longer an issue. Shellfish Constable Marcy and the Committee are working to develop a second privately licensed shellfish area off Chapin Beach. Currently, the Town is in the process of obtaining state and federal permits. The current plan is for twenty-five new grants to be available in 2012.

The committee worked with Constable Marcy to improve the current area of Crowes Pasture and to develop a new area at Chapin Beach.

The Commercial Shellfish Regulations under Quahogs was changed to increase the daily catch limit from two and one half bushels per day to three bushels per day. Possession or transportation of seed from its original origin is prohibited.

Article 38 at the Annual Town Meeting was approved. This article transferred \$4,840.00 from the Shellfish Mitigation Fund to the Shellfish Budget, in order to purchase 605,000 2-3mm quahog seed to be place in the Town Upwellers, grown out and planted at public shellfishing areas.

Respectfully submitted,

Aaron Brochu

COASTAL RESOURCES COMMITTEE

The Coastal Resources Committee (CRC) is charged to promote regional awareness of coastal issues by serving as a conduit or liaison for the exchange of information between Cape Cod communities. The CRC consists of a representative and an alternate, nominated from the Selectmen, from each Cape Cod town. Additionally, it includes a representative nominated by each of the following and appointed by the County Commissioners: Barnstable County Commissioners, Assembly of Delegates, Cape Cod Commission, Barnstable County Selectmen's Association, Barnstable County Department of Health and Human Services, Barnstable County Extension service, Barnstable County Shellfish Advisory Committee, Natural Resources Conservation Service/Cape Cod Conservation District, and the Cape Cod National Seashore.

The CRC focus was the implementation of the Cape Cod Water Resources Restoration Project and urging Washington to support continued funding for the Small Watersheds Program of the USDA Natural Resources Conservation Service's (NRCS). These programs restore shellfish habitat by improving water quality, restoring fish passages and improving water quality to restore salt marshes for habitat. The project received \$6.5 million in start-up funding that will create an estimated 160 new jobs by the end of December 2011.

In closing, I would like to thank the Board of Selectmen for the opportunity to serve as the Town of Dennis' representative on this important regional committee.

Respectfully submitted,

Alan S. Marcy, Representative

GOLF DEPARTMENT

2011 has proven to be another consistent year in the golf department. Priding ourselves in providing an outstanding product along with exceptional customer service we managed to battle our way through some tough weather in August to finish strong with some brilliant weather this fall.

2012 will be an exciting year for us as we embark on our first extensive capital improvement project. A long overdue drainage project will break ground at Dennis Pines in the fall of 2012 with a concentration on holes 15 & 16. This project will vastly improve the playability of these holes and will transform them into one of the more aesthetically pleasing areas of the golf course.

As always, the entire staff of Dennis Golf is committed to providing every member and guest with the best possible golfing experience.

Respectfully submitted,

Michael Cummings
Director/Superintendent

Golf Revenue and Expense Summary

Fiscal Year 2011

REVENUE

Greens Fees	\$	1,149,470.70
Cart Rentals	\$	423,857.91
Driving Range	\$	105,653.52
Memberships	\$	746,192.50
Capital Reserve Acct	\$	316,703.96
Pro Shop (Fund 585)	\$	341,439.04
Golf Gift Certificates	\$	22,842.50
Misc. (Restaurants)	\$	19,700.00
TOTAL	\$	3,125,860.13

EXPENSES

Personal Services	\$	1,009,773.13
Purchase of Service	\$	184,919.07
Supplies	\$	320,099.17

Total Other Exp	\$	559,636.14
Total Expense	\$	2,078,752.17

Operating Income (Loss)	\$	1,047,107.96
-------------------------	----	--------------

Non Operating Exp

SURPLUS (Deficit)	\$	1,047,107.96
--------------------------	-----------	---------------------

Note 1: \$316,703.96 Transferred to Capital Improvement fund in FY 11.

Note 2: Amount Transferred from Golf Capital Improvement Fund to General Fund For Capital Expenditures \$158,053.75

The Green Fees calculation is derived at as follows: The Green Fees for the Highlands and Pines are each multiplied by 5%. This figure is part of the Capital Reserve Account and reduces the Green Fees accordingly. The second calculation is the \$162.00 per adult resident and 50% of the adult non-resident memberships. These figures are also added to the Capital Reserver Account and reduces the Membership fees accordingly. These figures are obtained in the MUNIS system under 100640, object 42479, under detail for the Fiscal Year.

GOLF ADVISORY COMMITTEE

This year was what we in the business world would consider a “year in limbo”. The courses were both in great shape as what seems to be business as usual with the crews that we have on board. With good conditions, the golfers will come, and they did once again. The in-house member tournaments were a tremendous success this year with every tournament selling out, many thanks to Tony and Kyle for this.

With the end of year numbers looking promising and the “capital improvement fund” increasing nicely, the committee and the golf department will be starting the process of bidding for work to begin at the courses. There was a questioner sent to the members as to what “they” would like to see done first was very well received with over 600 responses. This will be a very exciting time for all to see some major improvements being done.

As always the committee wishes and hopes that every golfer has a great total golfing experience at either course. We meet once a month year round and are hopeful that more and more members attend regularly whether you have something to bring forward or just want to stay in tune with the operations.

Respectfully submitted,

Eric A. Oman

Chairman

BEACH COMMITTEE

The Beach Committee wishes to thank the citizens of the Town of Dennis for their continued support of the maintenance and improvement of the public beaches. Many beach improvements were undertaken during the past year. As the year ends, the foundation of the new Corporation Beach restroom facility is being completed with the new building slated to open by the start of the next beach season. The rotary at West Dennis Beach has undergone reconstruction this past year including a narrowing and slight redesign of the roadway, new sidewalks, and improved drop-off locations. Discussions were held during the year concerning issues regarding traffic flow in the vicinity of several town beaches and the enforcement of town rules and regulations as they apply to beachgoers. Plans have been made to provide improvements in these areas of concern and will be implemented next season pending budgetary approval. Dredging of Bass River and the use of the dredged material to replace sand lost from the recently constructed dune at West Dennis Beach has been planned and should be accomplished before the next beach season. Additional rinse towers have been purchased and will be installed before next summer. Many of these improvements are being accomplished with funds provided from the beach improvement fund.

The successful operation and improvement of the beaches are the result of extensive cooperation among the many different departments of the town. Thanks are extended to the Police, Fire, Public Works, and Engineering Departments for their extensive support throughout the year. Thanks are also given to Dustin Pineau, Beach and Recreation Director and Joanne Iachetta, Beach Office Manager for their outstanding work in making sure that the beaches are properly staffed and maintained. A special thank you is extended to Harry Allen, Beach Coordinator, upon his retirement from that position after 20 years of building and managing a superior beach and lifeguard staff.

The Beach Committee has recommended to the Board of Selectmen the acceptance of six memorial benches which were donated to the town within the past year. The benches are in memory of Dr. John Fanara, Jr., Paul and Carol Gullette, Peter E. Oettinger, Mrs. Doris Alexander, Patricia Acheson, and Earl Eaton Sr. The Beach Committee wishes to thank all who have donated benches in memory of loved ones. Their donations are appreciated and enjoyed by many.

The Town of Dennis is known by many for the wonderful beaches within its boundaries. It is through the coordinated efforts of the town departments and the citizens of the town that such a reputation can be maintained and improved upon.

BEACH MANAGEMENT ADVISORY TASK FORCE (BMAT)

BMAT was established by the Board of Selectman early in the year. It is comprised of 5 members: 2 from the Board of Selectmen, 2 from the Beach Committee and 1 from the Dennis Conservation Commission. BMAT is supported by the Department of Natural Resources and The Town Administrator's Office.

The first order of business was to develop a Request for Proposals (RFP) to hire a professional consultant to develop an Interim Management Plan for Chapin Beach. Several companies completed the bid process and all were interviewed. After reviewing each proposal, their price structure and each interview, Woods Hole Group was chosen. BMAT and the Woods Hole Group have been working together and plan to have the Interim Management Plan complete very soon.

BMAT has also begun to identify and construct an evaluation template to use for a comprehensive plan that will include all of the Town's beaches. This plan will help the Town to prioritize beach management investment and develop a long term investment plan for all beaches. The Director of the Beach Department has been asked to consult on this plan.

It has been a pleasure working on BMAT and we hope to have complete reports submitted to the Board of Selectmen during 2012.

RECREATION COMMITTEE

What a wonderful year for recreation! Programs were full. Runners ran, sailors sailed, all ages played in various and numerous activities and for the first time, we were able to off full day summer camp.

Because of the wonderful support from the town, Dustin Pineau was finally able to offer full day summer programs due to the addition at Johnny Kelley Park. It was absolutely wonderful to see people of all ages enjoy the camp, the park and all the activities that were offered. Many thanks to the DPW for all their hard work in sprucing up the park. If you have not been there in a while, check it out. It is first class.

Another successful Road Race was completed this past July. Thanks to Ken Johnson and the wonderful volunteers, over 300 runners ran in the race on a beautiful Saturday morning along with over 75 children who ran in the Ed Giuliani Fun Run. The commission wants to thank all the sponsors, especially Barbos and Buncey's cafe. Due to the wonderful response, two scholarships were given out this year, one to Dennis-Yarmouth High School and one to Cape Cod Tech.

Once again, recreation program could not run smoothly without the guidance of Dustin Pineau, our director. He has added so many programs for all of us in town to enjoy that all we can say is Thank You.

Also many thanks to Rick White, the Selectmen and the Finance Committee for all their support and assistance.

Respectfully submitted,

Tony Marvullo, Chairman
Vern Ellars
Jerry Farias
Dan Demateos

DEPARTMENT OF PUBLIC WORKS

Our team of skilled men and women respond to all weather emergencies including; snow, ice, flooding and wind related damage. We accomplished a great deal this last year and we appreciate the dedication and hard work of the entire staff.

This was a year of employee transition. The following employees either retired or resigned and we would like to acknowledge their service to the Town: Jeff Atterstrom, Bill Beriau, Greg Hull, Leo Hunsinger, Rick Reynar and Mike Smith. In their place we have hired the following: Chad Contonio, Transfer Station Foreman; David Webber, Transfer Station Heavy Equipment Operator (HEO) Crew Leader; Steven Taves, Maintenance II and Duane Doollittle, Maintenance II. The two remaining positions will be filled in early 2012.

Some of the major functions of the DPW include the following; maintenance of the ball fields, beaches, buildings, cemeteries, equipment, grounds, parks, roads, vehicles and operation of the transfer station. The DPW also provides support for other Town Departments, committees, civic organizations and the general public.

PUBLIC PROPERTY/BUILDINGS

There are over 60 municipal buildings and structures spread over a 22 square mile area. According to the Massachusetts Inter-local Insurance Association (MIIA) "Statement of Values" the Town of Dennis building inventory is worth approximately \$27 million dollars. Over time Town assets have increased in number, size and scope of complexity. Also the building inventory perpetually ages (averaging 40 years old), this necessitates an ongoing commitment of resources for maintenance and renovation.

To that end we have concentrated on maintenance within the operational budget and renovation with the five year capital improvement plan (CIP). Last year the Board of Selectmen and Finance Committee supported a reallocation of resources into the municipal buildings budget allowing this division to respond more effectively to the needs of the community. This reallocation allowed this division to address many issues without requiring a reserve fund transfer:

- West Dennis Beach – septic system repair
- Transfer Station – fire suppression system repairs
- Fire Station 1 – fire suppression system, HVAC and electrical repairs
- Library – HVAC system repair
- Mayflower Beach – bathroom repair
- Senior Center and West Dennis Graded School – elevator repairs
- Dennis Pines – septic system repair

Other projects included:

- Built 44 docks for Sesuit Harbor and the Bass River facilities
- Removed old cable from docks, copper salvaged for \$24,380, deposited into general fund.
- Renovations to Carleton Hall, trim, siding and door replacement
- Repair of 250' of bulkhead at West Dennis Beach
- 28 Life guard stands – cleaned and painted
- Replaced rotten trim on West Dennis Concession with Polyvinyl Chloride (PVC) trim, common brand name “Azek”.
- Annual Beach comfort station (bathrooms) and concession stands seasonal cleaning and opening and end of season winterization.
- Hurricane (Irene) – secured buildings, sandbag placement, plywood on exposed areas and loaded trucks with emergency supplies.
- Set up for all elections and Town auction.
- Removal of snow and ice at all municipal buildings.
- Multiple miscellaneous smaller projects.

The capital improvement plan allowed the roofs to be replaced at the West Dennis Beach and Mayflower Beach snack bars as well as Fire Station #2 (Dennis Village). The West Dennis Graded School painting project is to be bid in the spring of 2012. These projects represent a \$170,000 investment that will prolong the life of these assets well into the future. Although we have made great strides in shoring up building condition we still are weak in preventive maintenance due to staffing levels.

This division has lost craftsmen positions over time due to attrition and this has greatly inhibited the ability to be proactive rather than reactive. According to industry standards for minimum staffing levels for “building maintenance-related positions” a minimum standard for the Town of Dennis inventory should be six. The Town currently has two craftsmen who balance their time between building and structures. To correct this deficiency we have submitted a personnel request for two additional craftsmen and an electrician.

We understand the fiscal conditions that we operate under and have made a concerted effort to be considerate of these constraints, but the current staffing level places the Town at risk of prematurely degrading our building inventory and concurrently increasing the overall expense. The recommendations made are intended to improve the current condition of the buildings and structures and to protect the taxpayer’s investments by reducing the overall cost.

Unfortunately we have to report vandalism which occurred at the Senior Center. Twice last year, windows were broken and required replacing, this took place after this division had just replaced 13 windows. Vandalism to Town properties costs the taxpayer thousands of dollars each year. If anyone has any information regarding vandalism please contact the police at 508-394-1314. On a positive note the Town is fortunate to receive support for improvements from many sources.

A grant was secured to replace 44 windows at Town Hall with energy efficient replacements from Cape Light Compact in 2010 and the project was completed in the beginning of 2011. The anticipated savings in heating and cooling expense is \$1,800. Other initiatives with Cape Light Compact include lighting and HVAC improvements at Fire Station 2 and at the Town Hall Annex (old Police Station).

Special thanks to the Cape Cod Technical High School students for their donation of electrical upgrades to the Melpet Farm project. This work was started in 2011 and is anticipated to save the Town approximately \$6,000 dollars in labor. We would also like to thank Ted & Kim Villanueva for their donation of one electric stove to replace the stove at Carleton Hall which saved the Town approximately \$500 dollars.

The Community Preservation Committee continues to support efforts to renovate historic structures throughout Town. We would like to also thank this Committee for the financial backing of renovations to the Josiah Dennis Manse and the Carleton Hall renovation/restoration projects and continued consideration. We would like to thank the public for its overwhelming support, thank you.

HIGHWAYS and GROUNDS

The highway and grounds division are a critical component in project completion. A partial list of accomplishments includes:

- Install and remove docks at Cove Road Landing, Sesuit Harbor and Uncle Freeman's Landing, transported docks, built by building division, to Sesuit Harbor
- Replenished road shoulder at Dr. Bottero Road several times due to erosion from high course and storm tides.
- Cut, chip and remove dead trees and brush on the east side of Siasconset Avenue (town owned).
- Wild Hunter Road; Install drainage, prune roadside vegetation, prepped for pavement and finish work after paved.
- Aunt Julia Ann's Road; Install drainage, prune roadside vegetation, prepped for pavement and finish work after paved.
- Roadside brushing on Route 134, north of Setucket Road to Route 6A
- Drainage repairs or installation at: Calvin Drive, Lower County and Lighthouse Roads, Friends Lane, Glendon Rd., Hazelwood Rd., South Yarmouth Road, Shad Hole Rd., Highland St., Dutches Way, Sea Meadow Dr. Wind Mill, Old Bass River Rd., Sou'west Dr., King's Row Dr., Senior Center, Asack Dr. and Bain Road
- Johnny Kelley Park; Tree work, site work in preparation for construction and finish landscaping for new pavilion and playground.
- Reconfiguration of intersection of Hokum Rock and Old Bass River Roads.
- Sea View Park; Clean retention pond, fix pathways and mow grass.
- Tropical Storm Irene; Forecasted to be a hurricane, by the time it reached Dennis it was a tropical storm that left its wrath with downed trees, limbs and

severe power outages. DPW worked closely with the police and fire departments throughout the event.

- Continue to repair and replace street signs in accordance with Manual of Uniform Traffic Control Devices (MUTCD) recommendations.
- Routine maintenance was performed over the remainder of the year on public roads including; tree/brush removal and trimming, roadside mowing, pothole patching, asphalt repair, street sweeping, catch basin cleaning, grading dirt roads and fabrication and installation of street signs and roadway and parking lot line painting.
- Support the Secondary Roads Improvement Program and the Chapter 90 State Aid Projects by performing preparatory work such as pruning roadside vegetation, cutting back shoulders, adjusting structures, asphalt joint cutting, sweeping and any other supplemental work. Upon completion of the paving, these locations are loamed and seeded and pavement line painting is scheduled. This work occurred dozens of roadways throughout the town as listed in the Engineering Department's report.

Beach related projects included but not limited to:

- Daily removal of trash from all beaches.
- Daily surf rake at beaches alternating between north side and south side, seaweed transported to Transfer Station and incorporated into compost.
- Removing sand at entry ways to beaches.
- Lowering Howes Street Beach pathway.
- Installed erosion control fence at multiple locations.
- Boardwalk repairs, installation and removal.
- Lifeguard tower installation and removal.
- Sweep and remove all sand from paved parking areas.
- Repaired collapsed catch basin and retaining wall at Corporation Beach.
- Demolition of Corporation bath house and removal of debris.

Natural Resources Department projects included but not limited to:

- Crowe Pasture; brushed and regarded access roads, t-base road network and created new parking areas.
- Chapin Beach ramp; multiple repairs due to extensive storm erosion.
- Mow Whitfield-Johnson field.

The winter season 2010 – 2011 had its first plowing event on December 20, 2010 and total accumulation was 10"; the largest snowfall of the season. In total there were 21 snow and ice events; of which 6 required hiring plowing vendors. A total of 28" of snow accumulated on the roads of Dennis. We would like to thank the public for adhering to advertised parking bans during storms. You help provide safe passage on roadways to your neighbors and provide the plow drivers the ability to operate safely while conducting a thorough job.

CEMETERIES

The Department of Public Works manages and maintains fourteen cemeteries within the five villages of Dennis. Five cemeteries remain active and demand regular attention, including Oak Ridge, Dennis Village, South Dennis Congregational Church, Swan Lake Annex, and West Dennis. Approximately 80 acres of property are designated for cemetery use and 43 acres are currently developed and maintained. We are responsible for the mowing and trimming of these grounds, in addition to these duties trees are periodically pruned, brush is cleared and leaves are raked.

There were 85 interments at the five active cemeteries, and 38 grave spaces (license to burial) were sold. Currently lots are available in Oak Ridge Cemetery and Swan Lake Annex.

As part of the master plan for Oak Ridge Cemetery we have developed and opened additional sections. As part of this expansion we planted 18 white pines this year to beautify these new sections. We would like to formally thank Mike Cummings and the Golf Department for assisting with hydro-seeding these new sections. Also we were fortunate to have the opportunity to host the Barnstable County Public Works Association (BCPWA) chainsaw safety course again, where dozens of trees were cut clearing the way for future expansion, we not only received free labor, but training at a reduced rate, we thank BCPWA for this opportunity.

The Community Preservation Act Committee (CPAC) has been gracious enough to award the grant requests of the Cemetery Advisory Committee (CAC) over the last few years. These grants have enabled this department to make major strides to restore and maintain these cemeteries, that otherwise would have been impossible. We continue to work with the CPAC as well as the CAC to maintain our cemeteries for future generations.

We would like to acknowledge the generous donation of the Chamberlain Foundation of \$12,500 for the paving of a section of a cemetery roadway in the South Dennis Congregational Church Cemetery. This is the third donation in three years from the Chamberlain Foundation totaling \$29,000. This work is scheduled for spring of 2012. Any inquiry regarding cemeteries should be directed to the DPW office at 508-760-6220.

SOLID WASTE and RECYCLING

The Transfer Station and Recycling Facility processed more than 12,000 tons of material. Approximately 6,500 tons of solid waste was transported to SEMASS Waste to Energy Facility in Rochester, Mass. where it is burned to generate electricity. Approximately 1,400 tons of construction and demolition materials were hauled to the Town of Bourne's Integrated Solid Waste Facility. Approximately 2,000 tons of cardboard, paper, plastic, televisions, computers, mattresses, glass, metals, seaweed, brush, leaves and grass clippings materials were diverted from the waste stream and

recycled. The commodity markets were generous and revenues received from recycling include metal \$80,000; newspaper and magazines \$21,000; cardboard \$28,000, and approximately \$4,000 generated from miscellaneous recycling including glass and plastic. In total more than \$140,000 of revenue was brought to the Town by recycling and recycling fees. However, this is a very fluid and unreliable source of revenue. Some of the other benefits to recycling include using old products to manufacture new and cost avoidance of tipping costs for municipal solid waste.

The Mary Hood Hagler Reusable Goods Building offers an alternative to disposal and is staffed by citizen volunteers managed by the DPW. If you have items that still have usefulness please stop by and ask if they can be accepted. The Department is grateful for all of the volunteers that make this program work.

The DPW sponsor a logo contest, alternating between the Wixon Middle School and the Ezra H. Baker School every year for a new design for the Transfer Station stickers. This year it was the Ezra H. Baker's chance to participate. First place winner's artwork is the initial pass design and second place artwork is the secondary pass design. The purpose is to encourage awareness and participation of recycling in our younger generation. Congratulations to all the participants of the 2011 logo contest, especially to First Place winner, Dylan Rice, and Second Place winner, Ethan Carver. Honorable Mentions were awarded to Josiah McLaughlin, Jenna Beebe, Maria Swiatkowski and Shea Leigh Hutchison. All six households received a free Transfer Station sticker.

Thank you for your continued efforts in recycling, not only is recycling good for the environment, it generates much needed revenue. If you have any questions regarding solid waste or recycling please call (508)-760-6230.

We strive to cooperate and coordinate with all Town departments, committees and individual citizens to provide the most effective accomplishment of community goals and objectives. If you have any questions and/or comments please let us know by calling the DPW office at 508-760-6220.

Respectfully submitted,

David S. Johansen
Superintendent of Public Works

Gregory C. Rounseville
Assistant Superintendent of Public Works

CEMETERY ADVISORY COMMITTEE

The BSC Group, an engineering and surveying firm, provided the Town with a comprehensive survey of grave marker layout in the Old South Dennis Cemetery at Town Hall. Some repairs were made by the Department of Public Works. Preliminary probes by members of the Cemetery Advisory Committee of areas of curiosity were inconclusive. The CAC will continue to advance this Community Preservation Act funded project with further headstone repairs and an interpretive sign board.

In the Dennis Village Cemetery the Committee proposed establishing a dedicated area for cremated remains with flat markers in the North West corner. However, feedback from organizations and individuals discouraged this plan. The Committee will look for alternate sites within this cemetery for cremation memorials.

Our next large project will be to restore the Obed Baxter fence in the South Dennis Congregational Church Cemetery. This fence is the last surviving one of its kind in our Town and the Community Preservation Committee generously recommended funding this project. The October Town Meeting subsequently approved the expenditure and bids will be solicited in the spring. Additional headstone repairs in this cemetery have been approved by the CPC and will also be undertaken in the spring of 2012.

The CAC thanks DPW administrators David Johansen and Greg Rounseville and office assistants Mary Keener and Michelle Sands for their dedication and cooperation. Their efforts on behalf of our cemeteries are appreciated. The Committee endeavors to advocate for the preservation and beautification of the Town cemeteries. We seek funding sources and make recommendations to the administration and Board of Selectmen. We welcome citizens to share questions and comments during the public discussion segment which is at the beginning of our meetings. Meeting dates are posted at the Dennis Town Hall and are normally held the last Monday of the month at 7:00 P.M. at the Department of Public Works building.

Respectfully submitted,

Bruce W. Hill, Chair
Burton N. Derick
Charles F. Crowell

Diane Rochelle, Vice-Chair
Terrill Ann Fox

ENGINEERING DEPARTMENT

In addition to our usual road, drainage and sidewalk work, 2011 was again a busy year for the Engineering staff designing, permitting and overseeing the construction of various capital projects. Work on the Reverend Josiah Dennis Manse was completed in time for the June 25th grand reopening. Construction of two shade pavilions at Bass River Park and an expansion of the Johnny Kelley pavilion; the reconstruction of the West Dennis Beach Rotary to include a drop-off area and sidewalks; and the replacement of the Aunt Julia Ann's pier were also completed. Other projects completed during the year included safety improvements to the Hokum Rock Road/Old Bass River Road intersection and the Old Wharf Road/Lower County Road intersection.

Road work funded through Chapter 90 State Aid included resurfacing portions of Old Chatham Road (Airline Road to the Harwich Town Line); Setucket Road (Old Bass River Road to Rte 134; Olde Dennis Approach; Sesuit Neck Road (Bridge Street to Harbor Road); and Scargo Hill Road (Old Bass River Road to Mariner Drive) with 20% Rubber Chip Seal. We also anticipate a Fall 2012 start of construction on the Rte 134 Safety Improvement Project. Chapter 90 State Aid funds were used for design while State and Federal transportation funds will pay for the \$4.1 million dollar construction.

Roads resurfaced with 10% Rubber Chip Seal funded by the Town's Secondary Roads Program included: Chase Avenue, Union Wharf Road, Hamilton Road, Smalls Avenue, Pine Street, West Street, and Dean Road in Dennis Port; and Cove Road and Pleasant Street in West Dennis. Also under the program, Aunt Julia Ann's Road, Paddocks Path (Rte 6A to Freedom Trail), Debbie Lane, Barry Lane, Great Western Way and Bittersweet Lane were reconstructed while Stephen Philips Road, Stonewall Way, Sea Meadow Drive, High Head Road, Heritage Place, Clearview Drive, and Highcrest Avenue were resurfaced. Tuckoosa Road, which was accepted as a town road in 2010, was also resurfaced

Drainage systems were installed at 20 locations throughout the town including New Boston Road, King James Drive, Greenland Circle, Taunton Avenue, Sea Meadow Drive, Mayfair Road, Sunset Lane and Captain Chase Road. Systems on the Country Circle subdivision and Norse Road were installed to mitigate stormwater pollution into Bass River. Hinkley Pond Drive, which was taken as a town road in 2010 had two drainage system upgrade during the year.

Sidewalks were resurfaced on Lighthouse Road and Main Street, (Highbank to Town Hall). New sidewalks were also installed on Edwards Avenue at the Dennis Port Library, the northerly end of Rte 134, and on Lower County Road from the Swan Pond River Bridge to Old Wharf Road. We anticipate that sidewalks will be completed on the remainder of Lower County Road in West Dennis in the spring of 2012.

Respectfully submitted,

Joseph A. Rodricks, P.E.
Dennis Town Engineer

CAPE COD JOINT TRANSPORTATION COMMITTEE

The Cape Cod Joint Transportation Committee (CCJTC) is the regional transportation planning advisory group to the Cape Cod Metropolitan Planning Organization (CCMPO). Each of the 15 towns within Barnstable County is represented on the CCJTC. The group's primary responsibility is to prioritize transportation projects that will use State and Federal funds dedicated to the Cape Cod region. The Cape Cod Transportation Improvement Program (CCTIP) 5 Year Plan is the document voted by the CCMPO that prioritizes and dedicates funding for regional projects. For the next CCTIP (FY2012-FY2014), anticipated funding for the Cape Cod region is expected to average slightly less than six million dollars.

By law, the distribution of State and Federal funding receives intense scrutiny and is subjected to lengthy project reviews by Federal and Massachusetts Department of Transportation officials. It takes years for a local project to successfully move from concept to design and eventually construction. In general, projects that are funded under the CCTIP are transportation projects that are considered a regional benefit, and because of their large price tag, are difficult for individual towns to fund.

Although Dennis did not receive CCTIP construction funding in 2011, there are several projects currently under final design with dedicated funding for future years. These projects include: the replacement of both the Upper County Road and Route 28 bridges over Swan Pond River (construction scheduled to start in September, 2012); the reconstruction of Rte 134 to include sidewalks, from the Rte 28 to Upper County Road (construction scheduled for September 2012); and the westerly extension of the Cape Cod Rail Trail (2014-2015)

The success in the Town of Dennis obtaining funding for various projects including those mentioned above has helped make significant improvements to the overall quality of the town's roadways, sidewalks, and bridges. Looking to the future, we are pursuing funds for much needed sidewalk improvements on Route 28 in Dennis Port and West Dennis.

Respectfully submitted,

Joseph A. Rodricks, P.E.
Dennis Representative- CCJTC

COUNCIL ON AGING

In FY11, the COA served 4,522 of our residents. This number is up by 1,034 individuals or represents an increase of 32% from FY10. The COA/Senior Center provides on-going programs available to residents year round, including recreational programs, exercise classes, health-related programs, meals, regular support groups, and many other activities and special programs. In addition, the COA is a human service agency that provides essential services to senior (and other) residents. These services consist of:

- Outreach (which includes home visiting, office visits, information, assistance with supportive day care or home care, assistance with accessing assistance programs, life planning, counseling, and assessment);
- Transportation (which currently consists of 2 vehicles in service 5 days per week). Transportation is provided for our social day center and a shopping bus is available for groceries, errands, and pharmacy pick-up 5 days per week to different locations. We also provide individual transportation to medical appointments via a volunteer driving system. The schedule for transportation is advertised monthly in the Cranberry Scoop newsletter.
- Day Center Services. We provide service to the frail elderly and their caretakers via a social supportive day center. The program runs here at the Senior Center 3 days per week from 10-2, providing transportation, snacks, lunch, and activities to participants and support services to caregivers.

We are seeing significant increases this year in transportation (increased by 58%), and outreach requests (up by 64%). I am extremely proud of our excellent staff and all of their accomplishments over the past year. We are actively making the COA/Senior Center an even more useful and responsive resource for town residents.

This year is also exciting as we have formally embarked on a Senior/ Community Center Feasibility Study. This new group of energetic residents, appointed by the Selectmen, is working with a consultant to look at the options for the renovation and addition of the current Senior Center, or a new building site. We look forward to their report in the coming months.

We sincerely welcome any suggestions or ideas you may have regarding our programs and services. I believe in continuous improvement and will be continuing to try and reach more residents with even better services in 2012.

Respectfully Submitted,

Jacqueline Wildes Beebe, Council on Aging Director
Arthur B. Crooks, President, Council on Aging Advisory Board

FRIENDS OF DENNIS SENIOR CITIZENS

The Friends continued the traditional spring purchasing of dozens of daffodils in support of the **American Cancer Society**. Once again, our thanks to the meals-on-wheels volunteers who delivered the cheerful flowers along with the meals.

The Friends 2011 Spring Golf Tournament was held on June 13, at the Highlands course. This annual fund raiser attracted many repeat players, most of whom stayed for the awards, friendly socializing and a satisfying lunch.

In October, the Friends sponsored our first **Red Cross Blood Drive**, with a theme of **“Donating Blood is Love Made Visible.”** The Friends directors publicized the event, and also covered the registration table and the canteen. A total of 49 units of life sustaining blood was gratefully accepted by the Northeast Division of Red Cross Blood Services.

The Friends continue as an active member of the Town of Dennis **TRIAD**. The **Volunteers in Police Service (VIPS)** have reported that a total of 82 lock boxes have been installed (9/10 to 12/11) in Town. The TRIAD committee also learned this year of a new program, **“Safety Net,”** which is primarily for the tracking and recovery of wandering Alzheimer patients, and is comparable to the lojack program for automobiles. This has the potential to be a very useful emergency program.

In spite of finishing our fiscal year 2010-2011 with a deficit, we continued with our Planned Giving to several local organizations which touch the life of many seniors, namely, **Hospice of Cape Cod, the Visiting Nurse Association, Sight Loss Services of Cape Cod, and Alzheimer’s Services of Cape Cod.**

The Friend’s concluding event for 2011 was the **26th Annual Christmas Giving Program**, which provided 16 holiday gifts to 125 Town of Dennis senior citizens. The 2,000 presents were purchased by the Friends, wrapped by 51 volunteer “elves,” placed in large, colorfully decorated shopping bags decorated by **local Girl Scouts**, and delivered by Friends directors and members of Volunteers in Police Service of the Dennis Police Department.

The Friends of Dennis Senior Citizens are grateful to all who support our endeavors through time donated, words of encouragement, membership dues, participation in the golf tournament fund raiser, and giving to our annual fund appeal. Thank you all!

Respectfully submitted,

Robert P. Mahoney
President, Friends of Dennis Senior Citizens

DENNIS ADVISORY COMMITTEE ON DISABILITIES

The mission of this committee is to assist the disabled residents of Dennis and to make the Town more handicapped accessible. Our meetings are on the first Monday of the month, 9:30am at the Dennis Senior Center. Our updated brochure is available at the Senior Center, Town Hall and the libraries.

The Dennis Advisory Committee on Disabilities continues to be one of the most active committees on Cape Cod. Our accomplishments are the All Access Playground, Braille Trail and Memory Garden, School Awareness Program, Handicap Golf and Beach carts, CART reporter for Town meetings and the Annual Skip Nelson Award.

The William W. Wood All Access playgrounds continue to be enjoyed by many local and off Cape visitors. ADA mulch was added to the playground to complement the rubber mulch. The Playground is located behind the West Dennis Graded School on School Street in West Dennis.

The Braille Trail offers a safe opportunity for disabled to enjoy the outdoors.

The LIVING WITH DIFFERENCES school program continues to be very well received. Children at the Wixon Middle and Ezra Baker Schools learn about disabilities through interaction. This is our 12th year for this program.

There are four handicap beach chairs available. There are two on the North side and two at the West Dennis beach. Reservations can be made by calling the Beach Department. We are happy to report that handicap golf carts are available at the Dennis Pines and the Dennis Highlands.

Any residents who would like to join the Committee or know someone that works or lives in Dennis who would deserve the Skip Nelson Award are asked to call the Senior Center at 508-385-5067.

The Committee appreciates the support of the Town and residents on making accessibility a priority.

Respectfully submitted,

Juanita Donlin, Chair
William Savicki, Vice Chair
Grethe Kaeselau, Secretary
Carol Malone, Treasurer
Muriel Hanger, Historian
Hussam Awad
Randi Cherchiglia

DENNIS HOUSING AUTHORITY

On behalf of the Board of Commissioners and Staff, we respectfully submit to you the Annual Report for the Dennis Housing Authority.

The regularly scheduled meeting of the Dennis Housing Authority Board of Commissioners is posted at the Dennis Town Hall and normally meets the third Monday of the month at 5:00 p.m. at 167 Center Street, South Dennis.

The Dennis Housing Authority completed several projects in 2011, a few of the larger projects included replacement/repairs of the Septic System at the Center Street Village location in the amount of \$216,539 completed in the spring of 2011. The Housing Authority also successfully completed installation of 20 new Heating Systems in all family units; funded by a construction award of American Recovery & Reinvestment Act (ARRA) Weatherization Assistance Program in late fall 2011, resulting in cost-effective energy savings that will reduce heating costs.

In July 2011 the Dennis Housing Authority applied for a second round of funding to complete their portfolio with new Low-Flow Toilets. In November 2011, the Housing Authority was awarded \$20,400 to install the remaining 102 toilets (60 were replaced in 2010) through DHCD's Water Conservation Sustainability Program, and a spending authorization of an additional \$30,779 to purchase toilets, installation accessories and low-flow shower heads under a statewide contract for Plumbing and Heating Supplies as well as toilet recycling services under the state-wide contract for waste management.

In December 2011, after several months of training, planning and preparing the Dennis Housing Authority completed their first 5-year Capital Improvement Plan and successfully submitted to the Department of Housing and Community Development.

For the Housing Authority 2011 was once again faced with many budget challenges and a zero increase in the budget as well as a full twelve months without budget approval from the state made 2011 particularly challenging. We were fortunate to hold our own and maintain 100% occupancy rate in all programs.

The Board of Commissioners and staff continue to work diligently to provide well-run management operations, financial stability, resident satisfaction and upkeep of their properties to provide affordable, decent, safe and sanitary housing in Dennis. The Housing Authority appreciates the support received from the town throughout the year. Through this collaborative effort and in partnership with various city, state and federal agencies, the Dennis Housing Authority will find new and innovative ways of providing affordable housing in Dennis.

Respectfully Submitted,

Chair – Juanita Donlin
Vice Chair – Paul Corcoran
Commissioner - Randi Cherchiglia

Treasurer- Valerie Foster
State Appointee/Assistant Treasurer – Luke Furey

LIBRARY DEPARTMENT

The Dennis Libraries is a system comprised of the Dennis Public Library and the four Village Libraries – Dennis Memorial Library, West Dennis Library, South Dennis Free Library, and Jacob Sears Memorial Library. The system works to fulfill its Mission Statement: “The Dennis Libraries provide current topics and titles, general information, and common gathering places for Dennis citizens and visitors.”

All Dennis Libraries provide access to the CLAMS (Cape Libraries Automated Materials Sharing) network, and specialized items such as large print books, periodicals, audio books, DVDs, music CDs, museum passes, online databases, public computer access and WIFI. Our services include reference and information, programs for adults, teens, and children, homebound delivery, computer classes, ESL classes, low vision resources, and community meeting spaces. The Dennis Library System has subscriptions to Heritage Quest, Ancestry.com, and OverDrive downloadable media (e-books and audio books).

The Dennis Public Library had the honor of being named an All-Star Library by the American Library Association’s Library Journal. As usual, 2011 was a busy year, and DPL offered a film series, a variety of children’s programs, monthly art exhibits, ESL classes, three book clubs (two new!), and a number of new author readings and signings. The Friends of the Dennis Public Library continue to host the hugely popular Authors Friday series, including a fundraiser featuring Lisa Genova. New this year is the Civil War Book Club, a Mystery Book Club, and an increased number of summer programs for adults. The library is a very busy public building that is utilized by an extensive list of community groups that add to the educational and social resources in the neighborhood. Dennisport is seeing the beginnings of a resurgence of local business, and the library acts as anchor to the neighborhood and helps to increase traffic. All of this is possible only with the dedication of the skilled staff and volunteers.

The Dennis Memorial Library had another successful year. Our e-book circulation more than doubled for 2011. We also offer help to patrons in downloading audio and e-books from CLAMS. We have had much interest in these programs. We continue to offer our self paced Mango foreign language program with 6 languages available. Our Low Vision Center is making available low vision aids for vision impaired people to borrow and try out in their own homes as well as instructions in computer use for the blind. We offered several programs this year that were very well attended including author talks, travelogues, gardening workshops, a film series and a Bell Choir concert. We offer 1 on 1 computer help. Our interlibrary loan program has seen a dramatic increase with books coming for patrons from all over the country and Canada. We are a proud partner in the Dennis Library System and we serve thousands of residents and visitors each year. The heart of our library remains our dedicated, knowledgeable, and talented corps of volunteers who serve the public with graciousness, helpfulness, and friendliness.

More and more people are finding their way into the South Dennis Free Public Library, surprised that the 'gingerbread library' offers 14,000 things to choose from, something for all tastes and all ages. The fifth year of our popular 'Thursdays at Two' series featured Long Pasture Wildlife Sanctuary's new butterfly trail, a celebration of Pearl Buck, the newly discovered diary of a Dennis ship captain's wife, a long-ago Peace Corps volunteer's return to Ghana, and a behind-the-scenes look at Nantucket legend and history. Our BBC, foreign, classic, and juvenile DVD collections have been especially popular. Our website now has a special 'Images' page featuring the library in paintings, photographs, tiles, cards and quilts. In a world where stores are getting bigger and service more impersonal, patrons seem to enjoy our blend of atmosphere and attention.

July 10, 1896 the Jacob Sears Memorial Library opened its doors for the first time with a band playing for patrons and guests, speeches, and a reception on the lawn. July 10, 2011The Jacob Sears Memorial Library celebrated its 115th anniversary, and inclusion on the National Register of Historic Buildings, on July 10th with the Dixie Diehards Jazz Band playing for patrons and guests, speeches, and a reception on the lawn. The library continues to be the venue for camera clubs, bridge groups, **A Book in the Hand**, monthly programs on local history, the arts and antiques, as well as the home base for Stan Godwin's popular digital photography classes and workshops. We continue to offer a large and varied selection of DVD's and large print books to our patrons. We have seen a continued growth in the use of our facilities and materials this year and we are very proud to be a part of the Dennis Library System and its service to our patrons.

West Dennis Library was both busy and vibrant during 2011. A new director, Jennie Wiley, joined the team and our hours were extended. Programs included book clubs, MahJong, the beading society, yoga, the movie club, West Dennis crime watch, author discussions, and more. The library hosted its first annual Writers' Workshop featuring local authors for a panel discussion, meet and greet, and dinner. The summer program, Reading with the Puppies, was also highly successful, reaching about 100 children. West Dennis Library reached out to the community this year as part of our commitment to our neighbors. We held two blood drives and collected canned food for the local food pantry. In October, we sponsored a Community Health Day with Cape Cod Technical High School Health-Tech students. During this day, patrons had access to free blood pressure, cholesterol, skin cancer, and BMI screenings. The library also held free trainings on computer and internet skills. The library held the Taste of Dennis as a fundraiser in June and received a wonderful response to both that and the donation letters mailed to our members. We are pleased to still be housing the Dennis Historical Society's collection of historical Dennis materials. This is a valued relationship and a resource we are happy to help make available to Dennis. Usage of both materials and computers/wifi increased over the past year; e-book and downloadable music and audio books continue to rise steadily.

Library staff members are assisted by dedicated, talented, and generous volunteers. Village library directors Nancy Symington (Dennis Memorial), Phil Inman (Jacob Sears),

Anne Speyer (South Dennis) and Jennie Wiley (West Dennis) join me in grateful appreciation for their outstanding contributions.

All Dennis libraries received generous donations and gifts.

2011 Gifts (to Dennis Public Library only):

Cash donations	\$6,986.00
Gifts from the Friends of the Dennis Public Library	\$9,421.00

2011 Grants (all libraries share):

Massachusetts State Aid	\$17,753.94
-------------------------	-------------

The Directors, staff, and volunteers of the Dennis Library System thank our patrons for their continued support, and we look forward to serving our community in 2012.

Respectfully submitted,

Jessica A. Langlois
Library Director

LIBRARY BOARD

The Dennis Library Board meets on the second Thursday of each month. Meetings are scheduled at each of the libraries on a rotating basis. During 2011 the Library Board welcomed new members: South Dennis Library representative Ann Aboody and Jacob Sears Memorial Library representative Debbie Machon.

The Board's main focus over the past year was preparing an organizational plan and timeline for completing a five-year long range plan for library services in Dennis. The plan, required by the Massachusetts Board of Library Commissioners, will be developed in 2012 with several opportunities for public input. MBLC representative Mary King will facilitate the public forums and assist the Board with the development of the plan. 2011 was a very productive year for the Dennis Library System in terms of service, circulation and attendance. Highlights of the Library Board's ongoing effort to strengthen and support the Library System included:

- "Read Around Town", a school partnership with Principal Kevin Depin and the students of Ezra Baker Elementary School
- Coordinated monthly themes among the libraries including a multi-media selection of each theme such as travel, gardening and family
- Informational flyers about the libraries for Dennis residents and visitors which were distributed in coordination with the Dennis Chamber of Commerce and beach sticker sales
- A month-long celebration of the 20th year anniversary of CLAMS (Cape Libraries Automated Material Sharing) and its importance to the Dennis Library System

The Dennis Library Board is committed to "provide modern, comprehensive and accessible library and informational services to the residents of the Town of Dennis" as set forth in the Selectmen's charge to the Board.

Respectfully submitted,

Kate Byron, Chairman
Mario Abate, Vice Chairman
Carol Tarala, Secretary
Ann Aboody
Jennifer Ackerman
Nancy Curley

TOWN OFFICES BUILDING COMMITTEE

The Town Hall Annex will be completed in February 2012. During the months of February and March the Information Technology work will be completed as well as the phones.

The DPW will be doing some exterior site work during March and April. The project so far is within budget.

The committee has also selected Jacunski Humes Architects to be the architect for the modifications to the Town Hall, which we hope to bring to Town Meeting in the fall of 2012.

Respectfully submitted,

Gary Barber, Chairperson
Pat Hayes
Frank Ciambriello
Craig Lohr

COMMUNITY SENIOR CENTER FEASIBILITY STUDY COMMITTEE

Our committee was appointed in November 2011.

As of January 2012 we have completed some site reviews. We have toured the existing Senior Center and compiled a list of wants for the Community Building and Senior Center.

The committee requested a RFP for architects to help in the development of the preliminary plans for our needs in this study.

The bids will be received by January 12, 2012 and a selection should be made by the end of January 2012.

The committee has a very busy year ahead.

Respectfully submitted,

Gary Barber, Chairperson

Wilbur Sheldon

CAPE COD COMMISSION

All 15 towns on Cape Cod benefit from **regional** services provided by the Cape Cod Commission annually. For example, the Commission serves as coordinator of regional transportation planning with other agencies and providers. In Fiscal Year 2011, those planning efforts resulted in approximately \$50 million of local and regional transportation projects being scheduled for federal and state funding in the Transportation Improvement Program for Federal Fiscal Years 2011-2014. Another example is the Commission's continuing role as coordinator of the Barnstable County HOME Consortium and administrator of the HOME Program, which received nearly \$750,000 in federal funds in Fiscal Year 2011 to be applied to affordable housing needs throughout the region. The primary purpose of this report, however, is to focus on **Dennis-specific** activities and services provided by the Cape Cod Commission in Fiscal Year 2011.

Planning, Community Development, and Technical Services

- The Commission provided planning, GIS, and technical assistance to the town for its portion of the Regional Land Use Vision Map, which the Cape Cod Commission approved and the Assembly of Delegates adopted as an amendment to the Regional Policy Plan on March 4, 2011.
- The Commission provided technical assistance on the town's Chapter H application for Development of Regional Impact (DRI) threshold relief.
- The Commission assisted the Dennisport Revitalization Committee to create conceptual landscape plans and visualizations for proposed improvements to Dennisport Village Green.
- The HOME Consortium closed on a \$60,000 HOME award to the Housing Assistance Corporation for its two-unit Dennis Homeownership Project that resulted in two first-time homebuyers purchasing deed-restricted affordable homes.
- The Commission conducted 29 automatic traffic-recorder counts on road segments and four turning-movement counts at intersections in Dennis.
- With data collected by staff members aided by an AmeriCorps Cape Cod member, the Commission identified the location of private wells in Dennis to ensure the protection of private water supply wells from herbicide spraying adjacent to NSTAR utility rights-of-way (ROWs).
- The Commission began watershed analysis and mapping for the Massachusetts Estuaries Project for Swan Pond and Bass River.

- The Commission organized forums as part of its "Watershed Tour," to build public awareness and support for watershed-based wastewater planning in these watersheds in Dennis:
 - the Bass River watershed (Dennis, Yarmouth, and Brewster)
 - the Herring River watershed (Dennis, Brewster, and Harwich)

- The watershed initiative emphasizes the regional scope of watershed dynamics and encourages citizens to look past their town's boundaries when considering solutions for wastewater treatment. At the forums, the Commission distributes localized maps and information to better acquaint citizens with their watersheds, and shares data and concepts from the Commission's work to develop a regional wastewater management plan. The ultimate goal of these forums is to work with citizen stakeholders to develop cost-effective and appropriately scaled wastewater solutions to benefit and preserve Cape Cod's environment and economy for the future.

- The Commission conducted the annual Pond and Lake Stewardship (PALS) freshwater ponds sampling snapshot for Bakers, Cedar, Coles, Eagle, Flax, Fresh, Hiram, North Simmons, Run, Scargo, and White's ponds.

Respectfully submitted,

Richard E. Roy
Dennis Representative, Cape Cod Commission

CAPE COD REGIONAL TRANSIT AUTHORITY

The Cape Cod Regional Transit Authority (CCRTA) has provided in Dennis 50,884 one-way passenger trips from July 2010 through June 2011 (FY11).

CCRTA provided 380 general public clients in Dennis with DART (Dial-a-Ride Transportation) service during FY11. These clients took a total of 18,387 one-way passenger trips during this time period. Total DART passenger trips in the fifteen towns of Cape Cod were 168,627 in FY10 compared to 184,344 in FY11.

CCRTA FY10 records for the Boston Hospital Transportation service indicates 33 Dennis residents took 157 one-way trips on this service.

The fixed route Hyannis to Orleans (H2O) serves the towns of Barnstable, Yarmouth, Dennis, Harwich, Chatham and Orleans along the route 28 corridors. A total of 26,961 one-way trips originated in Dennis for the H2O route for the period July 2010 through June 2011; total ridership for the H2O route for this period was 126,965.

CCRTA supplied the Dennis Council on Aging with one Mobility Assistance Program (MAP) vehicle that provided 5,379 rides from July 2010 through June 2011.

Route maps, schedules, fares, Google Transit Trip Planner and the latest news about Cape Cod public transportation services are provided at www.capecodrta.org, as well as links to many other transportation resources.

Respectfully submitted,

Tom Cahir
Administrator

CAPE LIGHT COMPACT

The Cape Light Compact was formed in 1997 following two years of study and votes of town boards of selectmen and town council. It is organized through a formal intergovernmental agreement signed by all 21 member towns and Barnstable and Dukes counties. The purpose of the Cape Light Compact is to advance the interests of consumers in a competitive electric supply market, including the promotion of energy efficiency. Each participating municipality has a representative on the Compact Governing Board, which sets policy and works with staff, technical and legal support to advance the Cape Light Compact programs.

POWER SUPPLY

Throughout 2011, natural gas prices remained low and relatively stable due to an abundant supply of the fuel. Since natural gas is the primary fuel used to generate electricity in New England, energy prices also remained low throughout 2011. After hitting a peak in 2008, the Compact reduced its rates in 2009, 2010, and again in 2011; reducing rates six straight times over this three year time period. In 2012, the current outlook is for supplies of natural gas to remain relatively stable but with a bias in price to the upside. This bias towards higher prices is due to an anticipated increase in demand for natural gas due to forecasts for a harsh winter in the northeast and a higher demand for electricity. Higher natural gas prices typically result in higher electricity prices.

In 2011, the Cape Light Compact provided energy to residents and businesses in accordance with a competitive electricity supply contract negotiated by the Compact with ConEdison *Solutions*. As of December 2011, the Compact had 12,787 electric accounts in the Town of Dennis on its energy supply.

ENERGY EFFICIENCY

From January to November 2011, rebates and other efficiency incentive programs provided to the town by the Compact totaled approximately \$832,239 and brought savings to 909 participants and brought savings of \$425,072. Cumulative annual kilowatt-hours of energy saved for the Town of Dennis from 2003-2011 is 10,637,037 kWh with an annual savings in 2011 of 2,125,360 kWh.

From 2003 through November 2011 programs for Dennis included:

- 6,569 participants in our energy efficiency programs
- \$2,032,389 has been saved by the participants
- Money spent by the Cape Light compact in rebates and incentives totals \$3,252,997
- 437 low-income participants
- 136 ENERGY STAR® qualified new homes
- In calendar year 2011, Fifty-six Dennis small business and municipal accounts took advantage of numerous energy efficiency opportunities available to them. They received incentives of \$135,331.31 and realized energy savings of 314,095 kWh. The municipal accounts include the Dennis Highlands Golf Course, the Dennis DPW, and the new Dennis Town Hall Annex which received incentives as

well as consulting services by the Cape Light Compact's energy efficiency consulting engineer. The Ezra Baker School and Nathaniel Wixon Middle School both earned Energy Star awards for 2011. These awards were presented at the August 2011 Dennis-Yarmouth School Committee Meeting.

Funding for the energy efficiency programs (i.e. energy audits for homes and businesses, rebates on the purchase of energy efficient appliances and energy education in our schools) comes from a monthly customer "energy conservation" charge (\$0.0025 cents multiplied by the number of kilowatt hours used during the month) that appears on each customer's electric bill.

Other Cape Light Compact efforts include:

- As part of the Solarize Our Schools program, the solar array at the Wixon Middle School has generated a total of 10,882 kWh of electricity since its installation in December, 2006 and avoided over 18,782 lbs. of CO₂ from entering the atmosphere.

Respectfully Submitted,

Brad Crowell
Dennis Representative

ALTERNATIVE ENERGY ADVISORY COMMITTEE

Alternative Energy projects include the following:

Solar:

- 3MW to 6MW Photovoltaic array on Town of Dennis landfill cap awarded to American Capital Energy at Special Town Meeting held on November 15, 2011. Anticipated installation completion and operational end of 2012. This will reduce the electrical expense for municipal purposes as well as the Water District and School District. The approximate savings over the 20year lease will be approximately 18 million dollars to the above mentioned entities.
- Approximately a 1.5MW Photovoltaic project for DY School District is currently being negotiated with Cape & Vineyard Electric Cooperative, Inc. (CVEC). The award is anticipated for the spring of 2012. This project includes installation of roof mount systems on DY High School, Ezra Baker and Wixon Middle School.

Wind:

- This committee supported both the Dennis Water District as well as the Town of Brewster wind projects. Unfortunately these projects have not gained the popular support that the solar projects have gained and these projects have been indefinitely postponed.
- Sonic Detection and Ranging (SODAR) equipment, MA Technology Collaborative, "Renewable Energy Trust" grant, collected wind data to study viability of placing a wind turbine at the transfer station site, completed assessment February 3, 2011. This information will be used in the event of future consideration for placement of wind technology for this location.
- Wind power turbine proposed for Aqua Cultural Research Center, approved by local Old King's Highway Historic District Committee, but rejected by OKHHD Commission, pending litigation. This case to be heard in 2012.

Conservation:

- The Town of Dennis currently investigating possibility of replacing existing street lights with light-emitting diode (LED) lamps. This could save the Town of Dennis Approximately 50% on electricity usage. Currently awaiting possible grant opportunities from Cape Light Compact anticipated for spring 2012.

Respectfully submitted:

Denise Atwood (chair), John Benker, Judith Boyle, Jim Demetras, Raymond Hall, Richard Halvorsen, Merton Ingham, Susan Klein, Mike Slattery

COMPREHENSIVE WASTEWATER MANAGEMENT PLAN (CWMP) TASK FORCE

The responsibility of the CWMP Task force is to provide guidance to the Board of Selectman allowing completion of a CWMP defining wastewater needs for the town of Dennis. The CWMP is a five-phase plan of study submitted to the Massachusetts Department of Environmental Protection (MassDEP) in January 2005. Phase 1, Needs Assessment, was completed in January 2006. Phase 2 is the Massachusetts Estuaries Project tasked to define nitrogen limits in Dennis estuaries as follows: Bass River (completed), Swan Pond/Swan River (report submitted to MassDEP; release expected spring 2012), Sesuit Creek and Harbor (Spring 2013) and Bass Hole (TBD). Subsequent CWMP phases involve screening various wastewater solutions and ultimately recommendation of an overall wastewater cleanup approach

The major activity for the task force in 2011 was reviewing and understanding the Bass River data. These data were the first quantitative results illustrating the severe degradation of the water quality at the north end of the river. We recently received more definitive data that divided the nitrogen contributions between Dennis and Yarmouth. These data will aid each town in defining their respective responsibilities. Future efforts, involving various party inputs and public presentations will lead to a US Environmental Protection Agency (USEPA) definition of a Total Maximum Daily Load (TMDL) value for nitrogen input to the estuaries. The TMDL will drive the ultimate wastewater cleanup system design.

Ideally, definition of an ultimate wastewater system for Dennis would await definition of TMDL's for all estuaries. However, this would delay any meaningful effort far into the future. Thus we plan to proceed with the Bass River data, mindful of the need for flexibility to accommodate needs of the remaining estuaries.

Other relevant activities that occurred in 2011 were:

A "peer review" of the science behind the Massachusetts Estuaries Project was conducted by a national group of experts selected by county officials. Their findings were favorable; they recommended that the various towns proceed with confidence using MEP data.

Two environment groups initiated litigation against USEPA claiming it had failed to approve and oversee a Cape Cod water quality plan. A court filing at year end reported that the parties failed to settle, but are hopeful for a settlement with a 45 day extension. The impact of this litigation to Dennis is unknown.

The task force is well aware of the difficulty in proposing a so called "big pipe" centralized sewer system to meet waste water needs, Voters in other communities have robustly defeated such plans, citing the cost as being unaffordable. We continue to seek lower cost solutions.

Most estuaries on Cape Cod encompass multiple towns. This suggests consideration of regional solutions for water cleanup. There may also be economies of

scale realized by combining wastewater resources. We have commenced discussions with adjacent towns and will continue to do so.

Our efforts for the year 2012 will continue to focus on the Bass River data and also Swan River as data becomes available. We will continue to seek alternative wastewater solutions. We will recommend funding in two areas:

1. Continued water quality sampling
2. Consultant assistance to help us better understand results and move forward with more definitive wastewater solutions.

Respectfully submitted,

Tom Juros
Chairman

WATER QUALITY ADVISORY COMMITTEE

The Water Quality Advisory Committee (DEN-WQAC) is concerned with fresh and salt water quality in Dennis. It conducts such studies and investigations necessary to advice, make recommendations and endorsements to other Town boards, committees, and commissions, as well as Barnstable County and the Cape Cod Commission (CCC). It receives support from the Department of Natural Resources.

DEN-WQAC continued water quality monitoring following the recommendations in the Report prepared under the leadership of Ed Eichner, Coastal Systems Program, School for Marine Science and Technology (CSP/SMAST), University of Massachusetts Dartmouth.¹ Ten fresh water ponds were tested to document water quality conditions in April, to establish pre-summer water quality conditions for the year, and once in August/September, to evaluate the likely worst water quality conditions. Bakers, Cedar, Coles, Eagle, Flax, Fresh, North Simmons, Run, Scargo and White's were tested using the Cape Cod Pond and Lake Stewards (PALS) Snapshot sampling procedures.

From the reviews in the Report of the six ponds with detailed evaluations, Bakers, Cedar, Coles, Eagle, Flax, and Scargo, results were submitted to the Massachusetts Department of Environmental Protection (MassDEP) for inclusion on the state's Integrated List of the Waters. As of this time, these results have not been included by MassDEP.

In order to understand the sources of phosphorus in Scargo and develop a water quality management plan, a Professional Services Agreement between CSP/SMAST and the Town of Dennis Department of Natural Resources (DNR) was signed with the following tasks:

1. Collection and incubation of Scargo sediment cores by SMAST
 2. Storm water survey of Scargo nutrient inputs by CSP/SMAST and DEN-WQAC
 3. Bird population surveys of Scargo, and beginning in the fall, of Cedar and Eagle by DEN-WQAC
 4. Bathymetry and Mussel Distribution survey by CSP/SMAST
- Results are expected to be compiled in early 2012. DEN-WQAC thanked Robert McNeil for his dedicated service and welcomed the appointment of Suzanne Brock.

INSURANCE ADVISORY COMMITTEE

The Insurance Advisory Committee was appointed in 2008 and consists of one representative from each employee bargaining unit and a retiree from the Town.

On July 12, 2011, Governor Deval Patrick signed into effect Municipal Health Care Reform legislation that should provide significant savings to cities and towns, while preserving a meaningful role for organized labor in the process.

In Massachusetts, municipal health insurance benefits are negotiated separately in every city and town, while state employees' benefits are in the Group Insurance Commission (GIC).

The Town of Dennis is currently a member of a Joint Purchase Group, the Cape Cod Municipal Health Group. Joint Purchase Groups now have the authority to make plan design changes to the level of the GIC's "Benchmark Plan"; however, the participating governmental units are then required to follow the process of Ch. 32B, Section 21 to adopt these new plan design changes.

The IAC is currently waiting to hear from the Town on what the estimated savings may be (employer plus employee reduction in expenses are considered).

Also, Section 18A, has been replaced with a new Section 18A which is mandatory. All governmental units are now required to transfer Medicare eligible retirees and their dependents out of "active" plans and into Medicare supplemental plans or Medicare Advantage plans.

We look forward to working with the Board and the Town Administration with this challenging task and with further charges assigned.

Elbert Ulshoeffer, Retiree
IBPO Sergeants, Vacant
MLDC, Vacant

HUMAN SERVICES ADVISORY COMMITTEE

In Fiscal Year 2011 the Town, through the Human Services Advisory committee, awarded \$41,650 to area human service agencies--a 2% increase over the previous year. The additional funding was granted to agencies that provided food and basic human needs during this period of economic distress. Thirteen agencies applied for and received funding, including:

CapeAbilities, Inc.	\$4,300
Cape Cod Child Development	5,000
Consumer Assistance Council	550
Elder Services	5,000
Gosnold on Cape Cod	2,500
Independence House	4,000
Sight Loss Services	3,000
Legal Services	2,600
Family Pantry	4,000
Salvation Army	2,500
AIDS Support Group of Cape Cod	2,500
Big Brothers/Big Sisters	2,000
Hands of Hope Outreach Center	<u>3,700</u>
TOTAL	\$41,650

The Committee evaluates each application on the basis of need and perceived benefit to the residents of the Town. Applicants are asked to quantify these benefits in their proposals and the information provided is evaluated against the previous year's service. The committee also reviews data about the services provided by agencies and attempts to insure that the services available to the Town meet the needs of our residents. We also speak with representatives from the agencies we fund to receive information updates on their services and to better inform our budget deliberations.

The Committee appreciates the support of the Town administrative officials who assist in the mailings, printing and dissemination of proposal information.

Respectfully Submitted,

Raymond Tamasi, Chairman

VETERANS SERVICES

To the Honorable Board of Selectmen and the Citizens of the Town of Dennis

The following report is of the activities of the Department of Veterans' Services for the Town of Dennis for Calendar Year 2011.

The Department of Veterans Services has continued to experience growth in volume due to the returning Iraq/Afghanistan wars, the difficult economic climate and the changing needs of our WWII, Korean, Vietnam and Gulf War veterans.

One of our two primary functions is to administer low-income benefits under Massachusetts General Law Chapter 115 for veterans who are honorably-discharged, who establish need and worthiness and are residents of the Town of Dennis. During the year, the Town of Dennis, through our office, provided local aid to qualified veterans totaling more than \$120,000 for housing, food, heat, medical and other related costs. The amount expended was reimbursed to the Town by the Commonwealth at a rate of 75% of total expenditures.

We also provide services to veterans in obtaining the full range of federal government (Veterans Administration), state government and local government benefits. Over the past year this office obtained more than \$2.7 million in VA cash benefits for service-connected injuries and VA non-service-connected pensions for Dennis veterans and widows/widowers. These federal funds greatly reduce the demand on our local aid fund.

We encourage any veteran or dependent of a veteran to contact us at 1-888-778-8701 Monday through Friday from 8:30 AM to 4:30 PM. We can also schedule appointments in one of our offices, at your home or any location that is best for you.

We extend our thanks to the Board of Selectmen, the Town Administrator and Town Accountant for their outstanding support throughout the year.

In Service to Veterans,

Edward F. Merigan
Director/Veterans Agent

CARETAKERS OF VETERANS GRAVES

The Caretakers of Veterans' Graves continues to be proud of the condition of our cemeteries and the veterans' flags that fly there not just before Memorial Day but throughout the year.

Our 12 members continued to adhere to their basic duties as in the past to:

1. Make every effort to see that any veteran's grave has an appropriate marker and new American flag before Memorial Day.
2. Oversee the condition of flags and markers during the course of the year, including especially Veterans Day, in all 6 active and 4 inactive Dennis cemeteries where veterans are known to be buried. Individual committee members are each assigned a particular cemetery to keep properly flagged and see that markers are functional and in place. The wind storms and ravages of winter caused members to continually replace and/or repair if possible damaged flags.

The help of several local organizations was necessary to enable the committee members to fulfill their obligations, particularly before last Memorial Day. A total of 1,225 American flags were erected besides every known Dennis veteran's grave.

In particular, our thanks are extended to:

1. AMVETS post 333
2. VFW post 10274
3. American Legion Post 488
4. Boy Scouts of America *
5. Girl Scouts of America *

* (Participating scouts each received a certificate of recognition ,signed by Chairmen Harry Watling and Carl Copp, at the end of the Memorial Day flag postings.)

All of these groups also participated in the annual flag retirement ceremony at Merrill Park and invited the public to turn in worn flags to the AMVET flag boxes located in Dennis Town Hall, Fire stations 1 and 2, the police station, and in nearby town places and nearby communities for proper burning.

We are especially indebted to the Department of Public Works, with the support of David Johansen, Greg Rounseville, Jeff Atterstrom, Mary Keener and Michelle Sands for promptly and cheerfully filling our requests for the flags and markers as needed.

During the past year we were sorrowed to observe the passing of long-time friend and faithful committee member, Dick Swanson.

New additions included Richard Sayers, Vincent Fontaine and Michael Mahoney who together brought the total of active committee members to 12, the highest in some years.

Respectfully submitted:

CALEB CHASE & JONATHAN MATTHEWS TRUST FUND

This was a bittersweet year for the trustees. Bitter because we lost some old friends who had been on the list for years, also, that donations through the tax bills were less than last year. A sweet touch was that one of our long time recipients who passed away wanted her trusty old car sold with the proceeds donated to the Caleb Chase Fund which she had relied on for so many years.

The recipient list lost three people but gained seven new ones for a total of thirty-four. The drop in revenue from the tax bills and the addition of four names meant the gift to each person this year was \$100.00, \$50.00 down from last year's best ever gift.

The Town of Dennis sends out over 17,000 tax bills. If every taxpayer would send in \$1.00 with their tax bill we could give a meaningful gift to our elderly needy and have money left over to improve the principle, which is \$13,000, and generates almost no interest in the current financial climate.

Late in the year our Selectmen voted to accept the Nathaniel Myrick Trust Fund of \$10,000 which served the same purpose for 119 years but was no longer able to provide help for anyone. It will be added to the Caleb Chase & Jonathan Matthews Trust and will become part of the principle.

As always, the trustees are grateful to all who contributed to help their needy neighbors.

It is true—"A small gift can go a long way."

Respectfully submitted,

Phyllis Horton, Chair
Nancy Thacher Reid
Richardson Reid

THE HENRY C. BOLES CITIZENSHIP AWARD COMMITTEE

The Henry C. Boles Achievement Award Committee was named in honor of the late Selectman Henry C. Boles, who served from 1973 to 1977. Mr. Boles' leadership and extensive personal contribution to town programs were largely responsible for Dennis winning recognition in 1978 as an All-American Town. Mr. Boles set a high standard of excellence for citizen participation in town government. He died in 1979. Henry's wife, Myrtle Boles, died in 2009 in Florida at the age of 92. Myrtle was a life member of this committee for many years.

The Committee honors the memory of Henry Boles by encouraging our younger residents to exhibit examples of citizenship and community involvement. We unanimously decided to award a \$100 US Savings Bond to a third grade boy and girl graduating from the Ezra Baker Elementary School and one eighth grade young man and woman graduating from the Nathaniel Wixon Middle School.

At the Annual Town Meeting on Tuesday, May 3, 2011, Mrs. Julia Johnson presented certificates and \$100 US Savings Bonds to the recipients:

Miss Jenna Beebe and Mr. David Malone, students at the Ezra Baker School. Both Jenna and David have demonstrated excellent examples of citizenship, cooperation, diligence, kindness, and friendship as witnessed by their classmates and teachers. They exhibit good sportsmanship and respect for adults and fellow students. They are leaders among their peers.

Miss Tess Ciarcia and Mr. Thomas Coute, students at the Wixon Middle School. Both Tess and Thomas demonstrate outstanding citizenship and leadership. They are greatly admired by their peers. They respect the differences of others and always offer a helping hand. Tess and Tom work hard to achieve academic success. They enjoy challenge and face it with strength and perseverance. Each of these award winners is involved in more than one sport, and they encourage, motivate and lead their fellow teammates on and off the field. Tom and Tess also participate in their churches' youth groups. They exemplify what it means to be a good citizen and leader.

All of this year's recipients are a credit to their families, their schools, and our community. We are proud to recognize them.

Respectfully submitted,

Jeanne Carrick, Chairperson; Connie Bechard, Julia Johnson, Susan Klein, and Eleanor Slade

DONALD TREPTE SCHOLARSHIP COMMITTEE

We, the Donald Trepte Scholarship Committee are happy to report on the past year's activity. Our mandate from the Board of Selectmen is to recognize and honor an outstanding student from Dennis with an annual scholarship. With this award, we, at the same time, honor the ideals and memory of our former selectmen Donald Trepte.

Our recipients each have received a one year scholarship in the amount of Five Hundred Dollars. Samantha Walker, Dennis Yarmouth High School – 2008, Patrick Julian, Dennis Yarmouth High School – 2009, Nicholas DiFrancesco, Cape Cod Regional Technical High School – 2010, and Hannah Bowie, Dennis Yarmouth High School – 2011 are the four students, to date, that have been selected by our committee for the award.

Fundraising continues largely by solicitation in the form of a letter sent out each fall. Residents of Dennis and the area as well as previous contributors are included in our mailing. We have also received donations in the form of memorials. The committee is always happy to receive any contributions to our fund. At this time we have over Twenty Three Thousand Dollars in the fund. Interest alone can be used for the awards. This year we went before the Special Town Meeting in November to request a transfer of Two Thousand Dollars from the non-expendable to the expendable to be used for awards.

We thank the Board of Selectmen as well as the residents of the Town of Dennis for their continued support.

Respectfully submitted,
Donald Trepte Scholarship Committee

Elaine Zaiatz – Co-Chair
Julia Johnson
Eleanor Brennan
Agnes Chatelain

MEMORIAL DAY COMMITTEE

The Town of Dennis celebrated Memorial Day under sunny skies with a parade and speakers' program in honor of our country's deceased servicemen and women. This event has grown in size each year and shows the appreciation of our citizens for the sacrifice of the town's sons and daughters.

It was a distinct honor to have SFC Walter VonHone, USA (retired), as Parade Marshall. It was through Walter's efforts more than twenty years ago that Dennis first celebrated Memorial Day with a parade. He has been the chairman of this committee ever since and only recently has stepped down from that position but still serves as an active member. We thank Walter for his example.

Our speaker was Peter McDowell, USA, local businessman and active participant in Dennis community affairs. Peter gave a speech that honored the dead while giving a local touch to his remarks; our parade chaplain was Reverend David Johnson of East Dennis Free Evangelical Church. The Wixon Middle School Band provided the music for the event and the bagpipes were played by LTC Charles Copp, USMC (retired) and Peter Henny, Durham Fire Department. As he has done for years, Walter VonHone read the names of Dennis servicemen who died in 2011.

The committee thanks the Dennis Police, Fire, and Public Works Departments for their help and participation, all the parade marchers, and the citizens of the town who make this event an annual success.

Respectfully submitted,

Frank Verny
Chairman

ARTS AND CULTURE COUNCIL

Another productive year for DACC brought programs and performances to the town and students of the Dennis-Yarmouth Regional School System. We distributed over \$4000 from both the MA Cultural Council and funds we raised through a Fall for the Arts Art Raffle. We are working hard at building relationships with local businesses and acquiring funding in addition to the MCC grant.

The fourth Fall for the Arts festival in October saw DACC sponsor a concert of the local band Tripping Lilly at the Dennis Union Church. The concert was enjoyed by a sold out audience of all ages. Thanks to member Pat Chase and her team.

DACC hosted another photography contest, with \$50 prizes awarded in the youth and adult categories. The event was held at the Dennisport Public Library on Hall Street in Dennisport, with the reception catered by donation from Buckie's in Dennisport. In 2012 the annual photographic contest will be held in May at the Dennisport Public Library.

A PASS grant allowed Dennis-Yarmouth students to attend the Museum of Fine Arts in Boston, with additional Big Yellow Bus funds going toward transportation. We encourage local teachers to further explore these funding options.

To further engage town of Dennis residents we have a newly updated website at www.dennisculture.wordpress.com and have also expanded our presence on facebook as Dennis Arts and Culture Council. Council member Robert Foster maintains both sites with input from council members and the general public.

This upcoming year we will be working on getting Cultural Districts in Dennis with the help of the Massachusetts Cultural Council, our selectman Heidi Schadt, and many of the Dennis Business located in the Cultural Districts.

Respectfully submitted,

Rebecca Gallerizzo, Chair

Sandy Wilkins

COMMUNITY PRESERVATION COMMITTEE

Under the Community Preservation Act, funding is derived from both Town and State sources. Appropriations, made only by Town Meeting, provide grants exclusively for open space and recreation, historic preservation and community housing.

The 2011 Annual Town Meeting approved a committee budget of \$1,244,109 including a State contribution estimated at \$236,335. (The State grant, when received, was actually \$297,467).

This year there were nine applications requesting a total of \$1,574,000. After our usual lengthy evaluation process, the committee recommended, and the November Special Town Meeting approved, four projects totally \$687,000, as follows:

Community Housing

\$470,000 to the Housing Assistance Corporation as the Town's share for 27 units of affordable rental housing to be constructed on a portion of the Town property at Melpet Farm.

Open Space

\$148,000 to the Town of Dennis to purchase for municipal park purposes a parcel of land at 683 Route 28, Dennisport, commonly called the "Pocket Park".

Historic Preservation

\$32,000 to the Dennis Historical Society, Inc., for further digital archiving of historical documents and artifacts.

\$35,000 to the Town of Dennis for the restoration and preservation of the historic Obed Baxter fence in the South Dennis Congregational Church Cemetery.

The Committee meets generally on the second Thursday (and occasionally on the fourth Wednesday) of each month at 6:30 P. M. in Town Hall. Approved meeting minutes and changes in meeting schedule can be found at our website:

www.town.dennis.ma.us.

Below are listed the committee members with their appointing committees shown in parenthesis.

Respectfully submitted,

Henry Kelley, II, Chairman (Selectmen)
Burton Derick, Vice Chairman (Historical Commission)
Sheryl McMahon, Secretary (Selectmen as Park Commissioners)
Dorria DiManno (Planning Board)
Frank Verny (Conservation Commission)
Juan Donlin (Housing Authority)
Frank Dahlstrom (Selectmen)

HISTORICAL COMMISSION

In March 2011, our chairwoman, Nancy Thacher Reid, elected to step down from that position after 36 years on the Commission, with 26 years as chair. This is the longest record of service by a woman on a town committee, superceded in tenure in town service by only 5 other men in the entire town's history. She remains a member of the Commission to advise and mentor the newer members.

Three demolitions were referred to the Commission during 2011. Two were deemed of little or no historic significance and demolitions were permitted to go forward without invoking the Demolition Delay Bylaw. The third, a barn of 1812 vintage, had so badly deteriorated by neglect that it could not be saved; however, the property owner intends to fully replicate the barn with a new one which helps mitigate the loss. The Commission continues to work on a bylaw to address "Demolition by Neglect," working with the Building and Health Departments of the town, with the goal of bringing this before the citizens in 2012.

Other projects and accomplishments by the Commission during 2011 were:

- A bronze historical marker was erected in South Dennis commemorating Keziah's Mill.
- A historical marker is being considered for Hokum Rock.
- A "Gazetteer of Dennis Names and Places" is well on the way toward completion. The goal is to produce a booklet, fully illustrated, showing and describing places that have had obscure names from the past, and explaining the history of the names and places in the town. We intend to seek grants, and the assistance of the Dennis Historical Society to get the booklet published.
- A catalog of all the "Monuments and Memorials" in the Town of Dennis, both public and private (e.g., libraries and churches) is continuing to be compiled. The goal is to place copies in all of the town's libraries and in the Office of the Town Clerk.
- An up-to-date detailed inventory of historic records in the town vaults is being made by the Commission. Records in need of preservation and restoration are being singled out, and we intend to apply for funding for that work through the Community Preservation Act.

We urge interested parties to enter a green card for participation in the Dennis Historical Commission.

Respectfully submitted,

Burton N. Derick, chair
Phyllis Robbins Horton
Joshua Crowell
Sarah Kruger
Diane Rochelle
Lynne Horton

OLD KING'S HIGHWAY REGIONAL DISTRICT COMMITTEE

The number of applications submitted for approval increased slightly by 2.5% from 2010 to 538. Application approval rates increased to 99.1%. Applicants continue to benefit from the streamlined process as the number of exemptions and amendments accounted for 45% of the applications. Three (3) applications were submitted for alternative energy proposals.

During the past year, the Committee conducted two Renewable Energy Workshops to further the objectives of the Act which encourages the consideration of Alternative Energy Resources. The workshops were so well received that more are scheduled for 2012.

Total Applications Received:	538
Type of Applications:	
New Houses	23
Additions	38
Alterations	109
Commercial Buildings	1
Sheds	24
Signs	13
Fence	10
Exemptions	202
Exemptions - Solar Arrays	3
Letter Amendments	38
Demolitions	21
Tree Hearings	2

 William Bohlin
 Robert Waldo, Alternate

Frank Ciambriello
 Gary Barber

SOUTH DENNIS HISTORIC DISTRICT COMMISSION

During 2011, the South Dennis Historic District Commission met twelve times to address a total of 25 applications for certificates of appropriateness for projects within the district. Of these, 21 were approved (some with conditions), one was denied, two were withdrawn, and one continued until February 2012. The single denial, for a certificate of appropriateness applied for long after the work had been completed, has been appealed by the applicant to the Superior Court.

Several complaints were addressed; most of a minor nature and all have been resolved successfully except one.

Damaged and unrepaired/replaced utility poles continue to grace the byways throughout the town, not only in the SDHD. We have been powerless to effect a change. Three out of 12 examples in the district were repaired by the utility companies after complaint was made through our representative to the General Court, but since then others have appeared. This is a state-wide problem, and legislators have been unable to find a way to solve the problem.

The Commission held a workshop to review the guidelines for projects in the district. Some changes were made.

The best policy of getting certificates of appropriateness through the system continues to be the process of informal review before the applications are entered. We strongly urge builders and home-owners to bring their project before our commission on an informal basis prior to formal application. If this procedure is followed, nearly all applications find the hearing is only a formality, and projects are easily approved, with all parties avoiding unpleasant surprises.

The Commission would like to urge interested citizens to enter a green card for membership on the SCHDC.

Our thanks to Mr. Brian Florence, Building Commissioner, and to Ms. LeeAnn Marcotte, Historic Office, for their guidance and tremendous support during the previous year.

Respectfully submitted,

Burton N. Derick, Chair
Gary Barber
Rebecca Gallerizzo
Russ Hamlyn
Patrick Egan

DENNIS PORT REVITALIZATION COMMITTEE

The Committee continues to charge forward with recommendations from the 2009 Revitalization Charrette. The following briefly states the Committee's activities in 2011:

- Successfully obtained a Community Preservation Open Space Grant for purchase of the village center pocket park, which is currently maintained by Dennis Port merchants and other interested citizens and volunteers.
- Worked with the Cape Cod Commission to create a concept plan for the Dennis Port Village Green and Mike Stacy Playground
- Commissioned a mural and obtained initial grants, including a grant from the Dennis Arts and Culture Council, a local agency which is supported by the Massachusetts Cultural Council, a state agency, to fund the painting of a mural of a Dennis Port schooner (to be painted Summer 2012, pending additional funding)
- "Revitalized" the Committee's website www.dennisportrevitalization.org, making it a resource for news about the village and a method to promote village commerce and civic participation
- Welcomed Buckie's Biscotti and Medical Alarms to the village center.
- Supported activities of the Dennis Port merchants and the Southside Civic Association
- Advocated with MassHighway for detour signage to lessen the impact of bridge replacements on Upper County Road and Route 28
- Awarded an Anchor Award by the Dennis Chamber of Commerce for the Committee's contributions to the local business community
- Added new member Don Robitaille and said thank you and best wishes to Tony Noto for his service.

The Committee gratefully acknowledges the members of the South Side Civic Association and Merchants of Dennis Port for their contributions toward building our community and progress made in revitalization.

We continue to seek additional volunteers to participate in ongoing or new revitalization efforts. For more information, please email us at dennisportrevitalization@gmail.com.

Respectfully submitted,

Carlyn Carey and Thomas Huettner, Co-Chairs
Carolyn Bigelow, Hank Bowen, Fritz Lauenstein, Don Robitaille

ECONOMIC DEVELOPMENT COMMITTEE

The Economic Development Committee had a slower year in 2011 than in recent years. The following provides key highlights of these efforts:

The Committee continues to work with the Planning Board and Cape Cod Commission on Dennisport Village Center. Dennisport Village Center was mapped as an Economic Center on the Land Use Vision Map and is in the process of being forwarded to the Cape Cod Commission for regulatory relief. In addition, the Committee is working with the Dennisport Revitalization Committee and Attorney/Professor Peter Freeman on a potential Chapter 40R designation for the Village Center.

In addition the EDC has met with the Massachusetts Office of Business Development and the Open Cape Project over the past year to learn about initiatives which could benefit economic growth in the Town of Dennis.

The EDC would also like to thank the Zoning By-law Study Committee, Planning Board and Town Planner Daniel Fortier and Eileen Gregory for their assistance to the Committee.

Respectfully Submitted,

Greg Stone, Chairperson
Robert David
Bradley Boyd
Betty Nashawaty

David Kaplan
Paula Bacon
Judy Demarco

JOSIAH DENNIS MANSE COMMITTEE

2011 was a very busy and successful year for the Manse. After extensive repairs and preservation were completed all furnishings and artifacts were returned by Eldredge and Bourne Company. We were very grateful for the care they had taken in removing, storing and returning everything. Our thanks also go to Ed Mason who had repaired and stored several chairs for us.

A grand opening ceremony was held on June 25 with Northeast Artillery Company Yarmouth Minutemen firing their cannon and muskets, Dennis Fire Department Color Guard, Dennis/Yarmouth Regional High School band, speeches by Selectman Paul McCormick, Peter Howes, Chairman of the Manse Restoration Committee, Senator Daniel Wolf and Representative Cleon Turner who presented a proclamation from the State House of Representatives. Food was donated by many local restaurants and by our Manse bakers. Postmistresses from Dennis and South Dennis stamped programs, etc. with a commemorative USPS pictorial postmark and Dennis artist Howard Bonington, who had drawn a picture of the Manse for the stamp, autographed them. Costumed docents guided about 475 delighted visitors through the Manse.

Summer and early fall, Colonial open house and The Village Garden Club of Dennis Flower show, school programs for Trinity Christian Academy of Hyannis and Holy Trinity School of Harwich and several group tours as well as our Christmas open house brought a total of visitors for the year to 2371 from 30 states and 5 foreign countries with 3490 volunteer hours recorded.

Respectfully submitted,

Nancy Howes
Manse Committee Chair

JERICHO HISTORICAL CENTER

Jericho Historical Center was established as a historical center in the early 1960's. The center which is comprised of an 1801 full cape home built by Captain Theophilus Baker and occupied by Baker family members from 1801 to 1955. During the year 2011, the museum was open on Sunday afternoons from June through August for tours of the house and barn, or by appointment and for special programs throughout the year. We were pleased to give private tours to the Baker and Kelley families during their family reunions on Cape.

The museum has a large collection of artifacts of the period. Visitors were from various parts of the United States, Canada and Europe.

In June, we welcomed the third grade students from the Ezra Baker School. A Victorian tea party was our opening reception in June. A display of antique purses and handkerchiefs were displayed throughout the house and barn and was well received by our many visitors.

In August during Festival Days, Jericho was open on Sunday for old fashioned fun day. On Sunday, October 2nd, Jericho participated in Dennis' Fall for the Arts events. On December 4th, a Teddy Bear Tea party was well attended by young and old. The house was decorated for the season.

Jericho could not operate without the Friends of Jericho. This is a very dedicated and loyal group of individuals who volunteer their time and expertise to our museum and the Committee wishes to thank them for their dedication to our Center. There is always a need for individuals to join the Friends of Jericho. If you are interested, please contact one of the committee member listed below.

Again as in years past, the committee wishes to express our thanks and gratitude to Mr. Johansen and his staff for their help in maintaining the buildings and grounds.

Respectfully submitted,

Ruth Derick
Margaret Eastman
Marsha Finley
Francis Lundgren
Joan Martin

1867 WEST DENIS GRADED SCHOOL HOUSE OVERSIGHT COMMITTEE

Acting as an advisory committee, we are charged with making recommendations to the Dennis Board of Selectmen for the maintenance and administration of the School House for the purpose of preserving its architectural and historic integrity. We also recommend and conduct educational programs for the town's citizens and others to help them understand the role of the Graded School in the daily lives of the 19th and 20th centuries.

Again this year, as in the past several years, we are strongly and urgently recommending the repainting of the building. The exterior conditions continue to degrade.

We hosted four classes of second grade students from Ezra Baker School in December. We received a packet of individual thank-you notes from Room 104. The notes thoughtfully recalled the students' favorite parts of their experience.

This year, we will have exhibits on Dennis residents' participation in the Civil War as well as commemorations of the War of 1812.

We thank the West Dennis Garden Club for creating and maintaining a beautiful perennial garden on the grounds.

The committee thanks the Building Maintenance department and especially, Greg Rounseville for the continued fine service and care of this valuable and unique historic landmark.

We are grateful for the continued loyal involvement of our committee members and invite other interested parties to join. If you are interested in participating, please submit a green card.

ROAD SAFETY TASK FORCE

Regularly scheduled meetings are held monthly on the third Thursday at 6p.m. in the Conference Room of the D.P.W. Building, as posted in the Town Hall.

The committee is charged by the Selectmen to investigate vehicular and pedestrian safety issues on town roads. We make recommendations to town officials for possible infrastructure improvements, personnel needs, or operational components such as sidewalks, traffic lights/signs, speed zones, etc. that enhance the safety of motorists and pedestrians. Our committee consists of 5 volunteer members and 2 staff liaisons (town engineer and police representative).

The Master Sidewalk Plan, promulgated by the committee in 2009, is now in its third year and is showing significant progress. A recent summary of all work in the past two years shows a total of 4.1 miles of either repaved, repaired or newly constructed sidewalks have been completed. This is much needed improvement and credit must go to the town engineer and D.P.W departments.

During the year the committee heard and addressed the concerns of many residents and neighborhood groups regarding safety issues. Much effort was made in the Sesuit Neck road area to help mitigate speed, sight and parking concerns raised by the Owners Association. Mayflower Beach residents sought our aid in addressing the over-crowded parking and traffic situation during the busy Summer months. Sidewalk modifications around the old Christie's gas station are being monitored to ensure adherence to town approvals. A sub-committee of residents from the village of Dennis is being formed to study and present recommendations that will address solutions to the parking and safety issues in the village and determine the direction for the next five to ten years. Members of the task force are meeting with Town and State officials and our engineering firm adviser to further our efforts to study and finance an upgrade to the Rte. 28 corridor from border to border.

The public is reminded and urged to report any safety concerns they may have to the Road Safety Task Force for their study and recommendations. We are here to help.

CAPE COD REGIONAL TECHNICAL HIGH SCHOOL DISTRICT

Cape Cod Regional Technical High School was established in 1973 as a public technical high school and provides an opportunity to acquire high quality technical, academic and social skills preparing students for success in our changing world. For our school year 2010-2011, we had 693 students enrolled in 17 different technical programs from our sending school district that comprises 12 towns from Mashpee to Provincetown with an operating budget of \$12,463,448.

Cape Cod Tech:

- Graduated 141 seniors in June 2011.
- Developed a 5-year Strategic Plan with three major goals: (1) increase student achievement including college and career readiness; (2) Build the Professional Skills of Cape Cod Tech staff to provide effective leadership, instruction, and support services that foster student success; and (3) improving public and community relations.
- Began a self-study to prepare for the New England Association of Schools and Colleges site visit next year, 2012.
- Started phasing out our Hotel, Restaurant, and Business Management program due to a lack of student interest and enrollment.
- Adopted a school-wide bullying policy.
- Adopted Department of Elementary and Secondary Schools common core standards and Race to the Top initiatives.
- Two of our Science Teachers received the Massachusetts Secretary's Award for Excellence in Energy and Environmental Sciences.
- Introduced Career Cruising computer program as one tool used to guide students into a career.
- Sent 8 medal winning students to the State SkillsUSA competition and after the March FFA State Convention, 5 of our students will be headed off to Indianapolis, Indiana in October, 2011.
- Hosted the Lower Cape Chamber of Commerce Home and Garden Show on 4/9/11 with our Carpentry and Horticulture Shops participating and showcasing our Renewable Energy Center.
- Completed the following capital improvements to the school:
 - New front staircase deemed necessary by the Harwich Building Inspector;
 - Started repaving of East End Entrance due to tripping hazards;
 - Applied for funds through the Massachusetts School Building Association to start process of boiler replacement.
- Harwich Water Department honored two Cape Cod Tech students for their senior project in installing a "green" bathroom in our school.
- Extended community outreach through public relations specialist.
- Researched expanding our Science offerings to include a Physics, Technology and Engineering program to start in September of 2011.

- Due to changes in the Meeting Posting laws, our meetings are now posted to our website.
- Many of our teachers and students in the Construction shop area worked on the International Hostel recently dedicated in Hyannis.
- Our Horticulture students designed and planted landscaping at the Dennis Senior Center.
- Please visit our website: www.capetech.us for more information.

DENNIS-YARMOUTH REGIONAL SCHOOL DISTRICT COMMITTEE

The Dennis-Yarmouth Regional School District’s official mission is to empower each student to achieve excellence with integrity in a changing world.

Achievements

We continue to make progress in elevating student academic enrichment with the highest number of Advanced Placement course offerings on Cape at DYHS, while developing innovative programs to involve and challenge students before they reach high school. At the kindergarten level, the District continues to expand the “Tools of the Mind” curriculum, which has produced enhanced reading and writing levels in students entering first grade.

Two innovative programs for intermediate and middle school students launched in 2011 offer unique opportunities for additional learning. The Marguerite E. Small Innovation School has attracted grant funding to give 4th and 5th graders a school day that is longer by 40 minutes, producing an extra 200 minutes of learning time weekly. This is a pilot program that has received statewide recognition, and even a visit from Governor Deval Patrick. Within the Nathaniel H. Wixon Middle School in Dennis, students in grades 6 and 7 can choose to enroll in the Wixon Middle Level Academy for a more rigorous project-based curriculum.

At DYHS, improving MCAS scores are a small part of the news. The voluntary pilot program for 8th graders wishing to pursue an advanced **STEM** (Science, Technology, Engineering, and Math) curriculum got underway in 2011 with eighty-three students from Yarmouth and Dennis enrolled. **STEM** as practiced at DYHS is actually **STEAM**, since eighth graders’ schedules also include space for an elective in music, the art, or media technology.

Academic possibilities aren’t limited to the DYHS building: some seniors take college courses at Cape Cod Community College. Students who wish to study a subject not part of the regular course offerings (e.g., Latin, Portuguese) have the option of enrolling in supervised study through the Virtual High School. Despite the difficult economy, DYHS graduates continue to pursue higher education. Of the June 2011 graduates, 87% have enrolled in higher education and received \$225,000 in scholarship awards. The undefeated DYHS football team and additional state championships in track and color guard gave DYHS a chance to celebrate a remarkable year.

Finally, the Dennis-Yarmouth Regional School District became the most energy-efficient district in Massachusetts, with 7 out of 7 schools all receiving the Coveted Energy Star award for using 35% less overall energy than average buildings of the same dimensions. As of August, 2011, only 435 K-12 school buildings nationally had been awarded Energy Stars—and DY is home to 7. (See information on how much money this energy conservation and monitoring saved taxpayers in Strategies, below.)

Challenges

1. Cape Cod's aging demographic means that school districts from Barnstable east through Provincetown compete through school choice for a smaller pool of students. The majority of D-Y students who left the District via school choice went east to Harwich, Chatham, and Nauset Regional, districts with higher per student spending and smaller average class sizes than those in the D-Y district.
2. Competition for the students of Dennis and Yarmouth is increasing yearly: Sturgis Charter School's west campus opened in rental space in fall 2011, and the new Sturgis West building will open for the 2012-2013 school year. The new Monomoy District (resulting from the Harwich and Chatham town votes to merge school systems) is currently designing a brand new Monomoy High School complex.
3. The harsh economic climate continues to strain D-Y students and their families: in 2011, the number of low-income students (defined as eligibility for free or subsidized school lunches) rose to 38.1% of the entire D-Y district in 2010-11.
4. In fall 2011, the number of students speaking languages other than English increased in both towns, but especially in Yarmouth. The D-Y schools now include students from three continents in addition to North America, and while the cultural enrichment will be valuable for the entire D-Y student population, mandatory certified English language learning teachers and individual instruction must be provided in the short term.
5. Federal and state grant funding has been reduced.
6. Yarmouth and Dennis are not wealthy towns, and budget resources are finite.

Strategies

The Dennis-Yarmouth Regional School District and its School Committee work hard to improve the District and to act as responsible stewards of taxpayer funds.

This past year continued some money-saving policies: participation in the Cape Cod Collaborative to share some special education services and special education transportation with other Cape districts; use of a three-tiered bus system to employ the smallest number of buses to service the District's seven schools; the outsourcing of custodial services; cooperative purchasing with Barnstable County and other municipalities to negotiate lower prices; the use of self-insurance programs; cost-cutting in all schools; use of a dual-fuel boiler system at DYHS; and further energy conservation and efficiency measures.

Some of the energy-saving strategies included: programmable thermostats; high efficiency boilers; and installing insulation and air and duct sealing. Energy manager David Sherman sought the cooperation of staff and students to use energy wisely and sought grants for equipment upgrades and building weatherization from Cape Light Compact. Mr. Sherman estimates that reducing heating, ventilation, water heating, and electrical energy consumption saved Dennis and Yarmouth approximately \$900,000 in avoided energy costs from 2002 to 2011.

The past year brought some previous areas of discussion to a head. The School Committee created a finance subcommittee in spring 2011. The further regionalization for grades 4-8, proposed as an educational and a financial measure was defeated at a Dennis Special Town Meeting in fall 2011 after being previously passed in Yarmouth. Dennis voters further endorsed an exploration of de-regionalizing grades 4-8 to allow Dennis students in those grades to continue to be educated within Dennis.

We are grateful to the Dennis taxpayers for their support of the Ezra H. Baker renovation project. We look forward to hosting a community celebration of our 80 year old, much loved school upon completion of this project.

Submitted with D-Y Pride,

Andrea St. Germain
Vice Chair, Dennis-Yarmouth Regional School District

SUPERINTENDENT OF SCHOOLS

CAROL A. WOODBURY

Dennis-Yarmouth Regional School District

Dennis-Yarmouth Regional School District has experienced numerous successes during 2011. This year was marked by increased academic achievements, new academic innovations, and athletic and artistic recognitions. These accomplishments are a credit to our students, staff, families, and community members all working together for excellence in education.

We continued to make excellent academic progress as demonstrated by our high school students' MCAS performance. Dennis-Yarmouth students have always performed well, but over the last ten years there has been a greater emphasis on academic achievement for *all* students. Due to the efforts of our staff toward meeting the individual needs of every student, more students than ever before are performing at high levels. The data tells the story. The chart to the left shows the percentage of D-Y tenth grade students passing the English Language Arts and Mathematics MCAS exams on the first try in 2001 and 2011. The chart to the right shows the percentage of D-Y tenth grade students scoring in the proficient and advanced levels in 2001 and 2011.

English Language Arts		
	2001	2011
% Passing First Try	88	99
% Failing	12	1
Mathematics		
	2001	2011
% Passing First Try	82	95
% Failing	18	6

English Language Arts		
	2001	2011
% Proficient/Advanced	63	92
Mathematics		
	2001	2011
% Proficient/Advanced	52	81

The Dennis-Yarmouth Regional School District has high expectations for all students. In 2001, 22.1percent of our students district wide and 9.7percent of our high school students were from low-income families. In 2011 these numbers had grown to 38.1percent and 34.4 percent, respectively. Significant improvement in the performance of these students, despite increased numbers, demonstrates that we've had a great deal of success in closing the achievement gaps between these groups (see data below.) Our staff has proven that a strong public education can serve every child.

Low Income Grade 10-English Language Arts		
	2001	2011
% Passing First Try	56	98
% Failing	44	1
% Advanced/Proficient	31	85

Low Income Grade 10-Mathematics		
	2001	2011
% Passing First Try	53	89
% Failing	47	11
% Advanced/Proficient	18	68

Students graduating from Dennis-Yarmouth Regional High School attend many highly competitive and prestigious colleges. For the second year in a row, Harvard University selected a well-prepared D-Y student for their Ivy League education. In 2010, 36 percent of Dennis-Yarmouth graduates selected private four-year colleges to continue their education.

In addition to this excellent performance from Dennis-Yarmouth Regional High School, the Marguerite E. Small School, which serves grades 4-5 in Yarmouth, has received state recognition two years in a row for closing the achievement gap between low income students and non-low income students. With 100 percent support of the Marguerite E. Small staff, the school opened in September 2011 as an Innovation School. This has allowed us to provide students a longer school day at no cost to the taxpayer. The longer school day provides enrichment for high performing students and extra support for struggling learners.

In 2011, we set out to more effectively address the needs of high performing students. The Wixon Middle Level Academy and the Dennis-Yarmouth Regional High School Grade 8 Accelerated Learning Programs were created to challenge high performing 6th, 7th, and 8th grade students. The most important attribute of students attending these programs is a fervent desire to excel. Eighth grade students at the high school are focused on **STEAM** (Science, Technology, Engineering, the Arts, and Mathematics). We have a strong partnership with the Boston Science Museum and GTEC (Global Technology Engineering Consortium). Early results from all stakeholders have been extremely positive. To ensure our students are focused on their studies, wearing school uniforms is currently being studied for implementation next fall by the administration, teachers, parents, and students at Wixon.

Schools are expected to provide each student with a well rounded education. D-Y students participate in music, visual arts, theater, sports, service clubs, travel abroad, and many other school sponsored programs. Their participation in these activities while maintaining a high level of academic achievement is just one measure of our effectiveness as a district. This year we were proud to celebrate our Division IIA Super Bowl Champs, the Massachusetts First Place Cross Country Runner, and for the fifth year in a row, the New England Color Guard Champions.

In the last ten years, student demographics have changed dramatically. Our students come from a wide variety of cultural and ethnic backgrounds and experiences. We embrace this change and celebrate our diversity. It is a true reflection of the world we live in.

The ultimate measure of a school district's success is what happens at the end of a student's thirteen year experience. Our students leave D-Y with a strong academic background, a well-rounded set of experiences, and a better understanding of the world around them. D-Y excels by most measures of school effectiveness.

Respectfully submitted,

Carol A. Woodbury
Superintendent of Schools

FINANCE & OPERATIONS

LARRY AXER,

Director of Finance & Operations

As I complete my first year as the Director of Finance and Operations, there is much to report. Over the last 12 months, we closed out the FY 2011 budget year, we are managing the FY 2012 budget, and we are in the midst of preparing the FY 2013 budget. Declining state and federal revenues through grants and other aid are putting more pressure on local funds to support public education, and we have been working cooperatively with town officials to maintain a high level of programs and services to our students.

As part of the budget process, we work closely with the newly appointed Finance Subcommittee to oversee the district's financial activities. I would like to thank all of the school administrators, staff members, and the School Committee for their diligent work during these challenging economic times. In other financial news, we negotiated a new contract with our teachers that included a health insurance program that will save the district funds while treating our employees fairly in return. We also welcomed a new payroll clerk, Dawn Selfe, who joined us in November.

In the area of operations, we are wrapping up a number of capital improvements to the Ezra Baker Elementary School in Dennis, a project that is addressing long-needed repairs to the roof and windows as well as a host of accessibility issues. Also this fall, the septic system was replaced at the Baker School, new lights were installed at the High School football field, and a new phone system was installed at the Administration Office. We are also pursuing renovations at both Mattacheese Middle School in Yarmouth and Wixon Middle School in Dennis. Finally, through funding from both towns as part of a matching grant, we are working to upgrade the security systems at all of the district's school buildings.

Our food services and facilities departments continue to be led by Garth Petracca and Sandra Cashen, respectively, who both do a terrific job overseeing those vital functions. Due to a change in federal regulations, the school lunch price increased by 25 cents this year, the first such rise in three years. Our maintenance department relies on a small group of mechanics to handle repairs more effectively and efficiently, and our grounds crew maintains some of the best-kept playing fields in the area. To kick off last summer, D-Y High School hosted a community fireworks show that was enjoyed by thousands of residents and visitors.

In conclusion, I would like to thank everyone for the opportunity to serve the students of the Dennis-Yarmouth Regional School District. I look forward to continue working with the residents, school staff, and town officials in the upcoming year.

DIRECTOR OF INSTRUCTION

GLORIA LEMERISE

The Office of Instruction is responsible for the planning and coordination of all aspects of learning and the mandates of federal and state accountability. This includes providing and supervising professional development, refining curriculum to meet the needs of all learners, and monitoring student achievement as measured by the Massachusetts Comprehensive Assessment System (MCAS) and district assessments. To support and extend these key efforts, the Director must also be deeply involved in grant writing. The resources gained from numerous grants, approximately \$1,344,141 for FY 2011, provide a major funding stream for both professional development efforts and partial funding of Instructional Coaches that improve the instructional expertise of all our professionals. As we develop improvement plans and organize professional development, we continually focus on learning for all – students, teachers, administrators, and support staff.

Research has shown that professional development is most effective when the content is based in schools and embedded in the work of the participants. In Dennis-Yarmouth this is accomplished in various ways. We have four district instructional coaches - one for literacy grade 4 – 8, one for English as Second Language (ESL), one for grades PreK-3 and one for grades 4-8 in math. These content professionals specialize in providing effective support and guidance for teachers as best practices are transferred from district initiative to classroom instruction. They are invaluable as the District moves toward adopting and adapting to the new Curriculum Frameworks and state initiatives.

The District is also involved in a number of projects supported by higher education partners and grants for research. Kindergartens are participating in a study of *Tools of the Mind* curriculum with support from New York University and Harvard. Grades four through eight are working with researchers, funded by a five-year grant, from Wheelock College and Harvard on vocabulary and reading instruction. Grades six through eight have partnered with the Boston Museum of Science in developing and implementing Science, Technology, Engineering and Mathematics (STEM) Curriculum. The District model of building capacity through targeted professional development in mathematics has been promoted across the state as a prototype of effective professional learning within school districts.

The District's Literacy Action Planning Committee has taken a critical look at literacy instruction from K-12. With the expert guidance of Mary Ellen Caesar, a literacy specialist from the Department of Education, the committee created a plan that addressed the areas of greatest need and set a path for future efforts. The overarching theme of this literacy plan is to ensure that all Dennis-Yarmouth students experience high quality, rigorous instruction, delivered with consistency, in all content areas at all grade levels.

The Dennis-Yarmouth Regional School District continues to educate students who will become productive members of our global citizens. In partnership with our families and communities, we look to fulfill our mission, *Empowering each student to achieve excellence with integrity in a changing world.*

DIRECTOR OF INSTRUCTIONAL TECHNOLOGY

LORY STEWART,

Technology Department

The Dennis-Yarmouth Regional School District Technology Department provides services to all schools and the Central Office. The department supports the infrastructure necessary to maintain our networks, repairs hardware, installs software and provides professional development to staff to integrate technology into the curriculum.

The district continues to support strong professional development for teachers in the use of technology. All teachers participated in some form of technology training during the year. Two professional days were dedicated to technology integration into the curriculum. Three graduate level courses were offered in district devoted to using online resources in the classroom. Dennis-Yarmouth teachers were also given the opportunity to participate in cape-wide summer professional development opportunities called *Cache the Wave*.

In November 2010, Dennis-Yarmouth along with Nauset, Falmouth, Chatham and Harwich was awarded a grant for \$150,000.00 to purchase equipment and train middle school English Language Arts teachers to learn to create *Infographics* with students as an alternative assessment tool.

Our technicians, John Carey and John Tiedeman, work diligently maintaining our computers, printers, interactive whiteboards, LCD projectors, and other instructional technology completing over 2200 work orders during the course of the year.

Thanks to the Town of Dennis, at a fall special town meeting, who voted to support the Dennis schools with an infusion of technology that provided classrooms with interactive whiteboards, LCD projectors, computers, and video and document cameras.

The Parent Organizations at Station Avenue Elementary School and Laurence C. MacArthur conducted fundraising events to purchase additional interactive whiteboards for classrooms. Ezra H. Baker families contributed Stop and Shop fundraising dollars to also purchase classroom technology. The community, both businesses and private citizens, was generous with donations of equipment to the Technology Department for use in our schools. Our gratitude goes to all these groups.

The DYRSD Technology Department makes every effort to stay current on emerging technologies to best serve our school community and ensure strong support of its technological needs.

DIRECTOR OF PUPIL SERVICES
JUDITH DION,
Pupil Services Department

The Dennis-Yarmouth Regional School District Pupil Services Department includes our special education teachers; school psychologists; team chairs; speech and language pathologists and licensed speech / language therapy assistants; physical therapist; occupational therapists and certified occupational therapy assistants; teacher of the visually impaired; social workers; and of course, our school nurses. Services run the gamut in all of these specially designed programs for students who are at risk or who have disabilities.

The District is obligated under “Child Find” to locate and identify any child/student who may have a disability and begins to identify children as having special education needs at 2.5 years of age. Referrals come from physicians, parents and relatives, early intervention services and other agencies. Early brain development research has demonstrated what early interventionists have known for years that children begin to learn and develop from the moment of birth. Therefore, the facilitation of early learning and the provision of timely early intervention services to infants and toddlers with disabilities are critical.

Our early education team led by Early Education Coordinator, Shirley Smith, connects with early education and care providers and the team conducts evaluations throughout the year to determine eligibility for special education services that a child may need. Our NAEYC accredited inclusive preschool programs are located at Ezra Baker in Dennis, L.C. MacArthur, and at DY High School and serve children from three years old until they are eligible to enter kindergarten. Outreach services are also provided in the child’s natural environment whether that be at home, day care, or private preschools in Yarmouth and Dennis.

As of the October 1, 2011 child count that the District submits, there are five hundred and fifteen (515) identified students with disabilities from age three to twenty-two.

FOOD SERVICE COORDINATOR
GARTH PETRACCA,
Food Service Department

Our economy is still weak. Jobs are still hard to find. Everyone has less money but our students still need to be fed. It is vitally important that all members of our school community who might qualify for free or reduced lunch and breakfast complete and submit an application. Financially, this provides us with assistance in helping to feed all our students.

One of our goals has always been to reimburse the school system's General Fund to the extent that is financially possible without detracting from the food service program itself. We will continue this practice and make changes in the program as needed. We are using cooperative purchasing and competitive bidding on everything we buy which enables us to secure the best prices for all our products and services.

Our participation rates are holding at 75 percent even with continued declining enrollment, which is a testament to the success of the program. Food costs are at 45 percent, labor at 45 percent, and other expenses at 10 percent.

We highly value what we accomplish on a daily basis in our department. Our "home meal replacements" are designed to provide healthy, satisfying and continued choices to our customers, the children of the Dennis-Yarmouth Regional School District.

DENNIS-YARMOUTH REGIONAL HIGH SCHOOL

KENNETH T. JENKS, PRINCIPAL

As always, I begin my annual school report by thanking the citizens of Dennis and Yarmouth for supporting our students and our school. The high school's successes and achievements are directly connected to the strong support provided by our two communities. The high school's October 2011 enrollment was 939 students. The graduating class of 2011 reflected the strengths of the high school program. Eighty-seven percent of the class of 2011 planned to attend college: fifty-five percent planned to attend a four year college or university and thirty-two percent planned to attend a two year college. Many students in the class of 2011 pursued other opportunities: one percent planned to go to a technical school, eight percent planned to enter the workforce, three percent planned to join the armed forces and the remainder were undecided about their future plans. The students in the class of 2011 collectively received nearly \$225,000 in scholarships and awards, most from local sources. Our students, families, faculty and staff appreciate the many generous individuals, organizations and businesses that provided this critical financial support for our students.

We remain committed to our motto of *Pursuing Excellence, Demonstrating Character*. The high school stresses a core program of English, foreign language, math, science, and social studies. We offer an extensive range of courses and programs to our students. As part of our school improvement work, we have strengthened our graduation requirements in order to better prepare our students for the increasingly competitive world of the 21st century. Our accelerated 8th grade pilot program, with its emphasis on science, technology, engineering and math, has enjoyed great success. We provide many Advanced Placement and honors level courses for students who want to pursue the most challenging academic options. This year, over seventy D-Y students are enrolled in online classes through the Virtual High School program. We value a well-rounded education for all of our students, and as a result, our graduation requirements call for students to complete course work in elective areas including art, music, technology, and health and physical education. We support career oriented options including work-based learning and over ninety students participated in internships with local businesses and organizations this year. We have a strong working relationship with Cape Cod Community College and many of our students take classes at the community college level. D-Y students can also pursue alternative paths to graduation through participation in our very successful day and evening alternative learning programs.

D-Y continues to make effective progress toward our state Adequate Yearly Progress goals. We continue our efforts to reduce the drop out rate which is currently below the state average. Our high school MCAS scores in the "Proficient or Higher" category are above the state average and our "Needs Improvement" rate is below the state average.

Our many educational activities provide extensive opportunities for our students. Art students continue to be recognized for their skills. The music program enjoyed success this year and the color guard again earned a Division II Championship title at the state and New England competitions. Our athletes are competitive and many teams have enjoyed winning seasons, earned league championships and qualified for post season play. Jordan O'Dea became the first ever D-Y runner to win a Division IIA State Championship in cross-country. The football team went undefeated and earned the Division IIA State Championship with a win in our school's first ever Super Bowl game. The *Boston Globe* and the *Boston Herald* recognized Mr. Paul Funk as a Coach of the Year and recognized Matthew Montalto as a Player of the Year. A half dozen D-Y athletes were recognized as All Scholastic and many, many athletes were selected as Atlantic Coast League All Stars. The student government and our school's service groups, including Interact, Key Club, the National Honor Society and the Leo Club continue to do tremendous community service and consistently donate to charities and to our communities. We have enjoyed a very successful year and look forward to continued growth and improvement in the future. Our school is thankful for the support our towns have provided in the past and we hope both Dennis and Yarmouth will continue to provide the support necessary for success in the coming years.

*Dennis-Yarmouth
Regional High School*

Class of 2011

Commencement Exercises

*Saturday, June 11, 2011
11:00 a.m.*

PROGRAM

Prelude *Dennis-Yarmouth Band*

*Processional**

NATHANIEL H. WIXON MIDDLE SCHOOL

CAROLE A. EICHNER, PRINCIPAL

It is an honor to submit this annual town report for Nathaniel H. Wixon Middle School. Wixon proudly educates fourth to eighth grade students for the Town of Dennis. According to the October 1, 2011 enrollment report, Wixon has a total of 452 students. We have 77 professional and educational-support staff members on the Wixon team. The entire Wixon faculty is highly committed to teaching and learning, school safety and fostering parent/community partnerships.

Wixon continues to provide a rigorous academic program with a class size average of 20 students/class. Academic offerings include: English language arts, mathematics, social studies, science, foreign language (seventh/eighth), visual arts, music, physical education, health, and technology. Wixon students may also choose to take instrumental music, chorus or strings during the school day.

We are in a state of continuous improvement at Wixon. This year we offered a program for 6th grade students from Dennis and Yarmouth, the Wixon Middle Level Academy (WMLA). The WMLA is designed to challenge students to meet high academic and social standards. While open to all motivated students, high achieving students are clustered in the WMLA. The WMLA has been a great success and will grow to include both 6th and 7th grade in the 2011-2012 school year.

We are in the second year of a new School Improvement Plan. The plan defines long-range goals in the areas of Rigor, School Climate/Culture, Partnerships and Drop-out Prevention.

Our school offers a variety of after school activities and enrichment, such as: Student Council/Peer Leadership, French & Spanish Clubs and interscholastic athletics. Our fifth grade students receive Drug Abuse Resistance Education (D.A.R.E.) from Officer Jim Winn of the Dennis Police Department. Each 5th grade class also engages in a unique weeklong NEED Collaborative Seashore experience; a long-standing tradition for DYRS students.

The Wixon School Council provides ongoing guidance to improve our school. The Parent Teacher Advisory Council (PTAC) supports many educational and enrichment programs. PTAC helps subsidize curriculum-related field trips and cultural enrichment presentations for all students. We are grateful to the PTAC and our parents for their tireless efforts to support learning and enrichment.

We are grateful for our collaboration with the Dennis Police Department and Detective Patrick McCaffrey, our School Resource Officer. Many thanks go out to all the Town of Dennis officials and municipal departments, as well as members of the Dennis-Yarmouth Regional School Committee for their continuous support and service to our school. ***Wixon: Focused on students; achieving results.***

EZRA H. BAKER SCHOOL

It is with great pride that I submit this report on the progress at the Ezra H. Baker School. This year, when our school opened in September, we greeted 330 students in grades kindergarten through three. We offer an integrated early childhood program for an additional 30 three and four year olds in our town. Our school is home to the Special Education Alternative Learning Site (SEALS) program. This program is designed to educate young children with significant health challenges. We are home to the Specialized Teaching Alternative Room (STAR) and the Special Early Education and Kindergarten (SPEEK) classrooms. These programs work to meet the educational needs of children diagnosed with autism in Pre- Kindergarten through grade 3. Our daycare includes children up through fifth grade, and has nearly ninety children enrolled in either before or after school care.

When the new year began, it signaled the end of the teaching career for one of our most notable professionals, Mrs. Cathie Smith. Mrs. Smith taught physical education at the Baker School for many years. She found ways to make physical fitness fun and exciting. She taught our children to be not only healthy, but also caring. Each year, under Mrs. Smith's guidance, our students raised a tremendous amount of money for the American Heart Association. Her lessons will live on in our students.

This summer and fall, our school began a monumental renovation. The school now has a new roof and septic system, completely renovated student restrooms, safer stair treads, and updated classroom technology. Improvements to accessibility benefit all of our students, especially those who are physically challenged. This spring, our windows will be replaced, completing this multi-million dollar facelift just in time to celebrate our school's eightieth birthday. The students of the Ezra H. Baker School continue to thrive. Their learning transcends traditional curriculum to include philanthropy. In 2011, under the guidance of Mrs. Ellen Flanagan, Dean of Students, the Ezra H. Baker School became the first school on Cape Cod to participate in The Penny Harvest, a program in which students collect change, and then decide how the money can be best used to support worthy recipients in our community. The program is student run, and dispersed over \$1400.00 to charity last year. In 2012, our students have set an even higher fundraising goal.

In difficult economic times, PTAC has stepped in to provide students with valuable extensions to their learning. In addition to the many field trips that PTAC supports, our parent group brought several enriching events to our students, including an author, a three dimensional science theatre, and even a pumpkin patch. Our teachers continue to grow professionally, and maintain the highest expectations for students. In the past year, teacher initiated changes to Language Arts and Math instruction have resulted in increased student learning. In 2011, we were able to offer three rounds of after school activities at little cost to families, thanks to the parent, community and teacher volunteers who taught classes. Because of this tremendous support, our students are learning not only the academic skills they need, but the life lessons that will make them intelligent, independent and responsible citizens.

MATTACHEESE MIDDLE SCHOOL

ANN P. KNELL, PRINCIPAL

It is with great pride that I submit the annual report for Mattacheese Middle School. This school year the faculty, staff and students have worked to “connect for success,” and the results of that connection are evident. Each day a different student leads the entire school community in the Pledge of Allegiance. Other students organize and participate in delivering the daily morning announcements. Students have assumed the role of Ambassadors to better acclimate new students to our school. In addition our students have stepped forward to fund raise to support programs in which they believe. These connections have encouraged more students to accept leadership roles, volunteer in our school and community and to step outside their comfort zone. We have also connected with our neighbor, Marguerite E. Small Elementary School, to offer combined activities including concerts and walk/races.

Our Mattacheese philosophy includes decision making based upon the impact it will have upon student success. This student-centered culture has embraced a focus on relationships, relevance and rigor. Grade level teacher teams, Leadership Team and our Student Assistance Team work to provide the support every student needs. Advisories were established to further personalize our school environment. The development of a Mattacheese facebook page has provided a broader communication network with quicker news delivery.

Our seven period schedule allows students to take art, foreign language, health, music (band, jazz band, chorus, treble choir, strings and fiddlers), physical education, and technology as well as the traditional core academic subjects. In addition we have a content literacy course designed to teach the skills of speaking, listening, reading, writing and critical thinking across all disciplines. We continue to examine various ways to use time to best meet the diverse needs of our learners. Mattacheese offers three seven-week sessions of extended learning classes and after school activities at no cost. We continue to run successful middle school sports as well as co-curricular activities.

On behalf of the Mattacheese community, we thank our colleagues at the school district’s administration office as well as the grounds, maintenance, and cafeteria crews. Many thanks to the parents of our PTO who have generously given of their time and resources to support many of our activities and programs. Special thanks to the dedicated faculty and staff who continue to work to bring understanding, challenge and success to every student. We acknowledge the challenges that face our school committee and our town’s elected officials and are appreciative of their support. Most importantly, we thank our students and their parents for their involvement and continued faith in the mission of Mattacheese Middle School as we continue a proud tradition.

STATION AVENUE ELEMENTARY SCHOOL

PETER J. CROWELL, PRINCIPAL

It is a pleasure to submit this Annual Report as the new principal of the Station Avenue Elementary School (SAE). Our current enrollment of 410 students in grades K-3 is divided between 20 classrooms. Our overall enrollment remains very steady with our beautiful building capacity fully utilized.

Our Academic and Social Curriculums provide students with the opportunity to learn and thrive. This year our school-wide vision is focused on *Speaking and Listening* across all grade levels and subject areas. All professional staff at SAE meets weekly by grade level as professional learning communities. Each group has a teacher leader/facilitator. During these meetings, an emphasis is placed on sharing best practices, looking at student work, flexible groupings and using assessment and data to plan instruction. With the support of a district math coach and consulting teacher of reading, we are able to provide professional development and support of grade level goals. Additionally, all staff integrates our *Second Step* Social Skills program as well as Responsive Classroom across the curriculum. Our monthly All School Meetings bring the entire SAE school community together focusing on the themes of Respect, Responsibility, Kindness and Caring. As an extension of our day, we continue to offer three After School Enrichment sessions throughout the year taught by staff, parents, and community members.

Our very active PTO continues to provide events such as the Scholastic Book Fair, Holiday Fair and Ice Cream Social which bring families together. Many community businesses have volunteered their time and resources to make this a success. Their generous support of field trips, programs and technology is so appreciated. We are also pleased to be able to welcome many volunteers to our school ranging from high school students, to parents, grandparents, Rotary Club and Elder Services. Their involvement enriches all of our students. A highlight of our fall here was a school spirit pep rally for the DYRHS football team and cheerleaders. This is just one example of opportunities for high school students to connect as role models for our students. Our School Council has been focusing on our School Improvement Plan goals and articulating our vision. Their commitment of time enhances our school mission. Finally, our partnership with both the Yarmouth Police and Fire Departments in their support of school safety is greatly appreciated.

On behalf of the entire SAE community, I wish to thank the good citizens of Yarmouth for their support of our school community as our focus is "All Aboard for the Future."

LAURENCE C. MACARTHUR ELEMENTARY SCHOOL

PHYLLIS DUBINA, PRINCIPAL

It is a pleasure to submit this Annual Report for the Laurence C. MacArthur Elementary School, a PreK-3 school. Our current enrollment of 267 students includes 23 students in our Early Education classroom which is divided into two sessions and one Early Education classroom housed at DYRHS of 26 students also divided between two sessions. Our total faculty and staff of 52 utilize every space of our 60 year old facility in which we take great pride. We continue to prioritize maintenance needs as they arise.

As described in our school's vision statement, our dedicated and caring professionals work to "provide a safe, enriching academic and social environment where every child has the opportunity to achieve success". Faculty at LCM meets weekly by grade level to engage in collaborative discussions. These 'professional learning communities' support our mission of improving teaching and learning as our practitioners share best practices, examine student work, use data to inform our practice, and discuss interventions for students in need of extra support.

At LCM we strive to respond to the needs of all our students and their families through many programs and processes. 17.6 % of our PreK-3 students participate in special education services. Our school psychologist works with parents and the school team which can include the occupational therapist, speech and physical therapists to meet the needs of our students with disabilities. 15 % of our K-3 students participate in Title 1, a federally funded program for students with the greatest educational need in reading and or math. 9.2 % of our K-3 students receive additional academic support in language acquisition. Reading Recovery is a nationally recognized literacy intervention program for our first graders who struggle with reading and writing. Our school social worker provides social and emotional support to students, staff, and parents and connects families to community resources. At LCM we house a food pantry available to our families. All staff integrate the social-emotional learning curriculum of Second Step and Responsive Classroom which promote a positive and safe climate for learning. Our monthly All School Meetings bring the entire school community together focusing on the themes of Respect, Responsibility, Kindness and Caring. Our popular After School Enrichment sessions offer a variety of engaging classes such as Lego's®, cooking, and the sciences, taught by staff, parents, and community members.

Our very active PTO under the leadership of Kara Goeldner continues to provide events such as the Book Fair and Holiday Fair which bring families together. For the second year, the PTO sponsored *Touch A Truck*, a fun family event where community businesses volunteered their time and resources to make this fundraiser a huge success. We are also grateful to the many volunteers ranging from high school students, to parents, grandparents, Rotary Club and Elder Services that make such a powerful impact to all of us at LCM. The LCM School Council comprised of parents, teachers and a community member (Stephanie Flynn, Jocelyn Howard, Mackie Rice, John French, and Virginia Stewart), continue to focus on our School Improvement Plan

goals and articulating our vision. Their commitment of time enhances our school mission. Finally our partnership with both the Yarmouth Police and Fire Departments in their support of school safety is appreciated greatly.

On behalf of the entire LCM community, I wish to thank the good citizens of Yarmouth for their support of our school's mission in ***Setting Sail for Success.***

MARGUERITE E. SMALL SCHOOL

EMILY A. MEZZETTI, PRINCIPAL

Two thousand eleven was an outstanding year of continued positive growth, and it is with intense pride that I share with you the Annual Report for the Marguerite E. Small School.

Three hundred fifty-seven fourth and fifth grade children, including fifteen school choice students, attend our school. The highlight of our school over the past year, the catalyst for increased enrollment and students choosing to attend, is our newly implemented Innovation School Plan. Innovation Schools are an initiative of the Massachusetts Executive Office of Education. Designed to give individual schools more autonomy for improvement, the first year included \$65000 in grant funds.

Our Innovation School plan includes three major improvements to our already strong culture: an extended school day, enhanced curriculum, instruction, and assessment, and expanded professional development opportunities for our faculty members.

Our school day, originally six hours and ten minutes long, is now six hours and fifty minutes. This additional forty minutes each day, the equivalent of seventeen school days over the course of the year, has allowed us to offer higher quality uninterrupted instruction in core subjects as well as twenty-five different extended opportunities in academics, the arts, and athletics during our newly developed fifty minute enrichment block daily. In addition to our expanded schedule, we utilized funds to improve our curriculum in language arts, mathematics, and science. These enhancements, developed over the summer and implemented beginning in September, have enriched the learning experiences we provide for our students.

The staff at our school is highly professional, intensely dedicated, and continuously works to improve the educational opportunities we afford our fourth and fifth grade students. Their immense commitment to both their own ongoing professional growth and the development of their students has resulted in two commendations in the past two years from Governor Deval Patrick, based on improved MCAS scores.

The Innovation School plan is another enhancement added to the extensive work done previously on high quality and affordable extended day programming. Since joining the Marguerite E. Small School's faculty four years ago, I have enjoyed the ongoing professional growth that continues to positively impact the quality of the educational opportunities we offer to our fourth and fifth grade students.

On behalf of the school's staff, I'd like to thank our students, their parents, Superintendent Woodbury and our central office administrators, the school committee, and the citizens of Yarmouth for allowing us to chart a fabulous course for our ongoing growth and improvement this past year.
