# 2008

TOWN OF DENNIS  
ANNUAL REPORT

## The Sesuit Creek / Bridge Street Salt Marsh and Fish Run Restoration Project

**T**he Sesuit Creek / Bridge Street Salt Marsh and Fish Run Restoration Project, completed in 2008, is Massachusetts' largest proactive salt marsh restoration project completed to date.

Prior to the project, a deteriorated 2-foot wide culvert beneath Bridge Street severely limited the flow of tidal water and fish to the upstream marsh, which resulted in the loss of salt marsh, a spread of invasive species on the marsh surface, and a safety issue on Bridge Street due to large sinkholes in the roadway.

The Town of Dennis led a project team that replaced the failing Bridge Street culvert with two ten-foot tall by 12-foot wide culverts to restore near unrestricted tidal flow to the upstream marshes and that upgraded Bridge Street, including adding a sidewalk to improve pedestrian safety.

The Town of Dennis received technical and financial assistance in this effort by a project team including the Sesuit Neck Homeowners Association, Massachusetts Coastal Zone Management's Wetlands Restoration Program, Massachusetts Highway Department, the National Oceanic and Atmospheric Administration's Restoration Center, the U.S. Fish and Wildlife Service, and the U.S. Department of Agriculture's Natural Resource Conservation Service.

For this significant environmental restoration and safety improvement effort, the Town of Dennis and the project team has been awarded a 2008 Coastal America Partnership Award recognizing their "outstanding efforts to restore and protect the coastal environment."

# **IN MEMORIAM**

## **2008**

The Town of Dennis lost the following valued employees and volunteers this year. \*

### ***Robert “Bob” Briggs***

Bob was co-founder of the Dennis Chamber of Commerce and Dennis Festival Days. For 25 years, Bob was a Dennis Call Firefighter and Rescue Squad member. He also volunteered at the Tony Kent Arena and was a member of the advisory board. Bob was a member and past president of the Harwich-Dennis Rotary Club.

### ***George “Sonny” Cifelli***

Sonny worked for the Town of Dennis Municipal Building Department for 20 years.

### ***Tom Dexter***

Tom was a member of the Caretakers of Veterans’ Graves committee.

### ***John Fanara, Sr.***

John was a Call Firefighter for the Town of Dennis for 8 years. He also served as the Cemetery Commissioner.

### ***Curt Livingston***

Curt was very active in the Dennis community. He served 2 terms as Selectman; was a member of the Board of Health, Beach Committee, Land Acquisitions/Open Spaces, and Comprehensive Wastewater Management Task Force. Curt was also a Dennisport Representative.

### ***James “Jimmy” Merchant***

Jimmy was very active in the Town of Dennis. He served as Cemetery Commissioner and a board member of the Chamber of Commerce.

### ***Raymond Miles***

Raymond worked for the Department of Public Works for 10 years.

### ***Holly Ann Young***

Holly worked for the Beach Department as a lifeguard and an assistant supervisor.

\*We sincerely apologize if we have inadvertently overlooked anyone- a common mistake when such a task is undertaken.

**The 2008 Town Of Dennis Annual Report  
is dedicated to  
Paul F. Prue**

Paul Prue has been very active in the Dennis community for many years. For the past 42 years he has been a member of the Dennis Fire Department. On September 29, 1966 Paul was appointed to the Dennis Fire Department as a Call Firefighter and Rescue Squad member.

Over the years Paul has been appointed to various positions within the department. He was appointed Lieutenant on January 1, 1968, Deputy Chief of Station 2 and Deputy Forest Warden on January 1, 1978. At 1600 hours on November 13, 1994 to 1700 hours on November 13, 1994, Paul was appointed Acting Fire Chief at Headquarters.

Over the years Paul has served as an Instructor at the Norfolk County Fireman's Seminars. He is an associate member of the N.E. Fire Chief's Association and a member of the National Fire Protection Association. Paul has completed the Officer's Course at the Massachusetts Department of Education. He attended and graduated from the Massachusetts Firefighting Academy, September 17th thru 25th, 1983.

Paul has received the MA Firefighters' Service Award for 40 years of dedicated fire service as a Call Firefighter. On August 18, 2000, Paul retired from the Dennis Fire Department.

Since 1977 Paul has served as the Water Commissioner for the Dennis Water District. Paul was a founding member of the Dennis Conservation Trust. He has also served as a member of the Land Acquisition Committee, Conservation Commission and the DPW Building Committee.

In his free time, Paul enjoys beekeeping. For the past 47 years he could be also be found working at the Prue Foundry, which was founded by his father.

The Town of Dennis is pleased to dedicate the 2008 Annual Town Report to Paul Prue for all his years of community service.

2003	Raymond Urquhart
1999	Dr. Horton H. Nickerson
1998	Carol Sue Chilinski
1996	Nancy Thacher Reid
1994	Franklyn "Doc" Estey

# **Caleb Chase Trust Fund 100th Anniversary 1909 - 2009**

In 1909 Caleb Chase, founder of Chase and Sanborn Coffee Co., bequeathed \$10,000.00 each to the towns of Dennis and Harwich where he was born and raised. This money was to be set up as a trust fund with the yearly interest to be distributed among the elderly needy.

When Caleb came home each summer he visited all his old friends and relatives. Some of them were well off and others were not. To those in need he always left a gift of money. His aim in setting up the trust fund was to continue his philanthropy beyond his life time. In 1909 \$10,000.00 was a considerable amount of money. It earned sufficient interest to fulfill his intent.

Times change and in recent years the interest rate has not generated enough money to carry out Caleb's wishes. In 2005 we could deliver only \$25.00 to each recipient. The Trustees requested and received permission to raise funds to enhance the principle and the interest.

The Massachusetts Legislature has allowed us to solicit donations through the real estate tax bills. Individuals, town groups, and donations through the Town Clerk's office are also helping the fund to meet Caleb's expectations.

Our hope is to increase the trust fund to sustain itself for the next one hundred years.

# Longevity Awards 2008

# Board of Selectmen

As is customary, the budget discussions began early in the year. Taking into consideration the state of the town's capital needs, and the likelihood of the need for a school budget override, the Board directed management to bring forth a balanced budget that was within the limits of Proposition 2 ½. The focus and priority became the need to fund the maintenance or replacement of major equipment and infrastructure. It is clear that continuing to delay the acquisition of new and replacement equipment is straining our maintenance and operational department budgets. Spending money on equipment that has outlived their useful life is a waste of taxpayer dollars and further maintenance delays to our infrastructure is resulting in much higher costs and running the risk of losing valuable town assets and future revenues. With the support of the Finance Committee, an unprecedented \$2.5 million one-year Proposition 2½ override for capital expenditures was passed at the Annual Town Election.

In March, Town Administrator Robert Canevazzi announced his intention not to seek a new contract with the Town which expired at the end of August. Bob's advanced notice of his departure created an opportunity for the Board to appoint an extraordinary Search Committee. The Board appointed Interim Town Administrator Warren Rutherford for the remainder of the year and to see us through the early development of the FY 2010 budget. As a result of the Search Committee's vigorous and thorough selection process, three exceptional finalists were recommended for the Board's consideration in November. The Selectmen then set out to exercise their due diligence by visiting with the finalists in the communities they currently served, arranging for them to visit us here in Dennis to meet with our department managers and organizing a tour of the Town. In December, the Board unanimously voted to appoint Richard White, current Town Manager in Winthrop, effective January 2009.

In May, the Board bid farewell to Jane Otis who had completed her third term as Selectman and did not seek reelection. Heidi Schadt, serving the unexpired term of Donald Trepte since January 2007, was reelected. Also elected to a three-year term was former Selectman Wayne Bergeron.

One of the most contentious fiscal concerns for the Town was funding the FY 2009 Dennis Yarmouth Regional School budget. The Board attended many meetings of the School Committee, including joint meetings with the Finance Committee and Selectmen of Yarmouth in which various funding scenarios were presented and debated. The proposals for budget reductions were identified and the resulting cuts in personnel and programs quantified. The final budget adopted by the School Committee would require Dennis to pass a \$257,464 Proposition 2½ override which was accomplished at the May Town Meeting and subsequent Election. With the

failure of Yarmouth to pass an override to fund the school budget, the School Committee exercised its statutory authority and called for the first Regional District Meeting in fifteen years. Approximately 2,000 voters responded to the call to meet on the evening of July 28. Voters on both sides of the issue spoke passionately and when it came to the final count, the voters passed the school budget by a vote of two to one. While this was viewed as a victory for education, it would ultimately require the Town of Yarmouth to cut nearly \$1.5 million from their operating budget when another override question failed at their ballot box. This has left public officials in both towns anxious about the future of the regional relationship including possible expansion with other districts, funding formulas and the priority of education in each of our communities. Early indications from the School Committee on the FY 2010 budget are nothing short of dire given the economy, the funding capacity of the sending communities and the possibility of reductions in state aid. In late December, the Board received information from the Cape Cod Regional Technical High School, that their FY 2009 budget expenditures are insufficient to meet the spending requirements and that the Department of Education will most likely require a makeup in the FY 2010 budget.

Over the summer, we all felt the economic squeeze that gasoline prices of more than \$4 per gallon wrought on our personal budgets and the Town budget was no exception. News from the State warned of revenue deficits that may require mid-year cuts in local aid. As a precaution, the Board requested that a freeze on all non-essential expenditures be put in place in October until more definitive information is known.

From all accounts in the press, we are experiencing the worst economic decline in more than twenty years and the implications compelled the Board to instruct the department managers to bring forward a FY 2010 budget that will not require an override. Governor Patrick continues to deal with a state budget deficit that is estimated at more than \$1.5 billion. In order to balance the state budget there will likely be significant reductions in state aid to municipalities and schools. For better or worse, the Town of Dennis' net income from state aid is less than half a million dollars. While any reductions in our state aid will result in the need for further reductions, our relatively minor reliance on state aid will not have the horrendous consequences that so many other cities and towns will face over the next several years. The schools, on the other hand, are of great concern.

As we closed the calendar year, the Board members were pleased to look back on the completion of the Bridge Street Project, also known as the Sesuit Creek Restoration Project; a truly collaborative project that brought many agencies and peoples together to accomplish a vitally important environmental goal. The Board is also looking forward to two significant park projects coming to fruition in 2009; Bass River Park and Sea View Park.

We take this opportunity to thank the many volunteers who serve on our committees, commissions and boards. Without their dedication and service to the processes of our local government, the challenge of providing the Town's people with proper and timely regulatory and advisory functions could not be met. We also extend our sincerest appreciation for the service provided by our municipal staff throughout the year. And most importantly, we thank the citizens of the Town that participate in their government by voting, attending Town Meeting and by letting us as Selectmen know your desires, preferences and opinions on matters under our purview.

Respectfully submitted,

Sheryl A McMahon, Chairman

Paul F. McCormick, Vice Chairman

Charles F. Crowell, Licensing Chairman

Wayne A. Bergeron, Clerk

Heidi S. Schadt

# Town Clerk

This year was a busy one with elections and meetings. The Clerk's Office started the year with the Presidential Primary on February 4th, followed by the Annual Town Meeting on May 6th, the Annual Town Election on May 13th, and an "added extra" Regional Meeting to vote the Dennis-Yarmouth School District's budget on July 28th, the State Primary on September 16th, the State Presidential Election on November 4th and a Special Town Meeting on November 18th. In between all of this activity we kept busy with vitals, dog licenses, marriage licenses, business certificates, raffle permits, and all of the many tasks involved with this office.

Federal Census 2010 is creating some interest here in 2008. It will take almost 2 years to complete and the Town Clerk's Office is reaching out a helpful hand to the census workers and will continue to be of assistance throughout. Remember that it is very important to complete your local and federal census form and return it as soon as possible. The census results dictate what is received in grants and governmental distributions based on population figures.

I will not be seeking re-election in May 2009. My 25 plus years here in the Town Clerk's Office – 9 of them as Town Clerk – have been most rewarding, educational and enjoyable. A "Big Thank You" to the citizens of Dennis who voted for me each term and trusted that I would be up to the task of being your keeper of records and election official.

My sincere appreciation and thank you goes to Terri Bunce, Assistant Town Clerk, Marie Perna, former Office Assistant, Laura McCarthy, Office Assistant; the Board of Registrars, Grayce Monteiro, William Johansen and Robert Falkin; the election personnel who kept the voting precincts in order and made me look good; department heads and their staff; elected and appointed officials who in many instances pointed me in the right direction; and former Town Clerk Elinor Slade and Assistant Town Clerk June Fanara who gave me the foundation to perform my job as Town Clerk.

Respectfully submitted,

Jacquelyn K. Souza  
Town Clerk

I respectfully submit the 2008 report of the Town Clerk.

Jacquelyn K. Souza

# Annual Town Meeting

## Town of Dennis

May 6, 2008

Robert C. Chamberlain, Moderator, call the Annual Town Meeting held at the Nathaniel H. Wixon Middle School to order at 7:01 p.m. He declared a quorum present and noted that the Warrant had been posted by Thomas F. Martin, Constable. Tellers were Herbert Goldberg, Gladys Kearney, Robert Kosco, Rick Mulholland, Carole Bell, Paul Corcoran and Paul Covell, Head Teller.

On motion of Finance Committee Chairman James Plath, duly seconded, it was unanimously voted to waive the formal reading of the Warrant.

Moderator Chamberlain asked the assembly to kindly rise and salute the flag.

The Henry C. Boles Achievement Awards were presented by Committee Member Julia Johnson. The Certificates and \$100 US Savings Bonds were given to Michaelann Ferro and Braedy Leidner, students at the Ezra Baker School; and Brian Colucci and Danielle LaFerriere, students at the Nathaniel H. Wixon Middle School.

All of the recipients are a credit to their families, their schools and our community.

Bobbie Trepte presented the 2008 Donald Trepte Scholarship award to Samantha N. Walker a Senior who will graduate from Dennis-Yarmouth Regional High School with a 4.06 average, who appeared in many theater and musical productions and who has a commitment to community enrichment. This is the first Donald Trepte Annual Scholarship Award.

Selectman Paul McCormick presented the Skip Nelson Award to the Dennis-Harwich Rotary Club.

**ARTICLE 1.** Unanimously Voted: To accept the reports of the Town Officers as printed and made available to the public on March 13, 2008.

**ARTICLE 2.** To hear and act on any heretofore unpublished committee reports.

Finance Committee Chairman James Plath presented the Committee's Annual Report.

**ARTICLE 3.** Unanimously Voted: To assume liability in the manner provided by Section 29, Chapter 91 of the Massachusetts General Laws as amended, for all damages that may be incurred by the work to be performed by the Mass. Department of Environmental Management for the improvement, development, maintenance and protection of tidal and non-tidal rivers

and streams, harbors, tidewaters, foreshores, and shores along a public beach in accordance with Section 11 of Chapter 91 of the Massachusetts General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

**ARTICLE 4.** Unanimously Voted: To recommend to raise and appropriate or transfer from available funds \$25,526,786 for the operating expenses of the Town for the fiscal year commencing July 1, 2008 and ending June 30, 2009.

Recommend to transfer \$15,000 from the Cable Receipts Fund to Town Administrator Personal Services, Line Item #4;

Recommend to transfer \$50,000 from Overlay Reserve to Town Administrator Settlements, Line Item #5;

Recommend to transfer \$50,000 from Overlay Reserve to Finance Committee Reserve Fund, Line Item #10;

Recommend to transfer \$5,000 from Cable Receipts Reserved for Appropriation Fund to Central Purchasing Purchase of Services, Line Item #15;

Recommend to transfer \$141,691 from the Cable Receipts Reserved for Appropriation Fund to Data Processing Personal Services, Line Item #34;

Recommend to transfer \$720.00 from the Wetlands Protection Act Fund to Natural Resource Personal Services, Line Item #48;

Recommend to transfer \$140,000 from Free Cash to Police Dept. Capital Outlay, Line Item #66;

**27,738,881.00**

**ARTICLE 5.** Majority Vote: To approve an annual school budget for the Dennis-Yarmouth Regional School District in the amount of \$48,711,320, to raise and appropriate \$14,582,610 for the Fiscal Year beginning July 1, 2008, and that \$257,464 of the total appropriation be contingent upon the successful vote at the May 13, 2008 Town Election to assess additional real estate and personal property taxes in accordance with the provisions of Proposition 2 ½.

**ARTICLE 6.** Unanimously Voted: To approve an annual school budget for the Cape Cod Regional Technical High School in the amount of \$11,903,693, and to raise and appropriate \$1,234,704 for the operating expenses of said school for the fiscal year beginning July 1, 2008

**ARTICLE 7.** Unanimously Voted: To transfer \$300,000 from free cash for the purpose of reducing the tax rate for the fiscal year beginning July 1, 2008.

**ARTICLE 8.** Unanimously Voted: To raise and appropriate \$67,837 to pay for the salaries and compensation of the elected officers of the Town for the fiscal year commencing July 1, 2008 and ending June 30, 2009, as provided for in Massachusetts General Laws, Chapter 41, Section 108 and acts and amendments thereof.

- 5 Selectmen at \$2,000 each
- 1 Moderator at \$450
- Town Clerk at \$57,387.00

And that the salaries and compensations be fixed as given in this article and further, that all other elected officers serve without compensation.

**ARTICLE 9.** Majority Vote: To transfer \$15,000 from the Beach Capital Improvement Fund, transfer \$18,550 from Article 9, Item 9A of the May 8, 2007 Annual Town Meeting, transfer \$154,500 from free cash, transfer \$183,000 from the Golf Capital Improvement Fund, and transfer \$71,900 from the cable receipts reserved for appropriation fund, for a total appropriation of \$442,950 to pay for the following capital outlay items:

1. <u>Beach</u>		
a. Beach Erosion & Boardwalks	<u>\$ 15,000.00</u>	\$ 15,000.00

**ARTICLE 14.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to pay for the following prior year's unpaid bills, or take any other action relative thereto:

**ARTICLE 15.** Unanimously Voted: To re-authorize for Fiscal Year 2009 the crediting of fees or charges to the Council-On-Aging Revolving Fund, pursuant to the M.G.L. Chapter 44, Section 53E ½, providing for a means by which fees or charges received in connection with a Council-On-Aging program or activity, may after receipt, be applied directly and without further appropriation to support that program or activity, for expenditure by the director of the Council-on-aging, up to a limit of \$50,000 during fiscal year 2009.

**ARTICLE 16.** Unanimously Voted: To re-authorize for Fiscal Year 2009 the crediting of fees, fines or charges to the town Library Revolving Fund, pursuant to M.G.L. Chapter 44, Section 53E ½, providing for a means by which fees, fines or charges received in connection with a Town Library program or activity may, after receipt, be applied directly and without further appropriation to support that program or activity, for expenditure by the Library Director up to \$3,000.00 during fiscal year 2009.

**ARTICLE 17.** Unanimously Voted: To re-authorize for Fiscal Year 2009 the crediting of reimbursements from Medicare Flu Shots, to the Health Medicare Reimbursement Revolving Fund, pursuant to M.G.L. Chapter 44, Section 53E 1/2, for expenditure by the Health Director up to a limit of \$20,000 for the purposes set forth in the Article during said fiscal year.

**ARTICLE 18.** Voted 226 yes to 129 no: To transfer \$87,683.09 from Article 4, Line Item #5, Town Administrator settlements of the May 6, 2008 Annual Town Meeting to fund a collective bargaining agreement between the town and the Dennis Professional Firefighters Association (IAFF), Local 2583 Union for Fiscal Year 2009.

**ARTICLE 19.** Unanimously Voted: To transfer \$115,650 from Article 4, Line Item #5, Town Administrator settlements of the May 6, 2008 Annual Town meeting to fund a collective bargaining agreement between the Town and the International Brotherhood of Police Officers, Local 417 Union for Fiscal Year 2009.

**ARTICLE 20.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund a collective bargaining agreement between the Town and the Dennis Police Superior Officers personnel for Fiscal Year 2009, or take any other action relative thereto.

**ARTICLE 21.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund a collective bargaining agreement between the Town and the Service Employees International Union, Local 888 personnel for Fiscal Year 2009, or take any other action relative thereto.

**ARTICLE 22.** Majority Vote: To transfer \$65,514.35 from Article 4, Line Item #5, Town Administrator Settlements of the May 6, 2008 Annual Town Meeting to fund a collective bargaining agreement between the town and the Massachusetts Laborers' District Council, Local 1249 Union for Fiscal Year 2009.

**ARTICLE 23.** Unanimously Voted: To transfer \$33,875 from Article 4, Line Item #5, Town Administrator Settlements of the May 6, 2008 Annual Town Meeting to fund wage increases for non-union personnel for fiscal year 2009.

**ARTICLE 24.** Unanimously Voted: To amend the Town Code, Chapter 40, Article 1, §40-1 of the Town Code to allow the Dennis Water District Election of officers and ballot questions to be held in conjunction with the Dennis Town Elections, with the full responsibility for the conduct of such elections to be vested in the officers of the town, and to authorize the Board of Selectmen, if necessary, to file Special Legislation to effectuate this change.

**ARTICLE 25.** Unanimously Voted: To amend Chapter 19, Article VII of the Town Code, by deleting the by-law in its entirety, and insert in place thereof the following new by-law entitled Town of Dennis Municipal Affordable Housing Trust Fund By-Law.

**“TOWN OF DENNIS  
MUNICIPAL AFFORDABLE HOUSING TRUST FUND BY-LAW**

In accordance with the provisions of Massachusetts General Laws Chapter 44, Section 55C as amended, the Town of Dennis hereby establishes a trust to be known as the Municipal Affordable Housing Trust Fund, hereinafter referred to as the Trust. The purpose of the Trust is to provide for the creation and preservation of affordable housing in Dennis for the benefit of low and moderate income households.

The Trust shall be managed by a Board of Trustees, hereinafter referred to as the Board. The Board shall consist of seven (7) individuals, each appointed by the Dennis Board of Selectmen, to serve for a term of two (2) years; however, commencing at the initial creation of the Board, two (2) members shall be appointed for a one (1) year term; two (2) members shall be appointed for a two (2) year term and three (3) members shall be appointed for a three (3) year term.

The powers of the Board, all of which shall be carried on in furtherance of the purposes set forth in this By-Law, shall include the following:

To accept and receive money by gift, grant, contribution, devise, or transfer from any person, firm, corporation or

other public or private entity, including, but not limited to money, grants of funds or other property tendered to the Trust in connection with the provisions of any by-law or any general law or special act of the Commonwealth, or any other source, including funds from Chapter 44B of the Massachusetts General Laws;

To contract for professional services which may include, but not be limited to the following: financial consultants, agents, auditors, advisors, appraisers, lawyers or other such parties as may be needed from time to time, subject to available funding. No more than twenty percent (20%) of the fund balance as shown on July 1<sup>st</sup> of any given year may be expended for this purpose by the Board of Trustees within that fiscal year;

To be authorized to appropriate, with the approval of the Board of Selectmen, funds for the buy-down of the difference between the allowed maximum resale price of an existing home that carries an affordable housing restriction and its affordable resale price based on eighty percent (80%) of the area median income eligibility or other affordable housing programs as developed by the Trust;

To be authorized to review, supplement and assist in the implementation of policies that affect the availability of affordable housing; to institute guidelines and coordinate Town-sponsored affordable housing proposals; to promulgate equal access to housing of a wide range of housing types in the Town of Dennis;

To encourage and assist the Town toward meeting its 10% goal for affordable housing units as set forth in Chapter 40B of the General Laws; assist in the preparation of housing plans as provided in the Town of Dennis comprehensive Plan; and to encourage development of affordable housing for low and moderate income persons and families using various types of situations and ownership programs, zoning, legislation and rentals;

To be authorized to review and comment on all affordable housing proposals brought before the Town of Dennis, act on fair housing issues and encourage affordable housing projects relating to existing housing stock; and

Other such duties and responsibilities as may from time to time be authorized by the legislative body of the Town of Dennis.”

The Trust shall meet with the Board of Selectmen on a semi-annual basis, or more often as needed to discuss their goals and objectives and other matters of mutual concern. The Trust shall prepare and submit an Annual Report and submit it to the Board of Selectmen for inclusion in the Town Report.

The Trust shall meet as often as necessary but no less than once a month. All meetings shall be held in a public location and open to the public in accordance with the Massachusetts Open Meeting Law.

**ARTICLE 26.** Voted 175 yes to 29 no: To transfer the care, custody, management and control of the parcel of land located at 25 Cross Street, Dennisport, consisting of 10,000 square feet, more or less and shown on the Assessors Map 58, parcel 33 from the Board of Selectmen for general municipal purposes to the Board of Selectmen for purposes of sale, and further, to authorize the selectmen to convey the property to a non-profit entity on such terms and conditions and for such consideration, which may be nominal consideration, as the selectmen deem appropriate, provided that the conveyance shall be subject to the following conditions:

1. The property shall be used for the construction of low or moderate income housing, provided that, prior to the issuance of a building permit for such housing, the purchaser shall grant to the town an affordable housing restriction, enforceable in perpetuity, free of liens and encumbrances, meeting the requirements of M.G.L. Ch. 184, Sec. 31 & 32;
2. The property shall be conveyed subject to a right of reverter which may be exercised by the town if the purchaser (a) does not obtain sufficient funding for the development of low and moderate income housing within 1 year from the date of conveyance, (b) fails to complete construction of such housing within 3 years from the date of conveyance, or (c) fails to use the property for the purposes provided herein; and
3. The purchaser may request an extension of the date specified above from the Board of Selectmen.

**ARTICLE 27.** Voted 172 yes to 10 no: To transfer the care, custody, management and control of the parcel of land located at 3 Hemlock Lane, South Dennis, consisting of 10,018 square feet, more or less and shown on Assessors Map 175, Parcel 1 from the Board of Selectmen for general municipal purposes to the Board of Selectmen for purposes of sale, and further, to authorize the selectmen to convey the property to a non-profit entity on such terms and conditions and for such consideration, which may be nominal consideration, as the selectmen deem appropriate, provided that the conveyance shall be subject to the following terms and conditions:

1. The property shall be used for the construction of low or moderate income housing, provided that, prior to the issuance of a building permit for such housing, the purchaser shall grant to the Town an affordable housing restriction, enforceable in perpetuity, free of liens and encumbrances, meeting the requirements of M.G.L. Ch. 184, Sec. 31 & 32;
2. The property shall be conveyed subject to a right of reverter which may be exercised by the Town if the purchaser (a) does not obtain sufficient funding for the development of low and moderate income housing within 1 year from the date of conveyance, (b) fails to complete construction of such housing within 3 years from the date of conveyance, or (c) fails to use the property for the purposes provided herein; and
3. The purchaser may request an extension of the date specified above from the Board of Selectmen.

**ARTICLE 28.** Voted 180 yes to 8 no: To see if the Town will vote to transfer the care, custody, management and control of the parcel of land located at 32 Mill Street, Dennisport, consisting of .5 acres, more or less and shown on the assessors map 75, parcel 12 from the board of selectmen for general municipal purposes to the Board of Selectmen for purposes of sale, and further, to authorize the selectmen to convey the property to a non-profit entity on such terms and conditions and for such consideration, which may be nominal consideration, as the selectmen deem appropriate, provided that the conveyance shall be subject to the following conditions:

1. The property shall be used for the construction of low or moderate income housing, provided that, prior to the issuance of a building permit for such housing, the purchaser shall grant to the Town an affordable housing restriction, enforceable in perpetuity, free of liens and encumbrances, meeting the requirements of M.G.L. Ch.184, Sec. 31 & 32;
2. The property shall be conveyed subject to a right of reverter which may be exercised by the Town if the purchaser (a) does not obtain sufficient funding for the development of low and moderate income housing within 1 year from the date of conveyance, (b) fails to complete construction of such housing within 3 years from the date of conveyance, or (c) fails to use the property for the purposes provided herein; and
3. The purchaser may request an extension of the date specified above from the Board of Selectmen.

**ARTICLE 29.** Unanimously Voted: To authorize the Board of Selectmen to establish an Agricultural Commission in the Town of Dennis to encourage the pursuit and promotion of agriculture and agricultural based economic opportunities in Dennis, and further, to authorize the Selectmen to create a charge for the Commission regarding its composition, purpose, duties and responsibilities.

**ARTICLE 30.** Unanimously Voted: To amend the Town Code by adding the following new By-Law entitled “Dennis Right to Farm By-Law:

## **DENNIS RIGHT TO FARM BY-LAW**

### **Section 1. Purpose**

1. The purpose and intent of this by-law is to state with emphasis the Right to Farm accorded to all citizens of the Commonwealth of Massachusetts under Article 97 of the Constitution and all state statutes and regulations there under including but not limited to Massachusetts General Laws Chapter 40A, Section 3, Paragraph 1; Chapter 90, Section 9, Chapter 111, Section 125A and Chapter 128 Section 1A. We, the citizens of Dennis, restate and republish these rights pursuant to the Town’s authority conferred by Article 89 of the Articles of Amendment of the Massachusetts Constitution (“Home Rule Amendment”).

2. This General By-Law encourages the pursuit of agriculture, promotes agriculture-based economic opportunities and protects farmlands within the Town of Dennis by allowing agricultural uses and related activities to function with minimal conflict with abutters and town agencies. This by-law shall apply to all jurisdictional areas within the Town.

### **Section 2. Definitions**

1. The word “farm” shall include any parcel or contiguous parcels of land or water bodies used for the primary purpose of commercial agriculture or accessory thereto.

2. The words “farming” or “agriculture” or their derivatives shall include, but not be limited to the following:

- a. Farming in all its branches and the cultivation and tillage of the soil;
- b. Dairying;
- c. Production, cultivation, growing and harvesting of any agricultural, aqua cultural, floricultural, viticultural or horticultural commodities;
- d. Growing and harvesting of forest products upon forest land and any other forestry or lumbering operations;
- e. Keeping and raising of livestock including horses;
- f. Keeping of horses as a commercial enterprise; and
- g. Keeping and raising of poultry, swine, cattle, ratites (such as emus, ostriches and rheas) and camelids (such as llamas and camels) and other domesticated animals for food and other agricultural purposes, including bees and fur-bearing animals.

3. “Farming” shall encompass activities including but not limited to the following:

- a. Operation and transportation of slow-moving farm equipment over roads within the Town.
- b. Control of pests, including but not limited to, insects, weeds, predators and disease organism of plants and animals;

- c. Application of manure, fertilizers and pesticides;
- d. Conducting agriculture-related educational and farm-based recreational activities including agri-tourism, provided that the activities are related to marketing the agricultural output or services of the farm;
- e. Processing and packaging of the agricultural output of the farm and the operation of a farmer's market or farm stand including signage thereto;
- f. Maintenance, repair or storage of seasonal equipment or apparatus owned or leased by the farm owner or manager expressly for the purpose of propagation, processing, management, or sale of the agricultural products; and
- g. On-farm relocation of earth and the clearing of trees, brush and ground for farming operations.

### **Section 3. Right To Farm Declaration**

1. The Right to Farm is hereby recognized to exist within the Town of Dennis. The above-described agricultural activities may occur on holidays, weekdays and weekends by night or day and shall include the attendant incidental noise, odors, dust and fumes associated with normally accepted agricultural practices. It is hereby determined that whatever impact may be caused to others through the normal practice of agriculture is more than offset by the benefits of farming to the neighborhood, community and society in general. The benefits and protections of this by-law are intended to apply exclusively to those commercial agricultural and farming operations and activities conducted in accordance with generally accepted agricultural practices. Moreover, nothing in this Right to Farm By-law shall be deemed as acquiring any interest in land, or as imposing any land use regulation, which is properly the subject of state statute, regulation or local zoning law.

### **Section 4. Disclosure Notification**

1. Within 30 days after this by-law becomes effective, the Board of Selectmen of the Town of Dennis shall prominently post in the Town Hall and make available for distribution the following disclosure:

“It is the policy of this community to conserve, protect and encourage the maintenance and improvement of agricultural land for the production of food and other agricultural products and also for its natural and ecological value. This disclosure notification is to inform buyers or occupants that the property they are about to acquire or occupy lies within a town where farming activities occur. Such farming activities may include, but are not limited to activities that cause noise, dust and odors.”

### **Section 5. Resolution of Disputes**

1. Any person who seeks to complain about the operation of a farm may, notwithstanding pursuing any other available remedy, file grievance with the

Board of Selectmen, the Zoning Enforcement Officer, the Director for the Dept. of Natural Resources, or the Board of Health, depending upon the nature of the grievance. The filing of the grievance does not suspend the time within which to pursue any other available remedies that the aggrieved may have. The Zoning Enforcement Officer or the Board of Selectmen shall forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance involving all concerned parties and report its recommendations to the referring Town authority within an agreed upon time frame.

2. The Board of Health, except in cases of imminent danger or public health risk, shall forward a copy of the grievance to the Agricultural Commission or its agent, which shall review and facilitate the resolution of the grievance involving all concerned parties, and report its recommendations to the Board of Health within an agreed upon time frame.

### **Section 6. Severability Clause**

1. If any part of this by-law is for any reason held to be unconstitutional or invalid, such decision shall not affect the remainder of this by-law. The Town of Dennis hereby declares the provisions of this by-law to be severable.

**ARTICLE 31.** Unanimously Voted: In accordance with the Selectmen's Fee Limitation By-Law, to increase the fees of the Building Inspection and Health Departments:

#### **A. Building - Residential**

1. Demolition
  - a. Principal Buildings – increase from \$60.00 to \$100.00
  - b. Accessory Buildings increase from \$31.00 to \$ 75.00

#### **B. Building - Other**

1. Alterations, Renovations, Repairs
  - a. Major – more than 500 sq.ft. increase from \$.33 sq.ft. to \$.55 sq.ft.
2. Demolition (Commercial)
  - a. Principal Buildings increase from \$92.00 to \$150.00

#### **C. Electrical**

1. Carnivals/Fairs
  - a. Re-inspection increase from \$49.00 to \$70.00

#### **D. Health**

1. I/A Administration/Pressure Dosing increase from \$50.00 to \$75.00

**ARTICLE 32.** Unanimously Voted: To increase the Emergency Medical Service fees of the Dennis Fire Department as delineated below, and further, that the funds collected from these fees be deposited in the ambulance receipts reserve for appropriation account to help defray the costs of purchasing, staffing, maintaining and operating the ambulances, including any maturing debt relating to the purchase of any ambulance vehicles or appurtenant equipment.

- A. Basic Life Support, Non Emergency . . . . from \$287.14 to \$324.07
- B. Basic Life Support, Base Rate . . . . . from \$425.00 to \$518.51
- C. Advanced Life Support Non Emergency . from \$340.98 to \$388.89
- D. Advanced Life Support Base Rate . . . . . from \$615.20 to \$616.14
- E. Advanced Life Support 2 Base Rate . . . . from \$740.00 to \$891.20
- F. Specialty Care . . . . . from \$737.27 to \$1,053.24
- G. Oxygen . . . . . from \$50.00 to \$55.00
- H. Airways . . . . . from \$125.00 to \$140.00
- I. IV Therapy. . . . . from \$125.00 to \$140.00
- J. Cardiac Monitor . . . . . from \$125.00 to \$140.00
- K. Defibrillation . . . . . from \$125.00 to \$140.00

**ARTICLE 33.** Unanimously Voted: In accordance with the Selectmen’s Fee Limitation By-Law, to establish new fees for the Harbormaster’s Department, and that said fees may be amended from time to time by the Board of Selectmen in accordance with said by-law.

- A. Swan Pond River Common Landing Season Permit . . . . . \$ 15.00
- B. Swan Pond River Common Landing Transient Permit . . . . . 5.00
- C. Harbormaster Removal of Abandoned Boat . . . . . 200.00
- D. Harbormaster Storage of Abandoned Boat. . . . . 100.00

**ARTICLE 34.** Unanimously Voted: To amend Article 13, Item 6A of the May 3, 2005 Annual Town Meeting by adding the words “and repairs” after the word “engineering” the Cove Road Landing Boat Ramp, and authorize the repair of said boat ramp.

**ARTICLE 35.** Unanimously Voted: To rescind the un-issued balance of \$73,448.31 from the original \$78,300.00 borrowing authorization as voted at the May 2, 2006 Annual Town Meeting under Article 45 for the temporary repairs to Hiram Pond Road.

**ARTICLE 36.** Unanimously Voted: To rescind the un-issued balance of \$30,304.57 from the original \$45,000.00 borrowing authorization as voted at the May 2, 2006 Annual Town Meeting under Article 46 for the temporary repairs to Lombardi Heights Road.

**ARTICLE 37.** Unanimously Voted: To approve a budget for the Community Preservation Committee for Fiscal Year 2009 in the amount of \$1,407,889, and appropriate the following amounts from the Community Preservation Fund:

- 1. 10% to be reserved for Community Housing - \$140,789;
- 2. 10% to be reserved for Open Space - \$140,789;
- 3. 10% to be reserved for Historic Preservation - \$140,789;
- 4. Debt Service - \$791,375;
- 5. Community Preservation Committee Expenses - \$25,000; and
- 6. Reserved for future appropriation - \$169,147.

For a total appropriation of \$1,407,889.

**ARTICLE 38.** Unanimously Voted: To authorize the Board of Selectmen to take by eminent domain, with the consent from the owner, an easement from Delia P. Gormley of 1015 Rt. 134, South Dennis, MA for the construction of a sidewalk along Route 134, South Dennis, for the construction of a sidewalk along Route 134, as shown as Open Space Lots B & C on a plan entitled "Subdivision Plan of Land in East Dennis, Mass. for Henry H. Sears, et al" dated June 21, 1978 and recorded with Barnstable County Registry of Deeds in Plan Book 327, Page 69 and more particularly described on the plan entitled "Plan of Sidewalk Easement at Homer Lane in Dennis, Mass. for the Town of Dennis" dated July 19, 2006, prepared by Paul E. Sweetser, Professional Land Surveyor, P.O. Box 1146, Dennisport, MA 02639, a copy of which is on file with the Town Clerk, and in furtherance of this article, to appropriate a sum of money not to exceed the balance of Article 4 of the June 19, 2007 Special Town Meeting, to acquire the easement on such terms and conditions and for such consideration, which may be nominal consideration, as the Selectmen may deem appropriate.

**ARTICLE 39.** Unanimously Voted: In accordance with the Selectmen's Fee Limitation By-Law, to establish a new fee of \$8.00 for the replacement of any lost, stolen or damaged sticker or permit for Shellfishing, 4-Wheel Drive Beach Access, and Harbor Parking, and that said fee may be amended from time to time by the Board of Selectmen in accordance with said by-law.

**ARTICLE 40.** Unanimously Voted: To indefinitely postpone action on this article. To see if the Town will vote to accept the provisions of M.G.L. Chapter 32B, Section 9D, to provide for the Town payment of one-half of the premium costs payable by the surviving spouse of an employee or retired employee for group general or blanket hospital, surgical, medical, dental or other health insurance.

**ARTICLE 41.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to accept M.G.L. Chapter 32B, Section 18, which provides for that all retirees, their spouses and dependents insured or eligible to be insured under this chapter, if enrolled in Medicare Part A at no cost to the retiree, spouse or dependents, shall be required to transfer to a Medicare extension plan offered by the governmental unit under M.G.L. Chapter 32B, Sections 11C or 16; provided that benefits under said plan and Medicare Part A and Part B together shall be of comparable actuarial value to those under the retiree's existing coverage. The governmental unit shall pay any Medicare Part B premium penalty assessed by the federal government on said retirees, spouses and dependents as a result of enrollment in Medicare Part B at the time of transfer into the Medicare health benefits supplementation plan, or take any other action relative thereto.

**ARTICLE 42.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to appropriate \$56,000 for the installation of a Massachusetts Technology Collaborative supported solar energy system on

the Dennis Senior Center or other Town structure as deemed appropriate by the Department of Public Works and to fund such article, raise, or transfer from available funds, or authorize the Treasurer with the approval of the Board of Selectmen to borrow \$60,000 under Chapter 44 of the Massachusetts General Laws.

**ARTICLE 43.** Unanimously Voted: To authorize the Treasurer/Collector to transfer care, custody and control to the Conservation Commission under M.G.L. Chapter 40, Section 8C, of property obtained by Final Judgment in Tax Lien Case No. 123046T.L., recorded at Barnstable Registry of Deeds in Book 14064, Page 139, said property located at 22 Pond Street, containing 1.5 acres, more or less and shown on Assessors Map 45 as Parcel 46.

**ARTICLE 44.** Unanimously Voted: To transfer from the Board of Selectmen for affordable housing purposes to the Board of Selectmen for recreation and agricultural purposes, and for the purpose of leasing a portion of the property located at 812 Route 134 being shown as "Parcel A on plan entitled "Dennis Housing Authority, Conceptual Division Plan" Scale: 1" = 40' dated April 6, 2006, and made by Eldredge Surveying, 1038 Main Street, Chatham, MA" and filed with the Town Clerk, containing approximately .65 acres of land, more or less, according to said plan and acquired by deed dated March 5, 2008 and filed with Barnstable County Registry District of the Land Court as Document No. 1,084,826 and further to authorize the Board of Selectmen to enter into a lease for such period of years and upon such terms and conditions as the Board of Selectmen shall determine to be appropriate.

**ARTICLE 45.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be deposited in the Capital Improvement Fund, or take any other action relative thereto.

**ARTICLE 46.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be deposited in the Stabilization Fund, or take any other action relative thereto.

It was unanimously voted to adjourn (dissolve) the meeting at 10:42 p.m. on May 6, 2008.

# Annual Town Election

Tuesday, May 13, 2008

Agreeable to the Warrant, the inhabitants of the Town of Dennis qualified to vote in elections met at the various Precincts in the following places:

**Question No. 1 – Law Proposed by Initiative Petition**  
 Do you approve a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

**Summary** – This proposed law would reduce the state personal income tax rate to 2.65% for all categories of taxable income for the tax year beginning

on or after January 1, 2009, and would eliminate the tax for all tax years beginning on or after January 1, 2010.

The personal income tax applies to income received or gain realized by individuals and married couples, by estates of deceased persons, by certain trustees and other fiduciaries, by persons who are partners and receive income from partnerships, by corporate trusts, and by persons who receive income as shareholders of “S corporations” as defined under federal tax law. The proposed law would not affect the tax due on income or gain realized in a tax year beginning before January 1, 2009.

The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

**A Yes Vote** would reduce the state personal income tax rate to 2.65% for the tax year beginning on January 1, 2009, and would eliminate the tax for all tax years beginning on or after January 1, 2010.

**A No Vote** would make no change in state income tax laws.

<b>Yes</b>	738	723	564	701	647	3373
<b>No</b>	1247	1264	907	1148	1203	5769
<b>Blanks</b>	123	91	70	86	61	431
<b>Totals</b>	2108	2078	1541	1935	1911	9573

**Question 2 – Law Proposed by Initiative Petition**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

**Summary** –This proposed law would replace the criminal penalties for possession of one ounce or less of marijuana with a new system of civil penalties, to be enforced by issuing citations, and would exclude information regarding this civil offense from the state’s criminal record information system. Offenders age 18 or older would be subject to forfeiture of the marijuana plus a civil penalty of \$100. Offenders under the age of 18 would be subject to the same forfeiture and, if they complete a drug awareness program within one year of the offense, the same \$100 penalty.

Offenders under 18 and their parents or legal guardian would be notified of the of the offense and the option for the offender to complete a drug awareness program developed by the state Department of Youth Services. Such programs would include ten hours of community service and at least four hours of instruction or group discussion concerning the use and abuse of marijuana and other drugs and emphasizing early detection and prevention of substance abuse.

The penalty for offenders under 18 who fail to complete such a program within one year could be increased to as much as \$1,000, unless the offender showed an inability to pay, an inability to participate in such a program or the unavailability of such a program. Such an offender's parents could also be held liable for the increased penalty. Failure by an offender under 17 to complete such a program could also be a basis for a delinquency proceeding.

The proposed law would define possession of one ounce or less of marijuana as including possession of one ounce or less of tetrahydrocannabinol ("THC"), or having metabolized products of marijuana or THC in one's body.

Under the proposed law, possessing an ounce or less of marijuana could not be grounds for state or local government entities imposing any other penalty, sanction, or disqualification, such as denying student financial aid, public housing, public financial assistance including unemployment benefits, the right to operate a motor vehicle, or the opportunity to serve as a foster or adoptive parent. The proposed law would allow local ordinances or bylaws that prohibit the public use of marijuana, and would not affect existing laws, practices, or policies concerning operating a motor vehicle or taking other actions while under the influence of marijuana, unlawful possession of prescription forms of marijuana, or selling, manufacturing, or trafficking in marijuana.

The money received from the new civil penalties would go to the city or town where the offense occurred.

**A Yes Vote** would replace the criminal penalties for possession of one ounce or less of marijuana with a new system of civil penalties.

**A No Vote** would make no change in state criminal laws concerning possession of marijuana.

<b>Yes</b>	1228	1236	1018	1232	1216	5930
<b>No</b>	821	786	474	669	659	3409
<b>Blanks</b>	59	56	49	34	36	234
<b>Totals</b>	2108	2078	1541	1935	1911	9573

**Question 3 – Law Proposed by Initiative Petition**

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 2008?

**Summary** – This proposed law would prohibit any dog racing or racing meeting in Massachusetts where any form of betting or wagering on the speed or ability of dogs occurs.

The State Racing Commission would be prohibited from accepting or approving any application or request for racing dates for dog racing.

Any person violating the proposed law could be required to pay a civil penalty of not less than \$20,000 to the Commission. The penalty would be used for the Commission's administrative purposes, subject to appropriation by the state Legislature. All existing parts of the chapter of the state's General Laws concerning dog and horse racing meetings would be interpreted as if they did not refer to dogs.

These changes would take effect January 1, 2010. The proposed law states that if any of its parts were declared invalid, the other parts would stay in effect.

**A Yes Vote** would prohibit dog races on which betting or wagering occurs, effective January 1, 2010.

**A No Vote** would make no change in the laws governing dog racing.

<b>Yes</b>	1339	1289	867	1181	1122	5798
<b>No</b>	698	725	610	703	740	3476

<b>Totals</b>	2108	2078	1541	1935	1911	9573

**Question 4 – This Question is not binding.**

Shall the state representative from this district be instructed (1) to support legislation establishing health care as a human right regardless of age, state of health or employment status, by creating a single payer health insurance system that is comprehensive, cost effective, and publicly provided to all residents of Massachusetts: and (2) to oppose any laws penalizing the uninsured for failing to obtain health insurance?

<b>Yes</b>	1214	1154	920	1160	1143	5591

<b>Totals</b>	2108	2078	1541	1935	1911	9573

# Town of Dennis

## Special Town Meeting

### November 18, 2008

Robert C. Chamberlain, Moderator, called the Special Town Meeting held at the Nathaniel H. Wixon Middle School to order at 7:01 p.m. He declared a quorum present and noted that the Warrant had been posted by Thomas Martin, Constable. Tellers were Robert Kosco, Ed Chatelain, Herbert Goldberg, Thomas Perrino and Paul Covell, Head Teller.

On motion of Finance Committee Member, William Crowell, duly seconded, it was unanimously voted to waive the formal reading of the Warrant.

Moderator Chamberlain asked the assembly to kindly rise and salute the flag.

**ARTICLE 1.** Unanimously Voted: To establish a new non-resident junior golf membership fee of \$175.00, and that said fee may be amended from time to time by the Board of Selectmen in accordance with the Selectmen's Fee Limitation By-Law.

**ARTICLE 2.** Majority Vote: To transfer \$98,300 from Free Cash to pay for the installation of a Massachusetts Technology Collaborative supported solar energy system on any Town structure as deemed appropriate by the Board of Selectmen.

**ARTICLE 3.** Unanimously Voted: To transfer \$95,290 from Free Cash to pay for the installation of energy efficient infra-red heating systems at the Dept. of Public Works Complex and Fire Dept. Headquarters, and for the installation of an energy efficient hot water tank at the Dept. of Public Works Complex.

**ARTICLE 4.** Unanimously Voted: To indefinitely postpone the article. To see if the Town will vote to authorize the Board of Selectmen to acquire by eminent domain, with the consent of the owner, for general municipal purposes, a parcel of land situated in Dennis and known as The Jephtha Nickerson Lot, containing 5.5 acres more or less and bounded on the west by Gages Road, on the north by heirs of Freeman Baker et al, on the east by said heirs of Freeman Baker et al, and on the south by Isaiah Nickerson's heirs, and shown on Assessor's Map 166 as Parcel 10, and further, to raise and appropriate or transfer from available funds and/or borrow a sum of money to pay for the acquisition of said parcel.

**ARTICLE 5.** Voted 166 Yes 9 No: To appropriate and transfer \$330,000 from the Community Preservation Open Space and Recreation Reserves Fund and appropriate and transfer \$177,000 from the Community Preservation Undesignated Reserves Fund for site development and short term borrowing costs for Bass River Park, contingent upon receipt of a Massachusetts PARC grant in the amount of \$500,000, and to authorize the Treasurer, with the approval of the Board of Selectmen, to borrow \$500,000 in anticipation of revenue pursuant to Massachusetts General Laws, Chapter 44, Section 7, Paragraph 25, or any other enabling authority for said purpose.

**ARTICLE 6.** Unanimously Voted: To appropriate and transfer \$18,000 from the Community Preservation Historic Preservation Reserves Fund to the Town of Dennis for professional preservation services including recording and signage at the Ancient Cemetery in South Dennis.

**ARTICLE 7.** Unanimously Voted: To appropriate and transfer \$21,295 from the Community Preservation Historic Preservation Reserves Fund to the Town of Dennis, for further restoration and rehabilitation of Carleton Hall.

**ARTICLE 8.** Unanimously Voted: To appropriate and transfer \$135,000 from the Community Preservation Historic Preservation Reserves Fund and to appropriate and transfer \$65,000 from the Community Preservation Undesignated Reserves Fund to the Town of Dennis for professional services and/or restoration work including structural analysis and bid specifications for the Reverend Josiah Dennis Manse, and further, a portion of these funds to be used as a Town match for a pending state grant.

**ARTICLE 9.** Unanimously Voted: To appropriate and transfer \$160,000 from the Community Preservation Community Housing Reserves Fund to the Housing Assistance Corporation to purchase and rehabilitate not less than two housing units to be subsequently sold to income eligible purchasers, under a perpetual affordable housing deed restriction.

**ARTICLE 10.** Majority Vote: To appropriate and transfer \$105,000 from the Community Preservation Community Housing Reserves Fund to the Town of Dennis for: 1) \$104,500 to subsidize the construction of three units of affordable housing, and 2) \$500.00 to update the Town's affordable housing plan.

**ARTICLE 11.** Unanimously Voted: To rescind the authorization under Article 38 of the May 6, 2008 Annual Town Meeting, concerning an eminent domain taking of an easement from Delia P. Gormley of 1015 Rt. 134, South Dennis, MA.

**ARTICLE 12.** Unanimously Voted: To transfer \$10,950 from Article 4, Line Item #5, Town Administrator Settlements, of the May 6, 2008 Annual Town Meeting to fund a collective bargaining agreement between the Town and the Dennis Police Superior Officers personnel for Fiscal Year 2009.

**ARTICLE 13.** Unanimously Voted: To indefinitely postpone the Article. To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund a collective bargaining agreement between the Town and the Service Employees International Union, Local 888 personnel for Fiscal Year 2009.

**ARTICLE 14.** Unanimously Voted: To transfer \$924 from Bass River Park Reserves, \$2,406 from the Dredge Fund and \$231,719 from free cash to supplement the Fiscal Year 2009 Line Item appropriations voted under Article 4 of the May 6, 2008 Annual Town Meeting:

a. Town Administrator, Purchase of Services, Line Item # 6 . . . . .	\$ 924.00
b. Finance Committee Reserve Fund, Line Item #10 . . . . .	71,719.00
c. Central Purchasing, Line Item #16 . . . . .	135,000.00
d. Harbormaster, Capital Outlay, Line Item #95 . . . . .	2,406.00
e. Golf, Supplies, Line Item #157 . . . . .	<u>25,000.00</u>
Total . . . . .	\$ 235,049.00

**ARTICLE 15.** Majority Vote: To transfer \$6,000 from Cable Receipts Reserved to pay for a telephone survey conducted by the Center for Policy Analysis of the University of Massachusetts, Dartmouth of Dennis residents' opinions and comments regarding cable television service in the Town of Dennis.

**ARTICLE 16.** Unanimously Voted: To transfer \$26,000 from free cash to purchase an additional 6 base units, 22 mobile units and 30 portable units for our Public Safety 450 Radio System.

**ARTICLE 17.** Unanimously Voted: To amend the Town Code under Chapter 163, Tobacco Vending Machines, §163-3 Violations and Penalties (Sale and Distribution of Tobacco Products), by deleting the section in its entirety and replacing it with the following language:

**“§163-3. Violations and Penalties**

a. Whoever violates any provision of this by-law may be penalized by a non-criminal disposition process as provided in G.L. c.40, §21D and the Town's non-criminal disposition by-law. If non-criminal disposition is elected, then any person who violates any provision of this by-law shall be subject to the following penalties:

First Offense:	Written warning
Second Offense:	\$100 fine
Third Offense:	\$200 fine
Fourth or Subsequent Offense:	\$300 fine

Subsequent offenses shall be determined as offenses occurring within two years of the date of the first noticed offense. Each day or portion thereof shall constitute a separate offense. If more than one, each condition violated shall constitute a separate offense.

b. Permit Suspension or Revocation

Following a third offense within two years calculated from the date of the first noticed offense, the Board of Health may suspend or revoke any permit issued pursuant to these regulations for any violation of these regulations, or any other applicable General Law, regulation or by-law. Such revocation or suspension may take place after a hearing held by the Board of Health of which the permit holder is given seven (7) days written notice. Such notice shall be deemed given upon mailing same, certified mail, return receipt requested, to the address listed on the permit application.

c. Other

Whoever violates any provision of this by-law may be penalized by indictment or on complaint brought in the district court. Except as may be otherwise provided by law and as the district court may see fit to impose, the maximum penalty for each violation or offense shall be three hundred dollars. Each day or portion thereof shall constitute a separate offense. If more than one, each condition violated shall constitute a separate offense.

The Board of Health may employ the remedies set forth in G.L. c. 270, Sec. 6 for violations of provisions relating to the sale of tobacco products to minors.

The Board of Health may enforce this by-law or enjoin violations thereof through any lawful process, and the election of one remedy by the Board of Health shall not preclude enforcement through any other lawful means.”

**ARTICLE 18.** Unanimously Voted: To authorize the tax collector to increase the demand charges for delinquent local taxes from \$5.00 to \$30.00, in accordance with G.L. c.60, §15, as amended.

**ARTICLE 19.** Unanimously Voted: To transfer \$10,000 free cash to fund the Fuel Assistance Program.

**ARTICLE 20.** Majority Vote: To transfer \$414,000 from free cash to be deposited in the Stabilization Fund.

**ARTICLE 21.** Unanimously Voted: To indefinitely postpone the Article. To see if the Town will vote to raise and appropriate \$15,000 to fix the salary and compensation for (5) Selectmen at \$3,000 each for the fiscal year commencing July 1, 2009 as provided for in Massachusetts General Laws, Chapter 41, Section 108.

**ARTICLE 22.** Unanimously Voted: To transfer \$35,000 from Free Cash to pay for engineering, permitting and design of the West Dennis Resident Beach bulkhead.

**ARTICLE 23.** Unanimously Voted: To transfer \$275,000 from the Capital Improvement Fund to pay for the construction, reconstruction and/or replacement and related costs of the West Dennis Resident Beach bulkhead and beach nourishment, and for the dredging of Swan Pond and/or Swan Pond River.

**ARTICLE 24.** Unanimously Voted: To transfer \$9,000 from Beach Capital Improvement Fund to pay for engineering, construction and/or reconstruction of the West Dennis Public Beach bulkhead.

**ARTICLE 25.** Unanimously Voted: To transfer \$15,000 from Bass River Park Receipts Reserve to pay for solar lighting and dock repairs at Bass River Park.

**ARTICLE 26.** Unanimously Voted: To transfer \$65,000 from Free Cash to pay for engineering, construction, reconstruction and/or repairs to Uncle Freeman's Landing.

**ARTICLE 27.** Unanimously Voted: To transfer \$20,000 from the Waterways Improvement Fund to pay for the Bass River dredge engineering and permitting.

**ARTICLE 28.** Voted 97 yes and 50 no: To accept the provisions of Chapter 59, §57C of the Massachusetts General Laws, allowing for the implementation of a quarterly tax payment system for real estate tax bills beginning July 1, 2009.

**ARTICLE 29.** Majority Vote: To authorize the Board of Selectmen to apply for membership in the Cape & Vineyard Electric Cooperative, Inc. upon such terms and conditions deemed by the Board of Selectmen to be in the best interest of the Town.

**ARTICLE 30.** Unanimously Voted: To transfer \$30,000 from Free Cash to purchase five (5) new electronic voting machines.

The meeting adjourned (dissolved) at 9:17 p.m.

1 Cost - includes two components:

Fees - charges for attorney time.

Disbursements - includes reimbursement of out-of-pocket expenses, such as sheriff fees, recording fees, and deposition and trial transcripts.

2 Continuing - means that the issue is a general matter that is ongoing.

3 Passive Defense - when a plaintiff challenges the grant of a permit/variance, the defense of the permit is left to the permit holder.

Note: Date Filed/Opened – From present record keeping system: 1996 - present

# Board of Assessors

Fiscal Year 2009 is proving to be a challenging year for the Assessor's office. Last year, the department lost a full time staff position due to budget cuts. This year, while striving to maintain a consistently high level of service to both other Town departments and to the taxpayers of the Town; we are also preparing data for a quarterly tax billing system approved for Fiscal Year 2010 at the Special Town Meeting in November.

Property values for Fiscal Year 2009 have stabilized or started to decline throughout most of the town, most noticeably in the more moderately priced areas. Fiscal Year 2009 is an interim valuation year for the Town of Dennis. Property values reflect 100% Full and Fair Cash Value as of January 1, 2008. The tax rate of \$5.07 was approved by the Department of Revenue on September 10, eight days earlier than last year. Dennis was again one of the first five communities in the Commonwealth to have its tax rate approved. Property assessments can be viewed on-line at [www.town.dennis.ma.us](http://www.town.dennis.ma.us).

## CLASSIFICATION OF PROPERTY FOR THE FISCAL YEAR 2009

<u>Class</u>	<u>% of Levy</u>	<u>Valuation</u>	<u>Levy</u>
Residential	92.8143%	\$6,112,060,169	\$30,988,145.06
Open space	0.0098%	643,000	3,260.01
Commercial	5.6889%	374,631,391	1,899,381.15
Industrial	0.3746%	24,667,700	125,065.24
Personal	<u>1.1124%</u>	<u>73,257,800</u>	<u>371,417.05</u>
Total	100.0000%	\$6,585,260,060	\$33,387,268.51

FISCAL YEAR 2009 TAX RATE = \$5.07 PER \$1,000 OF VALUATION

We thank the Board of Selectmen, Town Administration, and Assessing Department staff for their efforts and professionalism. We look forward to another year of serving the citizens of the Town of Dennis.

Respectfully submitted,

Scott Fahle, Deputy Assessor

### **BOARD OF ASSESSORS**

Raymond A. Gagnon, Chairman  
Marie E. Giunta, John H. Greene,  
Carol T. Mitchell, Cleon H. Turner

# Treasurer/Collector

The Town of Dennis is fortunate to have such a dedicated staff in this office, which includes Assistant Treasurer/Collector Rosemary Moriarty, as well as Accounts/Records Clerks Janet Majka, Tone Raneo, and Lynn Bigelow. Their level of professionalism and innovative ideas will continue to streamline the functions of this department.

Tax bills can be paid on-line through the use of our town website, just follow the link to the Unipay system. Personal Property taxes are assessed as of January 1st. For FY 2008, the owner of record January 1st, 2007 would be responsible for the full amount levied on the FY 2008 Personal Property tax bill; unlike real estate, this tax cannot be pro-rated when a property is sold.

The Town's Capital Improvement Fund increased in the amount of \$290,000.00, due to the sale of two tax title foreclosures. Collections for delinquent tax title accounts for fiscal year 2008 amounted to \$ 264,000.00, which was an increase of \$ 109,000.00 over the previous year.

In the coming year, we will continue in our efforts to increase collections of town receivables, manage all town funds in a way that will safely maximize its return on investment, and accelerate our efforts for the collection of all delinquent accounts. We will also strive to have important information posted to our website, which is [www.town.dennis.ma.us](http://www.town.dennis.ma.us).

On the following pages I submit the annual report of the Treasurer/Collector, which includes the ending cash balance for fiscal year 2008. Additionally, I have included the annual wage report for 2008 and the statement of tax collections from July 1st, 2007 through June 30th, 2008, which includes:

- Beginning balances (as of 07-01-08)
- Revenue
- Abatements
- Refunds
- Transfers to tax title
- Adjustments to revenue
- Ending balances (as of 06-30-08)

Respectfully submitted,

Richard Buffington  
Treasurer/Collector

# **Town Accountant**

In accordance with the provisions of Chapter 42, Section 61, I hereby transmit the annual Financial Report of the Town of Dennis as of June 30, 2008, for the fiscal year then ended. The responsibility for both accuracy of the presented data and the completeness and fairness, including all disclosures rest with the Town Accountant.

The Town Accountant believes that the data presented is accurate in all material aspects. The town is audited yearly by a Certified Public Accountant selected by the Board of Selectmen. You may examine the auditors' report at the Town Clerk's office during regular office hours.

Respectfully submitted,

MaryAnne M. Gibbs, Town Accountant

# Police Department

As I sit here watching the snows from a second winter storm falling outside, I would like to take a moment to reflect on the fine work accomplished by the staff of the Dennis Police Department. The accomplishments outlined below would only be a plan on a piece of paper if it were not for the efforts of our staff under sometimes harsh conditions. Here are some of the Department's accomplishments and successes during this calendar year and challenges that we will be facing for the remainder of this fiscal year and next. I would also like to take a moment to recognize Karen Shores, an Emergency Telecommunications Officer, who will be retiring after 22 years of service to the Department. We wish her well.

During the first quarter of this calendar year the Department coordinated with 5 other Cape Cod police departments to hold the first multi-town recruitment test. By working with the towns of Brewster, Harwich, Orleans, Chatham and Mashpee we were able to provide one testing site for over 400 potential police recruits, share minimal costs of \$500.00 per department and turn back over \$4,000.00 to the Town Accountant at the end of the fiscal year. The Department was also awarded the first level of professional certification from the Massachusetts Law Enforcement Accreditation Commission.

In July 2008 we began FY2009 looking ahead to the following goals and objectives:

1. **Develop a 5-Year Strategic Plan for the Department by** identifying Selectmen's plans for development; identifying needs from citizens and businesses as well as Police Department staff, supervisors and labor representatives and conduct Internal and External Surveys.
2. **Further IT Development by** installing Mapping Software Elements to support Crime Analysis; upgrading business and site files; upgrading the Landlord Notification System; and integrate the department's computer system with town's payroll system.
3. **Improve Training and Professional Development by** implementing roll call training and documentation of a regular training schedule; develop training opportunities through distance learning programs to save on overtime and travel costs; and sponsor region wide training in the new training room and become a central location in the Cape area for training resulting in reduced cost for department training.

For the last several months the Department has been working on the fiscal challenges presented by the economy's dynamic downturn. These fiscal realities have produced service challenges for the remainder of this fiscal

year and next. Last month I presented recommendations to the Board of Selectmen for cost “freezes” during the remainder of this fiscal year. These freezes total over \$80,000.00 and will result in the elimination of all beach patrols, bike patrols and assignments of reserve officers during the beginning of the summer season (May and June 2009). These freezes have also resulted in reduced assignments for traffic enforcement by including the Traffic Officer in patrol duties and reducing our school programs at Ezra Baker and Wixon schools.

These are the initial steps taken to prepare for reduced funding by our state, county and federal partners. If additional cost-saving measures are required we will take the required steps to reduce costs while keeping our core mission of patrol services intact.

Our initial FY 2010 budget has identified a number of cost cutting strategies. These will include reduced beach and bike patrols and focusing personnel into the patrol shifts to reduce overtime needs. This focus will reduce staffing levels for investigative and school functions. The Department’s bottom line for FY10 shows an increase of less than 1% as of today. As we continue through the budget process we will make adjustments as directed by the Board of Selectmen and Finance Committee.

I often hear the argument that employee salaries, “full health care” and other personnel-based costs are the problem. I can assure you that is not the case in Dennis. Personnel pay 40% of their health care costs (2nd highest rate on the Cape) and wages are negotiated with the objectives of fair compensation and maintaining a stable work force. So called “773 Wages” are not paid by the Town. Rather, these are costs paid by individuals or companies that require additional services above and beyond the normal services provided. The Town receives an administrative fee of 10% (over \$15,000.00 in CY 2008) for the services provided by officers.

The continuing theme of “regionalism” has punctuated the budget discussions and was a constant subject of discussion during the ‘State of the Town’ meeting. I can assure you that this Department has embraced the concept of working with our neighbors and we are involved in many regional initiatives as described below:

- Regional recruit testing;
- Regional accident investigation, computer crime investigations, regional drug investigations, regional tactical team and regional school resource officer (DY);
- Regional emergency planning through the Emergency Planning Committee and coordination of regional emergency shelter facilities; and
- All purchases are made through regional, county or state bid programs.

In addition, the Department seeks out any grant opportunities presented at the county, state or federal level. Within the last year the Department has applied for and received the following grants:

- Executive Office of Public Safety Police Building grant \$90,000.00
- Community Policing grant (reduced 23% over FY08) \$32,000.00
- Communications Training grant \$42,000.00
- Traffic Enforcement grant \$11,000.00
- Child Protection Seat grant \$10,000.00
- E-911 Grant \$42,000.00

You should be confident that the Dennis Police Department will continue to look for ways to provide the highest levels of service possible within the confines of the current fiscal constraints and I welcome your comments if you do not believe you have received the appropriate level of service. Have a safe and healthy 2009.

Respectfully submitted,

Michael Whalen  
Chief of Police

## **I. OFFENSES KNOWN TO POLICE**

# Dennis Animal Control

I hereby respectfully submit the Annual Report of the Animal Control Officer for the year 2008.

The role of Animal Control in the community is to protect the public from dangerous or diseased animals and to protect animals from abuse and suffering caused by humans, to promote a safe and peaceful coexistence between animals, animal owners, and the rest of the community. One important task of this department is to educate pet owners on the need to properly confine, vaccinate, and spay or neuter their pets. Emphasis is placed on spaying and neutering cats as well as dogs, and putting identification on cats that are allowed to roam free, either with an ID tag on a collar or with a microchip. It is rare for a cat that wears identification to come into contact with Animal Control because concerned citizens can directly contact the owner from the tag on the cat's collar. Cars, coyotes and other causes resulted in serious injury to 15 cats, and the death of 29 cats this year. Of course, that is only the number handled by this department; countless others simply disappeared and never returned home. The average life span of an indoor / outdoor cat is 3 years; a cat that stays indoors can live happily for 18 years or more.

Reports of animal bites, injured dogs and cats, or possible neglect or cruelty remain a priority for Animal Control, as well as promptly responding to complaints regarding dogs barking, roaming free, and animals behaving aggressively. Animal Control is available to the public for educational purposes in addition to the above services, and regularly answer questions, offers solutions to many animal related problems, and offer free advice a variety of situations including ways to make indoor life a pleasure for both cats and owners in the hope of lowering the number of feline tragedies each year. This department also offers guidance on obtaining low cost and free spay/neuter assistance to low income pet owners, as well as transportation assistance for our animal members of the community for vaccination appointments for pets in need of rabies vaccines required by law. Owners with dogs that are exhibiting behavior problems can call for information on local trainers that offer behavior counseling and obedience training or equipment suggestions. This department would like to thank those people whose responsible pet ownership helps to keep their pets and community safe and happy, and we continue to offer some expertise to those who need a little help becoming a better pet owner and perhaps a better neighbor.

Respectfully submitted,

Cheryl Malone  
Animal Control Officer

# Fire Department

The Dennis Fire Department continues to be a very goal driven agency striving to improve on our delivery of services for Fire and Advanced Life Support to our town. 2008 has seen a severe economic decline nationally and locally. This has forced our department to seriously consider how we do our business to maintain our current level of services.

With these restraining factors, many positive issues are taking place within our department such as putting steps in place to enhance our training programs, revisions to our policies and regulations, specifications and order of a new ambulance and enhancing our marine rescue program on the Bay and Nantucket Sound side.

Our members are very active in the community with health and safety initiatives as well as providing free blood pressure screenings at both our stations. In addition, through our firefighters experience and training, the building fires, accidents and the wide variety of emergency calls have been handled professionally. This helps in minimizing further damage and keeping injuries to a minimum. Our personnel receive many accolades and appreciation from the people we serve daily for our emergency medical services for their care and expertise.

Dennis Fire responded to a total of 4,644 incidents in 2008. While we are one of the busiest Fire Departments on Cape Cod, I would like to extend my sincere thanks to our personnel who have worked hard during this period to help maintain and improve the quality of our organization.

I would also like to thank the other town employees and departments that we work with every day for their cooperation, our Town Boards and Commissions, the public to which we serve and the support of the Dennis Board of Selectmen who represent our residents and community.

Respectfully submitted,

Mark Dellner  
Dennis Fire Chief

360	Water & ice related rescue, Other	4
361	Swimming/recreational water areas rescue	2
364	Surf rescue	1
365	Watercraft rescue	2
381	Rescue or EMS standby	6
400	Hazardous condition, Other	15
410	Flammable gas or liquid condition, Other	4
411	Gasoline or other flammable liquid spill	11
412	Gas leak (natural gas or LPG)	15

413	Oil or other combustible liquid spill	5
420	Toxic condition, Other	1
422	Chemical spill or leak	2
423	Refrigeration leak	1
424	Carbon monoxide incident	15
440	Electrical wiring/equipment problem, Other	34
4401	Cable or Telephone wires down	52
441	Heat from short circuit (wiring), defective/worn	3
442	Overheated motor	2
443	Light ballast breakdown	1
444	Power line down	22
445	Arcing, shorted electrical equipment	17
460	Accident, potential accident, Other	1
462	Aircraft standby	1
463	Vehicle accident, general cleanup	1
471	Explosive, bomb removal (for bomb scare, use 721)	3
480	Attempted burning, illegal action, Other	1
500	Service Call, Other	77
510	Person in distress, Other	15
511	Lock-out	27
520	Water problem, Other	17
522	Water or steam leak	12
531	Smoke or odor removal	11
5311	Cooking Incident - No Fire	24
540	Animal problem, Other	1
551	Assist police or other governmental agency	12
553	Public service	59
554	Assist invalid	75
561	Unauthorized burning	10
571	Cover assignment, standby, moveup	5
600	Good intent call, Other	108
611	Dispatched & canceled en route	14
631	Authorized controlled burning	3
651	Smoke scare, odor of smoke	9
652	Steam, vapor, fog or dust thought to be smoke	4
671	Hazmat release investigation w/ no hazmat	1
700	False alarm or false call, Other	81
735	Alarm system sounded due to malfunction	137
736	CO detector activation due to malfunction	47
740	Unintentional transmission of alarm, Other	182
741	Sprinkler activation, no fire - unintentional	2
745	Alarm system sounded, no fire - unintentional	1
746	Carbon monoxide detector activation, no CO	1
800	Severe weather or natural disaster, Other	2
814	Lightning strike (no fire)	2
900	Special type of incident, Other	20
911	Citizen complaint	6
<b>Total Responses - 2008</b>		<b>4644</b>

# Fire Prevention

Fire prevention inspections were conducted in a wide variety of occupancies over the past year. The Fire Prevention Office conducted 1,328 various activities in its daily interaction with the public and business community. Night club evening inspections were also conducted during the summer season to assure life safety in all places of assembly.

We worked closely with the Building department on plan review, approvals and Certificate or Occupancy inspections of commercial properties. In addition a new program of marking hazardous buildings was started. This program requires marking unsafe structures for fire fighting operations and resulted in some of these being torn down or secured.

The School fire safety education program continued and was very successful again this year. Students in the Dennis schools received individual class presentations and various other fire safety programs.

This year for the first time in quite a while, the serious fires that were investigated reduced in number. There were several fires that involved the Dennis and State Police to assist in the investigations.

I would like to thank the members of the department and the Community itself for the support of the fire department that enables us to complete our mission in making Dennis a Fire Safe Community for its visitors and citizens.

Respectfully submitted,

Deputy Chief Robert Tucker

# Building Department

To the Citizens of the Town of Dennis,

Once a year through the Town Report, our office has an opportunity to provide you with a summary of the department's activities from the previous year. While it would be nearly impossible to pen to you the full work load of the department, we are pleased to offer you an overview of our efforts for 2008 on the following pages.

The Town of Dennis Building Department is responsible for the administration, supervision, management and enforcement of several technical regulatory areas including 780 CMR the Massachusetts State Building Code, 521 CMR the Architectural Access Board, the Town of Dennis Zoning By-law, the Town of Dennis Sign Code. The building department is the enforcement authority for Old Kings Highway Regional Historic District Committee, South Dennis Historic Commission and the Dennis Historic Commission and our inspectors are appointed as Licensing Agents.

Despite challenging economic times in the construction and real estate industries, you will see in the following pages; statistical data that demonstrates that your building department has only seen a marginal decrease in permitting revenue and activities (less than ½ %) throughout the past year.

I would like to thank you the citizens of Dennis, Building Department staff, the Board of Selectmen, Administration and all of the departments that we interact with daily for their assistance and continued support.

We look forward to serving you in the year to come.

Respectfully submitted,

Brian Florence  
Building Commissioner

# Building Department Activity Report

During the 2008 Calendar year 4633 permits/certificates were issued in the following categories:

<u>Type</u>	<u>Number</u>	<u>Estimated Cost of Construction</u>
<b>Residential</b>		
New Dwelling	36	\$16,492,000.00
New Dwelling Units	4	
Additions	132	\$9,627,719.00
Alterations	804	\$11,833,067.00
Demolitions	36	\$335,000.00
Sheds (over 120sf)	13	\$235,708.00
Sheds (under 120sf)	69	\$183,952.00
Wood/coal stoves	18

# Board of Health

The Board of Health conducts public hearings monthly on the second Thursday and a regularly scheduled workshop session on the fourth Thursday. All meeting locations are posted and the public hearing meetings can be viewed on the Town's public access television channel.

The Board of Health, the Health Department and the Town mourned the passing of Curt A. Livingston. Curt's dedication to the Town is evidenced by the numerous Boards, Commissions and Committees upon which he selflessly served. Curt was a sitting Selectmen in 1988 and gave up his seat to accept an appointment to the newly created Board of Health. Curt's contributions to the Board of Health are too numerous to list. For example, Curt spent countless hours examining Health Department records to identify old and failing cesspools located along Swan Pond and Swan River as well as other environmentally sensitive areas. More often than not Curt's efforts led to an upgrade of the septic system. Curt also provided an invaluable historical perspective and knowledge which cannot be replaced. Our heartfelt sympathy goes out to Curt's family. The Board and Department Staff already miss his presence.

Respectfully submitted,  
DENNIS BOARD OF HEALTH

Paul J. Covell, Chairman  
Thomas J. Perrino, Vice-Chairman  
Diane T. Chamberlain, Clerk  
Curt A. Livingston  
Barbara Bird

# Health Department

In May, and in November, in cooperation with Barnstable County Department of Health and Environment, the U.S. Department of Agriculture, and Tufts University, and with volunteer assistance, we again baited the entire Town of Dennis with raccoon rabies vaccine. Due to state budget constraints, this may be the last year of this program. Again this year, we provided Sun Safety training to our lifeguards and beach parking lot attendants. We will continue this training for the coming year and hope to expand it to include our DPW employees. In July, we presented Certificates of Excellence in Food Protection to those establishments that scored the highest during our food inspections of the previous year. Lastly, we continued our Sharps Collection Program for Dennis residents. We have available sharps containers in various sizes and will exchange them for full containers of sharps. Please call us for further details.

In June, we said goodbye to Stacy Pratt, nee Singleton, as she moved with her new husband cross country to Alaska. In July, we bid farewell to Maryellen, who transferred to the Department of Natural Resources. In August, we welcomed Jackie Hodgdon, who replaces Maryellen, and in September, we welcomed Jennifer Flood, who replaces Stacy.

My thanks go to Noreen, Jackie, Jennifer Clarke, Jennifer Flood, Kristen, Maryellen, Meggan, and Stacy not only for their professionalism but for their enthusiasm as well. The Town of Dennis is indeed fortunate to have such professional, dedicated employees. My thanks go to the Board of Health for their support and encouragement. Finally, my thanks go to my fellow department heads and town employees. As always, it has been a pleasure working with you.

Respectfully submitted,

Terry Hayes  
Health Director

# Planning and Appeals Office

The Department of Planning and Appeals continues to be very busy. The Department provides assistance to many town committees including the Planning Board, Board of Appeals, Zoning By-law Study Committee, the Affordable Housing Trust, the Economic Development Committee and the newly created Alternative Energy Committee. As always, working with all of these committees has led to another challenging and intriguing year.

## Accomplishments

**1. Dennis Open Space and Recreation Plan** – The Draft 2008 Open Space and Recreation Plan has been completed and submitted to the state for review and approval. This document was prepared by the Dennis Department of Planning and Appeals with the assistance of the Natural Resources, Beaches, Recreation and Harbormasters Departments.

**2. Alternative Energy** – The Department is working with the Alternative Energy Committee on several initiatives. These include drafting a zoning amendment to provide opportunities for the use of wind turbines through-out the community, working to promote manufacturing opportunities for green energy equipment companies in the town, and working on differentiating between accessory solar power generators and commercial solar energy production with an eye towards promoting commercial solar energy production in appropriate zoning districts.

**3. Regional Coordination** – The Cape Cod Commission has been re-writing its Regional Policy Plan and its Implementing Regulations. The plan and implementing regulations have opportunities and ramifications. The Department is working with the Commission to take advantage of the opportunities and to fend off any adverse ramifications.

**4. Affordable Housing** – Affordable housing continues to be a major issue in the Town of Dennis. The Zoning By-law Study Committee is reviewing the Affordable Housing By-law to determine whether changes are needed to this by-law, to make it more understandable and useable to both the town and property owners.

**5. Dennisport Revitalization** – Dennisport is progressing even with the current economic conditions. The Planning Department continues to work with the Cape Cod Commission on the designation of the Dennisport Village Center as a Growth Incentive Zone. We are anticipating a hearing on the nomination early in 2009.

**6. West Dennis Rezoning** – Upon the completion of the Dennisport Growth Incentive Zone the Planning Department will initiate work with the Cape Cod Commission on promoting this area as a Growth Incentive Zone. The West Dennis Rezoning efforts were awarded the 2008 Outstanding

Planning Project Award by the Massachusetts Chapter of the American Planning Association.

**7. Formula Based Business Controls** – The Formula Based Business regulation adopted last year is getting its first test with a commercial retail establishment on Route 6A. The proposal will initiate its Planning Board review in December 2008. The criteria protects the village character still found in most parts of Dennis. The regulation does not prohibit chain businesses in any section of town, it simply requires that these chains adapt their business model to the town's feeling of community character. The proposal under review has undertaken tremendous efforts to adapt to the town's design desires.

**8. Hotel Resort District Planning** – The Dennis Economic Development Committee has been working for the past year or more on a concept to create a new zoning district that would be known as the Hotel Resort District. The proposal currently calls for three areas along the south coast and scattered portions of Route 28. The tourist trade for the town has been decreasing and the businesses that service this trade have been sorely hurt. As the seasonal tourist trade is recognized as an important asset to the town, the Economic Development Committee is studying possible zoning changes to allow the resurgence of the tourist economy.

**9. Zoning By-law Revisions** – The Zoning By-law Study Committee continues to work its way through the Dennis Zoning By-law. The Committee is currently focusing on the Affordable Housing By-law previously discussed and revisions to the Non-conforming Use Section of the Zoning By-law to clarify the section and ensure consistency with recent state court rulings.

**10. Staff and Board Member Training** – The Dennis Town Planner is a Certified Planner through the American Institute of Certified Planners. The certification process involves testing and continuing education. The continuing professional education will require the planner to obtain 16 contact hours of ongoing training each year. The training will involve staying abreast of new concepts in planning as well as staying abreast of changes in land use law and court decisions. This training takes place at larger seminars held in various locations around Massachusetts. In addition, the ever changing regulatory world requires that board members attend educational seminars aimed at ensuring that board members are aware of changes affecting their decision making. These training opportunities are offered generally on a regional basis.

**11. Public Information** – The Department of Planning and Appeals has stepped up its efforts over the past year to improve communication between the Town and the general populous of Dennis. This is being done through the use of Planning Department Blogs on general planning and specialized planning issues. The Dennis Planning Department Blogs are located at:

<http://dennismaPlanningdept.wordpress.com/>  
<http://dennismaeconomicdevelopment.wordpress.com/>  
<http://dennismaopenspaceandrecreationplan.wordpress.com/>  
<http://dennisportrevitalizationcommittee.wordpress.com/>

These efforts by the Dennis Planning Department were recognized in 2008 by being awarded the Social Advocacy Award by the Massachusetts Chapter of the American Planning Association and the Kenneth E. Pickard Municipal Innovation Award by the Massachusetts Municipal Association.

**12. Local Comprehensive Plan Update** – Yes it is that time again. In the coming year the Department of Planning will be initiating the update to the Local Comprehensive Plan. It is anticipated that this update will take three years to complete and will merge face to face discussions with internet based review and comment.

I would also like to thank my assistant, Ms. Lynn Craig, whom without it would be very difficult to meet the demands set for this department.

Respectfully Submitted,

Daniel J. Fortier, AICP

# Planning Board

The Town of Dennis Planning Board had another very busy year in 2008. During the past year we have continued to see the fruits of our past zoning efforts spring forward. During the past year several projects have neared completion initiated under the Dennis Affordable Housing Zoning Amendments. Most notably is the five unit rental project on Mill Street and the first sales of units in the 12 unit Center Street project.

The Planning Board met with the Cape Cod Commission on several occasions to discuss the Regional Policy Plan. The Town and the Commission will be continuing to work on this effort over the coming year.

During 2008 the Planning Board reviewed 25 applications, the majority of these were for Approval Not Required Plans, and however we did approve six Special Permit during the year. Special Permits reflect new commercial growth for the town.

The Planning Board would like to thank Town Planner Daniel Fortier and the Planning and Appeals Office Assistant, Lynn Craig, for all their efforts on behalf of the Board.

Respectfully Submitted,

Willette R. Murray, Chair

Doria DiManno, Vice-Chair

Thomas P. O'Connor, Clerk

Jeffrey Eldredge,

Lou Malzone

Bob Mezzadri

Judy DeMarco

# Board of Appeals

The Board of Appeals is made up of five regular members and eight alternates appointed by the Board of Selectmen. The Board of Appeals acts as both the Zoning and Sign Code Board of Appeals. Calendar year 2008 continued to be a relatively strong year, despite the economic downturn. Calendar Year 2008 included review of 42 applications. These applications included, 35 Special Permit Requests 2 Variance Requests, 1 request to extend a permit and 2 Appeals of Building Commissioner Decisions. In addition, the Board of Appeals meets with the Dennis Zoning By-law Study Committee.

The Board of Appeals recognizes the valuable aid and cooperation of the Town Planner, Dan Fortier, and the Building Commissioner, Mr. Brian Florence, in the performance of our duties. The Board is also grateful to our staff assistant, Ms. Lynn Craig, for her capable support of the Board's administrative work during the year.

Respectfully Submitted,

Herbert Goldberg, Chairman

Peter Checkoway

Richard Zinner

Peter Aspesi

# Zoning By-Law Study Committee

The Zoning By-law Study Committee had another productive year in 2008. The Zoning By-law Study Committee accomplishments included:

- Meeting with the Cape Cod Commission and the Dennis Economic Development Committee to discuss the Regional Policy Plan and coordination of regional land use efforts with the town.
- Continued work with the Affordable Housing Trust and interested property owners on proposed changes to Section 4.9 the Affordable Housing Section of the Dennis Zoning By-law.
- Is working with the Building Department, Board of Appeals and the Town Planner to revise portions of Section 2.4.1.2 to clarify the review requirements for demolition or relocation of non-conforming structures that are replaced with structures that comply with all setback and lot coverage requirements.
- Continuing its efforts to revise the Dennis Zoning By-law Definitions.

The Zoning By-law Study Committee would like to thank Town Planner Daniel Fortier and the Planning and Appeals Office Assistant, Lynn Craig, for all their efforts on behalf of the Committee.

Respectfully submitted,

Willette R. Murray, Chair  
Charles Chamberlain  
Henry Kelley  
Thomas O'Connor  
Michael Hunter

# Information Technology

To the Honorable Board of Selectmen and Citizens of the Town of Dennis: It is a pleasure to serve you and our citizens. To our citizens we provide two major services: Regulatory meeting and other broadcasts through our Channel 18 efforts and video streaming/departmental information through our website: [www.town.dennis.ma.us](http://www.town.dennis.ma.us). Please call or send a comment on how we can serve you better.

We have built and maintained a robust technology infrastructure consisting of database systems, email and collaboration systems, website systems, file and printing systems, wireless systems, backup systems, security systems and more.

Our Wide Area Network consists of six primary and eight secondary locations and we support twenty departments, eight diverse multi-user database applications, over 160 desktop computers, 23 networked printers, the government video channel and the town website. We maintain enterprise wide email, virus protection, backup services, hardware maintenance, license management, vendor management and user training.

Our accomplishments over the last year include new firewall and threat devices, systems updates, Munis, Channel 18 studio and TeeTime software upgrade.

Our goals and challenges for 2010 include the implementation of a:

- Phone system for town hall with auto attendant and voice mail services.
- Zone security system for our technology investment at Town Hall
- Ten year town wide Comcast Cable Contract renewal
- Exchange email upgrade
- Conversion to High Definition stereo broadcasts
- Munis upgrade to 7.2
- Networked GIS initiative
- Robust in-house production schedule for cable and web
- Help desk problem tracking system for departments
- Online permit request and tracking system
- Document/records scanning and storage system

Special thanks go to Brian Alden and Lorne Winkfield for their extraordinary commitment to making our department successful.

One page is not enough to list achievements or initiatives. Please navigate to [www.town.dennis.ma.us/tech.htm](http://www.town.dennis.ma.us/tech.htm) for more information on us and take a moment to review the entire website while you're there and let us know how we can make it better.

“We are what we repeatedly do. Excellence, then, is not an act, but a habit.” - Aristotle

Steve Buss

# Government Information Access Advisory Committee

To the Honorable Board of Selectmen and Citizens of the Town of Dennis:

The Government Information Access Advisory Committee been busy working on components required for the upcoming 10 year Cable Contract with Comcast. We initiated the ascertainment process which included a public hearing and managed the execution of a town wide survey by the University of Massachusetts Dartmouth Center for Policy Analysis. We have also assisted the IT Director with hiring a full time Video Specialist, Lorne Winkfield, to manage the video and broadcast functions for the town.

Our Video Specialist has overseen:

- A major upgrade to the control and hearing room facilities
- Automated the video on demand process for quicker meeting conversions
- Created wraparound b-rolls for Regulatory and other Channel 18 broadcasts
- Produced several special town productions: The D-Y Joint Board Meeting, the Special Town Meeting, the Heating Assistance video, Energy Summit, and the State of the Town video. – All available for download on the web.

Since September of 2008, all of our regulatory meeting broadcasts have been available for download or viewing at your convenience on the town website at <http://www.town.dennis.ma.us/chan18vod.htm>.

Goals and challenges for 2010 include the following:

- Zone security system for our control room area
- Completion of the Comcast Cable Contract renewal
- Delivering more high quality digital productions
- Continuing the robust in-house production schedule for cable and web

Please access the Town website to access the results of the Dartmouth survey, Channel 18 broadcast schedules and more. While you're there, use the email link to drop a line with your comments and/or questions regarding anything about the Government Channel 18 or web stream.

A big thank you and much appreciation for the fantastic job Linda Fleming and Lynn Bigelow provide with recording, camera work and audio. It would be impossible to provide you with meetings without their dedication and reliability.

Please note: We continue to be short of committee members and want to take a moment to ask you to consider being a member! – Call 508-760-6161 anytime to volunteer.

Respectfully submitted,

Terry Duenas  
Chairman

# Agricultural Commission

The newly formed Dennis Agricultural Commission was appointed by the Board of Selectmen in July 2008 and held its first meeting in August. The following Dennis residents were appointed by the Selectmen: Jeff Deck of Not Enough Acres Farm, Jennifer Holloman of Ocean Song Farm, John Lowell of the East Dennis Oyster Farm, Laura McDowell May of Dennis, Veronica Worthington of the Seaweed and Codfish Farm, and Jason Beetz (alternate) of Ocean Song Farm. Typically the Commission meets once per month on Wednesday evenings at 7:00 p.m.

The Board of Selectmen have requested that the Commission's prioritized charge include researching what type of agricultural uses may be best suited on the existing parcels that the Town of Dennis has acquired. Each parcel has a rich and unique history. The Commission is currently focusing on the Melpet site located on Route 134 and the Whitfield-Johnson site located on Route 6A.

To date, the Commission has heard from interested parties relating to potential agricultural uses for these sites. The Commission is conducting its own research and is working on solving a variety of complex challenges that are inherent to each parcel. Future presentations will be conducted to report our findings and to suggest recommendations for potential use(s) to either the Board of Selectmen either/or the Conservation Commission.

The Commission has conducted site visits at Melpet and Whitfield-Johnson in attempt to assess the value and inherent merit of each site as it relates to specific agricultural uses(s). A large portion of the Commissions work load will be developing protocol and application processes for bidders and lessees.

We look forward to what 2009 will hold and to report progress in agricultural education in addition to initiating and implementing agriculture in Dennis.

Respectfully submitted,

John Lowell, Chairman  
Laura McDowell-May, Vice Chairman  
Jennifer Holloman, Secretary  
Jeff Deck  
Veronica Worthington  
Jason Beetz, Alternate

# Alternative Energy Advisory Committee

The regularly scheduled meetings are held on the third Monday of each month at Town Hall in the small conference room.

The committee's goals include assisting the Town Administrator and Board of Selectmen in the investigation, research and feasibility of using alternative forms of energy for municipal use and commercial production.

In April the committee completed three information bulletins explaining Installation of Solar PV panels, use of Bio-fuels & installation of Solar Hot water panels. These are available at Town Hall and on the town web site. In April, Denise Atwood and Richard Halverson joined the committee filling two vacancies.

In August, Merton Ingham resigned due to health issues. Denise Atwood became the new Chairperson. Tom DiMauro joined the committee.

The Committee spent much of the summer working on an article for a Solar PV system on a municipal building. In May the article was postponed. After receiving the support of both the Board of Selectmen and the Finance Committee the article passed at the November Town Meeting. The site selection has yet to be decided upon. Using funds from Massachusetts Technology Collaborative and Clean Energy Choice funds the cost to the town will be one third the total cost. The system will be installed in 2009.

The Committee is working with Dan Fortier, Town Planner, to change the town by-laws regarding wind energy projects. Plans call to allow homeowners to install small systems and larger systems to be allowed in several municipal areas. The Committee is involved in getting the test tower for a Wind Turbine project at the landfill. At this point we are waiting to approval before the tower can go up.

Respectfully submitted,

Denise Atwood, Chairman  
Thomas DiMauro  
Richard Halvorsen  
James Demetras  
Raymond Hall

# Insurance Advisory Committee

The Insurance Advisory Committee was appointed in 2008 and consists of one representative from each employee bargaining unit and a retiree from the Town.

The Town hired the Segal Group to do an analysis of the Town's possible future acceptance of Chapter 32B, Sections 18 and 9D. Section 18 requires that all Town retirees and spouses who are eligible for Medicare Part A must enroll in Medicare Part B and a Medicare enhanced, supplemental, and or replacement plan if they choose to enroll in the Town's health insurance. Currently the retirees may choose to go on Medicare or remain on an active employee plan.

Section 9D would provide a surviving spouse of a deceased employee/retiree at least 50% of the group premium cost of insurance. Currently a surviving spouse pays 100% of the premium.

The IAC has been meeting every other Wednesday afternoon at 5:30 p.m. to discuss these important issues. Not only have we questioned and analyzed the study provided by Segal, we invited Carol Cormier, a consultant from the Cape Cod Municipal Health Group recently for discussion of the impact of Sections 18 and 9D. We also have researched how other cities and towns have managed these changes and what impact it has had on the government entity, the retirees and employees.

Our focus is to make a recommendation to the Board of Selectmen prior to the annual Town Meeting in May. We want to thank the Board for their patience as we research this challenging commission.

Respectfully submitted,

Elbert Ulshoeffer, Chairman/Retiree  
Anne Clancy, Vice Chairman/AFSCME  
Bill Monahan, Superior Police Officers  
Peter DiMatteo, IBPO Sergeants  
Dean Guite, IBPO Patrol Officers  
Wayne Mayo, IAFF Firefighters  
Steve Buss, SEIU-A  
Brian Alden, SEIU-B

# Town Administrator Search Committee

Appointed by the Board of Selectmen on May 15th, our charge from the Board was to recruit and recommend (without ranking) at least three finalist candidates for the position of Town Administrator. The Selectmen set a high bar: only highly-qualified candidates to serve as Dennis' Chief Municipal Administrator would suffice, given the challenges facing the town and the economic uncertainties that loomed on the horizon.

The Committee worked diligently and collegially, holding more than thirty productive meetings over five months, to meet the high expectations which had been set for us. John Griffin lent his expertise as a communications executive and former Selectman and kept us focused ("Is this a long story?") on moving forward *magna cum celeritate*. Pat Hayes brought his extensive project management skills, seasoned judgment and expansive sense of humor to the task. Henry Kelley's extraordinary diplomatic skills got us over the rough spots, and his encyclopedic knowledge of Dennis brought depth and balance to our deliberations.

Arlene Lewis, our Vice-Chair and a keen observer of Town affairs, kept us focused with her sharp, analytical mind and quick wit. Her positive spirit and exemplary leadership skills were critical to our success. Richard Zinner brought needed discipline and attention to detail, honed during his career as a litigator, to the important work before us. And Sheila Khachadoorian, the Committee's Clerk, kept us organized and on target.

We completed our work, ahead of schedule and with confidentiality intact, when we presented four finalist candidates to the Board of Selectmen on the evening of October 28th. All four were highly experienced, sitting Town Managers in Massachusetts, and two were serving in seaside communities.

In early December, after conducting its own due diligence concerning the finalists, the Board of Selectmen appointed Richard White, then the Town Manager in Winthrop and previously Town Manager in Lexington, to take the helm as Dennis' Town Administrator beginning in January of 2009. Rick White is an exceptional public manager, and we wish him and his family wonderful and fulfilling experiences as members of our community.

Respectfully Submitted,

Tom Saltonstall  
Former Chairman  
Town Administrator Search Committee

# Town Offices Building Committee

During the past year the Town Offices Building Committee concentration has been on the reuse of the former Police Station at 685 Rt. 134. The Committee has completed the following task related to our charge.

1. Building code review/investigation completed by the architectural firm of Jucunski, Humes.
2. Hazardous material survey complete. The Committee was fortunate to a previous survey still viable.
3. Professional appraisals for the Town Hall Annex on Rt. 28 and the former Police Station on Rt. 134.
4. Coordination with Town departments proposed to utilize the former Police Station. The departments are Inspectional Services, Health Department, Planning Department, Historical Department and the Natural Resources Department.
5. Preliminary drawings including Demolition Drawings, Code review Drawings, and Architectural layout Drawings.
6. Detailed preliminary project budget including suggested alternates.

Task remaining to complete:

1. Refine current scope and budget pricing
2. Continue exploring energy savings and green building alternates.
3. Draft a proposed project schedule.
4. Submit findings to the Board of Selectmen

The Committee is thankful for the support of all the have aided our tasks, including the Board of Selectmen, Town personal, department heads and many outside entities.

Respectfully submitted,

Patrick Hayes, Chair  
Craig Lohr, Vice Chair  
Frank Ciambriello, Secretary  
Peter Nyberg  
Gary Barber  
Stephen Boyson

# Dennisport Revitalization Committee (DRC)

This has been a year of fun and opportunity in Dennisport! The DRC has met two Mondays per month in the Community room of the Dennis Town Library. We have held fruitful grant-writing sessions while managing an RFP process and selected, as our facilitator, B. Dennis Town & Building Design and, hosted topical workshop meetings - all in preparation for a Public Charrette Design Studio planned for May 2009.

Our work centered on providing the best “method” (per our charge) by which we can revitalize Dennisport to be economically productive, environmentally appropriate and socially responsible and do so *in the most cost efficient way possible*. The approaches and results generated by the committee since its inception indicated the holistic approach of a Charrette would build on all that has come before as well as substantially accelerate revitalization implementation. A Charrette is a collaborative process, which invites you, dear reader, and your whole community of neighbor “stakeholders” – ranging from State mandated regulators to seasonal vacationers - to input your vision of what Dennisport could be. You can input your ideas via our link on the Town website: <http://www.town.dennis.ma.us/> and click on Dennisport Revitalization!

We welcome comments in preparation for the Charrette on: 1) What open space zones to reserve and how to un-develop ecologically vulnerable areas? 2) How to best accommodate the how and where of sewer pumping stations and how to generate the (alternative) energy to drive them while creating an opportunity for business revenues to pay for them - all while planning for new housing and flow rates which they will serve? 3) Which streets to make “one way” and, where to put parking and bike racks? 4) Placement of the property value enhancing bike path to link the ocean front hotel areas to the Downtown and Cape Cod rail trail. 5) What type of auxiliary sidewalk and bike routes will we need to delineate to create a truly ‘pedestrian friendly’ village linked to regional public transit? 6) And, other interests you have?

Respectfully Submitted,

Thomas E. Huettner, Co Chair

# Economic Development Committee

The Economic Development Committee had another strong year in 2008. The following provides key highlights of these efforts:

## **Dennisport Revitalization**

The Committee continues to work with the Cape Cod Commission on the designation of the Dennisport Village Center as a Growth Incentive Zone. Such a designation would give the area regional identification as an important investment area. The designation would also reduce some of the regional review issues for the village. We expect that the Cape Cod Commission will be holding a public hearing on this proposal early in 2009.

## **Hotel Resort District Planning**

The Dennis Economic Development Committee has been working for the past several months on a concept to create a new zoning district that would be known as the Hotel Resort District. The initial concept is that there are three areas along the southern coast of the Town that was developed as resort type areas. Due to the historic development patterns that took place prior to the adoption of zoning for these areas, subsequent zoning that did not take into account the existing land use patterns, and changes in the tourist trade, these areas have not been able to keep up with the needs of modern travelers. As such, the tourist trade for the Town has been decreasing and the businesses that service this trade have been sorely hurt. As the seasonal tourist trade is recognized as an important asset to the Town, the Economic Development Committee is studying possible zoning changes to allow the resurgence of the tourist economy

## **Regional Policy Plan**

The Economic Development Committee worked with the Planning Board and Zoning By-law Study Committee on the Regional Policy Plan presented by the Cape Cod Commission. The EDC provided the Planning Staff with guidance on comments on the RPP.

The EDC would also thank Town Planner Daniel Fortier for his assistance to the Committee and the rest of the Planning Office staff as well.

Respectfully Submitted,

Lester J. Murphy, Jr.  
Charles Chamberlain

Judy Demarco

# Cape Cod Joint Transportation Committee

The Cape Cod Joint Transportation Committee (CCJTC) is the regional transportation planning advisory group to the Cape Cod Metropolitan Planning Organization (CCMPO). Each of the 15 towns within Barnstable County is represented on the CCJTC. The group's primary responsibility is to prioritize transportation projects that will use State and Federal funds dedicated to Cape Cod. The Cape Cod Transportation Improvement Program (CCTIP) 5 Year Plan is the document voted by the CCMPO that outlines the prioritization and dedication of those funds.

The distribution of State and Federal funding requires intense scrutiny and lengthy project reviews by Federal and Massachusetts Highway Administrations. It takes years for a local project to successfully move from concept to design and eventually construction. In general, projects that are funded under the CCTIP are large transportation projects that, by their large price tag, tend to burden a Town's road funding ability. Ultimately, having a project be funded and constructed through this process allows the Town to use more of its own funds for road maintenance.

Past Dennis CCTIP projects include: the Reconstruction of Setucket Road between Old Bass River Road and Rte 134; the installation of Stormwater Pollution Mitigation Drainage Systems at various outfalls along Swan Pond River; and the Reconstruction of Swan River Road and a Portion of Lower County Road now under construction.

Dennis projects that are seeking funding through the current CCTIP include: Rte 28 and Rte 134 Intersection Improvements (2009); the westerly extension of the Cape Cod Rail Trail (2010-2012); the replacement of the Upper County Road Bridge over Swan Pond River(2012); and Safety Improvements to Rte 134, from the Rte 28 to Upper County Road (2012).

Obtaining CCTIP funds requires considerable staff involvement in project development, design and permitting. The lengthy process often tests the patience of residents and taxpayers. However, there can be no questioning the positive impact this funding mechanism has had on improving the quality of the Town's transportation network.

Respectfully submitted,

Joseph A. Rodricks, P.E.

Dennis Representative- CCJTC

# Cape Light Compact

The Cape Light Compact is organized through a formal intergovernmental agreement signed by all 21 member Towns and Barnstable and Dukes Counties. The Compact's efforts are directed toward competitive electricity supply, energy efficiency, renewable energy and consumer advocacy. The Compact Governing Board meets the second Wednesday of each month at 2 PM at the Barnstable Superior Courthouse.

## ***Power Supply***

As of December 2008, the Compact had 13,661 electricity accounts in the Town of Dennis, and the Compact's prices, through a contract with ConEdison Solutions, were competitive in a very volatile energy market.

## ***Energy Efficiency***

From January to October 2008, rebates and other efficiency incentive programs provided to the Town by the Compact totaled approximately \$199,345 and brought savings to 482 participants and brought savings of \$69,101. Total lifetime kilowatt-hours of energy saved for the Town of Dennis from 2001-2008 is 90,578,688 kWh with an annual savings in 2008 of 345,503 kWh.

From 2003 through October 2008 programs for Dennis included:

- 3968 participants in energy efficiency programs with \$1.8 million savings
- \$1,479,135 paid by the Compact in rebates and incentives
- 308 low-income participants served with energy efficiency measures
- Energy efficiency improvements for the Town include: Cape Cod Regional Technical High School, Nathaniel H. Wixon Middle School, Ezra Baker School and the Dennis-Yarmouth High School
- The Compact provided some design and financial assistance to the Dennis Union Church, which has subsequently received an Energy Star Congregation award from the Environmental Protection Agency! The church has already reported a beneficial saving of 25% a month on energy consumption.
- The Compact is a member of the newly formed Cape & Vineyard Electric Cooperative, which has the potential to be a significant source for renewable energy for Compact member towns. At Special Town Meeting on Nov 18, 2008, the Town voted the Board of Selectmen to explore joining the cooperative.
- In 2008, several of the Town's municipal buildings including the Town Hall, DPW Building and the West Dennis Grade School were audited by the Cape Light Compact and upgraded with energy efficient lighting and controls.

- As part of the Solarize Our Schools program, the solar array at the Wixon Middle School has generated a total of 5,343 kWh of electricity since its installation in December, 2006 and avoided over 9,194 lbs of CO<sub>2</sub> from entering the atmosphere.

Respectfully submitted,

Robert P. Mahoney

Town of Dennis Representative to the Cape Light Compact

# Road Safety Task Force

The regularly scheduled meetings are held on the 3rd Thursday of each month at 6 p.m. at the meeting room in the D.P.W. building. as posted in Town Hall.

The committee is charged by the Selectmen with investigating vehicular and pedestrian safety on town roads and neighborhoods. The committee makes recommendations for possible infrastructure improvements, personnel needs, or operational components such as crosswalks, traffic lights/signs, speed zones, etc. that enhance the safety of motorists and pedestrians. The committee consists of 5 volunteer members and 2 staff liaisons (Town Engineer and Police representative).

During the year the committee continued its assessment of sidewalk conditions. During the fall \$50,000 was spent for the maintenance and re-building of sidewalks in the Dennisport area. A similar request has been submitted to the Selectmen in this year's budget for the Dennis village area. A new sidewalk was completed from the Senior Center on Rte.134 to the new Police station. A new sidewalk was also completed with the re-construction of Bridge St. in East Dennis. We will continue to focus on a sidewalk master plan for presentation to the Selectmen in 2009. This plan will prioritize the need for new sidewalks as well as the repair of existing ones.

To continually impress the public with safety concerns the Police Traffic Enforcement Division actively placed their speed reminder board at various locations throughout the year. Following resident requests, traffic signage and safety concern solutions were recommended in selected neighborhoods in town. The AAA's "Older and Wiser" drivers' education program was held at the Police Station in the summer.

The public is reminded that they should report any safety concern they may have to the Road Safety Task Force for study and recommendations. The committee is there for your needs.

Respectfully submitted,

Henry Bowen, Chairman  
Dot Murray, Vice- Chair  
Sally Bickford  
Ernie Cole  
Tom Huettner

# Department of Public Works

The Department of Public Works (DPW) is a team of skilled men and women that respond to all weather emergencies as required including but not limited to snow, ice, rain, and wind events. Some of the major functions of the DPW include the following; operation of the Transfer Station, maintenance of the roads, beaches, cemeteries, parks, municipal grounds, vehicles and equipment. The DPW also provides support for other Town Departments and civic organizations.

On behalf of the DPW, I wish to thank the community of Dennis for supporting a Proposition 2 ½ Capital Expenditure Exclusion for Fiscal Year 2009. The DPW replaced old equipment and vehicles that were unsafe to operate and too expensive to maintain. In addition the DPW will replace a 6 wheel dump truck with a ten wheel dump truck almost doubling the productivity of this one truck. Also the DPW will purchase a packer truck to pick up trash at beaches, parks and playgrounds. Efficiencies gained by this purchase include saving approximately \$10,000 of fuel per season and reducing the personnel required for this function by 50 %.

Special projects completed this year include the design and completion of the sidewalk on Route 134 from Setucket Road, south to Homer Lane and from Pheasant Lane, south to Bob Crowell Road completing a walking /biking loop of 3.7 miles; the resolution of a drainage problem on Sea Street in East Dennis; installation of a new drainage system on Lake Drive and asphalt berms to control storm water runoff; construction of 237 feet of new sidewalk along Main Street in South Dennis towards Olde Dennis Approach and constructed 85 feet of block wall with stepped down ends adjacent to the new sidewalk. Many other projects were completed as well.

Drainage systems were installed or repaired at Franklin Road, Uncle Rolf Road, Pheasant Lane at Route 134 and Lake Drive. Catch Basins were repaired at the following locations; Folgers Lane, Barnard Road, Old Wharf Road, Hemlock Lane, Friends Lane, Windshore Street, Purdue Drive, Shad Hole Road and Transfer Station.

The winter season 2007 – 2008 was mild and produced less snow than winters past. The first sanding event took place on December 5, 2007. There were 5 plowing events, 3 that required the hiring of contractors to assist with removing snow from the roads. A total of 29" of snow accumulated on the roads of Dennis. The largest single accumulation was 10" on January 27, 2008. Although it was a mild winter, black ice and snow squalls required the crews to sand and treat the roads 18 times throughout the season.

The Highway and Grounds divisions support the Secondary Roads Improvement Program and the Chapter 90 State Aid Projects by performing preparatory work such as pruning roadside vegetation, cutting back shoul-

ders, adjusting structures, asphalt joint cutting, sweeping and any other supplemental work. Upon completion of the paving, these locations are loamed and seeded and pavement line painting is scheduled. This work occurred on 37 roadways throughout the Town as listed in the Engineering Department's report.

The DPW supports the beaches with 4 full time equivalents (FTEs). Special projects for beaches include lowering Howes Street Beach walkway with assistance from Golf; cut back vegetation near bath house at Corporation Beach; fabricate and install 22 large billboard style signs for seasonal parking areas and remove them and place in storage in the fall; reconstruct sidewalk and complete planting of beach grass at Glendon Beach; construct a new drop off area for Mayflower Beach on Horsefoot Path including new fencing, transplanting of black pine trees and reseeding of area; restoration of dunes at Chapin Beach adjacent to four wheel drive access ramp and parking lot including replanting of beach grass and installation of snow fencing. Prior to the beach season we conducted beach replenishment, including hauling and spreading sand at West Dennis, Chapin Beach, and Corporation Beaches. During the busy summer season trash was removed from all beaches and landings two to five times daily. Seaweed was removed by mechanical surf rake and transported to the Transfer Station and incorporated into compost.

Routine maintenance was performed over the remainder of the year on public roads. During the year activities included tree trimming, brush cutting, mowing, roadside cleanup, pothole patching, asphalt repair, street sweeping, fabrication and installation of street signs, catch basin cleaning and grading dirt roads.

Many old, illegible and non reflective street signs have been replaced with Manual of Uniform Traffic Control Devices (MUTCD) compliant signs that are clear with larger fonts and are reflective at night. More than two hundred street signs on the following streets have been replaced; Depot Street from Great Western Road to Old Wharf Road; Old Wharf Road from Lower County Road to Depot Street; the following neighborhood areas; Hemlock Lane, Cedar Hill Road, Sears Hill Road and Quivet Creek. Unfortunately over 100 street signs are stolen or vandalized annually, and approximately 60 signs are damaged as a result of motor vehicle accidents resulting in \$8,000 to \$10,000 plus labor for replacement cost.

The budget for private road maintenance has been eliminated. All residents living on private roads are encouraged to access the Town's website at [www.town.dennis.ma.us](http://www.town.dennis.ma.us) and review the documents on the Engineering Division pertaining to private roads under the **application link**. One is titled "Temporary Repair to Private Roads" policy and petition and Road Acceptance-Policy and Petition. The DPW is in the process of developing a private road policy for review and acceptance by the Board of Selectmen.

The DPW assisted the Department of Natural Resources with the annual maintenance and mowing of the Crowe's Pasture biodiversity area, community gardens, blueberry patch, Whitfield-Johnson property and various other locations. Additional projects performed at the request of DNR included removing vegetation, cutting, clearing and grading Hokum Rock site and Princess Beach Conservation Area for additional parking in front of Hokum Rock and trails off of Paddocks Path. A 12" culvert was replaced with a new 36" culvert on Paddocks Path, north of Route 6A to enhance flow and alewife migration

## **CEMETERIES**

The Department of Public Works manages and maintains fourteen cemeteries within the five villages of Dennis. Five cemeteries remain active and demand regular attention, including Oak Ridge, Dennis Village, South Dennis Congregational Church, Swan Lake Annex, and West Dennis. Approximately 80 acres of property are designated for cemetery use and 43 acres are currently developed and maintained. We are responsible for the mowing and trimming of these grounds, and in addition to these duties over 500 monuments and markers were straightened and reset, brush was cleared, and many of the trees were pruned. Projects funded by the Community Preservation Fund include the repair and reinstallation of the entrance gate at South Dennis Cemetery; pointing of brick around two crypts at Dennis Village Cemetery and South Dennis Cemetery wall; 14 monument repairs at West Dennis Cemetery; replacement of 3 marble crypt covers in West Dennis Cemetery and 382 linear feet of steel rail fencing, installed by Public Works personnel by removing and resetting granite posts, at multiple locations in Dennis Village, South Dennis and West Dennis Cemeteries.

Eagle Scout candidates Aaron Tokarz and Benjamin Henson of Troop 80 in Dennis completed their Eagle Projects at Old South Dennis Cemetery (adjacent to and behind Town Hall). Work performed at the cemetery by Mr. Tokarz and Mr. Henson and their fellow scouts include; removing a pine tree, cleaning of memorials, repairing the fence around the Bangs lot and painting of railings, general cleanup of the cemetery grounds. Thank you to these scouts for demonstrating community service in action.

The Cemetery Advisory Committee, led by Chairman Bruce Hill, met monthly to serve the community as a forum for public input and education. An open house was conducted at Old South Dennis Cemetery during May and was well attended. A tour of the cemetery was given, veterans' graves were decorated with U.S. flags by the Boy Scouts, Troop 80 of Dennis and Caretakers of Veterans' Graves's demonstrations for cleaning memorials were performed. Sincere gratitude is extended to the Cemetery Advisory Committee for their efforts throughout the year and to everyone that contributed their time and energy to make this a successful event.

There were fifty-one interments at the five active cemeteries, and 55 grave spaces sold in Oak Ridge Cemetery. Currently Oak Ridge Cemetery is the only cemetery with grave spaces available.

Any inquiry regarding the cemeteries will be answered by calling the DPW office at 508-760-6220.

## **SOLID WASTE and RECYCLING**

The Transfer Station and Recycling Facility processed more than 14,000 tons of material. Approximately 9,000 tons of solid waste was transported to SEMASS Waste to Energy Facility in Rochester, Mass. where it is burned to generate electricity. Approximately 1,400 tons of construction and demolition materials were hauled to the Town of Bourne's Integrated Solid Waste Facility. Approximately 3,600 tons of cardboard, paper, plastic, televisions, computers, mattresses, glass, metals, seaweed, brush, leaves and grass clippings materials were diverted from the waste stream and recycled. The commodity markets were generous and revenues generated from recycling amounted to \$133,000. Of the \$133,000, metal and cans generated \$68,500, newspaper and magazines generated \$40,000, cardboard generated \$20,000 with the balance coming plastic. Unfortunately this may not be the case in 2009.

The Town has enlisted the services of Environmental Partners, an engineering firm, to investigate, evaluate and make recommendations for improvements to the twenty year old Transfer Station.

The Mary Hood Hagler Reusable Goods Building offers an alternative to disposal and is staffed by citizen volunteers managed by the Recycling Commission. If you have items that still have usefulness please stop by and ask if they can be accepted. The Department is grateful for all of the volunteers that make this program work.

All books that are dropped off are first made available to citizens frequenting the Swap Shop at the Mary Hagler Building. Books that are not reused after a period of time are set aside along with books that contain dated material such as textbooks and encyclopedias for the non-profit organization Hands Across the Water. This organization recycles all books it receives by providing books for literacy and educational promotion in the United States and the international community.

The DPW and the Recycling Commission sponsor a logo contest, alternating between the Wixon Middle School and the Ezra H. Baker School every year for a new design for the Transfer Station stickers. This year it was the Nathaniel H. Wixon Middle School's chance to participate. First place winner's artwork is the initial pass design and second place artwork is the secondary pass design. The purpose is to encourage awareness and participation of recycling in our younger generation. Congratulations to all the

participants of the 2007 logo contest, especially to First Place winner, Josh Holmes, and Second Place winner, Heather Pear. Honorable Mentions were awarded to Rachel Bunce, Sienna Bryden, Julia Ryder and David Hollis

Thank you for your continued efforts in recycling, not only is recycling good for the environment, recycling generates much needed revenue. If you have any questions regarding solid waste or recycling please call (508)-760-6230.

In closing I wish to express my gratitude to the citizens of Dennis for your continued support throughout the year. Special thanks to the Police and Fire Departments for providing training, assistance and a safe work zone to our crews. I also appreciate all the support we receive from the Board of Selectmen, Administrative staff from Town Hall, Steve Estey and all of the Municipal Buildings crew, and all other Departments we receive assistance from. I wish to extend many thanks to David Larkowski and the Dennis Water District for all their help throughout the year and especially during the winter months.

Most importantly I would like to thank the talented and skilled Public Works team. The Public Works staff is creative and evaluates service delivery, offer recommendations and implements efficiencies whenever possible. The Town is very fortunate to have a skilled and talented Public Works team that is committed to providing quality services.

Respectfully submitted,

David S. Johansen  
Superintendent of Public Works

# Engineering Department

The Dennis Engineering Department provides survey, design and construction oversight in the maintenance and replacement of the Town's various infrastructure components. Engineering staff also provides technical reviews of new subdivision roads and commercial site developments, administers road opening and utility construction permits, maintains all town maps and geographical information system database, assigns house numbers and together with the Dennis Police Department, monitors traffic safety issues.

During the past year, roads resurfaced with hot-mix asphalt under the Secondary Roads Program included Charring Cross Rd, Avon Rd, Captain Freeman's Rd, Captain Preston Rd, Woodside Park Rd, Lockwood Dr, Robbins Run, Gold Finch Ln, Danvers Ln, and Indian Fields Drive. Roads that were chip sealed this past year under the program included; King James Dr, Northside Dr, and Buckingham Dr, Overlook Place, Baxter St, Wixon Rd, Bassett Ln, Beachplum Ln, Acorn Rd, Thayer St, Pine St. WD, Grace's Way, Alexander Dr, Charles St, and portions of Cross St, Pleasant St, and Northern Ave in Dennisport.

Projects funded through Chapter 90 State Aid during the past year included the resurfacing of South Yarmouth Rd and portions of Nobscussett Rd, Old Chatham Rd, Scargo Hill Rd and Shad Hole Rd with a 20% rubber chip; the resurfacing of portions of New Boston Rd, Beach St and Dr. Bottero Rd; the reconstruction of a portion of Main Street, SD; the reconstruction of School St, WD; and the completion of a bi-walk along Rte 134 from Bob Crowell Rd to Setucket Rd. The School and Main Street projects also included the construction of sidewalks.

Other projects completed during the year included sidewalk repairs on portions of Sea St, Lower County Rd, and Depot St in Dennisport; installation of porous pavement and drainage on the section of Trotting Park Rd south of Lower County Road; and the installation of drainage systems at 23 problem areas throughout the town.

In 2008, the Department also provided construction management for the Reconstruction of Bridge Street and Culvert Replacement project. The completed work, which included the installation of a sidewalk and timber rail, the placement of utilities underground and rebuilding of stone walls was well received by residents for enhancing the beauty of this area of Sesuit Neck. This past year work also began on another project that was years in development; the reconstruction of Swan River Road and a portion of Lower County Road. Work on this \$2.4 million project, which includes sidewalks, is scheduled for completion in the fall of 2009.

Respectfully submitted,

Joseph A. Rodricks, P.E.  
Dennis Town Engineer

# Municipal Buildings Department

The Municipal Buildings Department continues to make improvement to its buildings. We refinished the floors and painted the interior of Carleton Hall. We put in new floor, walls, and painted the men's room at the Highland Golf Course Club House. At Fire Station #2 we finished sidewall shingling, new trim and new gutters and painted the exterior of the building. We also built new floats for both Bass River and Sesuit Harbor. We are working on repairing the west end bulkhead at West Dennis Beach. This project will take a few years to complete. We did some minor work and painting to the beach bathhouses. We also continue to help support the Harbormaster with the annual removal and installation of floats at both Bass River and Sesuit Harbor.

I would like to thank the Board of Selectmen, DPW Superintendent David Johansen, Golf Superintendent Mike Cummings, Harbormaster Terry Clen, and Beach and Recreation Director Dustin Pineau and Harry Allen for all their help and support throughout the year.

I would also like to thank my entire staff for their continuing support and help throughout the year.

I would also like to acknowledge the untimely death of Mr. George "Sonny" Cifelli for his twenty three years of service to this department. Sonny could turn his hand at almost any trade, and do it very well. His friendly smile and attitude will be missed by all who knew and worked with him. "Sonny", Thank you.

Respectfully submitted,

Stephen T. Estey  
Municipal Building Foreman

# Recycling Commission

This past year has been quite productive once again for the Recycling Commission. Many new ideas are being considered for the coming year. The Mary Hood Hagler Memorial building (swap shop) will be going through many changes, such as the acceptable goods, hours, and volunteers.

The Dennis Recycling Commission is still looking for new members, if interested; please fill out a greencard at the Town Office. The Commission would like to thank the volunteers and the Transfer Station employees once again for helping us exceed our goals this year.

Respectfully Submitted,

Linda Ellis, Chair

Allan Cole, Secretary

Joel Ragovin, member

# Cape Cod Commission

The Cape Cod Commission provides regional services and coordinates many projects and activities that affect all of Barnstable County. The Commission also provides technical assistance to each Cape Town. Activities involve promotion of affordable housing and economic development; protection of coastal, water, and natural resources; preparation of maps and analysis of geographic data; preservation of historic resources; preparation of transportation plans and analysis of traffic congestion and safety issues; and more.

The Cape Cod Commission is charged with reviewing and regulating Developments of Regional Impact, recommending designation of Districts of Critical Planning Concern, and preparing and overseeing the implementation of the Regional Policy Plan, the set of planning policies and objectives that guide development on Cape Cod.

Throughout the year, the agency continued to pursue implementation of the recommendations of the 21st Century Task Force. Activities focused on working with towns to develop a Regional Land Use Vision Map, changing the Regional Policy Plan, introducing more flexible Development of Regional Impact (DRI) thresholds (part of the Commission's Enabling Regulations), and establishing a "Limited DRI Review" process (also part of the Enabling Regulations).

The Cape Cod Commission and its planning and technical staff directly assisted the Town of Dennis during Fiscal Year 2008 as follows:

## ***Affordable Housing***

- Provided more than \$10,000 in HOME down-payment funds to two households.
- Provided three Soft Second Loan Program mortgages to first-time homebuyers.

## ***Geographic Information System***

- Updated the GIS parcel layer for the Town of Dennis.
- Prepared maps with aerial orthophotos, open space parcel boundaries, water supply wells, utilities, roads, and more for the Cape Cod Cooperative Extension's "Wildland Fire Planning and Mitigation Project."

## ***Planning and Community Development***

- Provided technical assistance to the Dennisport Revitalization Committee for a sustainability charrette (visioning workshop) expected for Fall 2008.
- Worked with graduate students from the Boston University Historic Preservation Program to create an inventory of cultural landscapes.

- Worked with Dennis town staff and officials to develop the town's portion of the Regional Land Use Vision Map, which, among other uses, will help define the Commission's regulatory thresholds and development review standards. Also held a public forum to consider the proposed map.

### ***Transportation***

- Began work on an update to the 1995 Route 6A Scenic Byways "Corridor Management Plan." Work by year end included the identification of data and analysis needs and the creation of an online questionnaire to enhance public participation.

- Provided \$20,629 in Development of Regional Impact (DRI) mitigation funds toward a feasibility study of the proposed westerly extension of the Cape Cod Rail Trail.

- Conducted traffic counts at 16 Dennis locations (intersections and road segments) in the summer of 2007, as part of the Commission's annual Cape-wide traffic-counting program.

### ***Water Resources***

- Submitted a comment letter to the Massachusetts Environmental Policy Act (MEPA) office about the Environmental Notification Form for the Dennis Drinking Water Treatment Plant.

- Reviewed volunteer-collected water-quality data for selected ponds and prepared a report for the town.

- Continued to coordinate the Cape-wide Pond and Lake Stewardship Project; as part of the annual water-quality monitoring program, samples were collected and analyzed from 11 ponds in Dennis.

### ***Regulatory Reviews***

- Approved a DRI for the KeySpan Sagamore Line Reinforcement Project - Middle Segment, Phase 2 (01/24/08), for the continued construction of a new high-pressure gas-distribution pipeline; this segment is 13,000 feet in length through Yarmouth, Dennis, and Harwich.

The year 2008 was marked by substantial change: regulatory and process changes in response to the 21st Century Task Force, and personnel changes led by the appointment of new Executive Director Paul Niedzwicki.

The Cape Cod Commission and its staff work diligently on behalf of the citizens of Dennis. Like most public institutions, it works best when guided by the people it serves. Advice and comment on the Commission's regulatory and planning work are always encouraged.

Respectfully submitted,

Wm. Bradford Crowell, Dennis Representative

# Bass River Park Property Use Committee

We have some exciting developments to share with you about Bass River Park. The final design was completed in the fall and reviewed and approved by the Board of Selectmen, Planning Board and Conservation Commission. Town administration, department heads, and citizens of the town contributed their expertise and suggestions throughout the year, culminating in a final plan that is representative of all this input. Construction Documents were then prepared and the town put the project out to bid in late fall. A final announcement of the successful bidder has not been made at the time of this report. The Department of Environmental Protection is completing a review of the park design to assure compliance with federal wetlands regulations. It is hoped that construction of the park could begin this summer. In the meantime, the park's boat slips and kayak concession brought much needed revenue to the town and will be used to help maintain the park site.

More great news centers on the funding for the park's construction. The town hired Bailey Boyd Associates to help write a PARC grant application to the Commonwealth of Massachusetts Division of Conservation Services. The town was successful in being awarded a \$500,000 matching grant. The Community Preservation Committee recommended \$500,000 from CPA funds be used to match the State grant and at Special Town Meeting in November, the town approved this appropriation.

The Committee also submitted applications for grants on behalf of the Town. We were successful in being awarded \$15,000 for design services and a \$350 Dennis Arts and Culture grant to fund Paul Nossiter's Dixieland Band at the second annual summer park party. Support for the park also came from the West Dennis Junior Yacht Club. They held a car wash and raised enough money to purchase the park's first bench. At the summer park party, the Board of Selectmen thanked the club for their generous gift. The Committee would like the summer party to become an annual event and are seeking suggestions and support from the community as to what they would like to have on that day. We have been asked to identify other potential items needed at the park that could be donated or sponsored and we plan to do so.

It is very exciting to finally be this close to realizing the actual building of the park. The Committee is grateful for all the support and input provided us as we have worked with the park's architect, Chris Reed from Stoss LandscapeUrbanism, to develop the final design.

Respectfully submitted,

Margaret Kane, Chair

Dale Riebold

Richard Barker

John Todd

Ed Chatelain

# Sea View Playland Property Use Committee

The Sea View Playland project has moved forward, with the final design plans being completed. The Committee is especially appreciated of the suggestions made by the Department of Natural Resources, Conservation Commission, and the Department of Public Works. Their suggestions will result in enhancements to the natural beauty and habitats of the park.

The groundbreaking is expected to begin in the Spring of 2009, with completion expected by July 1, 2009.

The Committee wishes to thank the Board of Selectmen for their patience and support of this project.

Respectfully submitted,

Florence Crockett, Chairman  
Maryellen McDonagh-Angelone  
Nancy Davison  
Herbert Goldberg  
Phyllis Gustafson  
Kenneth Johnson  
Anthony Marvullo  
Christopher Dixon  
Anne Swanson  
Dustin Pineau, Liaison Member, Recreation Department

# Community Preservation Committee

Under the Community Preservation Act, funding is derived from both Town and State sources. Appropriations, made only by Town Meeting, provide grants exclusively for open space and recreation, historic preservation and community housing.

The Annual Town Meeting approved a committee budget of \$1,408,000, including a State contribution estimated at \$546,000. (The State grant, when received, was \$632,000.) After a lengthy evaluation process, the committee recommended and the November Special Town Meeting approved the following projects:

## **Open Space and Recreation**

\$500,000 to the Town for improvements to Bass River Park, contingent on a State matching grant of \$500,000. (Notice of the State award has been received.)

## **Historic Preservation**

\$18,000 to the Town for the Ancient Cemetery, South Dennis, to survey the site, map burial locations, restore headstones, etc.; \$21,295 to the Town to install energy efficient and historically appropriate windows in Carleton Hall; \$200,000 to the Town for a structural survey and bid specifications for a historically appropriate rehabilitation of the Rev. Josiah Dennis Manse. A portion of this appropriation will be reserved as a match for a pending state grant.

## **Community Housing**

\$160,000 to the Housing Assistance Corporation to purchase, rehabilitate, and market two or more housing units in Dennis, deed restricted perpetually as affordable. \$105,000 to the Town to subsidize construction of three units of affordable housing, and update the Town's affordable housing plan (\$500).

The Committee meets generally on the second and fourth Thursdays of each month at 6:00 P. M. in Town Hall. Approved meeting minutes and changes in meeting schedule can be found at our website: [www.town.dennis.ma.us](http://www.town.dennis.ma.us).

Below are listed the committee members with their appointing committees shown in parenthesis.

Respectfully submitted,

Henry Kelley, II, Chairman (Selectmen)  
Burton Derick, Vice Chairman (Historical Commission)  
Sheryl McMahan, Secretary (Selectmen as Park Commissioners)  
Charles Chamberlain (Selectmen)  
Dorria DiManno (Planning Board)  
Valerie Foster (Housing Authority)  
Esmat Nouri (Selectmen)  
Frank Verny (Conservation Commission)

# Conservation Commission

The Conservation Commission hearings, posted at the Dennis Town Hall, are normally held at 7:00 p.m. on the first and third Thursdays of the month. In 2008, the Commission held twenty-two public hearings under both the State and Local Wetland Protection Laws.

The Town sold 1822 off road stickers, which brought in \$195,760.00. The Town's Blueberry Patch had a good year, bringing in \$1,893.00.

The Town has received a Wild Fire Prevention and Preparedness Grant from Barnstable County, in the amount of \$20,000. This will go a long way toward making the natural areas safer from wild fires.

The Commission has a number of people that we would like to acknowledge for their contributions to the Conservation Commission. First, we would like to thank Mr. Wayne Bergeron for his service to the Conservation Commission. Wayne has been elected to the Board of Selectmen and has resigned his seat on the Commission. Secondly, we want to give a special thanks to Mrs. Maryanne Hersey for the 19 years of service she has given to the Town. Maryanne played an important role in the operation of the Department of Natural Resources and the Conservation Commission, and we all miss having her at Town Hall.

As some friends move on, new faces arrive. Jamie Cabot left the Natural Resources department for a position with the Town of Barnstable Board of Health. We all wish him well in his new endeavor. Jamie's position has been filled by Paul Wightman, who is the new Town of Dennis Conservation Officer. Tanya Daigneault has returned to the Town of Dennis, in the capacity of Natural Resources Officer. Maryanne Hersey's position has been filled by Mrs. Maryellen Fabiano-Stowe. Maryellen is the Principal Office Assistant, coming to us from the Board of Health. We would like to welcome all of them to the Natural Resources Team. Last but not least, we would like to welcome back Mr. George MacDonald. George, who served for many years as the Director of Natural Resources, has been appointed as a Commissioner to fill the slot that was vacated by Wayne.

Lastly, the Commission would like to thank Richard Halverson and his group of volunteers for many hours of work maintaining and operating the Town's Blueberry Patch.

Anyone who is interested in the being on the Commission, or if you have questions about the Conservation Commission, you may contact Don Waldo through the Natural Resources Office in the Dennis Town Hall.

Respectfully submitted,

Donald Waldo, Chair  
William Clark, Vice Chair  
Georgiana Olwell, Clerk  
David Dumas  
Frank Verny  
George MacDonald  
Walter Von Hone

# Shellfish Committee

In 2008, the Shellfish Committee worked diligently on many different areas of interest. The Committee held ten meetings in 2008.

We worked all year on revising the Privately Licensed Shellfish Area Regulations and have submitted them to Town Counsel. Town Counsel has since revised the regulations, and there was much conflict on the changes made. The Committee worked on the re-structuring of the Privately Licensed Shellfish Regulations on November 25th and December 9th, for re-submission to the Selectmen.

Tom Moran and John Costello have forfeited their privately licensed areas. With a Committee vote, Gary Sawyer and Lee Hanscom were recommended to the Board of Selectmen to take over the vacated areas.

Aaron Brochu has been sworn in as the sixth member of the Shellfish Committee. Elections were held in the Committee, and the results were as follows:

Glen Morrell, Chairman  
Carl Howard, Vice-Chairman  
Aaron Brochu- Secretary

The financial strain on the Town has led to the freezing of the budget for shellfish stock.

On December 14, 2008, the Town had their Oyster Giveaway on Corporation Beach. Each family permit holder was offered 24 oysters. It was a great success.

The year ended on an exciting note, where after being closed for the past 20 years, the State Division of Marine Fisheries deemed Swan Pond and Swan Pond River safe for the harvesting of shellfish between December 1st and April 30th.

Respectfully Submitted,  
Glen Morrell, Chairman  
Shellfish Committee

# Shellfish Department

## SHELLFISH PERMITS IN EFFECT FOR 2008

### Household

### INFORMATION:

On December 8th the Town received from the MA Division of Marine Fisheries a Sanitary Survey Report on Swan Pond and Swan Pond River. This report changed the status of Swan Pond River to once again, after twenty years, allow us to harvest shellfish from its waters. The Town should take great pride in our diligence to improve the water quality by the implementation of the Do Not Feed the Wild Waterfowl Bylaw, upgrading of septic systems, improving road drainage and the training wall at the entrance of the river.

Our CRABS (Commercial Recreational Association for Better Shellfishing) program of volunteers continues to assist our shellfish resources and fisheries populations and habitat. CRABS volunteers have donated over 380 hours on over seventeen projects that have made a long term positive impact on our resources. Some notable projects included the oyster reef program, upweller quahogs, upweller scallops and herring run restoration. A special thanks to two CRABS, George Platt and Fran Donovan, who volunteered extra hours to help maintain the upweller.

In October the Town had an unexpected visit from a manatee in Sesuit Harbor. Manatee are not accustomed to the cold waters of our north coast and we were concerned about the health of the mammal. Manatees are native to Florida but occasionally travel up the east coast. The 8-foot long manatee was rescued by the Cape Cod Stranding Network and Sea World of Florida but did not survive the trip south.

This department continues to culture shellfish in two upwellers at Captain Hardings Lane, Bass River. We raised 40,000 seed scallops, and, with a grant provided by the Division of Marine Fisheries/Barnstable County Shellfish Enhancement Program, we raised 700,000 seed quahogs.

Habitat restoration and shellfish propagation has continued with the remote set oyster program enhancing our population of oysters in Bass River, in cooperation with the Barnstable County Shellfish Enhancement Program, who gave us 250 bags of shell stock containing approximately 167,000 seed oysters.

Under a special permit issued by the Division of Marine Fisheries, the department planted 250 bushels of quahogs into Grand Cove, Bass River.

The Shellfish Department would like to take this opportunity to thank the Cape Cod Salties for their continued efforts supporting and maintaining our herring runs.

Respectfully submitted,

Alan S. Marcy,  
Shellfish Constable

# Coastal Resources Committee

The Coastal Resources Committee (CRC) is charged to promote regional awareness of coastal issues by serving as a conduit or liaison for the exchange of information between Cape Cod communities. The CRC consists of a representative and an alternate, nominated from the Selectmen, from each Cape Cod town. Additionally, it includes a representative nominated by each of the following and appointed by the County Commissioners: Barnstable County Commissioners, Assembly of Delegates, Cape Cod Commission, Barnstable County Selectmen's Association, Barnstable County Department of Health and Human Services, Barnstable County Extension service, Barnstable County Shellfish Advisory Committee, Natural Resources Conservation Service/Cape Cod Conservation District, and the Cape Cod National Seashore.

The work plan for the year consisted of discussions on the dredging window limitations, Massachusetts Ocean Management Act, no discharge areas, Cape Cod water resources restoration projects, climate ready estuaries, using shellfish to manage nitrogen in coastal waters and to protect water quality wastewater management.

In closing, I would like to thank the Board of Selectmen for the opportunity to serve as the Town of Dennis' representative on this important regional committee.

Respectfully submitted,

Alan S. Marcy, Representative

# Waterways Commission

2008 was a struggling year in finance for the harbors and waterways of Dennis. There was a three year catch up of work between the harbor masters and the commission. The harbor master accomplished much with the resources he had.

We were very fortunate to have the Army Corp of Engineers back after an absence of 3 years. Many thanks go to Terry Clen and Northside Marina for there diligent phone calls in getting the job done. The Army dredge removed 10,000 yards of material. The county dredged 6,142 yards from Sesuit Harbor for beach nourishment which was used for Cold Storage Beach. Also dredged was 1,850 yards from the mouth of Bass River by the county.

We added two boats to our fleet. The patrol boat was donated from the county and the used surplus work barge was donated by the state, thanks to Chief Whalen.

New main docks are being built on the eastside of the harbor and a couple of docks have already been replaced at Bass River Park. A new fire suppression system and a new waste water pump out system have both been installed.

Docks and pilings for Freeman's Landing is \$ 65,000.

A \$ 50,000 grant has been obtained to continue dredging.

The Waterways Commission would like to acknowledge Brian Hawesworth resignation as secretary and thank him for his services. We would also like to welcome Mark Lambton & Walter Hulse to the Commission.

In closing, the Commission would like to recognize the passing of George W. (Sonny) Cifelli this pass December. He will be remembered for all his hard work and dedication for 20 years of service to the Dennis Municipal Building Dept. He will be sadly missed.

Respectfully submitted,

Carl Howard, Chairperson  
Jeff Giunta, Vice Chairperson  
John Simpson, Secretary  
Jonathan Smith  
Armand Cloutier  
Leicester Johnston  
Peter Aspesi  
Mark Lambton  
Walter Hulse

# Comprehensive Wastewater Management Plan Task Force

Continued progress on the development of a Comprehensive Wastewater Management Plan hinges on the publication of the findings by the Massachusetts Estuaries Project (MEP); a project that began more than four years ago. Water quality sampling, environmental analysis and computer modeling are essential elements of the MEP study and will culminate in the determination of the Total Maximum Daily Limit for nitrogen loading in to the Town's coastal embayments. The press coverage of a contractual dispute between the School of Marine and Science Technology at the University of Massachusetts, Dartmouth and the Department of Environmental Protection caused a great deal of consternation in communities participating in the MEP, including Dennis. The dispute concerned the ownership and proprietary rights on certain aspects of the study program. After many months, the parties came to an agreement and the study reports are expected to be forthcoming on a delayed scheduled.

The Stormwater Runoff Subcommittee continued with their 2007 work on developing a draft Stormwater Runoff Bylaw and corresponding Rules and Regulations by meeting frequently during the first few months of 2008. The Subcommittee then presented a draft which was reviewed at length and adopted with some modifications by the Task Force as a whole. In May, the final draft was forwarded to the Board of Selectmen for their consideration. It is understood that the Selectmen will schedule a public hearing in the anticipation of submitting an article for adoption at the Annual Town Meeting in May 2009.

Early in the year, the Dennis Water District Board of Water Commissioners released their report entitled "Investigation of Ownership Issues Related to Implementation of Wastewater Infrastructure in Dennis, Massachusetts". The study was conducted by Stearns & Wheler, LLC, consultants to the District on wastewater issues. The report presented the various issues and concerns surrounding the responsibilities involved with implementing a wastewater management plan. The Task Force received the report and voted to recommend that the Board of Selectmen ascent to allowing the District to becoming a wastewater management district. The Water Commissioners presented the report to the Board of Selectmen seeking their input on whether or not the District should seek the legislative authority to assume responsibility for sewer treatment and construction as deemed necessary by a Comprehensive Wastewater Management Plan. The Board of Selectmen agreed to waive their right as a town to construct a sewer sys-

tem and support the District's filing of legislation to meet that organizational goal. The District has demonstrated a strong commitment to the wastewater planning effort by continuing to fund for and provide professional oversight of the environmental studies necessary for the development of a Comprehensive Wastewater Management Plan.

### **Regional Efforts**

The Cape Cod Water Protection Collaborative is a 17 member County agency. Each of the 15 Cape towns appoints a representative to the Governing Board whose membership also includes two members appointed by the County Commissioners. The mission of the Collaborative is to offer a coordinated approach to enhance the water and wastewater management efforts of towns, the regional government and the community, and to provide cost effective and environmentally sound wastewater infrastructure, thereby protecting Cape Cod's shared water resources. The Collaborative seeks funding support for Cape communities, establishes priorities, directs strategy, builds support for action and fosters regionalism.

The Collaborative is staffed by a part-time Executive Director and meets monthly, usually at the Superior Courthouse in Barnstable. The Collaborative maintains a website, [www.capekeepers.org](http://www.capekeepers.org) that provides current information to the general public concerned with the water quality of Cape Cod.

The primary focus for the Collaborative this year was the successful pursuit of 0% interest state revolving loan funds to support Cape Cod wastewater initiatives. The Collaborative, working closely with Senator Robert O'Leary (D- Barnstable) and Representative Sarah Peake (D- Provincetown) and the other members of the Cape legislative delegation, secured passage of landmark legislation providing communities with access to these funds. The passage of this legislation was the Collaborative's highest priority and stands to save Cape communities tens, if not hundreds of millions of dollars as wastewater treatment projects are constructed. Details of the legislation can be found on the "Cape Keepers" website. The Collaborative also met with local officials throughout the Cape to highlight available county services to assist in nutrient management.

While much has been accomplished, much remains to be done. The Collaborative continues to support the efforts of Cape communities to maintain the quality of our drinking water and coastal and inland waterways.

# Water Quality Advisory Committee

The Water Quality Advisory Committee (WQAC) is concerned with fresh and salt water quality in Dennis. It conducts such studies and investigations necessary to advise, make recommendations, and endorsements to other Town boards, committees, and commissions, as well as Barnstable County and the Cape Cod Commission (CCC).

Between 2002 and 2008, the Committee participated in the Ponds in Perils Program (later PALS) collecting data and water samples on 11 larger ponds: Bakers, Cedar, Coles, Eagle, Flax, Fresh, Hiram, North Simmons, Run, Scargo, and White's. These ponds were originally selected based on size, type, and access. The Committee continued to test these ponds April through October 2008. The tests included the continuation of measurements using a YSI probe (temperature and dissolved oxygen), Secchi Disk (water clarity), and calculation of total depth on all 11 ponds. For one month, the Committee took water samples on the ponds from the top, bottom, and on Scargo, also at 3 and 11M. The 25 samples, which were tested at Coastal Systems Program, School for Marine Science and Technology, University of Massachusetts-Dartmouth (SMAST) under the leadership of Elizabeth White, Research Associate, are in the process of being analyzed for total phosphorus, total nitrogen, chlorophyll *a*, pheophytin *a*, alkalinity, and pH. Initial results indicate that the degrading of the water quality in the majority of Dennis ponds continues. Most ponds tested outside the limit for phosphorus, nitrogen, chlorophyll, and dissolved oxygen.

At this writing, the Committee awaits a final report on the data and recommendations for restoration of Dennis ponds from Ed Eichner, Water Scientist, SMAST. The report, funded by the Cape Cod Commission, is due to be completed by June 30, 2009, at the latest.

All members and volunteers continued to be active in pond testing, and also assumed additional roles: Gerald Gallagher, Trainer and Technical Leader; Seth Crowell, Commodore, assisted by Richard Armstrong; Peter Berrien, Recorder; Jean Twiss, Correspondent; Bill Boothe, Statistician; Paul Fiset, Liaison with DPW; Josh Crowell, Program Committee Chair; and Bill McCormick and Bob McNeil, Representatives to the Comprehensive

Wastewater Management Task Force (CWMTF). Barbara Bird resigned, whereas John Harper was a welcome new volunteer.

# Beach Committee

Several major projects designed to maintain and improve the beaches within the town have moved forward this past year. Initial architectural plans for the replacement of the bathhouse at Corporation Beach have been developed, and the project is now in the review stage. The fall town meeting approved funding for improvements to West Dennis Beach near the residents' parking lot. The bulkhead at this beach is falling apart, and something needs to be done soon to maintain the beach. The project intends to deposit dredge spoils from Swan River and Bass River onto the beach resulting in the extension of the beach seaward as well as the development of a man-made dune over the existing bulkhead wall. Funding was also approved to continue the reconstruction of the top of the bulkhead wall along West Dennis Beach. A designated place for vehicles to drop-off beach goers without entering the Mayflower Beach parking lot was constructed to alleviate traffic congestion at this beach.

The Beach Committee would like to thank all of those within the different town departments who help to maintain and operate the many beautiful beaches within the town. Thanks are extended to Harry Allen, Beach Coordinator, Dustin Pineau, Beach and Recreation Director, Joanne Iachetta, Beach Office Manager, and Jim Rondeau for their outstanding work in operating the beaches. Thanks are also extended to the Police, Fire, and Public Works Departments for their extensive support. The Beach Committee wishes to recognize the exceptional contributions that have been made over the years by George Cifelli of the Public Buildings Department and Holly Young who was a lifeguard and beach supervisor. Their passing this past year has left many very saddened. Both will be remembered for their engaging personalities and their "can do" approach to life. They will be greatly missed.

During the past year, the Board of Selectmen, upon recommendation of the Beach Committee, has accepted the donation of seven memorial benches. They are in memory of Thomas McGranaghan, John T. Reynolds, Connor Ciesielski, Charlie Mulcahy, Rudolf Krivanek, William Carter O'Neil, Paul Dever, Vincent Cuzziere, Connie Kerrigan, and Ron Tessier. Another bench was donated in recognition of the 50th wedding anniversary of Mr. & Mrs. Bernardi. The Beach Committee wishes to thank all who have donated benches for the improvement of the various town beaches.

Community organizations such as the Adopt-a-Beach groups and the Dennis Chamber of Commerce are to be thanked for their support of the town beaches. It is through this spirit of cooperation from the Board of Selectmen, Town departments, community groups, local businesses, and

individuals that the Town of Dennis has been able to maintain and improve the many beautiful beaches within its borders. The Beach Committee wishes to thank all those who contribute to the success of our beaches.

# Recreation Commission

Once again, the annual Johnny Kelly Road Race was a huge success. Over 300 runners, their families, friends, and children enjoyed a wonderful day of running and celebrating. The Recreation Commission has had so much help from some dedicated people and the community in general. Sincere thanks go out to the Johnson, Demarast and the Sidell families for their tremendous support of the road race. Without them, we could not do it (the proceeds of the race allows us to give scholarships to deserving seniors at DY from the Town of Dennis and to enhance all of the recreational programs). Thank you once again to all our Sponsors, especially the Barbo and Bunce families. We hope to see all in July of 2009 for the next race.

Our programs, in general, from the summer camp to sailing, women's flag football to men's basketball was once again full of participants. It is a credit to Dustin Pineau and his staff that all our programs are alive and flourishing with interest and participation.

The goal of the Recreation Commission this year as it has been in the past is to continue to provide leisure and active recreational programs for all ages in the Town of Dennis. To this end, we will continue to strive to complete our master plan for the renovation of Johnny Kelly Park. This includes the renovation of the fields, the completion of the playground and the extension of the pavilion in order to create full day summer camp. We need your support. Any ideas/suggestions would be greatly appreciated.

We would like to thank the Selectmen and the Finance Committee for their continued support as well as the staff from the Wixon and Ezra Baker schools. Thank you to the members of the Recreation Commission, who spend many hours assisting the children of Dennis. And thank you, as always, to Dustin Pineau, who from the day he started to work for our town, has always given many, many hours to provide us all with exceptional activities.

One final note, if you are interested in helping, either financially or by volunteering for the Friends of Dennis Recreation, please feel free to contact the Recreation Office. The Friends have become an integral part of our programs and all help would be welcomed.

Respectfully submitted,

# Golf Department

The 2008 Golf season was not only a banner year for play but being the only golf course recognized by the Cape Cod Times as a Five Star facility was a pleasant surprise. We held two very successful junior clinics that were very well attended. We also were graced with favorable weather for most of our golf season which made for great playing conditions again this year.

I would like to thank the maintenance staffs and seasonal personnel, as well as the office staff for another fantastic job!

Capital equipment purchased this year was a leaf collection system, two tractors with aerators and a greens mower.

The Golf Advisory Committee generally meets on the second Monday of the month, at 5:00 p.m. in the downstairs meeting room at Dennis Highlands. We encourage golfers and non-golfers to attend these meetings to have any of their questions addressed. Meeting dates are posted at the Town Hall and on [www.dennisgolf.com](http://www.dennisgolf.com).

Respectfully submitted,

Michael Cummings  
Director/Superintendent

**Golf Revenue and Expense Summary  
For the Fiscal Year Ending June 30, 2008**

**Net Income (Loss)** \$22,095.97

# Golf Course Advisory Committee

You know you have a good product when you make money in a challenging economy. That is what the golf department did in 2008! Granted, some of this was due to a 5% increase in memberships and fees. However, the number of memberships were slightly down, a question that is tough to answer. Is it due to aging membership, the overall membership cost vs. number of rounds played, is golf becoming an expensive luxury or are not as many people playing. This is a question that we as a committee and department will be working on in 2009 and the coming couple of years. This will be important information to protect our share of the market and help with revenue predictions for the Town.

The committee and the department are always looking for ways to produce more revenue and this will continue. We will be concentrating on methods in which a better split of revenue produced will stay with the golf department so that we have funds available for needed improvements or emergencies.

Once again, 2008 was blessed with nothing less than perfect playing conditions at both courses. Mike Cummings, Superintendent and Golf Director, and his complete grounds-keeping staff should be commended on the job they do. In the office, Byron Boone, Assistant Director, and his staff should also be commended on their job as well. Byron and all of the office staff, starters, rangers, cart people and clerks provide the necessary personal relations for the members and guests that are a huge factor for the golfing experience. There have been many times the committees members have been approached by guests saying "The courses are in great shape and the people that work here are so nice and helpful."

To complete the total golf experience one needs a place to sit after or between the rounds and enjoy a bite to eat and something to drink. Both restaurants were up and running and were enjoyed by all. 2009 expects to be a difficult year for all and the Golf Department is no exception. There is no doubt that the team will do it's very best to continue the experience that has been restored to Dennis Golf.

Respectfully submitted,

Eric A. Oman

# Memorial Day Observance Committee

Army Chaplain Charles Griffin served with the Seventh Armored Division, a part of General Patten's 3rd Army during World War II, was the parade Chaplain for the 2008 Observance. Chaplain Griffin gave an inspiring insight of his serving with the armed forces during the war years.

The parade stepped off from the grounds of the West Dennis Graded Schoolhouse at 9:30AM and proceeded to Rt 28, then to Merrill Park for the speaking program.

Parade Marshall, Commander Frank Verny, US Navy Retired, led the Escort Division, Colors and Staff, followed by the Dennis Board of Selectmen, Parade Chaplain, Police and Fire Chiefs, and the Superintendent of the DPW.

Captain Carl Copp, USMC Retired, led the Veterans Division that included many WW II, Korea, and Vietnam veterans that marched along with the auxiliary members and vehicles.

The Youth Division, including Boy Scouts, Cub Scouts, Girl Scouts, Brownies, and their many flags were led by Michael Mahoney and Jane Hargraves. The Civic and Fraternal Division was led by Lt. Col. Hurley Bogardus, USMC Retired.

The parade was viewed by hundreds as it proceeded to Merrill Park, where Selectmen Paul McCormick was the moderator. Chaplain Griffin gave the Invocation and Benediction. Captain Copp, USMC Retired, read the history of Merrill Park. The Speaker of the day was Samuel Franco A/1C US Air Force, gave an inspired review and meaning of Memorial Day, which has been observed since 1868.

Musical selections were played by the Wixon Middle School Band and the Dennis Yarmouth High School Band. Lt. Col. Bogardus, USMC Retired, read the Lincoln's Gettysburg Address.

SFC Walter von Hone read the names of the past year's deceased veterans. A wreath was placed and taps were played by buglers from Wixon Middle School and Dennis Yarmouth High School.

Respectfully submitted,

Walter von Hone, Chairman

Paul McCormick, Board of Selectmen

# Dennis Housing Authority

The regularly scheduled meeting of the Dennis Housing Authority Board of Commissioners is posted at the Dennis Town Hall and normally meets the third Monday of the month at 5:00 p.m. at Center Street Village Community Room – 167 Center Street, South Dennis.

The Dennis Housing Authority welcomed newest Commissioner Ernest Shepard early in the year. Commissioner James Wick did not run for re-election in the spring. We thank him for his service on the board. The Housing Authority welcomed newly elected Commissioner Paul Corcoran. He is a great asset to the Board.

2008 was a busy and productive year. The state allowed the housing authority an exemption to the budget to hire a third maintenance person to join the team. There are now three full time maintenance personnel (two of whom were new hires this year) on staff to provide for the over 150 rental units, enabling us to accomplish much needed repairs in a timely manner.

Some of the upgrades and repairs that have taken place through out the year are replacement of all side doors at our family development on Mulhern Drive, fence replacements, bathroom ventilation upgrades in a few units at Windmill Village, Kitchen upgrades at scattered site family units, as well as windows, siding and doors on the back of Windmill Village property. A complete weatherization project took place throughout the housing authority properties as well as many other projects and repairs.

Unfortunately the Melpet property was taken back by the Town of Dennis due to circumstances beyond our control.

The Dennis Housing Authority would like to thank the Town of Dennis for allowing us to take part in the PILOT Program. (Payment in Lieu of Taxes).

The Housing Authority continues to maintain nearly 100% occupancy rate in all programs.

# Dennis Municipal Affordable Housing Trust

The Dennis Municipal Affordable Housing Trust meetings are normally held the last Wednesday of each month at 5:00 p.m. unless otherwise posted. 2008 was the first full year that the Trust met to discuss and plan for Affordable Housing since we were appointed by the Selectmen in August of 2007.

The Trust hired Bailey, Boyd and Associates as our Housing Consultant to assist us in our tasks of completing the Planned Production Plan, write Community Preservation applications for funding, issue RFPs for land acquisitions and assist in the creation of affordable housing.

The Trust has been awarded, through Town meeting action, three lots which were then awarded to Habitat for Humanity after an RFP for each lot was issued last fall.

We also requested legislative changes to our By-laws to incorporate the duties of the former Dennis Housing Partnership and to increase our committee membership from five to seven. Legislation was passed in January 2009 for these changes.

At the Special Town Meeting in November the Trust was approved for \$105,000 of CPC funds to be used for the three lots mentioned above and a small amount to assist with the Planned Production Plan.

During the summer of 2008 we requested, through a survey, information from residents and the Dennis Workforce on their current housing needs. The results of the survey were presented at the February 10, 2009 Selectmen's meetings and will be available on the Town's website.

This information will be used with the Planned Production Plan as tool to help the Town produce affordable housing, whether it is for first time home buyers or additional rental units, in a variety of forms and income ranges.

As a Trust we can accept gifts of land, tax-deductible monetary donations and gifts of homes for the purpose of affordable housing. If you are interested in making a contribution, please contact us through the Town of Dennis.

Respectfully Submitted,

Valerie Foster, Chair

Ellen Reil, Secretary

Ralph Cox

James Wick

# Council on Aging

The Dennis Senior Center is very well attended and a busy place because of the variety of programs, the dedication of the entire staff and our many volunteers who contribute thousands of hours.

Besides our regular calendar of activities, several special programs and shows were very well received.

In June, Dottie Bradley, Principal Office Assistant, and in August, Paula Dolan-Pare, Director, both retired. We owe them a big thank you for their dedication and wish them well.

Michelle Boris was hired to take Dottie's position and in the interim, Randi Cherchiglia was appointed Interim Director, along with her regular position as Outreach Coordinator. Also, many thanks to the rest of our very productive staff – Judy Pariseau, Finance Clerk; Vicki Carroll, Assistant Outreach and Transportation Coordinator; Bobby Brown and Don Warren, Drivers; Avis Kaeselau, Seniors Alone & Over 80's Coordinator; and Sarah Doherty, Statistics Clerk.

For this winter, the Center has been designated as a 24-hour warming center for those in need, staffed by volunteers.

Jacqui Beebe was welcomed as the new Director on December 1st.

Respectfully submitted,

Bud Sheldon, Chairman

**Board Members:**

Attorney Arthur Crooks, Vice Chairman;

Jean Twiss, Clerk;

Helen Wick, Liaison Dennis Friends;

Dr. F. John Curran; Rae Fenton; John Holt; Juanita Donlin; Armand

Boucher; Esmat Nouri; William and Marilyn McCormick; Carole

Sandquist, Ex-Officio, VNA; and Nancy Friend, Ex-Officio, Dennis

Housing Authority.

# Friends of Dennis Senior Citizens, Inc.

Twenty-eight years ago, a group of energetic, concerned and far-sighted individuals went about the task of building a Senior Center. In a relatively short time this goal was accomplished and the Center was given to the Town of Dennis debt free.

Since then, The Friends of Dennis Senior Citizens has maintained a very busy office and helps facilitate day and overnight trips for seniors. The Friends' Planned Giving Program has contributed to many groups and organizations that help and support our seniors. We also prepare over one hundred holiday gift bags that are given to seniors who are "alone" or are "homebound" during the holiday season.

Our income is derived from memberships and from our Spring and Fall Golf Tournaments.

The Friends office is maintained in order to keep our seniors informed and travel wise as well as being supportive to the Council on Aging, as they conduct their many worthwhile programs.

At our annual meeting in September, Walter von Hone, who served as President of the Friends for ten years, was succeeded by Len Morley, former Vice-President.

Respectfully submitted,

Leonard Morley  
President

# Advisory Committee on Disabilities

The Dennis Advisory Committee on Disabilities continues to be one of the most active committees on Cape Cod.

The committee saw changes in members this year. We were sad to see our Chairman, Jerry Berger and his wife, move off cape. We welcomed our newest members, William Savicki and Hussam Awad. They are a great asset to the committee.

The William W. Wood All Access Playground continues to be enjoyed by many local and off cape visitors. The Playground is located behind the West Dennis Graded School on School Street in West Dennis.

The LIVING WITH DIFFERENCES school program continues to be very well received. Children at the Wixon Middle and Ezra Baker Schools learn about disabilities through interaction. This is our 9th year for this program.

There are now four handicap beach chairs available. There are two on the North side and two at the West Dennis beach.

Our future goals include having handicap golf carts at the Dennis Pines and the Dennis Highlands. Also, conducting and implementing a Town wide survey on the needs and concerns of the challenged residents.

The Committee appreciates the support of the Town and residents on making accessibility a priority.

Respectfully submitted,

Juanita Donlin, Chair

William Savicki, Vice Chair

Grethe Kaeselau, Secretary

Joseph Palma, Treasurer

Carol Malone

Muriel Hanger

David Swanson

Hussam Awad

# Human Services Advisory Committee

In Fiscal Year 2008 the Town, through the Human Services Advisory committee, awarded \$36,150 to area human service agencies—a 2% increase over the previous year’s funding. Twelve agencies applied for and received funding, including:

CapeAbilities, Inc.	4,300
Cape Cod Child Development	5,000
Consumer Assistance Council	550
Elder Services	5,000
Independence House	4,000
Sight Loss Services	3,000
Legal Services	2,500
Family Pantry	2,800
Salvation Army	2,000
AIDS Support Group of Cape Cod	2,500
Big Brothers/Big Sisters	2,000
Hands of Hope Outreach Center	<u>2,500</u>
<b>TOTAL:</b>	<b>\$36,150</b>

The Committee evaluates each application on the basis of need and perceived benefit to the residents of the Town. Applicants are asked to quantify these benefits in their proposals and the information provided is evaluated against the previous year’s service. The committee also reviews data about the services provided by agencies and attempts to insure that the services available to the Town meet the needs of our residents. We also speak with representatives from the agencies we fund. In FY08 the committee spoke with representatives of Big Brothers/Big Sisters and South Coastal Counties Legal Services (formerly Legal Services of Cape Cod and the Islands) to receive information updates on their services and to better inform our budget deliberations.

The Committee appreciates the support of the Town administrative officials who assist in the mailings, printing and dissemination of proposal information.

Respectfully Submitted,  
Raymond Tamasi, Chairman  
Wayne Bergeron  
Linda Fortenberry  
Sean Sheehan  
Steve Teehan

# Veterans' Services

The Department of Veterans' Services was extremely busy in 2008 due to the economy and the Iraq and Afghanistan Wars. We are a one-stop center for veterans to seek out the benefits they are looking for from the Federal, State, or Local Governments.

We processed over 2,200 walk-in visitors and over 780 appointments along with over 7,438 telephone calls during the year. We, the Town of Dennis spent over \$99,000.00 on local veterans from Dennis during the year. We received over \$74,405.00 back in reimbursements from the Commonwealth. Our office obtained over \$2,000,000.00 from the Department of Veterans' Affairs for approximately 1505 Dennis Veterans.

We also assist veterans in enrolling in the VA Primary Care Clinic in Hyannis, so that the many veterans who need or require health care insurance can obtain it from the VA.

We encourage all veterans to call our office to arrange a visit by calling 1-888-778-8701. The visits can be scheduled for the office, Town Hall, your home, or any place that you feel comfortable.

We are located in the First Citizens Federal Credit Union Building, 66 Falmouth Road, Hyannis, MA 02601.

Respectfully submitted,

Sidney Chase, Director

Edward Merigan, Assistant Director

Norman Gill, Regional Director

# Caretakers of Veterans' Graves

During 2008, our committee's membership increased from 10 to 11, with the welcome addition of Tom Kelly. As in the past, we continued to adhere to our basic duties to make every effort to see that any veteran's grave has an appropriate marker and new American flag before Memorial Day. Oversee that condition of flags and markers during the course of the year, especially Veterans' Day at the 6 active and 4 inactive Dennis cemeteries where veterans are known to be buried. Individual committee members are each assigned a particular cemetery to keep properly flagged and see that markers are functional and properly placed. The wind storms and ravages of winter caused members and volunteers to continually replace and/or repair if possible damaged flags. Caretakers were also active in seeing that service flags flying at Merrill Memorial Park and its grounds are continually maintained in proper condition.

Flags are now being brought down shortly after Veterans Day (November 11) and raised again prior to each Memorial Day with the help of some Town firefighters and DPW workers. Also, the Dennis DPW and AMVETS post 333 have been especially helpful in providing an excellent park appearance where annual Veterans Day and some Memorial Day ceremonies are held. New plantings are donated by local merchants, planted by AMVETS.

The help of several local organizations was necessary to enable the committee members to fulfill their obligations, particularly on Memorial Day. In particular, our thanks are extended to AMVETS Post 333, VFW Post 10274, American Legion Post 488, and the Boy Scouts and Girl Scouts of America.

These groups also held their annual flag retirement ceremony at Merrill and invited the public to turn in worn flags to the Dennis Fire Department for burning in June.

We are indebted to the Department of Public Works, in general, and David Johansen, Greg Rounseville, and Jeff Atterstrom in particular, for graciously filling our requests for the flags and markers we require for doing our work.

We sadly report that Tom Dexter, veteran VFW officer, who conscientiously serviced the flag needs in Dennis Village cemetery, passed away and will be missed.

# Arts and Culture Council

The DACC had a successful year with grants totaling \$ 4,000.00, innovative Council programming, the launch of a Council web presence and participation in the fall for the Arts celebration. We were also joined by new members RoseAnne Gardner, David Kaplan and Rebecca Gallerizzo and rejoined by Patricia Chase.

Grants included programs for the young and families at Ezra Baker School, attended by over 175 to arts scholarship programs at the museum. Many more applicants submitted than we were able to fund.

The 2nd Annual Dennis Photography Contest was held in April and May, with an opening reception May 6, 2008. The reception was catered thanks to Treats at the Dennis Inn and by Stop and Shop. Eleven submissions in the adult category and nine in the youth category were of excellent quality. Prizes were fifty dollars for each winner. The exhibit was well-attended at the Town Library. We are proud of this project which showcases Dennis residents' talent.

The Fall for the Arts was held in Dennis, Falmouth and Hyannis on October 4-5. The event was sponsored by the Arts Foundation of Cape Cod and the Cape Cod VIEW. Our participation was not invited nor included until very late in the process, but DACC really picked up the ball and filled Carleton Hall with artists and artisans as well as our own art raffle with donated works. We raised \$350.00 for arts programs.

Member David Kaplan attended a state-wide lobbying effort, Telling Our Story, and Lisa Morales attended a regional round-table in Plymouth.

We hosted a grant writing workshop with Kaitlin Longmire of Massachusetts Cultural Council, to prepare applicants. This was open to all Cape residents.

The DACC blog <http://dennisculture.wordpress.com> is becoming a clearinghouse for Dennis arts information. It is hoped that all arts organizations and artists will post on this site.

Finally, thanks to Dr. Robert Chatov and James Curley for their past service to the Council.

Respectfully submitted:

Lisa Morales, Chair

# Caleb Chase & Jonathan Matthews Trust Fund

The year 2008 was a positive year for the Caleb Chase and Jonathan Matthews Trust Fund. Any good news was welcomed in this year of economic downturn.

The Caleb Chase Trust Fund Revenue Act filed with the House of Representatives by Rep. Cleon H. Turner was passed in March. It was then presented to the Senate by Sen. Robert O'Leary and was passed by them. We thank them for their assistance. That approval has allowed Dennis taxpayers to donate money to the trust fund by means of a check off box on their real estate bills.

Taxpayer donations to the trust fund made through the tax bills was \$2,200.00. The fund also received a generous donation from the Citizens for a Permanent Override Committee. The Dennis Town Clerk's office makes monthly contributions from the Chase and Sanborn Coffee can on their counter. They suggest a donation to the Chase Fund as they do not charge for Notary services.

In 2005, before we started fund raising, the recipients received only \$25.00 each. This year twenty-five elderly needy widows and widowers each received \$125.00. Thank you to the Assessor's Department for providing the list of names. The trustees can disburse only the interest from the permanent trust and from donations. Our goal is to increase the permanent fund until it is self-sustaining while still serving our elderly needy with a respectable gift.

The trustees are presently developing a brochure to go with future tax bills to explain the Caleb Chase Trust Fund. This coming year marks the 100th anniversary of Caleb Chase's donation to the Town of Dennis. Many truly needy Dennis residents have benefited over those 100 years from his generosity.

All contributions are gratefully received. The letters from the recipients would touch anyone's heart.

For information regarding this fund call the Assessor's Department at Town Hall at (508)-760-6139.

Richardson Reid  
Elinor Slade

# Historical Commission

Dennis Historical Commission meets on the second Monday of each month at the Town Office. The public is always invited to attend.

The Commission has received several applications for the demolition of a building. After careful review, only one building met the criteria of being of historical or architectural significance to the town. That building was moved to an appropriate site and refurbished. Other applications to demolish were allowed to proceed.

Under the leadership of Commissioner Phyllis Robbins Horton, we are researching the records of the Life Saving Service which was the organization patrolling the shores of the Cape before the establishment of the United States Coast Guard, to rescue sailors and passengers in the event of ship wrecks. Many Dennis men served in this work and were responsible for saving many lives. The Commission aims to identify these men and to place a marker on their graves, similar to that used to mark the resting place of veterans of other branches of service.

Through the Community Preservation Act Committee, and with the approval of Town Meeting, several valuable volumes of town records have been cleaned and treated and the information contained within them transferred to computer discs. It is our hope that this project will continue as CPA funds become available in future years.

We continue to present certificates of appreciation to homeowners who have done an outstanding job of preserving and restoring an antique building. These certificates are presented in May, which in Massachusetts is Historic Preservation Month.

Respectfully submitted,

Dennis Historical Commission

# Old King’s Highway Regional Historic District Committee

The number of applications submitted for approval declined slight from 2007 to 573. Application approval rates maintained a consistent 98%, as applications filed for approval were more complete and in keeping with the requirements of the Old King’s Highway Regional Historic Act of 1973 as Amended.

Applicants continue to receive a high level efficient action from the committee as 45% of all approved applications combined between Exemptions and Letter Amendments. These types of applications are encouraged by the Act in order to simplify the process of obtaining Certificates of Appropriateness from the Committee. The administrative staff supporting the Old King’s Highway continues to provide consistent information and assistance to applicants in order to streamline the process of seeking approval from the Committee.

The future challenge of the Committee is to help applicants who want to reduce energy costs with the addition of solar panels and other energy saving materials. The Committee is committed to help applicants achieve their needs within the Guidelines of the Act.

Total Applications Received:	573
Type of Applications:	
New Houses	18
Additions	45
Alterations	128
Commercial Buildings	3
Sheds	39
Signs	31
Fence	21
Exemptions	201
Letter Amendments	56
Demolitions	16
Tree Hearings	0
Painting	3
Accessory Structure	8

Result of Hearing Dispositions:	
Approved	518
Denied	9
Withdrawn	15
Continued	20

# South Dennis Historic District Commission

The Commission met on 34 applications for Certificates of Appropriateness, only one of which was denied by mutual agreement with the applicant. We invite Historic District residents to come before the Commission for an informal review of new construction and exterior renovations to existing structures, including fences and outbuildings, to help streamline the process and possibly nip potential denials in the bud.

Mark Williams resigned this year after 11 years of dedicated service to our community. Peter Panagore and David Milkey also resigned during the year. We thank all three for their service. Rebecca Gallerizzo was appointed to the commission. As of this writing the commission has only three members and one alternate. A quorum of three is required to hear and approve applications. We thank our alternate member, Nancy Thacher Reid, for always being able to step in as needed to make up a quorum and for her eleven years serving as an alternate.

We ask anyone in Dennis who would be interested in serving on this commission to fill out a green card as such at the town hall. It is a rewarding and educational experience.

We would like to thank Brian Florence, Linda McNeill and Mary Lou Hammond for the assistance and support they have given and a special thanks to our administrative assistant LeeAnn Marcotte.

Respectfully submitted,

Jack March, Chairman  
Russ Hamlyn  
Rebecca Gallerizzo  
Nancy Thacher Reid

# Jericho Historical Center Committee

Jericho Historical Center was established as a historical center in the early 1960's. The center which is comprised of an 1801 full cape home, barn and driftwood zoo has a wonderful collection of artifacts and costumes from the early 1800's through the mid 1900's.

During the year 2008, the museum was open during June through September for tours of the house and barn by appointment. Visitors were from various parts of the United States, Canada and Europe.

In June over a two day period, we welcomed the third grade students from the Ezra Baker School. Their comments and questions on the difference between their homes and our 1801 house were very insightful.

In August during Festival Days, Jericho was open on Sunday for old fashioned skills day where costumed guides demonstrated the talents that were needed for life in the 1800's. Again this year the addition of sheep complimented the spinners and the antique car parade which passed right by our door was enjoyed by guests and docents alike.

On Sunday, September 29th, the museum was open for tours and many local residents attended. On December 21st, the house was decorated with many floral and natural arrangements for the Dennis Historical Society open house. The weather did not cooperate but the gathering of visitors was appreciated.

The committee welcomes a new member Marsha Finley. Marsha brings a background of historic preservation to our Center. Jericho could not operate without the Friends of Jericho. This is a very dedicated and loyal group of individuals who volunteer their time and expertise to our museum and the Committee wishes to thank them for their dedication to our Center. There is always a need for individuals to join the Friends of Jericho. If you are interested, please contact one of the committee member listed below.

Again as in years past, the committee wishes to express our thanks and gratitude to Mr. Esty and Mr. Johansen and their staff for their help in maintaining the buildings and grounds.

Respectfully submitted,

Margaret Eastman  
Marsha Finley  
Francis Lundgren  
Joan Martin  
Dee Moore

# 1736 Josiah Dennis Manse Museum

2008 was a busy year for the Manse committee. Several members took part in the Ezra H. Baker school fair in April. In May the children in the third grades enjoyed our school program at the Manse and one room school-house. During Cape Cod Maritime month in May our summer exhibit of Dennis Men who served in the life saving service was first shown. Our July pie sale was very successful with the proceeds, as well as all of our donations for the season donated to the Manse Repair Fund. On May 31 in conjunction with the opening of Dennis Union Church's new sanctuary and newly remodeled building some of us dressed as colonial people welcomed people to Reverend Dennis' church.

The lovely bed canopy hand woven by Susan Kelley with motifs designed by Terri Fox embroidered by some of our talented committee members was completed and put in place on the antique pencil-post bed in the West bedroom.

On August 30th Johns Hopkins Humphrey Fellows from 23 foreign countries and the USA were given a tour of the Manse, a very exciting experience for those of us who met them. That evening we were invited to a reception for them where we had chance to get better acquainted. In November, 41 kindergarten through second grade students from Holy Trinity School in Harwich came to learn about colonial life.

Richard Howes was presented a plaque with a golden hammer from Dennis Historical Society and the Manse committee for all of the work he has done at the Manse over many years.

Our thanks also to the Cape Abilities Farm for starting seeds and supplying many plants for our gardens.

Newport Collaborative Architects is hard at work on phase 2 of the Manse repair and preservation project and gave a very informative mid-term review on November 20th. Funding for phase 3 was voted at the special town meeting in November.

Our thanks to David Johansen and Steve Estey for their help in keeping our house and grounds looking inviting to our visitors. Many thanks also to our wonderful volunteers who make the Manse such a successful and popular museum.

Our year ends with our lovely old house being decorated with natural greens, berries, shells, fruit, etc. for our annual Christmas at the Manse. This is always well attended and enjoyed by the public and many complements are given to our committee members for the beautiful decorating and delicious home-made cookies.

Respectfully Submitted,

Nancy Howes  
Chair

# 1867 West Dennis Graded School House Oversight Committee

Acting as an advisory committee, we are charged with making recommendations to the Dennis Board of Selectmen for the maintenance and administration of the School House for the purpose of preserving its architectural and historic integrity. We also recommend and conduct educational programs for the town's citizens and others to help them understand the role of the Graded School in the daily lives of the 19th and 20th centuries.

Again this year, we are strongly and urgently recommending the repainting of the building. The exterior paint of western façade has degraded dramatically – so much so that bare wood is visible in many places. Additionally, much of the trim paint is peeling and flaking badly. Without attention, we can anticipate damage to the exposed clapboards that will be expensive to repair.

Nevertheless, the committee has conducted a number of tours for Ezra Baker Elementary School as well as students from the Riverview School of Sandwich and the Community Outreach in Mashpee. During each of these sessions, members of the committee relate the history of the building, describe the experience of a 19th century student, and show the recreated classroom on the building's second floor with all of its interesting period artifacts.

As always, the committee thanks the Building Maintenance department under Steve Estey for its continued fine service and care of this valuable and unique historic landmark.

We are grateful for the continued loyal involvement of our committee members and invite other interested parties to join. We have exciting ideas for expanded educational programs for young people. If you are interested in participating, please submit a green card.

Respectfully submitted,

Roger Sullivan, Chair  
Burton Derick  
Margaret Eastman  
Joan Martin  
Marilyn McCormick  
Elinor Slade

# Dennis Cemetery Educational Building Committee

The Dennis Cemetery Building Committee has worked during the year to complete restoration of the Receiving Tomb in the Dennis Village Cemetery. This cemetery is listed on the National Register of Historic Places. Many people interred there were instrumental in helping to form our country.

Electric power was installed gratis by electrician David Raunela and connected to the power outlet of the Dennis Village Improvement Society which has agreed to supply electricity to the tomb. We are most appreciative for these two acts of kindness to the town. Also, the Dennis Water District dug and filled in the trench to bury the lines. This kind of cooperation between town entities is commendable.

Parts of the display cases were created by Richard Howes and David Talbott from the few good boards remaining of the old hearse house. Much research was done to make the display labels as historically correct as possible. Each label is laminated to protect it from the inherent dampness of the unheated tomb.

In October Terri Fox of the Dennis Historical Society lead an interpretive burying ground walk with costumed characters playing the part of departed Dennis people. Four Hundred dollars was raised for the Josiah Dennis Manse Museum Repair Fund. Those attending had a preview of the tomb display, which was well received.

The committee is now completing a self-guided tour brochure of the cemetery. It will be printed by the students at Cape Cod Regional Technical High School and will be available from a covered box outside the tomb.

We are especially grateful to the Dennis Historical Society which funded \$2,000.00 for restoration of the old hearse house, which failed, and allowing us to use the balance to restore and equip the receiving tomb.

We will turn the tomb keys over to the Selectmen and thank them for their support in March 2009.

# Dennis Library Board

The Dennis Library Board meets on the second Thursday evening of each month to develop strategies to support the Dennis Library System mission to “provide current topics and titles, general information and common gathering places for Dennis residents and visitors.”

In 2008 the Library Board was pleased to welcome Jessica Langlois as the new Library Director and to announce the acceptance by the Massachusetts Board of Library Commissioners of the long-range plan developed by the Dennis Library Board to guide library services in Dennis through 2012.

The Library Board has spent much of the past year planning for the second “*Dennis Reads Together*” program. “*Dennis Reads Together*” is a month-long series of programs and activities based on the subject matter of one book which is read by all of the participants. There will be an alternate book choice for young adults as well as age appropriate choices for youth. The goals of such a program are numerous: to promote literacy, to promote intergenerational interaction, to offer life-long learning opportunities for seniors, to offer literacy-based activities families can do together, to develop a sense of community, to engage all sectors of the town (geographical, socioeconomic) in enjoyable, educational programs.

The goal of the Dennis Library Board continues to be to “provide modern, comprehensive and accessible library and informational services to the residents of the Town of Dennis” as set forth in the Selectmen’s charge to the Board.

Respectfully submitted,

Patricia Stone, Chairman  
Kate Byron, Vice Chairman  
Carrie Rounseville, Secretary  
Alice Halvorsen  
Camille Murphy  
Paul LeBlanc  
Marie Reilly  
Carolyn Weiss

# Library Department

The five Dennis libraries work together as a system to provide friendly, local service throughout the Town. The system mission statement serves as our guide: "The Dennis libraries provide current topics and titles, general information and common gathering places for Dennis citizens and visitors."

All Dennis Libraries provide access to the CLAMS (Cape Libraries Automated Materials Sharing) network, and specialized items such as large print books, periodicals, audio books, DVD's and videos, music CD's, museum passes, public computer access and WIFI. Specialized collections include multicultural, consumer information, and the Cape Cod Salties. Our services include reference and information, programs for adults, teens, and children, homebound delivery, computer classes, ESL classes, low vision resources, and community meeting spaces. The Dennis System has subscriptions to Heritage Quest and Ancestry.com, the two major genealogy databases.

This year was one of change, and in June, Jessica Langlois was named as the new Director of the Dennis Public Library.

The Dennis Public Library continues to see increased circulation and increased community participation in activities. The library offered a film series, a variety of children's programs, art shows, computer and information literacy classes, ESL classes, and lectures. The Friends of the Dennis Public Library continue to host the hugely popular Authors Friday series. New this year was the revamping of the Young Adult area and the creation of teen programming including Game Day and Movie Night. The Cape Cod Genealogical Society is housed at the library, and they provide services ranging from individual assistance to informational programs for the public. The library is a very busy public building that is utilized by an extensive list of community groups. During the extremely busy summer months, the public access computers are in constant use; three new computers and two additional word processing stations have been added to help meet the demand. All of this is possible only with the dedication of the skilled staff and volunteers.

The Dennis Memorial Library has had a very good year: circulation is up, computer use has increased, and patron usage is over 20% higher than last year. We have introduced downloadable audio books to our patrons which has been met with much excitement. Libraries become even more valuable and important in difficult economic times and always produces increased usage of library services. This downturn is no exception and we expect even greater growth in 2009.

With its circulation continuing to grow, South Dennis Free Public Library celebrated its 80th year in 2008 with more powerful wireless routing, energy

efficient lighting for the children's room, a birthday party in August, new carpet and roof, and a third annual week-long holiday Open House to honor year-round patrons. The 2008 "Thursdays at Two" speaker series offered programs on the Golden Age of children's literature, travel, and Cape history and nature. Major weeding this year has modernized the standing collection, shifting to in-house cataloging has made it possible to get new books and movies on the shelves faster, and our collection of over 1000 DVDs has blossomed in both size and diversity, with a special increase in BBC/PBS, classic, dramatic, foreign, and children's titles. We may look small from the outside, but we specialize in making sure that nobody leaves empty-handed.

The Jacob Sears Library has continued to grow in attendance and circulation. We continue to do our best as contributing members of the Dennis Library System to provide our patrons with books, video, spoken cassettes and CDs, as well as information they need. Our patrons utilize the CLAMS system to access both materials and information and we continually encourage the use of CLAMS through both pamphlets and personalized instruction. Our program offerings have also continued to expand in both areas of interest and frequency. The programs have ranged from author talks, to music programs, to birding and conservation, and an in-house movie program. We have also had a very successful art exhibit program that changes on a monthly basis, with local painters, potters, weavers, and photographers participating. We have also continued to add to the beauty of our building and grounds with improvements to our landscaping and the addition of a (donated) dry-fitted stone wall, granite benches, and plantings as the start of an outdoor reading and relaxing area in the rear of the building. We are proud to be a part of the Dennis Library System.

West Dennis Library was happy to see growth in attendance, circulation and use of technology in 2008. Many organizations have utilized the library as a site for their meetings, among them the Celtic Society, West Dennis Neighborhood Crime Watch and the newly formed Financial Club. Ongoing activities include Book Club, Mah Jongg and Intergenerational Knitting. Annual favorites continue to be the Book Sale and the visit of the Ezra H. Baker School second grade. The Friends group continues to support the library with activities and fundraisers. Physical improvements continue with a new roof, siding, and signage.

Library staff members are assisted by dedicated, talented, and generous volunteers. Village library directors Nancy Symington (Dennis Memorial), Phil Inman (Jacob Sears), Anne Speyer (South Dennis) and Lew Taylor (West Dennis) join me in grateful appreciation for their outstanding contributions.

All Dennis libraries received generous donations and gifts. The list that follows shows gifts received by Dennis Public Library only.

**2008 Gifts (to Dennis Public Library):**

Cash donations \$8,926.00

**2008 Grants:**

Massachusetts State Aid (all libraries share) \$18,595.00

Public Libraries Fund (all libraries share) \$1,025.00

**2008 Gifts from the Friends of the Dennis Public Library:** \$9,952.00

**2008 Circulation Statistics**

2008 Circulation (Jan 1, 2008-Dec 31, 2008):

Total circulation in all Dennis Libraries 182,062

2007 Circulation (Jan 1, 2007-Dec 31, 2007):

Total circulation in all Dennis Libraries 169,417

2008 percentage increase 9.30%

The Dennis Library System's circulation in the calendar year 2008 increased 9.3% over 2007. The Directors, staff, and volunteers of the Dennis Library System thank our patrons for their continued support, and we look forward to serving our community in 2009.

Respectfully submitted,

Jessica A. Langlois

Library Director

# Henry C. Boles Citizenship Award Committee

The Henry C. Boles Achievement Award Committee was named in honor of the late Selectman Henry C. Boles, who served from 1973 to 1977. Mr. Boles' leadership and extensive personal contribution to town programs was largely responsible for Dennis winning recognition in 1978 as an All-American Town. Mr. Boles set a high standard of excellence for citizen participation in town government. He died in 1979.

The Committee honors the memory of Henry Boles by encouraging our younger residents to exhibit examples of citizenship and community involvement. We unanimously decided to award a \$100 US Savings Bond to a third grade boy and girl graduating from the Ezra Baker Elementary School and one eighth grade young man and woman graduating from the Nathaniel Wixon Middle School.

At the Annual Town Meeting on Tuesday, May 6, 2008, Mrs. Julia Johnson presented certificates and \$100 US Savings Bonds to:

Miss Michaelann Ferro and Mr. Braedy Leidner, who are students at the Ezra Baker School, both Michaelann and Braedy have demonstrated examples of citizenship, cooperation, diligence, kindness, and friendship as witnessed by their classmates and teachers. They are both leaders among their peers.

Miss Danielle Laferriere and Mr. Brian Colucci, who are students at the Wixon Middle School, Danielle and Brian, have been recognized for their volunteer efforts, their respectful attitudes, and their willingness to contribute to their community and their school.

All of this year's recipients are a credit to their families, their schools, and our community.

Respectfully submitted,

Jeanne Carrick, Chairperson

Elinor Slade

John Holt

# Cape Cod Regional Technical High School District

Cape Cod Tech, established in 1973 as a public vocational technical high school, served 724 students in school year 07-08 from our sending district (Barnstable, Brewster, Chatham, Dennis, Eastham, Harwich, Mashpee, Orleans, Provincetown, Truro, Wellfleet, and Yarmouth) with **95** students of our enrollment coming from the Town of Dennis. Our goal is to provide an opportunity for our students to acquire high quality technical, academic, and social skills which prepare them for success in a global economy.

## Major Accomplishments for the 07-08 School Year:

- Massachusetts Compass School for 07-08 due to MCAS performance in both English Language Arts and Math in 2006.
- Graduation Rate Improvement due to “Graduate to Success” program with a grant from the Youth Council of the Workforce Investment Board– **drop-out rate for this year was 1.1% down from 7% in 2005.**
- Improved student **attendance rate to over 95%** for the year.
- Supported Alternative Energy programs (Put on-line first pre-packaged tri-generation system in United States).
- **Reduced** our use of electricity by more than **900,000 KWH compared to 2004** due to many new energy conservation initiatives and projects– **a savings of more than \$380,000 in 4 years.**
- Green Bean recycling program initiative recognized again by State Office of Environmental Affairs.
- Implemented a Community Service Learning Program in 9<sup>th</sup> and 10<sup>th</sup> grades.
- “The Greatest Generation” celebration -dinner for 125 World War II veterans residing in the twelve towns served by the school on May 29, 2008.
- Presented first Cape Cod Tech High School Diploma to an 82 year-old Marstons Mills WWII Veteran at our June graduation ceremony.
- 30 District SKILLSUSA medals: 9 gold, 10 silver, and 11 bronze; and 12 State SKILLSUSA medals: 3 gold, 2 silver, and 7 bronze; and **3 state gold medal winners represented Cape Cod Tech at the National SKILLSUSA competition in Kansas City with one student winning the gold medal in Marine and one student winning a silver medal in Dental Assisting- 1<sup>st</sup> and 2<sup>nd</sup> in the Nation.**
- Given the “**Habitat Partner Award for 2008**” by Habitat for Humanity of Cape Cod.

- Overall each year Cape Cod Tech saves our member towns and taxpayers over \$800,000 in labor and reduced materials cost for work projects to our towns by our technical shop programs.

Major projects or initiatives for 08-09 School Year:

- Continue to improve English skills so that all students may be proficient in written and oral communication as well as reading literacy skills.
- Continue to improve performance in Mathematics and Science MCAS.
- Continue to develop data and strategies relating to student attendance.
- Continue the “Graduate to Success” program to increase graduation rate and decrease the dropout rate.
- Continue implementing technical education frameworks to improve student performance in the technical programs.
- Expand alternative energy and conservation initiatives and partnerships through increases in technology and grant funding, including opening the first Cape Cod Renewable Energy Training and Education Center on our campus in Spring '09 at no cost to our towns.

For more information, please refer to the Cape Cod Tech website: [www.capetech.us](http://www.capetech.us).

# Dennis-Yarmouth Regional School District

The Dennis-Yarmouth Regional School Committee has the responsibility to provide the best comprehensive education possible for our students grades PreK through 12. The education must be comprehensive because we must educate the whole child—academically, physically, morally and emotionally. The task is monumental when we realize the impact our decisions will have on future generations. For this reason, school committee members must spend countless hours educating themselves on national, state and local initiatives as well as the particular and specific needs of students in our District. We must be well informed about the basic skills required for the 21st century workplace keeping in mind the education of the whole child.

This year, well-aware of our moral responsibility to parents and students and keenly aware of our fiscal responsibility to taxpayers, we voted to invoke the state law given to regional districts which provides for a District meeting when the school budget is approved in one member town but not in the other. This was a decision no one took lightly. However, the financial realities, we believed, necessitated it. With limited state aid, and in spite of a reduction in personnel allowed by decreasing enrollments and an increase in discretionary fees, mandated cost increases in health insurance, retirement contributions, special education tuitions, etc, made it impossible to maintain an educational system that could be described as “quality.” This accounts for the decisions we made.

The Educational Quality Audit of all our programs conducted by the State Department of Education three years ago made us acutely aware not only of what the District was doing well, but also of our deficiencies. This report has formed the basis of much of our plan to improve achievement, instruction and teacher quality in this District.

One of the main areas of concern cited in the State report was the insufficient use of student data to drive instruction. To this end, professional learning communities and curriculum leaders now study specific student data and as teams use it to improve instruction. Since education is a continuum, studying student data in teams both horizontally across the grade level and vertically with preceding and succeeding grades significantly impacts student achievement.

To improve teacher quality, a Mentoring Program previously cited as deficient is now developed and assisting teachers new to the profession as well as those new to the District. In addition, professional development, also cited as underdeveloped, now follows a strategic plan for providing high quality, meaningful on-going training for all teachers—sometimes on a

shared, regional basis. This planned approach to professional development ensures that teachers are able to keep abreast of advances in the teaching of their subject matter and enables the District to maintain highly qualified teachers.

In yet another move to improve teacher quality, salary increases for both teachers and administrators were linked to increased work days. Our intent was to not only improve educational leadership but to retain highly qualified personnel by keeping the District competitive with other area districts.

Cognizant of the fact that the educational facilities have a marked influence on the educational environment of students and our responsibility to maintain and preserve the assets of the towns, the Dennis-Yarmouth Regional School Committee approved a Capital Assessment Project by KBA Architects of Charlestown, MA.

The report assesses the conditions of all schools and repairs needed. The intent of the report is to assist in forecasting building needs and the funds eventually needed to repair or replace over a period of nine years. While providing a “roadmap” for future maintenance, the report also commended the District for the high quality maintenance that has kept the buildings in good repair.

In conclusion, Dennis-Yarmouth has a good school system provided by the citizens of Dennis and Yarmouth over the years. We are conscientiously striving to make it a quality system for all students.

Respectfully submitted,

Geraldine Bastian, School Committee Chairman  
Dennis-Yarmouth Regional School District

# Dennis-Yarmouth Regional School District

## Carol A. Woodbury, Superintendent of Schools

***“Now is the time to meet our moral obligation to provide every child a world-class education, because it will take nothing less to compete in the global economy. In the months and years to come, it’s time for this nation to rededicate itself to the ideal of a world-class education for every American child... It’s time to instill the belief in every child that they can succeed - and then make sure we make good on the promise to never let them down.”***

– President Barack Obama

Recent economic events have caused most of us to realize, if we were not already aware of it, that we truly are living in a global society. The public schools of today continue to be charged with providing every child a “common school experience.” The question to be answered is, “What common experiences are now necessary to ensure that every child will be successful as a productive citizen of our 21st century global society?”

We thank the citizens of Dennis and Yarmouth for their continued support of our schools. We appreciate our citizens’ recognition of the important role schools play in our towns and in the future of our American society.

The taxpayers of the Towns of Dennis and Yarmouth have lived up to their moral obligation to provide a world-class education for every child. By passing our budget, the citizens have allowed the district to keep both support services and other programs that ensure 21st century skills are being addressed. Dennis-Yarmouth Regional School District has a first-rate education that the majority of our students take advantage of as demonstrated by our college acceptances.

Today all students still need a common core of knowledge in the content areas. They need to be able to read, write and do mathematics at high levels. Employers today say the most critical job skills are professionalism, work ethic, oral and written communications, teamwork, collaboration, problem solving, and critical thinking.

While many programs such as music, the arts, foreign languages, sports, and clubs have been cut in other districts during challenging budget times, the support of our citizens has allowed us to continue these programs. As we study what employers need in the workforce and match what is taught in these programs, we find a direct correlation between what these programs teach and the needs of employers.

Poverty within the student population is measured by those eligible for free and reduced lunch. In the month of October 2008, the free and reduced lunch rate for our schools ranged between 26-46 percent with an average of 35 percent for the district.

It is a well known fact that children living in poverty often lack experiences that other children have at home that make learning easier in school. When they come to school, it takes more time and resources to fill in the gaps of an impoverished home life. Domestic violence and trauma are often commonplace for those living in poverty. In our public schools, our psychologists, social workers, and deans of students provide proactive support services to ensure children remain in the classrooms where learning takes place.

Children living in poverty are more likely to drop out of school. By 2015, about eighty-five percent of new jobs will require at least a two-year college degree. Today just 10 percent of the state's employment opportunities are in manufacturing. If we are not successful in keeping our students in school, helping them earn a high school diploma, and encouraging them to go to college, they will become a future burden on the taxpayer. Research shows that each dropout costs taxpayers approximately \$260,000 over his/her lifetime in social services.

State and federal mandates have forced school districts to redirect resources from a robust and comprehensive educational experience to the tasks that meet the priority imposed by each new demand. In most cases, as regulations were enacted, there was often no extra funding to assist school districts and municipalities in the cost of compliance. An example of one of the most expensive mandates is the federal McKinney-Vento legislation. The McKinney-Vento legislation requires the school district to transport any homeless students living in town to the school in their previous home district. There is no state or federal reimbursement for these transportation costs. The monthly costs of this transportation and special education out-of-district transportation for Dennis-Yarmouth Regional School District is above \$50,000.

State mandates require specially certified teachers to work with students whose first language is not English. These mandates also require all classroom teachers to have extensive training to support these students in regular classes. In addition, there are educational materials and testing costs associated with the ELL services that are provided. Across the district approximately 7.6 percent of the children come from homes where English is not their first language and 3.7 percent of the students are unable to complete their regular class work successfully in English. Finally, all communications that need to be sent to the homes of all students (not just ELL) whose parents do not speak English as their first language must be translated into their native languages.

School Choice and Charter Schools are pieces of legislation that were designed to improve schools. The theory is that, in a free market economy, schools losing students would work to improve to keep their students. This hasn't really worked. Districts losing students to choice have no control over the students who choose to leave and are charged for the cost of those students as assessments on the Cherry sheet. With declining enrollments and constraints on local funds, it is expected that this "free-market-choice" of school districts will expand causing a drain on resources from more vulnerable school districts. Ultimately, this will have an affect on the capacity to address issues for low-income school districts often having the neediest students.

While this is in no way an exhaustive list of the mandates our schools are facing, it is clear that unfunded mandates cause districts to make choices to take programs and resources away in some areas in order to fund the mandates. When the federal and state governments do not live up to their promises, we, the local taxpayers must decide what kind of school experience we want for our children. On behalf of the children, I thank the taxpayers for their support of education.

Respectfully submitted,

Carol A. Woodbury  
Superintendent of Schools

# Joseph P. Cucinotta

## Director of Finance and Operations

As we enter 2009, several major challenges continue to influence the direction of the Dennis-Yarmouth Regional School District.

Despite the negative economic atmosphere in fiscal year 2008, the District achieved an increase in our Excess & Deficiency account and used \$1,070,000 from E & D to balance the FY2009 budget, in order to reduce assessments to Dennis and Yarmouth taxpayers. State Aid for fiscal year 2008 was \$6,902,694 and was \$189,900 over the prior year. However, the total revenue received from all sources was essentially as budgeted.

The Towns of Dennis and Yarmouth approved the FY09 operating budget of \$48,711,320. The 6.65% increase is \$3,036,936 over the FY08 budget.

For the Dennis-Yarmouth Regional School District, the budget is the basic strategic plan and management document that reflects the goals and objectives of the district. This process includes budgeting practices and input from numerous groups: Principals, Superintendent of Schools, Director of Finance and Operations, site council, content specialists and School Committee. All of these groups have an important part in preparing the school budget.

The School Committee, under the direction of Knight, Bagge & Anderson, Inc., is currently preparing a Long Range Facilities Plan to identify and prioritize the needs that continue to arise in our older buildings. The capital assessment plan will finalize Knight, Bagge & Anderson's study, which summarizes 1) Physical plant analysis and 2) Cost projections of three possible planning options.

Again, it has been a goal to fund ongoing maintenance projects for all schools. Repairs to our infrastructure have been completed in the following areas: 1) boiler rooms; 2) pneumatic controls; 3) heating systems and 4) plumbing and electrical repairs. Continuous improvements to the buildings and grounds for the District must be a focus now and in the future.

In conclusion, I would like to thank the communities for their support and look forward to working with the residents and town officials of Dennis and Yarmouth in the upcoming year.

Respectfully submitted,

Joseph P. Cucinotta  
Director of Finance and Operations

# **Office of Instruction**

## **Gloria Lemerise,**

### **Director of Instruction**

The Office of Instruction is responsible for the planning and coordination of all aspects of student learning. This ranges from providing and supervising professional development, refining curriculum to meet the needs of all learners, and monitoring student achievement as measured by the Massachusetts Comprehensive Assessment System (MCAS) and district assessments. Much of what takes place on the district level reflects mandates from both federal and state departments of education. As we develop improvement plans and organize professional development, we continually focus on learning for all.

During the 2007-08 school year, the Using Data Project provided a distinct process for using student achievement data for instructional decision-making. This process continued throughout the year, building capacity for collaborative planning. More than fifty teachers met regularly after school hours to refine their skills as collaborative leaders. Each teacher was responsible for facilitating weekly grade level meetings. In this setting they used multiple data resources to develop strategies for school improvement and to monitor the results of these efforts.

The advances of technology and its application to the instruction of our “digital native” students create another need for updating the staff’s skills. During both the school year and summer, our Instructional Technology Director provides graduate level courses that focused on the skilled use of our resources. E-books, interactive whiteboards, digital imaging, web-based technologies and beyond, are just some of the courses the staff have taken to continue their 21st century learning.

The students in our district represent a wide variety of cultures and languages. We have been fortunate to have certified English as Second Language (ESL) teachers working with children who are not yet proficient in English. These teachers provide direct student services and support general education teachers in sheltered English instruction. Their expertise makes it possible to provide specific professional development opportunities for their colleagues intended to optimize the instruction in every classroom. During the summer months, a curriculum-writing group comprised of ESL, speech, reading, and English Language Arts teachers worked to create a curriculum document for our English Language Learners.

The results of this year's MCAS tests showed some improvement in our challenging subgroups. The district professionals continue to work to improve teaching and learning in all schools. There is a district-wide Child Study Team Committee focusing on the revision of procedures and practices related to academic and emotional needs of low achieving students. Last year the district updated Improvement Plans to reflect specific learning goals for subgroups. We will continue to monitor and update the plans over the next few years.

Involving families and community members as full partners in the education of our children is a cornerstone of public education. We appreciate your support and input as we all work to develop successful students who become our future community members.

# **Technology Department**

## **Lory Stewart,**

### **Director of Instructional Technology**

#### **D. Chris Machado,**

#### **Director of Technology**

The Dennis-Yarmouth Regional School District Technology Department provides services to all schools and the Central Office. John Tiedeman and Daniel Smith, Technology Maintenance Specialists, maintain the 1700+ computers and peripherals. Both work in all eight buildings trouble-shooting and repairing technology. They completed almost 2500 work orders during the year. As technology becomes more and more infused into the curriculum and workday, the demand for their services increases annually.

In November of 2007, there were staffing changes in the Technology Department. Nina Meyer returned to the Department as our Administrative Assistant from the Central Office and Jan Murray-Daniels was appointed as the Instructional Technology Assistant. Jan now works in the computer lab at Marguerite E. Small School three days per week and at Ezra H. Baker and Station Avenue Elementary School one day a week each, assisting teachers with technology integration. As a result of this appointment, the use of technology in the curriculum at these schools has increased exponentially. Nina Meyer maintains the computer inventory, software and peripherals, purchasing and data processing supplies, as well as managing the work order system for the technicians. Added to Nina's duties this year was the input of district administered student assessment results into our student information system. This allows administrators and teachers to track student progress and use the data provided for educational decision making for individual student success.

Chris Machado, Director of Technology, ensures that our Wide Area Network is kept up and running and the Internet and E-mail are accessible. Mr. Machado works with the individual schools' administrative assistants to ensure the integrity of our SIMS data and maintains all the district's administrative databases including the student information system and financial software used by the district on the administrative level.

Lory Stewart, Director of Instructional Technology, mentors teachers in technology integration, keeps current on emerging technologies, offers district-wide professional development for all staff including the delivery of graduate level courses, works with administration and staff on the analysis of MCAS results, writes grants for federal and state funds, files E-Rate, orients new teachers on the use of our network, files the District's Annual

Technology Plan with the Massachusetts Department of Elementary and Secondary schools and maintains and updates the district's website (<http://www.dy-regional.k12.ma.us>).

Grant funds were used to purchase voice recorders for teachers to use to create podcasts. Grant funds were also used to purchase additional interactive whiteboards for our elementary schools. Walking through our school buildings and watching the engagement and involvement of our students when the boards are in use is astounding.

In the spring of 2007, Dennis-Yarmouth, Barnstable, Sandwich and Falmouth collaborated on a competitive state grant to use data to drive decision-making. We were successfully awarded \$75,000.00. The funds are currently being used to train administrators and teachers in the state's Data Warehouse initiative. We are also using the funds to provide professional development opportunities to teachers in areas that are targeted weaknesses of our students. The collaboration with the three other districts is enabling us to take advantage of professional development offerings provided within all four school districts allowing for more diverse offerings to teachers.

The district offered three graduate level courses to instruct teachers in the use of emerging technologies, specifically Web 2.0, the Read, and Write Web. Many teachers are using blogs, wikis, podcasts, and video and digital storytelling with students. Teachers are also using various Google Applications for students to share and collaborate on schoolwork. Skype is being used for internal communication as well as with students who are not able to be in school due to medical conditions. The result of using these online tools is that we are enabling our students to learn the 21st Century Skills critical to their success in the future.

During the summer, all K-8 schools were migrated to a new web-based version of our grade book and grade collection software. This new version allows teachers to maintain a grade book with student grades from any computer with an internet connection. The teachers also use the software to electronically submit daily attendance to the office.

In 2008, we expanded our Alert Now notification system to place daily phone calls to parents and guardians of students that are absent in grades 6-12. Similar calls are placed for tardy students in grades 9-12 at the high school. The Alert Now notification system is integrated with our student accounting system. All DY schools now use the Alert Now Notification system to communicate with parents, enhancing parental involvement in education.

We completed the installation of our new security system and launched it in 2008. This new system allows us to provide greater security and enhance safety for our students and staff. Cameras are installed at every

school. These cameras can be viewed from any computer on a school's network. All schools now have either exterior intercoms or secure airlocks where visitors can be screened before they are granted entry. All visitor information is keyed into a new visitor management system. This centralized database tracks visitors across all schools in a single database. We owe many thanks to the Yarmouth Police Department who obtained the Secure Our Schools (SOS) grant that paid for much of this new equipment. This project would never have happened without their hard work and support for our schools. We look forward to expanding this system in the years to come as funds and additional grants become available.

The DYRSD Technology Department strives to meet the needs of our school community by ensuring strong support of its technological needs.

# Office of Pupil Services

## Judith Dion, Director of Pupil Services

Dennis-Yarmouth Regional School District Pupil Services Department currently serves five hundred and forty-seven students with disabilities. Special education teachers, assistants, psychologists, speech / language pathologists, behavioral therapists, occupational and physical therapists provide services to these students so that they can access their education in the least restrictive environment.

Recently, the district submitted the final report to the Department of Elementary and Secondary Education regarding the compliance review. The Department has acknowledged that the district has made notable progress. Documentation, timelines, and procedures have been addressed.

This year, the Pupil Services Department has continued to develop programs to maintain students with disabilities within their classrooms and within the community schools. Several schools have initiated co-teaching models. Here, a regular education teacher and a special educator team up to present the curriculum and modify it so that all students can learn. This approach minimizes the amount of time a student with disabilities needs to be removed from the classroom for instruction. This model is very successful.

Another noteworthy district program has been created at Mattacheese Middle School for students diagnosed with Asperger's Syndrome. Training is ongoing to district staff from the Asperger's Association of New England. Also, the district has expanded its SAILS program to the middle school. Students with significant disabilities are meeting with success and staying in D-Y.

Because of the efforts of the staff in all of our schools, we have had several students return from out-of-district placements and new students provided with an appropriate education in the D-Y schools. Educating students within the communities creates life long benefits for students with disabilities as well as students without disabilities.

# **Dennis-Yarmouth Regional School District Food Services Department**

In these trying financial times in which we live, it has become increasingly important for us to focus on the feeding of our students. Each year we are faced with increasing numbers of students who cannot afford to purchase lunch or breakfast. It is vitally important that those in the community who might qualify for free or reduced lunch complete an application.

We, as a food service department, will continue to reimburse the school system's General Fund as much as possible but it is becoming increasingly difficult to generate additional revenue in a climate where costs rise at a much faster pace than our funding sources.

Our participation rates continue to increase year to year despite a declining enrollment which is testament to the fact that our department is providing quality products to our customers. Our free and reduced population is close to 40 percent while our participation rate is at 75 percent. We are also feeding almost 90 percent of our free and reduced population. Food costs are at 47 percent, labor at 45 percent and other expenses at 8 percent.

In an ever-increasing sense, the food service department is providing "home meal replacement," and we value the fact that we can service the students of our school system with healthy, hunger satisfying, and interesting food.

Respectfully submitted,

Garth J. Petracca

Food Service Coordinator

Dennis-Yarmouth Regional School District

# Kenneth T. Jenks, Principal Dennis-Yarmouth Regional High School

As always, I would like to begin my annual report by thanking the citizens of Dennis and Yarmouth for their continued support of our school. Our school's successes are directly related to the support from our communities. The high school's October 2008 enrollment was 1001 students. The graduating class of 2008 illustrates the strength of the high school program. Seventy-seven percent of the class of 2008 planned to attend college: forty-five percent planned to attend a four year college or university and thirty-two percent planned to attend a two year college. Many students in the class of 2008 pursued other opportunities: two percent planned to go to a technical school, ten percent planned to enter the workforce, three percent planned to join the armed services and the remainder were undecided about their future plans. The students in the class of 2008 collectively received over \$225,000 in scholarships and awards. Our students, faculty and staff appreciate the many generous individuals, organizations and businesses that provided this vital financial support for our students.

We are committed to *Pursuing Excellence, Demonstrating Character*. The high school continues to stress a core program of English, foreign language, math, science, and social studies. We offer a wide range of courses and programs to our students. We provide many Advanced Placement and honors level courses for students who seek the most rigorous academic challenges. Every year, a significant number of our students complete approved online classes through the Virtual High School program. We value a well-rounded education for all of our students, and consequently, our graduation requirements call for students to complete course work in elective areas: art, computers and technology, health and physical education, and music. We support career-oriented options including work-based learning, and this year nearly 100 students participated in internships with local businesses. We work closely with Cape Cod Community College and many of our students take classes at the community college level. D-Y students can also pursue alternative paths to graduation through participation in our day and evening alternative learning programs. In light of the need to prepare our students for an increasingly competitive future in the 21st century, we are strengthening our graduation requirements with additional math and science classes.

D-Y's faculty, staff and students have enjoyed a successful year. We continue to meet most of the state's overall Adequate Yearly Progress goals for MCAS. Our many co-curricular activities provide numerous opportunities for our students. The music program enjoyed success again this year: the

band placed fifth in the USSBA Northern States Championships and the color guard came in *first* at this same competition. Art students continue to be recognized for their talents and our theater group has presented several fine shows. Student government and our service groups continue to donate hundreds of hours and thousands of dollars to charities and our communities. Our athletes have set new records and many teams have enjoyed winning seasons. D-Y teachers have worked to strengthen our programs, been awarded grants and they have received recognitions and honors.

Our school is thankful for the support our towns have provided in the past, and we hope both Dennis and Yarmouth will continue to provide the moral and fiscal support necessary for success in the coming years.

# Dennis-Yarmouth Regional High School Building Committee

To the Honorable Citizens of Yarmouth & Dennis:

It is with great pleasure and satisfaction that we present the final report for the Dennis Yarmouth Regional High School Renovation Committee. Over the past year, the final steps in closing out and finalizing the project have been completed.

The construction has ended and the project has come in under the appropriated amount. From all reports that we have received, the renovation has brought a successful academic and learning environment for our students. Visitors have been impressed with the visual improvements, and the mechanical systems are operating as expected. We feel that the project has been completed successfully within our project limits.

We would once again like to recognize the positive encouragement and efforts of the staff, faculty, and administration that lived through the project. The support from both towns in approving the project and the trust they gave us in managing the project were greatly appreciated by all.

We encourage all citizens to stop by the Dennis-Yarmouth Regional High School and see the results of the project.

Respectfully submitted:

Robert Tucker, Chairman  
Jay O'Leary, Vice Chairman  
Bernie Young  
Tom Broadrick  
Mal Hughes  
James Dykeman, Jr.  
Ed Kling  
Phil Morris  
Robert Harding

# **Nathaniel H. Wixon Middle School**

## **Carole A. Eichner, Principal**

It is a privilege and honor to submit this annual town report for Nathaniel H. Wixon Middle School (Wixon).

Wixon serves fourth through eighth grade students for the Town of Dennis. According to the October 1, 2008 enrollment report, Wixon has a total of 494 students. Eleven of our students attend Wixon as School Choice from neighboring communities. We have 82 professional and non-professional staff members on the Wixon team. Our school hosts a Cape Cod Collaborative Program for students with significant disabilities. Our entire staff at Wixon is highly committed to improved student achievement, school safety and parent and community partnerships.

Our school continues to provide a rigorous academic program. Students enhance their skills in reading and writing, mathematics, social studies, science, art, music, physical education, health, and technology. Students in grades six, seven and eight choose a foreign language, Spanish or French. The students may also choose to participate in any of our strong instrumental music, chorus and strings programs. Wixon students have a wide range of after school programs and enrichment opportunities including H.O.P.E., Math Club, French Club, Spanish Club and a variety of seasonal activities and interscholastic athletics.

Wixon welcomed seven new professional staff members to the team this year including Dean of Students, Ken Girouard and myself. Principals Lisa McMahon and M. Catherine Wollak continue to serve youth in Dennis and Yarmouth as school leaders at Ezra H. Baker School and Mattacheese Middle School, respectively. Three dedicated and highly respected members of the Wixon staff retired since the last town report: Judith Kelly, School Nurse; Rita Stella, Special Education Teacher; and Daniel Hennessey, Teacher. As a school community, we continue to mourn the loss, and celebrate the life of devoted teacher, colleague and friend, Kim Oliver, who died in December 2007.

Wixon Middle School values strong support from the school community and from our surrounding business community. The Wixon School Council provides guidance and initiative to improve our school. Council members include: Maureen Anderson, Kate Franklin and alternate, Linda Shrake, teacher representatives; Sue Gierej, Francine Long, Tish Murphy, Paula Peden, Patricia Plucinski, parent representatives; and Cindi Cabot, community representative. The Parent Teacher Advisory Council (PTAC) supports many educational and enrichment programs, including curriculum-related field trips and cultural enrichment presentations for all students through

community-building events and fundraising. We are grateful to the PTAC and our parents for their tireless efforts to support learning. PTAC officers are Francine Long, President; Tina Labossiere, Secretary; and, Terry Bunce, Treasurer. We would like to acknowledge and thank the Town of Dennis officials including the Dennis Police and Fire Departments, as well as members of the Dennis-Yarmouth Regional School Committee for their continuous support and service to our school.

# **Mattacheese Middle School**

## **M. Catherine Wollak, Principal**

On behalf of our faculty, staff, parents and students, I respectfully submit to you the annual report for Mattacheese Middle School. In the summer of 2008, the Dennis Yarmouth Regional School District experienced reassignment of school administrators impacting the leadership at Mattacheese Middle School. The learning community accepted the change in leadership while holding steadfast to the mission of the school while caring for the 559 students in grades six through eight.

The focus of middle level education attends to the academic, social and emotional needs of children ages ten through fourteen. Mattacheese Middle School not only provides a middle level education of academic rigor, but offers a diverse menu of social experiences to enrich and nurture the lives of our young adolescents ages twelve through fourteen. In addition to the core academic areas of Math, English, Social Studies and Science, we also provide coursework in visual arts, vocal and instrumental music, technology, health and fitness, foreign language and exposure to library sciences. Beyond the curriculum offerings we also provide enrichment activities that tap into the myriad talents and interests of our students. They include athletics, environmental science, drama, writing, enrichment opportunities in leadership, and community service just to name a few. We have three sessions of after school activities offered by staff and community members that expose our students to experiences they might otherwise not be afforded or services that support their academic growth beyond the regular school day. These may include such programs as non-competitive sports, arts and crafts activities, martial arts, bee hive management, recycling projects, homework clubs or tutoring.

The learning community at Mattacheese Middle School extends beyond its doors to the parents and community at large. Parents in our PTO generously give of their time and resources to support many of our co-curricular and enrichment programs for our youth. The Mattacheese School Council, comprised of parents, a community representative and faculty members, collaborates monthly to review our School Improvement Plan and discuss current issues and concerns of our larger community that impact our student learners.

Core to the mission of our school we work diligently to provide the instruction necessary for children to reach their academic potential. Our efforts have retooled our skills in teaching, taught us to use data to form instruction, and to work in collaborative teams to pool our varied skills and resources to enhance learning for our students. Our students are progressing as they move closer to the “Adequate Yearly Progress” benchmark set by

the Massachusetts Department of Education. We continue to improve in our aggregate scores of all students and move even closer to the benchmark for our subgroups. We are dedicated to reaching our goals and will continue initiatives and provide instructional opportunities in those identified areas of need for all of our students to overcome their gaps in math and/or English Language Arts.

On behalf of the Mattacheese learning community, we thank our partners at the school district's administration office as well as the grounds and maintenance departments. We acknowledge the challenges that face our school committee and our town's elected officials and are appreciative of their support. Most importantly, we thank our students and their parents for their involvement and continued faith in the mission of our school, Mattacheese Middle School.

# **Ezra H. Baker Elementary School**

## **Kevin Depin, Principal**

It is with great pride that I submit this report on the progress at the Ezra H. Baker School. This year, when our school opened in September, we greeted 400 students in grades kindergarten through three. We offer an integrated early childhood program for an additional 30 three and four year olds in our town. Our school is home to the Special Education Alternative Learning Site (SEALS) Program. This program is designed to educate young children with significant health challenges. The Special Early Education/Kindergarten (SPEEK) Program, which provides a preschool and kindergarten experience for children diagnosed with autism, is thriving. We are home to the Specialized Teaching Alternative Room (STAR). This program works in conjunction with the SPEEK program and continues to meet the educational needs of children diagnosed with autism in grades 1-3. Our daycare includes children up through fifth grade, and has nearly ninety children enrolled in either before or after school care.

In the spring of 2008, two very dedicated teachers, Mrs. Kristina Cole-Randall and Mrs. Jean Blake, decided to retire after years of service to the children of our town. Each of these women added tremendously to the fabric of our school community. Their professional expertise, their love of children, and their dedication will certainly be missed. The spring of 2008 marked the last at Ezra H. Baker for Mrs. Jeanne Carrick, our assistant principal for the previous three years. Mrs. Carrick's enthusiasm for learning, hard work, and genuine affection for students will be sorely missed. This fall, Dr. Lisa McMahon joined our school as the co-principal, filling the void left by Mrs. Carrick and the reassignment of Ellen Gagliardi, Dean of Students. Dr. McMahon's years as co-principal at the Wixon Middle School helped make her transition to working with our town's youngest students seamless.

Our students continue to thrive! We endeavor to create exciting ways, both during and outside of the traditional school day, to further student learning in all areas. Technology is playing an even more important role in the school lives of our students. Many classrooms now include interactive whiteboard technology, which helps teachers present complicated lessons in engaging, innovative and thought provoking ways. Several classroom teachers have begun using classroom "blogs" to help keep families informed about school news. This year, we enrolled 100 students in our full day kindergarten program, which no longer requires a tuition payment for any family. Our School Council continues to support our after school activities program. We were able to institute several sessions of after-school activities in the past year. In the summer of 2008, we offered a summer learning "camp",

which helped students keep their learning skills sharp. In the fall, we instituted an enrichment/remediation period every Friday, in which groups of students can receive specialized instruction to either cement previous learning or help children to broaden their knowledge in the arts or sciences.

As always, we are fortunate to receive tremendous support from our parent group, PTAC, and from the Dennis community. With the continued support from the Town Departments and the citizens of Dennis, our 77th year serving the students of Dennis will be our best yet.

# Laurence C. MacArthur Elementary School Peter J. Crowell, Principal

It is a pleasure to submit this Annual Report for the Laurence C. MacArthur Elementary School (LCM). Our current enrollment is 248 students in Grades PreK-3 with a total of 13 classrooms. Our 58-year-old facility received a new fire alarm system during the summer of 2008 as well as cameras and door security systems while we also work to keep up with necessary maintenance.

In June of 2008, Linda Cornog (grade 2) and Mary Amorosi (School Nurse) retired after many years of dedicated service to the children of DYRSD. We appreciate and value their many contributions to the LCM community.

Our academic and social curriculums are designed to provide each child with the opportunity to thrive and learn. LCM's dedicated staff maintains high expectations and works collaboratively to plan instruction that helps children successfully learn and grow. All professional staff participates weekly in grade level PLC's (Professional Learning Communities) as we examine data from a variety of assessments, identify areas in need of improvement, and implement instructional strategies as a result. Some examples of this include peer collaboration on best practices, common vocabulary, technology, staff/student book buddies, and home connections. Thanks to the generosity of the Dennis-Yarmouth Education Foundation, several of our staff have received mini grants to support innovative ideas in reading, math and technology, which enhance student learning. We have added an after-school enrichment program to expand opportunities beyond the school day.

LCM has All School Meetings monthly which focus on the common themes of Respect, Responsibility, Caring, Kindness and Thankfulness. Strong support from our active PTO led by Liz Novak, Julie Pelletier, and Alyson Taubert helps us to provide events such as Pizza Night, The Book Fair, Field Day, field trips, and in-school programs. Additionally, we welcome a significant number of volunteers from our parents, Elder Services, and DYRHS weekly to work with our children. We appreciate their time and positive interactions. Our Yarmouth Fire and Police Departments also present important safety programs for children.

The LCM School Council comprised of Peter Crowell, John French, Jane Tucker, Alyson Taubert, Virginia Stewart, Liz Novak and Mackie Rice meets monthly as an advisory group for initiatives to improve our school.

Finally, on behalf of the entire LCM community, I would like to thank the good citizens of Yarmouth for their support as we help students *Set Sail for Success*.

# **Marguerite E. Small School**

## **Emily A. Mezzetti, Principal**

It is with pride that I submit to you the annual report for the Marguerite E. Small School on behalf of our students, parents, staff, and faculty.

Three hundred sixty students currently attend our fourth and fifth grade school. Focus on the intermediate grades allows us to embrace a culture that maximizes the potential for positive development academically and emotionally for our students. This culture includes our core curriculum in academics and the arts and the integration of extended day activities to enrich our students in their developing areas of interest.

Our teachers and staff continue to strive to meet the mandates of the federal No Child Left Behind Act. We have worked throughout the year analyzing our MCAS data to identify curriculum areas needing enhanced instruction. We have also provided extended day tutoring opportunities for identified students in specific areas of need to augment their skill development

Extending positive experiences beyond our students' traditional school day, we have partnered with the Yarmouth Recreation Department to offer organized after school recreation opportunities at our school four days each week. We enjoyed this collaborative effort, and our students and families appreciated the opportunity for enriched social and athletic skill development. On behalf of our school community, we thank Patricia Armstrong, Director of Yarmouth Recreation, and her staff for their dedication to our students.

Beginning in January, we offered an array of before and after school activities to expand our students' learning. These fee-based opportunities included reading, creative writing, the arts, and athletics. The goal of heightening interest and enhancing students' skills led to this cooperative venture with our PTO. We have also again sponsored participation in the Destination Imagination Program as well, channeling students' creativity into fun-filled and spirited competition beginning at the regional level.

Teaching our children at a young age to be active participants in the community is integral to their success as contributing adults in the future. This past year we hosted a student mock election to heighten their awareness of national events. We also have a Student Council of sixteen students that led activities on behalf of our school. These activities included events that supported our school as well as the larger community. We celebrate the accomplishments of our students as they learn to exercise civic responsibility.

The school's Parent Teacher Organization is an area of immense strength. Parents met monthly to continually plan and expedite fundraisers to supplement opportunities that would otherwise not have been afforded to our students. These events included programs in language arts, math, science, and social studies as well as several field trips to the greater Boston area for a variety of reinforcing experiences. On behalf of our school community, we thank all of our parents for their support, especially Dawn-Marie Flett, Peggy McNamara, Michelle Dunn, Jennifer Slovak, Carrie Rodricks, and Tina Andre, our PTO leaders.

As I conclude my eleventh year as a school principal in the town of Yarmouth and my first year as principal of the Marguerite E. Small School, I would like to thank Marge Cook, my administrative colleague, Judy Cash, our office manager, and all of the M.E. Small faculty, staff, and parents who helped make our school's leadership transition a positive experience for students. I look forward to our ongoing work together as we continue to enhance the educational opportunities we offer to Yarmouth's fourth and fifth grade students.

# **Station Avenue Elementary School**

## **Lisa M. Whelan, M.Ed., Principal**

It is with great pride and enthusiasm that I submit this Annual Report of the Station Avenue Elementary School. I have been quite impressed with the amount of professionalism, experience, and commitment that the Dennis-Yarmouth School District gives to the students of our system. Our team of teachers at Station Avenue has worked endlessly to support and enrich one another with the experiences that we have and share. Building a team of professionals to support the educational well being of our students is our #1 goal. We were fortunate to make adequate yearly progress in both ELA and MATH on the 2008 MCAS due to the combined team efforts of our educational professionals.

Math has been a school wide focus over the past year and a half. Through looking at student work, researching best practices in the area of number sense instruction, and using data in this area to drive our teaching practices, we have been able to increase our math number sense achievement on the 2008 MCAS. We are continuing to provide professional development opportunities to the staff in this area.

Additionally, we were able to continue our contract with IDEAL Associates to assist with the development of reading interventions. Our on-site grant coordinator and consulting teacher of reading, Ms. Dianne O'Connell, has played an intricate role in developing and facilitating the literacy program at Station Avenue Elementary. Our second grade team of teachers is participating in a book study this year that focuses on Fluency in order to better instruct our learners in reading/literacy.

With the support of the Dennis-Yarmouth School District, we are fortunate to have three team leaders and a School dean at our school again this year. This team has worked to facilitate and support the principal with the data inquiry process. Our vision at Station Avenue School is to use data and assessments to drive the instruction that we do in our classrooms. By having team leaders, these leaders facilitate grade level meetings and support teachers with the process. Our school dean, Mr. Steven McDonough, has been an invaluable and supportive person to our entire school community. He works closely with the staff and principal of the school to instill positive values and role modeling each day.

Technology is another area that the school has focused on this year. We have developed a computer laboratory within our library area to promote the use of technology with classrooms. All classrooms have the opportunity to use the computer lab at least once a week. Study Island is a standards based technology program that is being used with grade three students in

the areas of ELA and MATH. Our second grade classrooms have the use of smart board technology in their classrooms this year. It is an outstanding instructional tool that provides engaging opportunities for the students with hands on instruction.

The Station Avenue School appreciates strong support from the school community and from our surrounding business community. The SAE School Council provides guidance and initiative to help improve our school. This council membership includes teacher representatives Patricia MacArthur, Charlene Carey, Steven McDonough, Meaghan Kenney and parent representatives Mrs. Christina Carey, Ms. Patty Chadwick, Mrs. Laurie Simonian; and our community representative, Mrs. Barbara Adams, a long time Kindergarten teacher. We are extremely grateful to the PTO members and their officers for their service to our school community. Our parents are an integral part of our school community.

We deeply appreciate the support and services of the D-Y school system as well as those provided by other Town of Yarmouth agencies, including the Yarmouth Police Department, Fire Department and the Recreation Department. They have been an enormous support to our school programs. Additionally, the Yarmouth Rotary club has also been a supportive organization to our students.

All of our successes as a school would not be possible without the support and efforts of our elected School Committee members who continue to volunteer their time and are dedicated to our educational mission for the children of the Dennis-Yarmouth Schools.

## Dennis the Manatee

**I**t was early October, when a rather unusual visitor arrived in the town of Dennis and its beautiful port of Sesuit Harbor.

A wayward manatee - affectionately called "Dennis" had wandered unusually far north and a long distance away from his subtropical home in Florida.

Dennis the manatee dazzled throngs of onlookers, residents and visitors alike, who were rooting for his successful rescue, rehabilitation and eventual release back into his home waters.

But sadly, on October 12, Dennis the manatee died just hours before reaching his destination at SeaWorld in Orlando, Florida.

"Dennis" made us smile and wonder about the fickleness of nature. Our autumn visitor left a lasting impression and not only captivated the town of Dennis, but the nation and world as well.

He chose Dennis, our town, as his final home and will always be fondly remembered.

This year's front and back cover was designed by Steve Buss, Town of Dennis MIS Director.

Special Thanks go out to Town of Dennis Receptionist, Linda Fleming,  
for her assistance in the proofing of this book.
