

DENNIS POLICE DEPARTMENT

John Brady, Chief of Police

Citizens Police Academy, 2023

The Dennis Police Department will be hosting our annual Citizens Police Academy, and members of the Dennis community are cordially invited to attend the 10 week program. The objective of this program is to have citizens learn about the inner-workings of their police department. Officers with particular expertise and experience will be class instructors, and subjects will be taught in various settings and can include a ride-along. The key to the success of this program is the enthusiasm and participation that the citizens bring to our Citizens Police Academy. The Citizen's Police Academy will be held at the Dennis Police Department on Tuesday evenings, beginning **Tuesday, September 26th 2023**. Sessions run from 6:00 pm to 9:00 pm. Some of the classes may be held at other locations. We would like all students to attend every class but we do understand that sometimes this isn't possible. In order for students to graduate, they must not miss more than two classes. Our academies are usually well-attended, and often there will be a wait-list after we cap the class at 30 participants. Please consider applying as soon as possible.

APPLICATION – please submit by Tuesday September 12th 2023

Last Name, First Name, Middle Name

Phone Number

Street Address, City, State, Zip Code

Place of Employment (Please note if retired)

Email

List Previous States of Residency (if applicable)

Date of Birth

Officer Timothy McGrail
Dennis Police Department
90 Bob Crowell Road
South Dennis, MA 02660

-or- Scan and email to tmcgrail@town.dennis.ma.us

All applicants will be subject to a background check which will include criminal and motor vehicle history.

The Dennis Police Department embraces the philosophy of "community policing" which establishes a partnership and responsibilities shared by both the Dennis Police and the citizens. Our hope is that the Citizens Police Academy can establish an avenue of communication and understanding that will allow for the identification of needs and the solution of problems confronted by our community.
