

TOWN OF DENNIS

Community Gardens

REQUEST FOR A GARDEN PLOT

- Membership in the Town of Dennis Community Gardens is available to all Dennis residents subject to available space. Gardens are administrated by the Town's Natural Resources office. There is a modest charge per year for a plot. Gardeners are required to maintain an orderly garden free of excess weeds and to comply with the Community Garden Rules & Regulations.
- Garden plots are renewed each year on an annual basis. If a plot is not renewed, then the plot will be reassigned to someone on the wait list. The applicant's place on the wait list will be determined by the date the completed request form is received by staff.
- Dennis residents who are interested in a plot should print this page, fill in the requested information and email or deliver this form to the address below.
