Subject: Variance Request, 8 Coolidge Way Dennis, MA 02638

Dear Members of the Zoning Board of Appeals,

We are writing this letter of support for the project at 8 Coolidge Way. We are year-round residents and homeowners at 15 Coolidge Way. The Reilly's are excellent neighbors and community members. We would like them to be able to have a year-round house that meets the needs of their growing family. We have zero concerns that the variance requested would impact our neighborhood in a negative way. We respectfully ask the Board to approve the variance and help their project to move forward.

Sincerely,

Laura & Alex Clark
15 Coolidge Way
