

# Weir Creek Restoration Project

## Public Meeting

Wednesday, August 20th

6:00 - 7:30 pm

Dennis Police Station

(90 Bob Crowell Rd, South Dennis, MA)

In an effort to restore ecological function and reduce flooding risks to the surrounding community, the town of Dennis and partners are working to improve the tidal hydrology in the Weir Creek salt marsh by enlarging the culverts under Lower County Road. The team will share an online mapping viewer showing flooding extents under existing and proposed conditions. **Feedback received at the public meeting will be used to guide the next phases of design and implementation.**

**Join us to share your insights!**
