

# Public Meeting on Environmental Justice Open Space & Recreation

**Wednesday  
October 15, 2025  
at 6:00 pm.**

Dennis Port Public Library  
5 Hall Street  
Dennis Port, MA

This meeting is a part of the Town's ongoing Open Space and Recreation Planning in conjunction with our community partner, the Dennis Port-West Dennis Advancement Committee (DPWDAC).

The purpose of this meeting is to inform the community about the many existing and new open space and recreation resources in Town, educate the community about Environmental Justice, and gather feedback from folks with local expertise, ideas and needs that may have been overlooked as we continue to improve the exceptional Open Space resources in Dennis for everyone.
