

TOWN OF DENNIS ANTI-NOISE BY-LAW

SECTION A

It shall be unlawful for any person or persons occupying or having charge of any building or premises or any part thereof in the town, other than that section of any establishment licensed under Chapter 138 of the General Laws, to cause or allow any excessive noises in the operation of any radio, phonograph or other mechanical soundmaking device or instrument, or reproducing device or instrument, or in the playing of any band, orchestra, musician or group of musicians, or in the use of any device to amplify the aforesaid, or the making of loud outcries, exclamations or other loud or boisterous noises or loud and boisterous singing by any person or group of persons or in the use of any device to amplify the aforesaid noise, where the noise is plainly audible at a distance of 150 feet from the building, structure, vehicle or premises in which or from which it is produced. The fact that the noise is plainly audible at a distance of 150 feet from the vehicle or premises from which it originates shall constitute prima facie evidence of a violation of this bylaw. Any person violating this bylaw shall be punished by a fine of not more than \$50.00 for each offense.

SECTION B

It shall be unlawful for any person or persons being present in or about any building, dwelling premises, shelter, boat or conveyance or any part thereof, other than that section of any establishment licensed under Chapter 138 of the General Laws, who shall cause any excessive noises, including any excessive or unusual noises in the operation of any radio, phonograph or other mechanical soundmaking device, or instrument, or reproducing device or instrument, or in the playing of any band orchestra, musician or group of musicians, or the making of loud outcries, exclamations or other loud or boisterous noises or loud and boisterous singing by any person or group of persons, or in the use of any device to amplify the aforesaid noise, where the aforesaid noise is plainly audible at a distance of 150 feet from the building, dwelling, premises, shelter, boat or conveyance in which or from which it is produced. The fact that the noise is plainly audible at a distance of 150 feet from the premises from which it originates shall constitute prima facie evidence of a violation of this by-law, who shall make, or cause, or assist in the making of the aforesaid and described improper noises, disturbances, breach of the peace or a diversion tending to a breach of the peace. Any person violating this bylaw shall be punished by a fine or not more \$50.00 for each offense.
