Dear Paul,

Because I am unable to attend tonight's meeting, I am writing you in support of the Dennis multi family housing overlay district.

The dire need on Cape Cod for housing is one of which, by now, we are all aware. It is particularly critical that towns be able to provide housing for teachers, police, municipal workers and those working people and families who are essential to a thriving community.

The planning board has done well to select a location that is in close proximity to transportation and services. I urge the planning board, now, and ultimately the town to make this multi family housing overlay district an important part of your zoning regulations.

Sincerely,
Peter Polhemus
