- (5) Custodial Indexing of Records.
- (a) the Supervisor may require a records access officer or custodian to compile an index of the requested records within the context of a public records appeal under 950 CMR 32.08.
 - (b) said index shall be a public record and shall meet the following requirements:
 1. the index shall be contained in one document, complete in itself;
 2. the index shall adequately describe each withheld record or redaction from a released record;
 3. the index must state the exemption or exemptions claimed for each withheld record or each redaction of a record; and
 4. the descriptions of the withheld material and the exemption or exemptions claimed for the withheld material must be sufficiently specific to permit the Supervisor to make a reasoned judgment as to whether the material is exempt.
 - (c) nothing in 950 CMR 32.08 shall preclude the Supervisor from employing alternative or supplemental procedures to meet the particular circumstances of each appeal.

32.09: Enforcement of Orders

A records access officer shall promptly take such steps as may be necessary to comply with an order of the Supervisor. If a records access officer fails to comply with an order issued by the Supervisor, the Supervisor, upon the Supervisor's initiative, may notify the Attorney General to ensure compliance.

32.10: Advisory Opinions

Advisory opinions from the Supervisor may be requested. However, it shall be in the Supervisor's discretion whether to issue an advisory opinion. The Supervisor has and will continue to provide a staff member on call every day during regular business hours to offer informal information to any person, whether a requester or custodian.
